LAW ENFORCEMENT CODE OF ETHICS

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against abuse or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or abuse and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

202.1 PURPOSE AND SCOPE

The County has prepared, in compliance with the Minnesota Emergency Management Act of 1996 (Minn. Stat. § 12.09), an Emergency Operations Plan Manual. This manual is for the guidance and use by all employees in the event of a major disaster, civil disturbance, mass arrest or other emergency event. The manual provides for a strategic response by all employees and assigns specific responsibilities in the event the plan is activated.

202.2 ACTIVATING THE EMERGENCY OPERATIONS PLAN

The Emergency Operations Plan can be activated in a number of ways. For the Sheriff's Office, the Sheriff, the highest ranking official on-duty or an on-scene responder may activate the Emergency Operations Plan in response to a major emergency.

202.2.1 RECALL OF PERSONNEL

In the event that the Emergency Operations Plan is activated, all employees of the Clay County Sheriff's Office are subject to immediate recall. Employees may also be subject to recall during extraordinary circumstances as deemed necessary by the Sheriff or the authorized designee.

Failure to promptly respond to an order to report for duty may result in discipline.

202.3 LOCATION OF MANUALS

The manual for employees is available in Administration, the Shift Supervisor's office and in RRRDC.

202.4 PLAN REVIEW

The Administration Division Commander shall annually review the Emergency Operation Plan and recommend updates when applicable. The annual review, update, and approval of the plan and supporting documents must be in accord with the guidance provided by the Department of Public Safety, Division of Emergency Management and should incorporate a full or partial exercise, tabletop or command staff discussion (Minn. Stat. § 299J.10).

202.5 PLAN TRAINING

The Office shall provide training in the Emergency Operations Plan for all supervisors and other appropriate personnel. All supervisors should familiarize themselves with the Emergency Operations Plan and the roles sheriff's personnel will play when the plan is implemented.

Training

203.1 PURPOSE AND SCOPE

This policy establishes general guidelines for how training is to be identified, conducted, and documented. This policy is not meant to address all specific training endeavors or identify every required training topic.

203.2 PHILOSOPHY

The Office seeks to provide ongoing training and encourages all personnel to participate in advanced training and formal education on a continual basis. Training is provided within the confines of funding, requirements of a given assignment, staffing levels and legal mandates. Whenever reasonably possible, the Office will use courses certified by the Minnesota Board of Peace Officer Standards and Training (POST) or other regulatory or nationally recognized entities. Examples of these entities may be, but are not limited to, the American Correctional Association and the American Jail Association.

203.3 OBJECTIVES

The objectives of the training program are to:

- (a) Enhance the level of law enforcement service to the public.
- (b) Increase the technical expertise and overall effectiveness of office members.
- (c) Provide for continued professional development of office members.
- (d) Ensure compliance with POST rules and regulations concerning law enforcement training.

203.4 TRAINING PLAN

The training plan should include the anticipated costs associated with each type of training, including attendee salaries and backfill costs. The plan should include a systematic and detailed method for recording all training for members.

Updates and revisions may be made to any portion of the training plan at any time it is deemed necessary.

The plan will address all required training.

203.4.1 GOVERNMENT-MANDATED TRAINING

The following lists, while not all inclusive, identify training that is required under state and federal laws and regulations. Additional required training may be identified in individual policies.

203.6 TRAINING COMMITTEE

The Training Lieutenant shall establish a Training Committee, on a temporary or as-needed basis, which will assist with identifying training needs.

The Training Committee should be composed of at least three members, with the senior ranking member of the committee acting as the chairperson. Committee members should be elected based on their abilities at post-incident evaluation and at assessing related training needs. The Training Lieutenant may remove or replace members of the committee at the Training Lieutenant's discretion.

The Training Committee should review certain incidents to determine whether training would likely improve future outcomes or reduce or prevent the recurrence of the undesirable issues related to the incident. Specific incidents the Training Committee should review include but are not limited to:

- (a) Any incident involving the death or serious injury of a member.
- (b) Incidents involving a high risk of death, serious injury, or civil liability.
- (c) Incidents identified by the Office to determine possible training needs.

The Training Committee should convene on a regular basis, as determined by the Training Lieutenant, to review the identified incidents. The committee shall determine by consensus whether a training need exists and then submit written recommendations of its findings to the Training Lieutenant. The recommendation should not identify specific facts of any incidents, such as identities of members involved or the date, time, and location of the incident, but should focus on the type of training being recommended.

The Training Lieutenant will consider the recommendations of the committee and determine what training should be addressed, taking into consideration the mission of the Office and available resources. Training recommendations as determined by the Training Lieutenant shall be submitted to the command staff for review.

203.6 DAILY TRAINING BULLETINS

The Lexipol Daily Training Bulletins (DTBs) are contained in a web-accessed system that provides training on the Clay County Sheriff's Office Policy Manual and other important topics. Generally, one training bulletin is available for each day of the month. However, the number of DTBs may be adjusted by the Training Lieutenant.

Members assigned to participate in DTBs shall only use login credentials assigned to them by the Training Lieutenant. Members should not share their password with others and should frequently

Members who are assigned to participate in the DTB program should complete each DTB at the beginning of their shift, or as otherwise directed by their supervisor. Members should not allow uncompleted DTBs to build up over time, and may be required to complete DTBs missed during extended absences (e.g., vacation, medical leave) upon returning to duty. Although the DTB system can be accessed from any internet-enabled computer, members shall only take DTBs as part of their on-duty assignments, unless directed otherwise by a supervisor.

Supervisors will be responsible for monitoring the progress of those under their command to ensure compliance with this policy.

203.7 CLASSROOM DISCRIMINATION

Deputies are responsible for responding to these requests in a timely manner and otherwise maintaining their licensed status.

Electronic Mail

204.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper use and application of the electronic mail (email) system provided by the Office. Email is a communication tool available to employees to enhance efficiency in the performance of job duties. It is to be used in accordance with generally accepted business practices and current law (e.g., Minnesota Data Practices Act). Messages transmitted over the email system must only be those that involve official business activities or contain information essential to employees for the accomplishment of business-related tasks and/or communication directly related to the business, administration or practices of the Office.

204.2 EMAIL RIGHT OF PRIVACY

All email messages, including attachments, transmitted over the Office computer network or accessed through a web browser accessing the Office system are considered Office records and, therefore, are the property of the Office. The Office has the right to access, audit and disclose for whatever reason, all messages, including attachments, transmitted or received through its email system or placed into its storage.

Unless it is encrypted, the email system is not a confidential system since all communications transmitted on, to or from the system are the property of the Office. Therefore, the email system is not appropriate for confidential or personal communication. If a communication must be private, an alternative method to communicate the message should be used instead of email. Employees using the Office email system shall have no expectation of privacy concerning communications utilizing the system.

204.3 PROHIBITED USE OF EMAIL

The Office email system shall not be used for personal purposes unless that use is authorized in writing by the Sheriff.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive and harassing or any other inappropriate messages on the email system is prohibited, will constitute just cause for discipline, and will result in discipline, up to and including termination of employment

Email messages addressed to the entire office are only to be used for official business-related items that are of particular interest to all users.

It is a violation of this policy to transmit a message under another user's name or email address or to use the password of another to log onto the system. Users are required to log off the network or lock the workstation when their computer is unattended. This added security measure would minimize the misuse of an individual's email, name and/or password.

When a permit holder is convicted of an offense that prohibits the person from possession of a firearm, the court must take possession of the permit if it is available and deliver it to the Sheriff.

The Sheriff may file a petition with the district court for an order to revoke the permit on the grounds that there is a substantial likelihood that the person is a danger to him/herself or to the public if he/she is authorized to carry a pistol under permit. Chapter 3 - General Operations

Use of Force

300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this office is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner (Minn. Stat. § 626.8452).

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Conducted Energy Device policies.

300.1.1 DEFINITIONS

Definitions related to this policy include:

Bodily harm - Physical pain or injury.

Deadly force - Force reasonably anticipated and intended to create a substantial likelihood of causing death or great bodily harm.

Feasible - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the deputy or another person.

Force - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

Great bodily harm - Bodily injury which creates a high probability of death, or which causes serious, permanent disfigurement, or which causes a permanent or protracted loss or impairment of the function of any bodily member or organ or other serious bodily harm.

Imminent - Ready to take place; impending. Note that imminent does not mean immediate or instantaneous.

Totality of the circumstances - All facts and circumstances known to the deputy at the time, taken as a whole, including the conduct of the deputy and the subject leading up to the use of force.

300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Deputies are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Deputies must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Use of Force

The Clay County Sheriff's Office recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting deputies with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation, and a careful balancing of all interests.

300.2.1 DUTY TO INTERCEDE AND REPORT

Any deputy present and observing another law enforcement officer or a member using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intercede to prevent the use of unreasonable force (Minn. Stat. § 626.8452; Minn. Stat. § 626.8475).

Any deputy who observes another law enforcement officer or a member use force that is potentially beyond that which is objectively reasonable under the circumstances shall report these observations to a supervisor as soon as feasible (Minn. Stat. § 626.8452; Minn. Stat. § 626.8475).

300.2.2 ADDITIONAL REQUIREMENTS

A deputy reporting a use of force by another law enforcement officer or member pursuant to this policy shall also make the report in writing to the Sheriff within 24 hours (Minn. Stat. § 626.8475).

300.2.3 PERSPECTIVE

When observing or reporting force used by a law enforcement officer, each deputy should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject.

300.3 USE OF FORCE

Deputies shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the deputy at the time of the event to accomplish a legitimate law enforcement purpose.

The reasonableness of force will be judged from the perspective of a reasonable deputy on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that deputies are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation a deputy might encounter, deputies are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

It is also recognized that circumstances may arise in which deputies reasonably believe that it would be impractical or ineffective to use any of the tools, weapons, or methods provided by this office. Deputies may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Use of Force

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires a deputy to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST

A deputy may use reasonable force (Minn. Stat. § 609.06 and Minn. Stat. § 629.33):

- (a) In effecting a lawful arrest.
- (b) In the execution of a legal process.
- (c) In enforcing an order of the court.
- (d) In executing any other duty imposed by law.
- (e) In preventing the escape, or to retake following the escape, of a person lawfully held on a charge or conviction of a crime.
- (f) In restraining a person with a mental illness or a person with a developmental disability from self-injury or injury to another.
- (g) In self-defense or defense of another.

A deputy who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance of the person being arrested; nor shall such deputy be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest or to prevent escape or to overcome resistance.

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether a deputy has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit. These factors include but are not limited to:

- (a) Immediacy and severity of the threat to deputies or others.
- (b) The conduct of the individual being confronted, as reasonably perceived by the deputy at the time.
- (c) Deputy/subject factors (e.g., age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of deputies available vs. subjects).
- (d) The effects of suspected drug or alcohol use.
- (e) The individual's mental state or capacity.
- (f) The individual's ability to understand and comply with deputy commands.
- (g) Proximity of weapons or dangerous improvised devices.
- (h) The degree to which the individual has been effectively restrained and his/her ability to resist despite being restrained.
- (i) The availability of other reasonable and feasible options and their possible effectiveness (Minn. Stat. § 626.8452).
- (j) Seriousness of the suspected offense or reason for contact with the individual.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Use of Force

- (k) Training and experience of the deputy.
- (l) Potential for injury to deputies, suspects, and others.
- (m) Whether the individual appears to be resisting, attempting to evade arrest by flight, or is attacking the deputy.
- (n) The risk and reasonably foreseeable consequences of escape.
- (o) The apparent need for immediate control of the individual or a prompt resolution of the situation.
- (p) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the deputy or others.
- (q) Prior contacts with the individual or awareness of any propensity for violence.
- (r) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Deputies may only apply those pain compliance techniques for which they have successfully completed office-approved training. Deputies utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the individual can comply with the direction or orders of the deputy.
- (c) Whether the individual has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the deputy determines that compliance has been achieved.

300.3.4 CAROTID CONTROL HOLD

A carotid control hold is a technique designed to control an individual by applying pressure to a person's neck on either side of the windpipe, but not to the windpipe itself, to stop the flow of blood to the brain via the carotid arteries (Minn. Stat. § 609.06, Subd. 3). The proper application of the carotid control hold may be effective in restraining a violent or combative individual. However, due to the potential for injury, the use of the carotid control hold is limited to those circumstances where deadly force is authorized and is subject to the following (Minn. Stat. § 609.06; Minn. Stat. § 609.066):

- (a) At all times during the application of the carotid control hold, the response of the individual should be monitored. The carotid control hold should be discontinued when circumstances indicate that the application no longer reasonably appears necessary.
- (b) Any individual who has had the carotid control hold applied, regardless of whether he/she was rendered unconscious, shall be promptly examined by paramedics or other qualified medical personnel and should be monitored until such examination occurs.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Use of Force

- (c) The deputy shall inform any person receiving custody, or any person placed in a position of providing care, that the individual has been subjected to the carotid control hold and whether the individual lost consciousness as a result.
- (d) Any deputy attempting or applying the carotid control hold shall promptly notify a supervisor of the use or attempted use of such hold.
- (e) The use or attempted use of the carotid control hold shall be thoroughly documented by the deputy in any related reports.

