Giggle, Wiggle & Sing With Penny & Pals

Penny & Pals concerts feature a delightful blend of spunky, original songs, playful costumed characters and kid participation. Equipped with an uncanny ability to literally sweep kids off of their feet, Penny and her Pals treat young audiences to interactive songs that they deliver with humor and an energy rarely seen in children's venues. On stage, they bring to life engaging characters from their music, characters that seem to jump right out of a song into real life to lead children in the fun.
