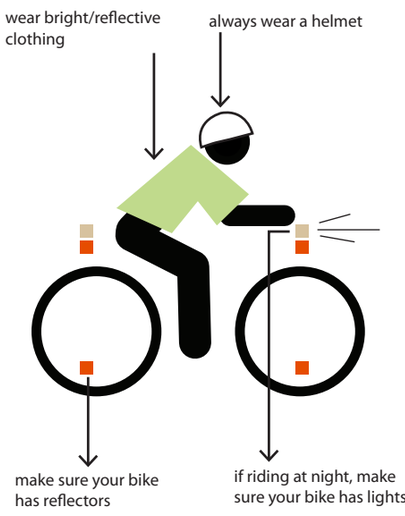
Bike Safety:

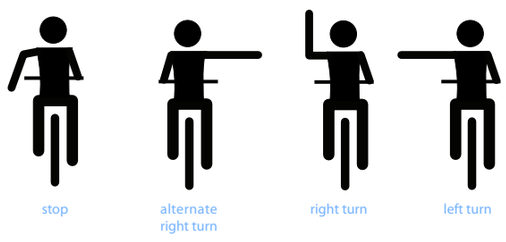
Bicyclists share the same privileges and responsibilities as drivers of motor vehicles, and must obey all traffic control signs and signals.



* You can never have too many reflectors or lights on your bike. The more you have the more safe you are as a bicyclist

On-road bicycling:

must know biking symbols:



For more bike safety information:

+ www.sharetheroadmn.org

FM Signs:

In the FM Area, there are signs to be aware of as a bicyclist and as a driver to ensure a safe experience for everyone.

Sidewalks:

Use extra caution when riding on sidewalks, especially at crossings/ intersections and around pedestrians

Sharrow:

share the road with vehicles

Bike lane at an intersection:

cars yield to bicycles when merging over dashed line

Bike lane:

bicycles only, cars keep out!

On-road Shoulder:

bicycles have a minimum of 4' on a designated shoulder bike facility