300.3.5 USE OF FORCE TO SEIZE EVIDENCE

In general, deputies may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, deputies are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, deputies should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Deputies are encouraged to use techniques and methods taught by the Clay County Sheriff's Office for this specific purpose.

300.3.6 ALTERNATIVE TACTICS - DE-ESCALATION

When circumstances reasonably permit, deputies should use non-violent strategies and techniques to decrease the intensity of a situation, improve decision-making, improve communication, reduce the need for force, and increase voluntary compliance (e.g., summoning additional resources, formulating a plan, attempting verbal persuasion).

300.3.7 STATE RESTRICTIONS ON THE USE OF OTHER RESTRAINTS

Deputies may not use any of the following restraints unless the use of deadly force is authorized (Minn. Stat. § 609.06; Minn. Stat. § 609.066):

- (a) A chokehold. For purposes of this policy, a chokehold only refers to the method of applying sufficient pressure to an individual to make breathing difficult or impossible, and includes but is not limited to any pressure to the neck, throat, or windpipe that may prevent or hinder breathing, or reduce intake of air.
 - 1. If applied, a chokehold is subject to the same guidelines and requirements as a carotid control hold.
- (b) Tying all of an individual's limbs together behind the person's back to render the person immobile.
- (c) Securing an individual in any way that results in transporting the person face down in a vehicle.

300.4 DEADLY FORCE APPLICATIONS

When reasonable, the deputy shall, prior to the use of deadly force, make efforts to identify themselves as a peace officer and to warn that deadly force may be used, unless the deputy has objectively reasonable grounds to believe the person is aware of those facts.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Use of Force

Use of deadly force is justified only if an objectively reasonable deputy would believe, based on the totality of the circumstances known to the deputy at the time and without the benefit of hindsight, that such force is necessary (Minn. Stat. § 609.066):

- (a) To protect the deputy or another from death or great bodily harm.
- (b) To effect the arrest or capture, or prevent the escape, of an individual whom the deputy knows or has reasonable grounds to believe has committed or attempted to commit a felony and the deputy reasonably believes that the person will cause death or great bodily harm to another person unless immediately apprehended.

In both scenarios, the use of deadly force is only authorized provided that the threat (Minn. Stat. § 609.066):

- Can be articulated with specificity.
- Is reasonably likely to occur absent action by the deputy.
- Must be addressed through the use of deadly force without unreasonable delay.

However, a deputy shall not use deadly force against a person whose actions are a threat solely to themselves or property unless the person poses an imminent danger of death or serious physical injury to the deputy or others in close proximity (Minn. Stat. § 609.066).

300.4.1 MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective and involve considerations and risks in addition to the justification for the use of deadly force.

When feasible, deputies should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants.

A deputy should only discharge a firearm at a moving vehicle or its occupants when the deputy reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the deputy or others.

Deputies should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.5 REPORTING THE USE OF FORCE

Any use of force by a member of this office shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The deputy should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances.

To collect data for purposes of training, resource allocation, analysis, and related purposes, the Office may require the completion of additional report forms, as specified in office policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Use of Force

300.5.1 NOTIFICATIONS TO SUPERVISORS

Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable deputy to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of the conducted energy device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

300.5.2 STATE REPORTING REQUIREMENTS

The Sheriff shall provide for the filing of a report with the Bureau of Criminal Apprehension (BCA) on a monthly basis and in the form required by BCA (Minn. Stat. § 626.5534).

There may be additional reporting requirements regarding misconduct (see the Standards of Conduct Policy) (Minn. Stat. § 626.8457).

300.6 MEDICAL CONSIDERATIONS

Once it is reasonably safe to do so, medical assistance shall be obtained for any person who exhibits signs of physical distress, has sustained visible injury, expresses a complaint of injury or continuing pain, or was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until the individual can be medically assessed. Individuals should not be placed on their stomachs for an extended period, as this could impair their ability to breathe.

Based upon the deputy's initial assessment of the nature and extent of the individual's injuries, medical assistance may consist of examination by an emergency medical services provider or medical personnel at a hospital or jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another deputy and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling deputy shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the deputy reasonably

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Use of Force

believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Individuals who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain, or who require a protracted physical encounter with multiple deputies to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Deputies who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away.

See the Medical Aid and Response Policy for additional guidelines.

300.7 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to a reported application of force resulting in visible injury, if reasonably available. When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

- (a) Obtain the basic facts from the involved deputies. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the individual upon whom force was applied. If this interview is conducted without the individual having voluntarily waived his/her *Miranda* rights, the following shall apply:
 - 1. The content of the interview should not be summarized or included in any related criminal charges.
 - 2. The fact that a recorded interview was conducted should be documented in a property or other report.
 - 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas.
 - 1. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the individual may pursue civil litigation.
 - 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Use of Force

- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy noncompliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 SHIFT SUPERVISOR RESPONSIBILITY

The Shift Supervisor shall review each use of force by any personnel within his/her command to ensure compliance with this policy and to address any training issues.

300.8 TRAINING

Deputies shall receive training on this policy, including the learning objectives as provided by the Board of Peace Officer Standards and Training (POST), and demonstrate their knowledge and understanding at least annually (Minn. Stat. § 626.8452, Subd. 3).

Subject to available resources, deputies should receive periodic training on guidelines regarding vulnerable populations, including but not limited to children, elderly, pregnant persons, and individuals with physical, mental, or intellectual disabilities.

300.8.1 STATE-SPECIFIC TRAINING REQUIREMENTS

Warrior-style training, as defined in Minn. Stat. § 626.8434, whether provided directly by the Office or through a third party, is prohibited (Minn. Stat. § 626.8434).

300.8.2 TRAINING REQUIREMENTS

Required annual training shall include:

- (a) Legal updates.
- (b) De-escalation tactics, including alternatives to force.
- (c) The duty to intercede.
- (d) The duty to request and/or render medical aid.
- (e) Warning shots (see the Firearms Policy).
- (f) All other subjects covered in this policy (e.g., use of deadly force, chokeholds and carotid holds, discharge of a firearm at or from a moving vehicle, verbal warnings).

300.9 POLICY REVIEW

The Sheriff or the authorized designee should annually review and update this policy to reflect developing practices and procedures.

Handcuffing and Restraints

301.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

301.2 POLICY

The Clay County Sheriff's Office authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy, the Transporting Persons in Custody Policy, and office training. Restraint devices shall not be used to punish, to display authority, or as a show of force.

301.3 USE OF RESTRAINTS

Only members who have successfully completed Clay County Sheriff's Office-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, deputies should carefully balance officer safety concerns with factors that include, but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

301.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain an individual who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to assure the safety of deputies and others. When deciding whether to remove restraints from a detainee, deputies should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

301.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg restraints, waist chains, or handcuffs behind the body should not be used unless the deputy has a reasonable suspicion that the person may resist, attempt escape, injure themselves or others, or damage property.

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances, and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the detainee, deputies, or others.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Handcuffing and Restraints

See the Transporting Persons in Custody Policy for guidelines relating to transporting pregnant persons.

301.3.3 RESTRAINT OF JUVENILES

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the deputy has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the deputy or damage property.

301.4 HANDCUFFS OR PLASTIC CUFFS

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Office. Deputies should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, deputies should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the individual or may cause unreasonable discomfort due to the person's size, deputies should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

301.5 SPIT HOODS

Spit hoods/masks/socks are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the deputy reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Deputies utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally. Deputies should provide assistance during the movement of restrained individuals due to the potential for impaired or distorted vision on the part of the individual. Deputies should avoid comingling individuals wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Handcuffing and Restraints

and discarded. Persons who have been sprayed with oleoresin capicum (OC) spray should be thoroughly decontaminated including hair, head and clothing prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

301.6 AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg restraints, and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort, and mobility.

Only office-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

301.7 LEG RESTRAINT DEVICES

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest or transportation. Only restraint devices approved by the office shall be used.

In determining whether to use the leg restraint, deputies should consider:

- (a) Whether the deputy or others could be exposed to injury due to the assaultive or resistant behavior of a suspect.
- (b) Whether it is reasonably necessary to protect the suspect from his/her own actions (e.g., hitting his/her head against the interior of the patrol unit, running away from the arresting deputy while handcuffed, kicking at objects or deputies).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol unit).

301.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints, the following guidelines should be followed:

- (a) If practicable, deputies should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the deputy arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on their stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by a deputy while in the leg restraint. The deputy should ensure that the person does not roll onto and remain on their stomach.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Handcuffing and Restraints

- (e) The deputy should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.

301.8 REQUIRED DOCUMENTATION

If a person is restrained and released without an arrest, the deputy shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.

Deputies should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

- (a) The factors that led to the decision to use restraints.
- (b) Supervisor notification and approval of restraint use.
- (c) The types of restraint used.
- (d) The amount of time the person was restrained.
- (e) How the person was transported and the position of the person during transport.
- (f) Observations of the person's behavior and any signs of physiological problems.
- (g) Any known or suspected drug use or other medical problems.

Control Devices

302.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

302.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the Clay County Sheriff's Office authorizes deputies to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

302.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this office only if the device has been issued by the Office or approved by the Sheriff or the authorized designee.

Only deputies who have successfully completed office-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, deputies should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

302.4 RESPONSIBILITIES

302.4.1 SHIFT SUPERVISOR RESPONSIBILITIES

The Shift Supervisor may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

302.4.2 RANGEMASTER RESPONSIBILITIES

The Rangemaster shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Rangemaster or the designated instructor for a particular control device. The inspection shall be documented.

302.4.3 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Rangemaster for

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Control Devices

disposition. Damage to County property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

302.5 BATON GUIDELINES

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys, and groin should not be intentionally targeted except when the deputy reasonably believes the use of deadly force is appropriate. See the Use of Force Policy for additional guidance.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

302.6 TEAR GAS GUIDELINES

Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects based on the circumstances. Only the Shift Supervisor, Incident Commander, Crisis Response Unit Commander, or SWAT members acting in the capacity of SWAT or Special Response Team members acting in the capacity of their teams deployment, may deliver or authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation if needed.

302.7 OLEORESIN CAPSICUM (OC) GUIDELINES

As with other control devices, oleoresin capsicum (OC) spray and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Pepper projectiles and OC spray should not be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

302.7.1 OC SPRAY

Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

302.7.2 PEPPER PROJECTILE SYSTEMS

Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine, or groin. Therefore, personnel deploying a pepper projectile system should not intentionally target those areas, except when the deputy reasonably believes the use of deadly force is appropriate. See the Use of Force Policy for additional guidance.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Control Devices

Deputies encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system incidents where the suspect has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward the suspect, whether or not the launcher was used. Unintentional discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident use of a pepper projectile system, such as training and product demonstrations, is exempt from the reporting requirement.

302.7.3 TREATMENT FOR OC SPRAY EXPOSURE

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

302.8 POST-APPLICATION NOTICE

Whenever tear gas or OC has been introduced into a residence, building interior, vehicle, or other enclosed area, deputies should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that cleanup will be at the owner's expense. Information regarding the method of notice and the individuals notified should be included in related reports.

302.9 KINETIC ENERGY PROJECTILE GUIDELINES

This office is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

302.9.1 DEPLOYMENT AND USE

Only office-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Deputies are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved deputy determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and deputies takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Control Devices

- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or deputies.
- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

302.9.2 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the deputy should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of deputies or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other deputies and individuals that the device is being deployed.

Deputies should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, deputies are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the deputy reasonably believes the use of deadly force is appropriate. See the Use of Force Policy for additional guidance.

302.9.3 SAFETY PROCEDURES

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Deputies will inspect the shotgun and projectiles at the beginning of each shift to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When it is not deployed, the shotgun will be unloaded and properly and securely stored in the vehicle. When deploying the kinetic energy projectile shotgun, the deputy shall visually inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Control Devices

Absent compelling circumstances, deputies who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a safety measure in which a second deputy watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

302.10 TRAINING FOR CONTROL DEVICES

The Training Lieutenant shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary. Deputies will receive training on the use of issued control devices and this policy, including the learning objectives as provided by POST, at least annually (Minn. Stat. § 626.8452, Subd. 3).

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the deputy's training file.
- (c) Deputies who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If a deputy cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the deputy will be restricted from carrying the control device and may be subject to discipline.

302.11 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

Conducted Energy Device

303.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of the conducted energy device (CED).

303.2 POLICY

The CED is used in an attempt to control a violent or potentially violent individual. The appropriate use of such a device may result in fewer serious injuries to deputies and suspects.

303.3 ISSUANCE AND CARRYING CEDS

Only members who have successfully completed office-approved training may be issued and may carry the CED.

