

**CLAY COUNTY SOCIAL SERVICES
CIVIL RIGHTS COMPLAINT PROTOCOL**

You have the right to equal access to services, if you are an applicant, client or member of the public trying to gain access to human services program information or benefits. Clay County Social Services has a civil rights complaint protocol that provides prompt and thorough resolution of civil rights complaints.

Civil rights complaints allege discrimination. You have a right to file a civil rights complaint if you believe you have been discriminated against because of your race, color, national origin, sex, sexual orientation, age, creed, religion, political beliefs, disability or public assistance status. Sex includes sex stereotypes and gender identity discrimination that occurs in medical or health programs and clinics receiving federal financial assistance, such as Medical Assistance, MNCare, CHIP programs, insurance companies and state health insurance exchanges.

It is against the law for anyone who works for Clay County Social Services to retaliate against a person who files a complaint or who cooperates in the investigation of a civil rights complaint.

To file a complaint, ask for Clay County Social Services equal opportunity policy, and complaint protocol. Use the contact information below to help you to file your complaint. You can also review the law and regulations that outlaw discrimination in the Civil Rights Contact's office at Clay County Social Services:
