CHILDREN'S MENTAL HEALTH LOCAL ADVISORY COUNCIL (LAC)

The council is made up of parents of children with mental health disorders, mental health professionals, community service representatives, county representatives and consumers of mental health services. It is the LAC's responsibility to review the local mental health systems and make recommendations to the County Board of Commissioners. Anyone with concerns or ideas about the mental health system in Clay County is welcome to attend the meetings. For more information, contact Carolyn at 218-443-3916

CLAY COUNTY COLLABORATIVE

The Collaborative's responsibility is to integrate service delivery systems in our community. It allows counties, schools, local mental health services, probation and other participants to pool funding and to coordinate multiple services offered to children.

For more information, contact Coordinator at 218-443-3916