The Rangemaster should keep a log of issued CED devices and the serial numbers of cartridges/magazines issued to members.

CEDs are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the office inventory.

Deputies shall only use the CED and cartridges/magazines that have been issued by the Office. Cartridges/magazines should not be used after the manufacturer's expiration date.

Uniformed deputies who have been issued the CED shall wear the device in an approved holster.

Deputies who carry the CED while in uniform shall carry it in a holster on the side opposite the duty weapon.

- (a) All CEDs shall be clearly distinguishable to differentiate them from the duty weapon and any other device.
- (b) For single-shot devices, whenever practicable, deputies should carry an additional cartridge on their person when carrying the CED.
- (c) Deputies should not hold a firearm and the CED at the same time.

Non-uniformed deputies may secure the CED in a concealed, secure location in the driver's compartment of their vehicles.

303.3.1 USER RESPONSIBILITIES

Deputies shall be responsible for ensuring that the issued CED is properly maintained and in good working order. This includes a function test and battery life monitoring, as required by the manufacturer, and should be completed prior to the beginning of the deputy's shift.

CEDs that are damaged or inoperative, or cartridges/magazines that are expired or damaged, shall be returned to the Rangemaster for disposition. Deputies shall submit documentation stating the reason for the return and how the CED or cartridge/magazine was damaged or became inoperative, if known.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Conducted Energy Device

303.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the CED should precede its application, unless it would otherwise endanger the safety of deputies or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other deputies and individuals with a warning that the CED may be deployed.

If, after a verbal warning, an individual fails to voluntarily comply with a deputy's lawful orders and it appears both reasonable and feasible under the circumstances, the deputy may, but is not required to, activate any warning on the device, which may include display of the electrical arc, an audible warning, or the laser in a further attempt to gain compliance prior to the application of the CED. The laser should not be intentionally directed into anyone's eyes.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the deputy deploying the CED in the related report.

303.5 USE OF THE CED

The CED has limitations and restrictions requiring consideration before its use. The CED should only be used when its operator can safely deploy the device within its operational range. Although the CED may be effective in controlling most individuals, deputies should be aware that the device may not achieve the intended results and be prepared with other options.

If sufficient personnel are available and can be safely assigned, a deputy designated as lethal cover for any deputy deploying a CED may be considered for officer safety.

303.5.1 APPLICATION OF THE CED

The CED may be used when the circumstances reasonably perceived by the deputy at the time indicate that such application reasonably appears necessary to control a person who:

- (a) Is violent or is physically resisting.
- (b) Has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm deputies, themselves, or others.

Mere flight from a pursuing deputy, without additional circumstances or factors, is not good cause for the use of the CED to apprehend an individual.

The CED shall not be used to psychologically torment, to elicit statements, or to punish any individual.

303.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the CED on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the deputy, the subject, or others, and the deputy reasonably believes that the need to control the individual outweighs the potential risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Conducted Energy Device

- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals known to have been recently sprayed with a flammable chemical agent or who are otherwise known to be in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.
- (f) Individuals whose position or activity is likely to result in collateral injury (e.g., falls from height, located in water, operating vehicles).

Any CED capable of being applied in the drive-stun mode (i.e., direct contact without probes as a primary form of pain compliance) should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between deputies and the subject, thereby giving deputies time and distance to consider other force options or actions.

303.5.3 TARGETING CONSIDERATIONS

Recognizing that the dynamics of a situation and movement of the subject may affect target placement of probes, when practicable, deputies should attempt to target the back, lower center mass, and upper legs of the subject, and avoid intentionally targeting the head, neck, area of the heart, or genitals. If circumstances result in one or more probes inadvertently striking an area outside of the preferred target zones, the individual should be closely monitored until examined by paramedics or other medical personnel.

303.5.4 MULTIPLE APPLICATIONS OF THE CED

Once a deputy has successfully deployed two probes on the subject, the deputy should continually assess the subject to determine if additional probe deployments or cycles reasonably appear necessary. Additional factors deputies may consider include but are not limited to:

- (a) Whether it is reasonable to believe that the need to control the individual outweighs the potentially increased risk posed by multiple applications.
- (b) Whether the probes are making proper contact.
- (c) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (d) Whether verbal commands or other options or tactics may be more effective.

Given that on certain devices (e.g., TASER 10™) each trigger pull deploys a single probe, the deputy must pull the trigger twice to deploy two probes to create the possibility of neuro-muscular incapacitation.

303.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Deputies should take appropriate actions to control and restrain the individual as soon as reasonably practicable to minimize the need for longer or multiple exposures to the CED. As soon as practicable, deputies shall notify a supervisor any time the CED has been discharged. If needed for evidentiary purposes, the expended cartridge, along with any probes and wire, should

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Conducted Energy Device

be submitted into evidence (including confetti tags, when equipped on the device). The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

303.5.6 DANGEROUS ANIMALS

The CED may be deployed against an animal if the animal reasonably appears to pose an imminent threat to human safety.

303.5.7 OFF-DUTY CONSIDERATIONS

Deputies are not authorized to carry office CEDs while off-duty.

Deputies shall ensure that CEDs are secured while in their homes, vehicles, or any other area under their control, in a manner that will keep the device inaccessible to others.

303.6 DOCUMENTATION

Deputies shall document all CED discharges in the related arrest/crime reports and the CED report forms. Photographs should be taken of any obvious probe impact or drive-stun application sites and attached to the CED report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, audible warning, laser activation, and arcing the device, other than for testing purposes, will also be documented on the report form. Data downloads from the CED after use on a subject should be done as soon as practicable using a office-approved process to preserve the data.

303.6.1 CED REPORT FORM

As applicable based on the device type, items that shall be included in the CED report form are:

- (a) The brand, model, and serial number of the CED and any cartridge/magazine.
- (b) Date, time, and location of the incident.
- (c) Whether any warning, display, laser, or arc deterred a subject and gained compliance.
- (d) The number of probes deployed, CED activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
- (e) The range at which the CED was used.
- (f) The type of mode used (e.g., probe deployment, drive-stun).
- (g) Location of any probe impact.
- (h) Location of contact in drive-stun mode.
- (i) Description of where missed probes went.
- (j) Whether medical care was provided to the subject.
- (k) Whether the subject sustained any injuries.
- (l) Whether any deputies sustained any injuries.

The Training Lieutenant should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Training Lieutenant should also conduct audits of CED

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Conducted Energy Device

device data downloaded to an approved location and reconcile CED report forms with recorded activations. CED information and statistics, with identifying information removed, should periodically be made available to the public.

303.6.2 REPORTS

The deputy should include the following in the arrest/crime report:

- (a) Identification of all personnel firing CEDs
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication, or other medical problems

303.7 MEDICAL TREATMENT

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel or deputies trained in probe removal and handling should remove CED probes from a person's body. Used CED probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by CED probes, who have been subjected to the electric discharge of the device, or who sustained direct exposure of the laser to the eyes shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The CED probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another deputy and/or medical personnel and shall be fully documented in related reports. If an audio/video recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Conducted Energy Device

The transporting deputy shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the CED (see the Medical Aid and Response Policy).

303.8 SUPERVISOR RESPONSIBILITIES

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the CED may be used. A supervisor should respond to all incidents where the CED was activated.

A supervisor should review each incident where a person has been exposed to a CED. The device's internal logs should be downloaded by a supervisor or Rangemaster and saved with the related arrest/crime report. The supervisor should arrange for photographs of probe sites to be taken and witnesses to be interviewed.

303.9 TRAINING

Personnel who are authorized to carry the CED shall be permitted to do so only after successfully completing the initial office-approved training. Any personnel who have not carried the CED as a part of their assignments for a period of six months or more shall be recertified by a qualified CED instructor prior to again carrying or using the device.

Personnel who have been issued CEDs will receive training on this policy, including the learning objectives as provided by POST, at least annually (Minn. Stat. § 626.8452, Subd. 3).

A reassessment of a deputy's knowledge and/or practical skills may be required at any time, if deemed appropriate, by the Training Lieutenant. All training and proficiency for CEDs will be documented in the deputy's training files.

Command staff, supervisors, and investigators should receive CED training as appropriate for the investigations they conduct and review.

Deputies who do not carry CEDs should receive training that is sufficient to familiarize them with the device and with working with deputies who use the device.

The Training Lieutenant is responsible for ensuring that all members who carry CEDs have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of CEDs during training could result in injuries and should not be mandatory for certification.

The Training Lieutenant should include the following training:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.
- (c) Performing weak-hand draws or cross-draws until proficient to reduce the possibility of unintentionally drawing and firing a firearm.
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes to the head, neck, area of the heart, and groin.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Conducted Energy Device

- (e) Scenario-based training, including virtual reality training when available.
- (f) Handcuffing a subject during the application of the CED and transitioning to other force options.
- (g) De-escalation techniques.
- (h) Restraint techniques that do not impair respiration following the application of the CED.
- (i) Proper use of cover and concealment during deployment of the CED for purposes of officer safety.
- (j) Proper tactics and techniques related to multiple applications of CEDs.

Officer-Involved Shootings and Deaths

304.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of another action of a deputy.

In other incidents not covered by this policy, the Sheriff may decide that the investigation will follow the process provided in this policy.

304.2 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation as to policy compliance by involved deputies.
- A civil investigation to determine potential liability.

304.3 CONTROL OF INVESTIGATIONS

Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

304.3.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS

The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect's crime occurred. For example, the Clay County Sheriff's Office would control the investigation if the suspect's crime occurred in Clay.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Sheriff and with concurrence from the other agency.

304.3.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS

The control of the criminal investigation into the involved deputy's conduct during the incident will be determined by the employing agency's protocol. When a deputy from this office is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Officer-Involved Shootings and Deaths

Requests made of this office to investigate a shooting or death involving an outside agency's officer shall be referred to the Sheriff or the authorized designee for approval.

304.3.3 ADMINISTRATIVE AND CIVIL INVESTIGATION

Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

304.3.4 POST ADMINISTRATIVE INVESTIGATIONS

The Minnesota POST Board may require an administrative investigation based on a complaint alleging a violation of a statute or rule that the board is empowered to enforce. An officer-involved shooting may result in such an allegation. Any such complaint assigned to this office shall be completed and a written summary submitted to the POST executive director within 30 days of the order for inquiry (Minn. Stat. § 214.10, Subd. 10).

304.4 INVESTIGATION PROCESS

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

304.4.1 UNINVOLVED DEPUTY RESPONSIBILITIES

Upon arrival at the scene of an officer-involved shooting or death, the first uninvolved CCSO deputy will be the deputy-in-charge and will assume the responsibilities of a supervisor until properly relieved. This deputy should, as appropriate:

- (a) Secure the scene and identify and eliminate hazards for all those involved.
- (b) Take reasonable steps to obtain emergency medical attention for injured individuals.
- (c) Request additional resources from the Office or other agencies.
- (d) Coordinate a perimeter or pursuit of suspects.
- (e) Check for injured persons and evacuate as needed.
- (f) Brief the supervisor upon arrival.

304.4.2 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the first uninvolved CCSO supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
 1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any CCSO deputy to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
 1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Officer-Involved Shootings and Deaths

scene, identity of known or potential witnesses and any other pertinent information.

2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Shift Supervisor and RRRDC. If feasible, sensitive information should be communicated over secure networks.
 - (d) Take command of and secure the incident scene with additional CCSO members until properly relieved by another supervisor or other assigned personnel or investigator.
 - (e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.
 1. Each involved CCSO deputy should be given an administrative order not to discuss the incident with other involved officers or CCSO members pending further direction from a supervisor.
 2. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other deputies.

304.4.3 SHIFT SUPERVISOR RESPONSIBILITIES

Upon learning of an officer-involved shooting or death, the Shift Supervisor shall be responsible for coordinating all aspects of the incident until he/she is relieved by the Sheriff or a Division Commander.

All outside inquiries about the incident shall be directed to the Shift Supervisor.

304.4.4 NOTIFICATIONS

The following persons shall be notified as soon as practicable:

- Sheriff
- Investigation Division Commander
- [OIS protocol]
- Outside agency investigators (if appropriate)
- Internal Affairs Unit
-
- Psychological/peer support personnel
- Chaplain
- Medical Examiner (if necessary)
- Involved officer's agency representative (if requested)
- Public Information Officer

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Officer-Involved Shootings and Deaths

304.4.5 INVOLVED OFFICERS

The following shall be considered for the involved officer:

- (a) Any request for legal or union representation will be accommodated.
 - 1. Involved CCSO deputies shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.
 - 2. Requests from involved non-CCSO officers should be referred to their employing agency.
- (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.
- (c) Discussions with agency representatives/employee groups will be privileged only as to the discussion of non-criminal information.
- (d) A licensed psychotherapist shall be provided by the Office to each involved CCSO deputy. A licensed psychotherapist may also be provided to any other affected CCSO members, upon request.
 - 1. Interviews with a licensed psychotherapist will be considered privileged.
 - 2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, the involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
 - 3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).
- (e) Communications between the involved deputy and a peer support member, peer support counselors, and critical incident stress management team members are addressed in the Wellness Program Policy.

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Each involved CCSO deputy shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Shift Supervisor to make schedule adjustments to accommodate such leave.

304.5 CRIMINAL INVESTIGATION

The County Attorney's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting involving injury or death.

If available, investigative personnel from this office may be assigned to partner with investigators from outside agencies or the County Attorney's Office to avoid duplicating efforts in related criminal investigations.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Officer-Involved Shootings and Deaths

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews.

The following shall be considered for the involved officer:

- (a) CCSO supervisors and Internal Affairs Unit personnel should not participate directly in any voluntary interview of CCSO deputies. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of the deputy's choosing or an attorney prior to speaking with criminal investigators. However, in order to maintain the integrity of each involved officer's statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally, or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

304.5.1 REPORTS BY INVOLVED CCSO DEPUTIES

In the event that suspects remain outstanding or subject to prosecution for related offenses, this office shall retain the authority to require involved CCSO deputies to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

While the involved CCSO deputy may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved CCSO deputy of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

304.5.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available law enforcement personnel for the following:

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Officer-Involved Shootings and Deaths

- (a) Identification of all persons present at the scene and in the immediate area.
 - 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
 - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, attempts to identify the witness prior to his/her departure should be made whenever feasible.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Office.
 - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

304.5.3 INVESTIGATIVE PERSONNEL

Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated Investigation Unit supervisor to assign appropriate investigative personnel to handle the investigation of related crimes. Office investigators will be assigned to work with investigators from the County Attorney's Office and may be assigned to separately handle the investigation of any related crimes not being investigated by the County Attorney's Office.

All related office reports, except administrative and/or privileged reports, will be forwarded to the designated Investigation Unit supervisor for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Division Commander.

304.6 ADMINISTRATIVE INVESTIGATION

In addition to all other investigations associated with an officer-involved shooting or death, this office will conduct an internal administrative investigation of involved CCSO deputies to determine conformance with office policy. This investigation will be conducted under the supervision of the Internal Affairs Unit and will be considered a confidential deputy personnel file.

Interviews of members shall be subject to office policies and applicable laws (Personnel Complaints Policy; Minn. Stat. § 626.89).

- (a) Any deputy involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening in accordance with the drug and alcohol testing guidelines in the Drug- and Alcohol-Free Workplace Policy adopted under the authority of Minn. Stat. § 181.950 to Minn. Stat. § 181.957. Absent

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Officer-Involved Shootings and Deaths

consent from the deputy, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.

- (b) If any deputy has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved deputy.
 - 1. If a further interview of the deputy is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved deputy shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved deputy has elected not to provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information (Minn. Stat. § 626.89).
 - 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the deputy's physical and psychological needs have been addressed before commencing the interview.
 - 2. The interview must be taken at the CCSO or at a place agreed to by the interviewer and the involved deputy.
 - 3. The interview must be of reasonable duration and provide the involved deputy reasonable periods for rest and personal necessities. When practicable, the interview must be held during the involved deputy's regularly scheduled work shift. If not, the involved deputy must be compensated at his/her current pay rate.
 - 4. If requested, the deputy shall have the opportunity to select an uninvolved representative or an attorney, or both, to be present during the interview. However, in order to maintain the integrity of each individual deputy's statement, involved deputies shall not consult or meet with a representative collectively or in groups prior to being interviewed.
 - 5. Administrative interviews shall be recorded electronically or otherwise by the investigator. The deputy may also record the interview. A complete copy or transcript of the interview must be provided to the involved deputy upon written request without charge or undue delay.
 - 6. The deputy shall be informed of the nature of the investigation. If a deputy refuses to answer questions, he/she should be given his/her *Garrity* rights and ordered to provide full and truthful answers to all questions. The deputy shall be informed in writing or on the record that the interview will be for administrative purposes only and that the statement cannot be used criminally.
 - 7. The Internal Affairs Unit shall compile all relevant information and reports necessary for the Office to determine compliance with applicable policies.
 - 8. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.

9. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

304.7 CIVIL LIABILITY RESPONSE

A member of this office may be assigned to work exclusively under the direction of the legal counsel for the Office to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

304.8 AUDIO AND VIDEO RECORDINGS

Any officer involved in a shooting or death may be permitted to review available Mobile Audio/Video (MAV), body-worn video, or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV, body-worn video, or other video or audio recordings with the approval of assigned investigators or a supervisor.

Any MAV, body-worn video, and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or County Attorney's Office, as appropriate.

304.8.1 AUDIO AND VIDEO RECORDINGS OF USE OF FORCE INCIDENTS INVOLVING DEATHS OF INDIVIDUALS

When a person dies as a result of the use of force by a deputy, the Office shall (Minn. Stat. § 13.825, Subd. 2; Minn. Stat. § 626.8473, Subd. 3):

- (b) Release all portable recording system data that documents the incident within 14 days of the incident pursuant to the provisions of Minn. Stat. § 13.825.

The Sheriff should work with the Custodian of Records when redactions or denials are necessary (Minn. Stat. § 13.825, Subd. 2; Minn. Stat. § 626.8473, Subd. 3).

304.9 DEBRIEFING

Following an officer-involved shooting or death, the Clay County Sheriff's Office should conduct both a Critical Incident Stress Debriefing and a tactical debriefing. See the Wellness Program Policy for guidance on Critical Incident Stress Debriefings.

Officer-Involved Shootings and Deaths

304.9.1 CRITICAL INCIDENT/STRESS DEBRIEFING

A critical incident/stress debriefing should occur as soon as practicable. The Administration Division Commander is responsible for organizing the debriefing. Notes and recorded statements should not be taken because the sole purpose of the debriefing is to help mitigate the stress-related effects of a traumatic event (Minn. Stat. § 181.9732).

The debriefing is not part of any investigative process. Communications with critical incident stress management team members, as defined in Minn. Stat. § 181.9732, are confidential and shall not be disclosed except as provided in Minn. Stat. § 181.9732, Subd. 4 (Minn. Stat. § 181.9732).

Members who witness a critical incident are prohibited from providing critical incident stress management services at a debriefing about the incident that they witnessed (Minn. Stat. § 181.9732).

Attendance at the debriefing shall only include those members of the Office directly involved in the incident, which can include support personnel (e.g., dispatchers, other non-sworn personnel). Family or other support personnel may attend with the concurrence of those involved in the incident. The debriefing shall be closed to the public and should be closed to all other members of the Office, including supervisory and Internal Affairs Unit personnel.

304.9.2 TACTICAL DEBRIEFING

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Sheriff should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

304.10 MEDIA RELATIONS

Any media release shall be prepared with input and concurrence from the supervisor and office representative responsible for each phase of the investigation. Releases will be available to the Shift Supervisor, Investigation Division Commander and Public Information Officer in the event of inquiries from the media.

No involved CCSO deputy shall make any comment to the media unless he/she is authorized by the Sheriff or a Division Commander.

Office members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

304.11 REPORTING

If a deputy discharges a firearm in the course of duty, the Sheriff shall notify the Commissioner of Public Safety within 30 days of the reason for and the circumstances surrounding the discharge of the firearm (Minn. Stat. § 626.553).

All members who carry a firearm while on-duty are required to successfully complete training bi-annual with their duty firearms. In addition to bi-annual training, all members will qualify at least annually with their duty firearms (Minn. Stat. § 626.8452). Deputies will also receive training on this policy, including the learning objectives as provided by POST, at least annually (Minn. Stat. § 626.8452, Subd. 3).

Members will qualify with off-duty and secondary firearms at least once a year.

Training and qualifications must be on an approved range course.

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

305.7 FIREARM DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to their supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with their Division Commander or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, the member shall file a written report or provide a recorded statement no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

305.7.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, office members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, conducted energy device, oleoresin capsicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed, becomes impractical, or if the animal reasonably appears to pose an imminent threat to human safety.

305.7.2 INJURED ANIMALS

A member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical.

305.7.3 WARNING AND OTHER SHOTS

Generally, shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective, and reasonably safe.

Warning shots shall not be used.

305.7.4 REPORTING FIREARMS DISCHARGE

The Sheriff shall notify the Commissioner of Public Safety within 30 days of an on-duty firearm discharge, except when the discharge is in the course of training or destruction of animals (described in this policy). The notification shall contain information concerning the reason for and circumstances surrounding the discharge (Minn. Stat. § 626.553).

305.8 RANGEMASTER DUTIES

The range will be under the exclusive control of the Rangemaster. All members attending will follow the directions of the Rangemaster. The Rangemaster will maintain a roster of all members attending the range and will submit the roster to the Training Lieutenant after each range date. Failure of any member to sign in and out with the Rangemaster may result in non-participation or non-qualification.

The range shall remain operational and accessible to office members during hours established by the Office.

The Rangemaster has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this office to verify proper operation. The Rangemaster has the authority to deem any office-issued or privately owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm; it will not be returned to service until inspected and approved by the Rangemaster.

The Rangemaster has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning and safety of all firearms the member is authorized to carry.

The Rangemaster shall complete and submit to the Training Lieutenant documentation of the courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been approved by the Office, a list of each member who completes the training. The Rangemaster should keep accurate records of all training shoots, qualifications, repairs, maintenance or other records as directed by the Training Lieutenant.

305.9 FLYING WHILE ARMED

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to deputies who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Firearms

- (a) Deputies wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Office based on the law and published TSA rules.
- (b) Deputies must carry their Clay County Sheriff's Office identification card bearing the deputy's name, a full-face photograph, identification number, the deputy's signature, and the signature of the Sheriff or the official seal of the Office and must present this identification to airline officials when requested. The deputy should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver's license, passport).
- (c) The Clay County Sheriff's Office must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the deputy's travel. If approved, TSA will send the Clay County Sheriff's Office an NLETS message containing a unique alphanumeric identifier. The deputy must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Sheriff authorizing armed travel may also accompany the deputy. The letter should outline the deputy's need to fly armed, detail the itinerary, and include that the deputy has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Deputies must have completed the mandated TSA security training covering deputies flying while armed. The training shall be given by the office-appointed instructor.
- (f) It is the deputy's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any deputy flying while armed should discreetly contact the flight crew prior to take-off and notify them of the deputy's assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The deputy must keep the firearm concealed on the deputy's person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Deputies should resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative, or other management representative of the air carrier.
- (j) Deputies shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

305.10 CARRYING FIREARMS OUT OF STATE

Qualified, active, full-time deputies of this office are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

- (a) The deputy shall carry the deputy's Clay County Sheriff's Office identification card whenever carrying such firearm.
- (b) The deputy may not be the subject of any current disciplinary action.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Firearms

- (c) The deputy may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.
- (d) The deputy will remain subject to this and all other office policies (including qualifying and training).

Deputies are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base, or park. Federal authority may not shield a deputy from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

Vehicle Pursuits

306.1 PURPOSE AND SCOPE

Vehicle pursuits expose innocent citizens, law enforcement officers and fleeing violators to the risk of serious injury or death. The primary purpose of this policy is to provide deputies with guidance in balancing the safety of the public and themselves against law enforcement's duty to apprehend violators of the law. Another purpose of this policy is to minimize the potential for pursuit-related collisions. Vehicular pursuits require deputies to exhibit a high degree of common sense and sound judgment. Deputies must not forget that the immediate apprehension of a suspect is generally not more important than the safety of the public and pursuing deputies (Minn. Stat. § 626.8458 Subd. 1).

306.1.1 PHILOSOPHY

Deciding whether to pursue a motor vehicle is a critical decision that must be made quickly and under difficult and unpredictable circumstances. In recognizing the risk to public safety created by vehicle pursuits, no deputy or supervisor shall be criticized or disciplined for deciding not to engage in a vehicle pursuit due to the risk involved. This includes circumstances where Office policy would permit the initiation or continuation of the pursuit. It is recognized that vehicle pursuits are not always predictable and decisions made pursuant to this policy will be evaluated according to the totality of the circumstances reasonably available at the time of the pursuit (Minn. Stat. § 626.8458 Subd. 1).

Deputies must remember that the most important factors to the successful conclusion of a pursuit are proper self-discipline and sound professional judgment. Deputies conduct during the course of a pursuit must be objectively reasonable; that is, what a reasonable deputy would do under the circumstances. An individual's unreasonable desire to apprehend a fleeing suspect at all costs has no place in professional law enforcement pursuit (Minn. Stat. § 626.8458 Subd. 2 (2)).

306.2 DEFINITIONS

Definitions related to this policy include:

Blocking or vehicle intercept - A slow-speed coordinated maneuver where two or more law enforcement vehicles simultaneously intercept and block the movement of a suspect vehicle, the driver of which may be unaware of the impending enforcement stop, with the goal of containment and preventing a pursuit. Blocking is not a moving or stationary road block.

Boxing-in - A tactic designed to stop a violator's vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

Pursuit Intervention Technique (PIT) - A low-speed maneuver intended to terminate the pursuit by causing the violator's vehicle to spin out and come to a stop.

Ramming - The deliberate act of impacting a violator's vehicle with another vehicle to functionally damage or otherwise force the violator's vehicle to stop.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Vehicle Pursuits

Roadblocks - A tactic designed to stop a violator's vehicle by intentionally placing a vehicle or other immovable object in the path of the violator's vehicle.

Spikes or tack strips - A device that extends across the roadway and is designed to puncture the tires of the pursued vehicle.

Vehicle pursuit - An event in which a peace officer attempts to apprehend a driver who ignores the signal to stop by increasing speed, extinguishing headlights or taillights, refusing to stop the vehicle, or using other means with intent to attempt to elude a peace officer (Minn. Stat. § 609.487).

306.3 DEPUTY RESPONSIBILITIES

It is the policy of this office that a vehicle pursuit shall be conducted with at least one flashing red warning lamp visible from the front and a siren that is sounded when necessary to warn pedestrians or other drivers (Minn. Stat. § 169.17; Minn. Stat. § 169.68).

Operating an emergency vehicle in a pursuit with emergency lights and siren does not relieve the operator of an authorized emergency vehicle of the duty to drive with due regard for the safety of all persons, and does not protect the driver from the consequences of a reckless disregard for the safety of others (Minn. Stat. § 169.17).

306.3.1 WHEN TO INITIATE A PURSUIT

Deputies are authorized to initiate a pursuit when it is reasonable to believe that a suspect is attempting to evade arrest or detention by fleeing in a vehicle that has been given a signal to stop by a peace officer.

The following factors individually and collectively shall be considered in deciding whether to initiate or continue a pursuit (Minn. Stat. § 626.8458 Subd. 2(2)):

- (a) Seriousness of the known or reasonably suspected crime and its relationship to community safety
- (b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to deputies, innocent motorists, and others
- (c) Apparent nature of the fleeing suspect (e.g., whether the suspect represents a serious threat to public safety)
- (d) The identity of the suspect has been verified and there is comparatively minimal risk in allowing the suspect to be apprehended at a later time
- (e) Safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic (e.g., school zones), and the speed of the pursuit relative to these factors
- (f) The pursuing deputy's familiarity with the area of the pursuit, the quality of radio communications between the pursuing units and the [dispatcher]/supervisor, and the driving capabilities of the pursuing deputies under the conditions of the pursuit
- (g) Weather, traffic, and road conditions that unreasonably increase the danger of the pursuit when weighed against the risks resulting from the suspect's escape

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Vehicle Pursuits

- (h) Performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit
- (i) Vehicle speeds
- (j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders, hostages)
- (k) Age of the suspect and occupants
- (l) Availability of other resources, such as aircraft assistance
- (m) The sheriff's unit is carrying passengers other than on-duty sheriff's deputies. Pursuits should not be undertaken with a prisoner in the pursuit vehicle unless exigent circumstances exist, and then only after the need to apprehend the suspect is weighed against the safety of the prisoner in transport. A unit containing more than a single prisoner should not participate in a pursuit.

306.3.2 WHEN TO TERMINATE A PURSUIT

Pursuits should be discontinued whenever the totality of objective circumstances known or which reasonably ought to be known to the deputy or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect's escape.

The above factors on when to initiate a pursuit are expressly included herein and will apply equally to the decision to discontinue as well as the decision to initiate a pursuit. Deputies and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists, themselves, and the public when electing to continue a pursuit. In the context of this policy, the term "terminate" shall be construed to mean discontinue or to stop chasing the fleeing vehicle.

In addition to the factors listed above, the following factors should be considered when deciding whether to terminate a pursuit (Minn. Stat. § 626.8458 Subd. 2 (2)):

- (a) The distance between the pursuing deputies and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time or distance.
- (b) The pursued vehicle's location is no longer definitely known.
- (c) The deputy's pursuit vehicle sustains damage or a mechanical failure that renders it unsafe to drive.
- (d) The pursuit vehicle suffers an emergency equipment failure that causes the vehicle to no longer qualify for emergency operation use.
- (e) Extended pursuits of violators for misdemeanors not involving abuse or risk of serious harm (independent of the pursuit) are discouraged.
- (f) Hazards to uninvolved bystanders or motorists.
- (g) If the identity of the offender is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit,

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Vehicle Pursuits

deputies should strongly consider discontinuing the pursuit and apprehending the offender at a later time.

- (h) When directed to terminate the pursuit by a supervisor.
- (i) When radio communications are broken or inadequate.
- (j) When the danger that the continued pursuit poses to the public, the deputies, or the suspect is too great, balanced against the risk of allowing the suspect to remain at large.

306.3.3 SPEED LIMITS

The speed of a pursuit is a factor that should be evaluated on a continuing basis by the deputy and supervisor. Evaluation of vehicle speeds shall take into consideration public safety, officer safety and the safety of the occupants of the fleeing vehicle.

Should high vehicle speeds be reached during a pursuit, deputies and supervisors shall also consider these factors when determining the reasonableness of the speed of the pursuit:

- (a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.
- (b) Pursuit speeds have exceeded the driving ability of the deputy.
- (c) Pursuit speeds are beyond the capabilities of the pursuit vehicle thus making its operation unsafe.

306.4 PURSUIT UNITS

Pursuit units should be limited to three vehicles (two units and a supervisor). However, the number of units involved will vary with the circumstances.

A deputy or supervisor may request additional units to join a pursuit if, after assessing the factors outlined above, it appears that the number of deputies involved would be insufficient to safely arrest the suspects. All other deputies shall stay out of the pursuit but should remain alert to its progress and location. Any deputy who drops out of a pursuit may then, if necessary, proceed to the termination point at legal speeds, following the appropriate rules of the road.

Distinctively marked patrol vehicles should replace unmarked vehicles involved in a pursuit whenever practicable.

306.4.1 VEHICLES WITHOUT EMERGENCY EQUIPMENT

Vehicles not equipped with red light and siren are prohibited from initiating or joining in any pursuit. Deputies in such vehicles may provide support to pursuing units as long as their vehicle is operated in compliance with all traffic laws.

306.4.2 PRIMARY UNIT RESPONSIBILITIES

The initial pursuing deputy will be designated as the primary pursuit unit and will be responsible for the conduct of the pursuit unless it is unable to remain reasonably close enough to the violator's vehicle. The primary responsibility of the deputy initiating the pursuit is the apprehension of the suspects without unreasonable danger to the deputy or other persons (Minn. Stat. § 626.8458 Subd. 2 (4)).

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Vehicle Pursuits

The primary unit should notify RRRDC, commencing with a request for priority radio traffic, that a vehicle pursuit has been initiated, and as soon as practicable provide information including but not limited to:

- (a) Reason for the pursuit.
- (b) Location and direction of travel.
- (c) Speed of the fleeing vehicle.
- (d) Description of the fleeing vehicle and license number, if known.
- (e) Number of occupants.
- (f) The identity or description of the known occupants.
- (g) Weather, road, and traffic conditions.
- (h) Identity of other agencies involved in the pursuit.
- (i) Information concerning the use of firearms, threat of force, injuries, hostages, or other unusual hazards.
- (j) Request for medical assistance for any person injured in the course of the pursuit (Minn. Stat. § 626.8458 Subd. 2 (6)).

Unless relieved by a supervisor or secondary unit, the deputy in the primary unit shall be responsible for broadcasting the progress of the pursuit. Unless circumstances reasonably indicate otherwise, the primary unit should relinquish the responsibility of broadcasting the progress of the pursuit to a secondary unit or aircraft joining the pursuit to minimize distractions and allow the primary unit to concentrate foremost on safe pursuit tactics.

306.4.3 SECONDARY UNIT RESPONSIBILITIES

The second deputy in the pursuit is responsible for the following:

- (a) Immediately notifying the [dispatcher] of entry into the pursuit
- (b) Remaining at a safe distance behind the primary unit unless directed to assume the role of primary deputy, or if the primary unit is unable to continue the pursuit
- (c) Broadcasting the progress of the pursuit unless the situation indicates otherwise
- (d) Serve as backup to the primary unit once the subject has been stopped

306.4.4 PURSUIT DRIVING TACTICS

The decision to use or not use specific driving tactics requires the same assessment of considerations outlined in the factors to be considered concerning pursuit initiation and termination. The following are tactics for units involved in the pursuit (Minn. Stat. § 626.8458 Subd. 2 (3)):

- (a) Deputies, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles such that they are able to see and avoid hazards or react safely to maneuvers by the fleeing vehicle.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Vehicle Pursuits

- (b) Deputies may proceed past a red, or stop signal, or stop sign but only after slowing down and utilizing a flashing red lamp or siren as may be necessary for safe operation (Minn. Stat. § 169.03, Subd. 2).
- (c) As a general rule, deputies should not pursue a vehicle driving the wrong way on a roadway, highway, or freeway (Minn. Stat. § 169.03). In the event the pursued vehicle does so, the following tactics should be considered:
 - 1. Request assistance from an available air unit.
 - 2. Maintain visual contact with the pursued vehicle by paralleling on the correct side of the roadway.
 - 3. Request other units to observe exits available to the suspects.
- (d) Notify the Minnesota State Patrol or other law enforcement agency if it appears the pursuit may enter their jurisdiction.
- (e) Deputies involved in a pursuit should not attempt to pass other units unless the situation indicates otherwise or they are requested to do so by the primary unit, and a clear understanding of the maneuver process exists between the involved deputies.

306.4.5 TACTICS/PROCEDURES FOR UNITS NOT INVOLVED IN THE PURSUIT

There should be no paralleling of the pursuit route. Deputies are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Deputies should remain in their assigned area and should not become involved with the pursuit unless directed otherwise by a supervisor.

Non-pursuing personnel needed at the termination of the pursuit should respond in a non-emergency manner, observing the rules of the road.

The primary unit, secondary unit and supervisor should be the only units operating under emergency conditions (emergency lights and siren) unless other units are assigned to the pursuit.

306.4.6 PURSUIT TRAILING

In the event the initiating unit from this agency relinquishes control of the pursuit to another unit or jurisdiction, that initiating unit may, with permission of a supervisor, trail the pursuit to the termination point in order to provide necessary information and assistance for the arrest of the suspects.

The term "trail" means to follow the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing unit will maintain sufficient distance from the pursuit units so as to clearly indicate an absence of participation in the pursuit.

306.4.7 AIRCRAFT ASSISTANCE

When available, aircraft assistance should be requested. Once the air unit has established visual contact with the pursued vehicle, it should assume control over the pursuit. The primary and secondary ground units should consider whether the participation of an aircraft warrants their continued involvement in the pursuit (Minn. Stat. § 626.8458 Subd. 2 (4)).

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Vehicle Pursuits

The air unit should coordinate the activities of resources on the ground, report progress of the pursuit and provide deputies and supervisors with details of upcoming traffic congestion, road hazards or other pertinent information to evaluate whether to continue the pursuit. If ground units are not within visual contact and the air unit determines that it is unsafe to continue the pursuit, the air unit should recommend terminating the pursuit.

306.5 SUPERVISORY CONTROL AND RESPONSIBILITIES

It is the policy of this office that available supervisory and management control will be exercised over all vehicle pursuits involving deputies from this office (Minn. Stat. § 626.8458 Subd. 2 (4)).

The field supervisor of the deputy initiating the pursuit, or if unavailable, the nearest field supervisor will be responsible for the following:

- (a) Upon becoming aware of a pursuit, immediately notify involved deputies and RRRDC of supervisory presence and ascertain all reasonably available information to continuously assess the situation and risk factors associated with the pursuit in order to ensure that the pursuit is conducted within established office guidelines.
- (b) Engage in the pursuit, when appropriate, to provide on-scene supervision.
- (c) Exercise management and control of the pursuit even if not engaged in it.
- (d) Ensure that no more than the number of required law enforcement units needed are involved in the pursuit under the guidelines set forth in this policy.
- (e) Direct that the pursuit be terminated if, in the field supervisor's judgment, it is not justified to continue the pursuit under the guidelines of this policy.
- (f) Ensure that aircraft assistance is requested if available.
- (g) Ensure that the proper radio channel is being used.
- (h) Ensure the notification and/or coordination of outside agencies if the pursuit either leaves or is likely to leave the jurisdiction of this agency.
- (i) Control and manage CCSO units when a pursuit enters another jurisdiction.
- (j) Prepare a post-pursuit critique and analysis of the pursuit for training purposes.

306.5.1 SHIFT SUPERVISOR RESPONSIBILITIES

Upon becoming aware that a pursuit has been initiated, the Shift Supervisor should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. The Shift Supervisor has the final responsibility for the coordination, control, and termination of a vehicle pursuit and shall be in overall command (Minn. Stat. § 626.8458 Subd. 2 (4)).

The Shift Supervisor shall review all pertinent reports for content and forward them to the Division Commander.

306.6 COMMUNICATIONS

If the pursuit is confined within the County limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or communications [dispatcher]. If the

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Vehicle Pursuits

pursuit leaves the jurisdiction of this office or such is imminent, involved units should, whenever available, switch radio communications to an emergency channel most accessible by participating agencies and units.

306.6.1 RRRDC RESPONSIBILITIES

Upon notification that a pursuit has been initiated, RRRDC will be responsible for the following (Minn. Stat. § 626.8458 Subd. 2 (4)):

- (a) Coordinate pursuit communications of the involved units and personnel.
- (b) Notify and coordinate with other involved or affected agencies as practicable.
- (c) Ensure that a field supervisor is notified of the pursuit.
- (d) Assign an incident number and log all pursuit activities.
- (e) Broadcast pursuit updates as well as other pertinent information as necessary.
- (f) Notify the Shift Supervisor as soon as practicable.

306.6.2 LOSS OF PURSUED VEHICLE

When the pursued vehicle is lost, the primary unit should broadcast pertinent information to assist other units in locating the vehicle. The primary unit will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.

306.7 INTER-JURISDICTIONAL CONSIDERATIONS

When a pursuit enters another agency's jurisdiction, the primary deputy or supervisor, taking into consideration distance traveled, unfamiliarity with the area, and other pertinent facts, should determine whether to request the other agency to assume the pursuit. Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary deputy or supervisor ensure that notification is provided to the [dispatcher] and to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether such jurisdiction is expected to assist (Minn. Stat. § 626.8458 Subd. 2 (5)).

If a pursuit from another agency enters the office's jurisdiction, RRRDC should update the on-duty supervisor.

306.7.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY

Clay County Sheriff's Office deputies will discontinue the pursuit when another agency has assumed the pursuit unless continued assistance of the Clay County Sheriff's Office is requested by the agency assuming the pursuit. Upon discontinuing the pursuit, the primary unit may proceed upon request, with or at the direction of a supervisor, to the termination point to assist in the investigation.

The role and responsibilities of deputies at the termination of a pursuit initiated by this office shall be coordinated with appropriate consideration of the units from the agency assuming the pursuit.

Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific. Because of

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Vehicle Pursuits

communication limitations between local agencies, a request for another agency's assistance will mean that its personnel will assume responsibilities for the pursuit. For the same reasons, when a pursuit leaves another jurisdiction and a request for assistance is made to this office, the other agency should relinquish control.

306.7.2 PURSUITS EXTENDING INTO THIS JURISDICTION

The agency that initiates a pursuit shall be responsible for conducting the pursuit. Units from this office should not join a pursuit unless specifically requested to do so by the agency whose peace officers are in pursuit. The exception to this is when a single unit from the initiating agency is in pursuit. Under this circumstance, a unit from this office may join the pursuit until sufficient units from the initiating agency join the pursuit.

When a request is made for this office to assist or take over a pursuit from another agency that has entered this jurisdiction, the supervisor should consider these additional following factors:

- (a) Ability to maintain the pursuit.
- (b) Circumstances serious enough to continue the pursuit.
- (c) Adequate staffing to continue the pursuit.
- (d) The public's safety within this jurisdiction.
- (e) Safety of the pursuing deputies.

As soon as practicable, a supervisor or the Shift Supervisor should review a request for assistance from another agency. The Shift Supervisor or supervisor, after consideration of the above factors, may decline to assist in or assume the other agency's pursuit.

Assistance to a pursuing outside agency by deputies of this office will terminate at the County limits provided that the pursuing peace officers have sufficient assistance from other sources. Ongoing participation from this office may continue only until sufficient assistance is present.

In the event that a pursuit from another agency terminates within this jurisdiction, deputies shall provide appropriate assistance to peace officers from the outside agency including, but not limited to, scene control, coordination and completion of supplemental reports and any other assistance requested or needed.

306.8 PURSUIT INTERVENTION

Pursuit intervention is an attempt to terminate the ability of a suspect to continue to flee in a motor vehicle through tactical application of technology, road spikes, blocking, boxing, PIT (Pursuit Intervention Technique), intentional contact, ramming or roadblock procedures.

306.8.1 WHEN USE AUTHORIZED

In deciding whether to use intervention tactics, deputies/supervisors should balance the risks of allowing the pursuit to continue with the potential hazards arising from the use of each tactic to the public, the deputies and persons in or on the pursued vehicle. With these risks in mind, the

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Vehicle Pursuits

decision to use any intervention tactic should be reasonable in light of the circumstances apparent to the deputy at the time of the decision (Minn. Stat. § 626.8458 Subd. 2; Minn. R. § 6700.2701).

It is imperative that deputies act within legal bounds using good judgment and accepted practices.

306.8.2 USE OF FIREARMS

The use of firearms to disable a pursued vehicle is not generally an effective tactic and involves all the dangers associated with discharging firearms. Deputies should not utilize firearms during an ongoing pursuit unless the conditions and circumstances meet the requirements authorizing the use of deadly force. Nothing in this section shall be construed to prohibit any deputy from using a firearm to stop a suspect from using a vehicle as a deadly weapon.

306.8.3 INTERVENTION STANDARDS

Any pursuit intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to the deputies, the public or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of force, including deadly force, and are subject to Office policies guiding such use. Deputies who have not received Office-approved training in the application and use of any intervention tactic or equipment shall consider these facts and requirements prior to deciding how, when, where and if an intervention tactic should be employed.

- (a) Blocking or vehicle intercept should only be considered in cases involving felony suspects or impaired drivers who pose a threat to public safety when deputies reasonably believe that attempting a conventional enforcement stop will likely result in the driver attempting to flee in the vehicle. Because of the potential risks involved, this technique should only be employed by deputies who have received training in such tactics and after giving consideration to the following:
 - 1. The need to immediately stop the suspect vehicle or prevent it from leaving substantially outweighs the risks of injury or death to occupants of the suspect vehicle, deputies or other members of the public.
 - 2. All other reasonable intervention techniques have failed or reasonably appear ineffective.
 - 3. Employing the blocking maneuver does not unreasonably increase the risk to officer safety.
 - 4. The target vehicle is stopped or traveling at a low speed.
 - 5. At no time should civilian vehicles be used to deploy this technique.
- (b) Only those deputies trained in the use of the PIT will be authorized to use this procedure. Deputies shall consider using the PIT maneuver at the earliest opportunity in a pursuit, knowing the opportunity may be short lived. The decision to utilize the PIT maneuver will be based on several factors to include but not limited to, the deputy's discretion, training, and experience. The Deputy must take into consideration the circumstances and conditions presented at the time, including the potential for risk of injury to deputies, the public, and occupants of the pursued vehicle.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Vehicle Pursuits

- (c) Intentional contact shall only be used when other intervention strategies have been considered and determined not practicable. Intentional contact shall be considered as use of force and reported as a pursuit. It must be reasonably applied based on the totality of the circumstances presented. Unless deadly force is authorized, intentional contact shall only occur at low speeds and when there is reasonable belief that no one will be injured as a result. Intentional contact with any vehicle having fewer than four wheels shall only occur if deadly force is authorized.
- (d) Ramming a fleeing vehicle should be done only after other reasonable tactical means at the deputy's disposal have been exhausted. This tactic should be reserved for situations where there does not appear to be another reasonable alternative method. This policy is an administrative guide to direct deputies in their decision-making process before ramming another vehicle. When ramming is used as a means to stop a fleeing vehicle, the following factors should be present:
 - 1. The suspect is an actual or suspected felon, who reasonably appears to represent a serious threat to the public if not apprehended.
 - 2. The suspect is driving with willful or wanton disregard for the safety of other persons or is driving in a reckless and life-endangering manner.
 - 3. If there does not reasonably appear to be a present or immediately foreseeable serious threat to the public, the use of ramming is not authorized.
- (e) As with all intervention techniques, pursuing deputies should obtain supervisor approval before attempting to box a suspect vehicle during a pursuit. The use of such a technique must be carefully coordinated with all involved units, taking into consideration the circumstances and conditions apparent at the time, as well as the potential risk of injury to deputies, the public and occupants of the pursued vehicle.
- (f) Spike strips should be deployed only when it is reasonably apparent that only the pursued vehicle will be affected by their use. Prior to the deployment of spike strips, the deputy shall notify pursuing units and the supervisor of the intent and location. Deputies should carefully consider the limitations of such devices as well as the potential risks to deputies, the public and occupants of the pursued vehicle. Spike strips may be used in instances where the suspect vehicle is not actively being pursued. This tactic may be used as a strategy to prevent a pursuit of a known suspect vehicle associated with a recent prior pursuits, currently confirmed as a stolen vehicle, or if the driver has a history of fleeing and the prevention of a future pursuit greatly reduces the risk to the community. If the pursued vehicle is a motorcycle, a vehicle transporting hazardous materials or a school bus transporting children deputies and supervisors should weigh the potential consequences against the need to immediately stop the vehicle.
- (g) Because roadblocks involve a potential for serious injury or death to occupants of the pursued vehicle if the suspect does not stop, the intentional placement of roadblocks in the direct path of a pursued vehicle is generally discouraged and should not be deployed without prior approval of a supervisor, and only then under extraordinary conditions when all other reasonable intervention techniques have failed or reasonably appear ineffective and the need to immediately stop the pursued vehicle substantially

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Vehicle Pursuits

outweighs the risks of injury or death to occupants of the pursued vehicle, deputies or other members of the public.

306.8.4 CAPTURE OF SUSPECTS

Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Deputies shall use only that amount of force that reasonably appears necessary under the circumstances to properly perform their lawful duties.

Unless relieved by a supervisor, the primary deputy should coordinate efforts to apprehend the suspect(s) following the pursuit. Deputies should consider safety of the public and the involved deputies when formulating plans to contain and capture the suspect.

306.9 REPORTING AND REVIEW REQUIREMENTS

All appropriate reports shall be completed to comply with appropriate local and state regulations. The Office Supervisor shall ensure the appropriate forms are filed with the Department of Public Safety within 30 days (Minn. Stat. § 626.5532):

- (a) The primary deputy shall complete appropriate crime/arrest reports.
- (b) The primary deputy or supervisor shall complete the appropriate pursuit report.
- (c) After first obtaining available information, the on-duty field supervisor shall promptly complete a Supervisor's Log or interoffice memorandum, briefly summarizing the pursuit to the Sheriff or designee. This memo should minimally contain the following information (Minn. Stat. § 626.5532):
 - 1. Date and time of pursuit.
 - 2. Length of pursuit in distance and time.
 - 3. Involved units and deputies.
 - 4. Initial reason and circumstances surrounding the pursuit.
 - 5. Starting and termination points.
 - 6. Alleged offense, charges filed or disposition: arrest, citation or other release.
 - 7. Arrestee information should be provided if applicable.
 - 8. Injuries and/or property damage.
 - 9. Medical treatment.
 - 10. The outcome of the pursuit.
 - 11. Name of supervisor handling or at the scene.
 - 12. A preliminary determination that the pursuit appears to be in compliance with this policy or additional review and/or follow-up is warranted.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Vehicle Pursuits

- (d) After receiving copies of reports, logs and other pertinent information, the Sheriff or designee shall conduct or assign the completion of a post-pursuit review as appropriate to the circumstances.
- (e) Annually, the Sheriff should direct a documented review and analysis of Office vehicle pursuits to minimally include policy suitability, policy compliance and training needs.

306.9.1 REGULAR AND PERIODIC PURSUIT TRAINING

In addition to initial and supplementary training on pursuits, all licensed non-exempt employees will participate, no less than annually, in regular and periodic training on this policy and the importance of vehicle safety and protecting the public at all times. Training will include a recognition of the need to balance the known offense and the need for immediate capture against the risks to deputies and others.

The Training Lieutenant shall ensure the frequency and content of emergency vehicle operations and vehicle pursuit training meets or exceeds that required by law (Minn. Stat. § 626.8458 Subd. 5).

306.9.2 POLICY REVIEW

Each licensed member of this office shall certify in writing that they have received, read and understand this policy initially and upon any amendments.

306.9.3 YEARLY CERTIFICATION

This policy shall be reviewed and certified to the state annually that it complies with requirements of any new or revised model policy adopted by the state (Minn. Stat. § 626.8458 Subd. 3).

306.9.4 PUBLIC DISCLOSURE

Copies of the current pursuit policy shall be made available to the public on request.

Deputy Response to Calls

307.1 PURPOSE AND SCOPE

The State of Minnesota finds that emergency vehicle operations are an integral part of law enforcement's commitment to public safety. This policy provides for the safe and appropriate response to all emergency and nonemergency situations (Minn. Stat. § 626.8458, Subd. 1).

307.2 RESPONSE TO CALLS

307.2.1 RESPONSE TO EMERGENCY CALLS

Deputies responding to an emergency call shall proceed immediately as appropriate. Deputies responding to an emergency call shall sound the siren or display at least one lighted red light to the front of the vehicle. Whenever practicable, during an emergency call response the deputy should continuously operate emergency lighting equipment and sound the siren (Minn. Stat. § 169.03 et seq.; Minn. Stat. § 169.17).

Responding with a red light, emergency lighting and/or siren does not relieve the operator of an authorized emergency vehicle or a law enforcement vehicle of the duty to drive with due regard for the safety of all persons and does not protect the driver from the consequences of his/her reckless disregard for the safety of others. The use of any other warning equipment without emergency lights and siren does not provide an exemption under Minnesota law (Minn. Stat. § 169.17).

Deputies should only respond with a red light, emergency lights and/or siren when so dispatched or when circumstances reasonably indicate an emergency response is appropriate. Deputies not responding with a red light, emergency lights and/or siren shall observe all traffic laws.

307.2.2 LIGHTING EXEMPTION OF LAW ENFORCEMENT VEHICLES

A deputy may operate a vehicle without lights as otherwise required while performing law enforcement duties when the deputy reasonably believes that operating the vehicle without lights is necessary to investigate a criminal violation or suspected criminal violation of state laws, rules or orders, or local laws, ordinances or regulations. The operation of a vehicle without lights must be consistent with the standards adopted by Minnesota Peace officer Standards and Training Board (POST) (Minn. Stat. § 169.541).

307.3 REQUESTING EMERGENCY ASSISTANCE

Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an imminent threat to the safety of deputies, or assistance is needed to prevent imminent serious harm to a citizen. Where a situation has stabilized and emergency response is not required, the requesting deputy shall promptly notify RRRDC.

If circumstances permit, the requesting deputy should give the following information:

- The unit number
- The location

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Deputy Response to Calls

- The reason for the request and type of emergency
- The number of units required

307.3.1 NUMBER OF UNITS PARTICIPATING

Normally, only those units reasonably necessary should respond to an emergency as an emergency call response. The Shift Supervisor or the field supervisor should monitor all emergency responses and reduce or enhance the response as warranted.

307.4 RESPONSIBILITIES OF RESPONDING DEPUTIES

Deputies shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. During a response to an emergency call deputies may (Minn. Stat. § 169.03; Minn. Stat. § 169.17):

- (a) Proceed cautiously past a red or stop signal or stop sign but only after slowing down and utilizing a red light or siren as may be necessary for safe operation.
- (b) Exceed any speed limits, provided this does not endanger life or property.
- (c) Disregard regulations governing direction of movement or turning in specified directions as authorized by law.
- (d) Disregard regulations governing parking or standing when using a warning lamp.

The decision to continue an emergency call response is at the discretion of the deputy. If, in the deputy's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the deputy may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the deputy should immediately notify RRRDC. A deputy shall also discontinue an emergency call response when directed by a supervisor or as otherwise appropriate.

Upon determining that an emergency call response is appropriate, a deputy shall immediately give the location from which he/she is responding.

When emergency vehicles are on the scene of an emergency and pose any hazard, or when the vehicle operators seek exemption to park, stop or stand contrary to any law or ordinance pursuant to Minn. Stat. § 169.541, adequate warning lights shall be operated whenever practicable.

307.5 SUPERVISORY RESPONSIBILITIES

Upon being notified that an emergency response has been initiated, the Shift Supervisor or the field supervisor shall verify the following:

- (a) The proper response has been initiated.
- (b) No more than those units reasonably necessary under the circumstances are involved in the response.
- (c) Affected outside jurisdictions are being notified as practicable.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Deputy Response to Calls

The field supervisor shall, whenever practicable, monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment, the circumstances require additional units to be assigned an emergency response, the supervisor may do so.

It is the supervisor's responsibility to terminate an emergency response that, in his/her judgment, is inappropriate due to the circumstances.

When making the decision to authorize an emergency call response, the Shift Supervisor or the field supervisor should consider the following:

- The type of call or crime involved.
- The necessity of a timely response.
- Traffic and roadway conditions.
- The location of the responding units.

307.6 FAILURE OF EMERGENCY EQUIPMENT

If the emergency equipment on the vehicle should fail to operate, the deputy must terminate the emergency call response and respond accordingly. The deputy shall notify the Shift Supervisor, field supervisor or RRRDC of the equipment failure so that another unit may be assigned to the emergency response.

307.7 TRAINING

The Training Lieutenant shall ensure the frequency and content of emergency vehicle operations training meets or exceeds that required by law (Minn. Stat. § 626.8458).

307.8 POLICY

It is the policy of this office to appropriately respond to emergency and nonemergency calls for service or requests for assistance, whether these are dispatched or self-initiated.

Canines

308.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of canines to augment law enforcement services in the community including, but not limited to locating individuals and contraband and apprehending criminal offenders.

308.2 POLICY

It is the policy of the Clay County Sheriff's Office that teams of handlers and canines meet and maintain the appropriate proficiency to effectively and reasonably carry out legitimate law enforcement objectives.

308.3 ASSIGNMENT

Canine teams will be assigned to assist and supplement the Patrol Division.

308.4 CANINE COORDINATOR

The canine coordinator shall be the Patrol Division Commander or the authorized designee.

The responsibilities of the coordinator include, but are not limited to:

- (a) Reviewing all canine use reports to ensure compliance with policy and to identify training issues and other needs of the program.
- (b) Maintaining liaison with the vendor kennel.
- (c) Maintaining liaison with command staff and functional supervisors.
- (d) Maintaining liaison with other agency canine coordinators.
- (e) Maintaining accurate records to document canine activities.
- (f) Recommending and overseeing the procurement of equipment and services for the teams of handlers and canines.
- (g) Scheduling all canine-related activities.
- (h) Ensuring the canine teams are scheduled for regular training to maximize their capabilities.

308.5 REQUESTS FOR CANINE TEAMS

Patrol Division members are encouraged to request the use of a canine. Requests for a canine team from office units outside of the Patrol Division shall be reviewed by the Shift Supervisor.

308.5.1 OUTSIDE AGENCY REQUEST

All requests for canine assistance from outside agencies must be approved by the Shift Supervisor and are subject to the following:

- (a) Canine teams shall not be used for any assignment that is not consistent with this policy.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Canines

- (b) The canine handler shall have the authority to decline a request for any specific assignment that he/she deems unsuitable.
- (c) Calling out off-duty canine teams is discouraged.
- (d) It shall be the responsibility of the canine handler to coordinate operations with agency personnel in order to minimize the risk of unintended injury.
- (e) It shall be the responsibility of the canine handler to complete all necessary reports or as directed.

308.5.2 PUBLIC DEMONSTRATIONS

All public requests for a canine team shall be reviewed and, if appropriate, approved by the canine coordinator prior to making any resource commitment. The canine coordinator is responsible for obtaining resources and coordinating involvement in the demonstration to include proper safety protocols.

308.6 APPREHENSION GUIDELINES

A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has committed, is committing, or is threatening to commit any serious offense and if any of the following conditions exist:

- (a) There is a reasonable belief the suspect poses an imminent threat of violence or serious harm to the public, any deputy, or the handler.
- (b) The suspect is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.
- (c) The suspect is believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of deputies or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. Such events require consideration of the totality of the circumstances and the use of an objective reasonableness standard applied to the decision to use a canine.

Absent a reasonable belief that a suspect has committed, is committing, or is threatening to commit a serious offense, mere flight from a pursuing deputy without any of the above conditions, shall not serve as the basis for the use of a canine to apprehend a suspect.

Use of a canine to locate and apprehend a suspect wanted for a lesser criminal offense than those identified above requires approval from the Shift Supervisor. Absent a change in circumstances that presents an imminent threat to deputies, the canine, or the public, such canine use should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual.

In all applications, once the suspect has been located and no longer reasonably appears to present a threat or risk of escape, the handler should secure the canine as soon as it becomes reasonably practicable.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Canines

If the canine has apprehended the suspect with a secure bite, and the handler believes that the suspect no longer poses a threat, the handler should promptly command the canine to release the suspect.

308.6.1 PREPARATION FOR DEPLOYMENT

Prior to the use of a canine to search for or apprehend any suspect, the canine handler and/or the supervisor on-scene should carefully consider all pertinent information reasonably available at the time. The information should include but is not limited to:

- (a) The nature and seriousness of the suspected offense.
- (b) Whether violence or weapons were used or are anticipated.
- (c) The degree of resistance or threatened resistance, if any, the suspect has shown.
- (d) The suspect's known or perceived age.
- (e) The potential for injury to deputies or the public caused by the suspect if the canine is not utilized.
- (f) Any potential danger to the public and/or other deputies at the scene if the canine is released.
- (g) The potential for the suspect to escape or flee if the canine is not utilized.

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved members to minimize the risk of unintended injury.

It is the canine handler's responsibility to evaluate each situation and determine whether the use of a canine is appropriate and reasonable. The canine handler shall have the authority to decline the use of the canine whenever he/she deems deployment is unsuitable.

A supervisor who is sufficiently apprised of the situation may prohibit deploying the canine.

Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

308.6.2 WARNINGS AND ANNOUNCEMENTS

Unless it would increase the risk of injury or escape, a clearly audible warning announcing that a canine will be used if the suspect does not surrender should be made prior to releasing a canine. The handler should allow a reasonable time for a suspect to surrender and should quiet the canine momentarily to listen for any verbal response to the warning. If reasonably feasible, other members should be in a location opposite the warning to verify that the announcement could be heard. If available, warnings given in other languages should be used as necessary.

If a warning is not to be given, the canine handler, when reasonably practicable, should first advise the supervisor of his/her decision before releasing the canine. In the event of an apprehension, the handler shall document in any related report how the warning was given and, if none was given, the reasons why.

Clay County Sheriff's Office

308.6.3 REPORTING DEPLOYMENTS, BITES, AND INJURIES

Handlers should document canine deployments in a canine use report. Whenever a canine deployment results in a bite or causes injury to an intended suspect, a supervisor should be promptly notified and the injuries documented in the canine use report. The injured person shall be promptly treated by Emergency Medical Services personnel and, if appropriate, transported to an appropriate medical facility for further treatment. The deployment and injuries should also be included in any related incident or arrest report.

Any unintended bite or injury caused by a canine, whether on- or off-duty, shall be promptly reported to the canine coordinator. Unintended bites or injuries caused by a canine should be documented in an administrative report, not in a canine use report.

If an individual alleges an injury, either visible or not visible, a supervisor shall be notified and both the individual's injured and uninjured areas shall be photographed as soon as reasonably practicable after first tending to the immediate needs of the injured party. Photographs shall be retained as evidence in accordance with current office evidence procedures. The photographs shall be retained until the criminal proceeding is completed and the time for any related civil proceeding has expired.

Canines used by law enforcement agencies are generally exempt from dangerous dog registration, impoundment, and reporting requirements (Minn. Stat. § 347.51, Subd. 4).

308.7 NON-APPREHENSION GUIDELINES

Properly trained canines may be used to track or search for non-criminals (e.g., lost children, individuals who may be disoriented or in need of medical attention). The canine handler is responsible for determining the canine's suitability for such assignments based on the conditions and the particular abilities of the canine. When the canine is deployed in a search or other non-apprehension operation the following guidelines apply.

- (a) Absent a change in circumstances that present an imminent threat to deputies, the canine or the public, such applications should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual, if located.
- (b) Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.
- (c) Throughout the deployment, the handler should periodically give verbal assurances that the canine will not bite or hurt the individual and encourage the individual to make him/herself known.
- (d) Once the individual has been located, the handler should place the canine in a down-stay or otherwise secure it as soon as reasonably practicable.

308.7.1 ARTICLE DETECTION

A canine trained to find objects or property related to a person or crime may be used to locate or identify articles. A canine search should be conducted in a manner that minimizes the likelihood of unintended bites or injuries.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Canines

308.7.2 NARCOTICS DETECTION

A canine trained in narcotics detection may be used in accordance with current law and under certain circumstances, including:

- (a) The search of vehicles, buildings, bags, and other articles.
- (b) Assisting in the search for narcotics during a search warrant service.
- (c) Obtaining a search warrant by using the narcotics-detection trained canine in support of probable cause.

A narcotics-detection trained canine will not be used to search a person for narcotics unless the canine is trained to passively indicate the presence of narcotics.

308.7.3 BOMB/EXPLOSIVE DETECTION

Because of the high risk of danger to the public and deputies when a bomb or other explosive device is suspected, the use of a canine team trained in explosive detection may be considered. When available an explosive-detection canine team may be used in accordance with current law and under certain circumstances, including:

- (a) Assisting in the search of a building, structure, area, vehicle or article where an actual or suspected explosive device has been reported or located.
- (b) Assisting with searches at transportation facilities and vehicles (e.g., buses, airplanes, trains).
- (c) Preventive searches at special events, VIP visits, official buildings and other restricted areas. Searches of individuals should remain minimally intrusive and shall be strictly limited to the purpose of detecting explosives.
- (d) Assisting in the search of scenes where an explosion has occurred and an explosive device or secondary explosive device is suspected.

At no time will an explosive-detection trained canine be used to render a suspected device safe or clear.

308.8 HANDLER SELECTION

The minimum qualifications for the assignment of canine handler include:

- (a) A deputy who is currently off probation.
- (b) Residing in an adequately fenced, single-family residence (minimum 5-foot high fence with locking gates).
- (c) Living within Clay County.
- (d) Agreeing to be assigned to the position for a minimum of five years.

308.9 HANDLER RESPONSIBILITIES

The canine handler shall ultimately be responsible for the health and welfare of the canine and shall ensure that the canine receives proper nutrition, grooming, training, medical care, affection and living conditions.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Canines

The canine handler will be responsible for the following:

- (a) Except as required during appropriate deployment, the handler shall not expose the canine to any foreseeable and unreasonable risk of harm.
- (b) The handler shall maintain all office equipment under his/her control in a clean and serviceable condition.
- (c) Handlers shall permit the canine coordinator to conduct spontaneous on-site inspections of affected areas of their homes as well as their canine vehicles to verify that conditions and equipment conform to this policy.
- (d) Any changes in the living status of the handler that may affect the lodging or environment of the canine shall be reported to the canine coordinator as soon as possible.
- (e) When off-duty the canine shall be in a kennel provided by the County at the home of the handler. When a canine is kenneled at the handler's home the gate shall be secured with a lock. When off-duty the canine may be let out of the kennel while under the direct control of the handler.
- (f) The canine should be permitted to socialize in the home with the handler's family for short periods of time and under the direct supervision of the handler.
- (g) Under no circumstances will the canine be lodged at another location unless approved by the canine coordinator or Shift Supervisor.
- (h) When off-duty the handler shall not involve the canine in any law enforcement activity or official conduct unless approved in advance by the canine coordinator or Shift Supervisor.
- (i) Whenever a canine handler is off-duty for an extended number of days it may be necessary to temporarily relocate the canine. In those situations the handler shall give reasonable notice to the canine coordinator so that appropriate arrangements can be made.

308.9.1 CANINE IN PUBLIC AREAS

The canine should be kept on a leash when in areas that allow access to the public. Exceptions to this rule would include specific law enforcement operations for which the canine is trained.

- (a) A canine shall not be left unattended in any area to which the public may have access.
- (b) When the canine vehicle is left unattended, all windows and doors shall be secured in such a manner as to prevent unauthorized access to the canine. The handler shall also ensure that the unattended vehicle remains inhabitable for the canine.

308.10 CANINE INJURY AND MEDICAL CARE

In the event that a canine is injured, or there is an indication that the canine is not in good physical condition, the injury or condition will be reported to the canine coordinator or Shift Supervisor as soon as practicable and appropriately documented.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Canines

All medical attention shall be rendered by the designated canine veterinarian, except during an emergency where treatment should be obtained from the nearest available veterinarian. All records of medical treatment shall be maintained in the handler's personnel file.

308.11 TRAINING

Before assignment in the field each canine team shall be trained and certified to meet current nationally recognized standards or other recognized and approved certification standards. Cross-trained canine teams or those canine teams trained exclusively for the detection of narcotics and/or explosives also shall be trained and certified to meet current nationally recognized standards or other recognized and approved certification standards established for their particular skills.

The canine coordinator shall be responsible for scheduling periodic training for all office members in order to familiarize them with how to conduct themselves in the presence of office canines. Because canines may be exposed to dangerous substances such as opioids, as resources are available, the canine coordinator should also schedule periodic training for the canine handlers about the risks of exposure and treatment for it.

All canine training shall be conducted while on-duty unless otherwise approved by the canine coordinator or Shift Supervisor.

308.11.1 CONTINUED TRAINING

Each canine team shall thereafter be recertified to a current nationally recognized standard or other recognized and approved certification standards on an annual basis. Additional training considerations are as follows:

- (a) Canine teams should receive training as defined in the current contract with the Clay County Sheriff's Office canine training provider.
- (b) Canine handlers are encouraged to engage in additional training with approval of the canine coordinator.
- (c) To ensure that all training is consistent, no handler, trainer, or outside vendor is authorized to train to a standard that is not reviewed and approved by the Office.

308.11.2 FAILURE TO SUCCESSFULLY COMPLETE TRAINING

Any canine team failing to graduate or obtain certification shall not be deployed in the field for tasks the team is not certified to perform until graduation or certification is achieved. When reasonably practicable, pending successful certification, the canine handler shall be temporarily reassigned to regular patrol duties.

308.11.3 TRAINING RECORDS

All canine training records shall be maintained in the canine handler's and the canine's training file.

308.11.4 TRAINING AIDS

Training aids are required to effectively train and maintain the skills of canines. Deputies possessing, using or transporting controlled substances or explosives for canine training purposes

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Canines

must comply with federal and state requirements. Alternatively, the Clay County Sheriff's Office may work with outside trainers with the applicable licenses or permits.

308.11.5 CONTROLLED SUBSTANCE TRAINING AIDS

Deputies acting in the performance of their official duties may possess or transfer controlled substances for the purpose of narcotics-detection canine training in compliance with federal laws and if they comply with applicable state requirements (21 USC § 823(g)).

The Sheriff or the authorized designee may authorize a member to seek a court order to allow controlled substances seized by the Clay County Sheriff's Office to be possessed by the member or a narcotics-detection canine trainer who is working under the direction of this office for training purposes, provided the controlled substances are no longer needed as criminal evidence.

As an alternative, the Sheriff or the authorized designee may request narcotics training aids from the Drug Enforcement Administration (DEA).

These procedures are not required if the canine handler uses commercially available synthetic substances that are not controlled narcotics.

308.11.6 CONTROLLED SUBSTANCE PROCEDURES

Due to the responsibilities and liabilities involved with possessing readily usable amounts of controlled substances and the ever-present danger of the canine's accidental ingestion of these controlled substances, the following procedures shall be strictly followed:

- (a) All controlled substance training samples shall be weighed and tested prior to dispensing to the individual canine handler or trainer.
- (b) The weight and test results shall be recorded and maintained by this office.
- (c) Any person possessing controlled substance training samples pursuant to court order or DEA registration shall maintain custody and control of the controlled substances and shall keep records regarding any loss of, or damage to, those controlled substances.
- (d) All controlled substance training samples will be inspected, weighed and tested yearly. The results of the yearly testing shall be recorded and maintained by the canine coordinator with a copy forwarded to the dispensing agency.
- (e) All controlled substance training samples will be stored in locked, airtight and watertight cases at all times except during training. The locked cases shall be secured in the trunk of the canine handler's assigned patrol vehicle during transport and stored in an appropriate locked container. There are no exceptions to this procedure.
- (f) The canine coordinator shall periodically inspect every controlled substance training sample for damage or tampering and take any appropriate action.
- (g) Any unusable controlled substance training samples shall be returned to the Evidence Room or to the dispensing agency.
- (h) All controlled substance training samples shall be returned to the dispensing agency upon the conclusion of the training or upon demand by the dispensing agency.

308.11.7 EXPLOSIVE TRAINING AIDS

Deputies may own, possess or use explosives or destructive devices in compliance with state and federal laws (Minn. Stat. § 609.668, Subd. 3(a)(1); Minn. Stat. 609.668 Subd. 4; 18 USC § 842; 27 CFR 555.41).

Explosive training aids designed specifically for canine teams should be used whenever reasonably feasible. Due to the safety concerns in the handling and transportation of explosives, inert or non-hazardous training aids should be employed whenever feasible. The use of explosives or destructive devices for training aids by canine teams is subject to the following:

- (a) All explosive training aids when not in use shall be properly stored in a secure facility appropriate for the type of materials.
- (b) An inventory ledger shall be maintained to document the type and quantity of explosive training aids that are stored.
- (c) The canine coordinator shall be responsible to verify the explosive training aids on hand against the inventory ledger once each quarter.
- (d) Only members of the canine team shall have access to the explosive training aids storage facility.
- (e) A primary and secondary custodian will be designated to minimize the possibility of loss of explosive training aids during and after the training. Generally the handler will be designated as the primary custodian while the trainer or authorized second person on-scene will be designated as the secondary custodian.
- (f) Any lost or damaged explosive training aids shall be promptly reported to the canine coordinator who will determine if any further action will be necessary. Any loss of explosives will be reported to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF).

Domestic Abuse

309.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent, and reduce domestic abuse through vigorous enforcement and to address domestic abuse as a serious crime against society. The policy specifically addresses the commitment of this office to take enforcement action when appropriate, to provide assistance to victims and to guide deputies in the investigation of domestic abuse.

309.1.1 DEFINITIONS

Definitions related to this policy include:

Court order - All forms of orders related to domestic abuse, that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

Domestic abuse - Commission of any of the following if committed against a family or household member by another family or household member (Minn. Stat. § 518B.01, Subd. 2):

- (a) Actual or fear of imminent physical harm, bodily injury, or assault
- (b) Threats of violence with intent to terrorize as specified by Minn. Stat. § 609.713, Subd.1.
- (c) Criminal sexual conduct (Minn. Stat. § 609.342 to Minn. Stat. § 609.3451)
- (d) Interference with an emergency call as specified by Minn. Stat. § 609.78, Subd.2.

309.2 POLICY

The Clay County Sheriff's Office's response to incidents of domestic abuse and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic abuse is criminal behavior. It is also the policy of this office to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

309.3 OFFICER SAFETY

The investigation of domestic abuse cases often places deputies in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all deputies to exercise due caution and reasonable care in providing for the safety of any deputies and parties involved.

309.4 INVESTIGATIONS

The following guidelines should be followed by deputies when investigating domestic abuse cases:

- (a) Calls of reported, threatened, imminent, or ongoing domestic abuse and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Domestic Abuse

- (b) When practicable, deputies should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.
- (c) Deputies should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.
- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Investigation Unit in the event that the injuries later become visible.
- (f) Deputies should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, deputies should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence.
- (i) When completing an incident or arrest report for violation of a court order, deputies should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting deputy should attach a copy of the order to the incident or arrest report.
- (j) Deputies should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
 - 1. Whether the suspect lives on the premises with the victim.
 - 2. Claims by the suspect that the victim provoked or perpetuated the violence.
 - 3. The potential financial or child custody consequences of arrest.
 - 4. The physical or emotional state of either party.
 - 5. Use of drugs or alcohol by either party.
 - 6. Denial that the abuse occurred where evidence indicates otherwise.
 - 7. A request by the victim not to arrest the suspect.
 - 8. Location of the incident (public/private).
 - 9. Speculation that the complainant may not follow through with the prosecution.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Domestic Abuse

10. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or marital status of the victim or suspect.
11. The social status, community status, or professional position of the victim or suspect.

309.4.1 IF A SUSPECT IS ARRESTED

If a suspect is arrested, deputies should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.
- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail (Minn. Stat. § 629.72 Subd. 6).
- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

309.4.2 IF NO ARREST IS MADE

If no arrest is made, the deputy should:

- (a) Advise the parties of any options, including but not limited to:
 1. Voluntary separation of the parties.
 2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
- (b) Document the resolution in a report.

309.5 VICTIM ASSISTANCE

Because victims may be traumatized or confused, deputies should be aware that a victim's behavior and actions may be affected.

- (a) Victims should be provided with the office's domestic abuse information handout, even if the incident may not rise to the level of a crime.
- (b) Victims should be alerted to any available victim advocates, shelters, and community resources.
- (c) When an involved person requests law enforcement assistance while removing essential items of personal property, deputies should stand by for a reasonable amount of time.
- (d) If the victim has sustained injury or complains of pain, deputies should seek medical assistance as soon as practicable.
- (e) Deputies should ask the victim whether he/she has a safe place to stay and assist in arranging transportation to an alternate shelter if the victim expresses a concern for his/her safety or if the deputy determines that a need exists.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Domestic Abuse

- (f) Deputies should make reasonable efforts to ensure that any children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (g) If appropriate, deputies should seek or assist the victim in obtaining an emergency order.

309.6 DISPATCH ASSISTANCE

All calls of domestic abuse, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Deputies should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

309.7 FOREIGN COURT ORDERS

Various types of orders may be issued in domestic abuse cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by deputies as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

309.7.1 CANADIAN ORDERS FOR PROTECTION

An order for protection issued by Canada or a Canadian province shall be enforced as if it were the order of a court in this state and afforded the same consideration as foreign court orders with respect to proper issuance and registration (Minn. Stat. § 518F.03).

309.8 VERIFICATION OF COURT ORDERS

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, deputies should carefully review the actual order when available, and, where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
- (b) Check available records or databases that may show the status or conditions of the order.
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Domestic Abuse

Deputies should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Deputies should contact a supervisor for clarification when needed.

309.9 LEGAL MANDATES AND RELEVANT LAWS

Minnesota law provides for the following:

309.9.1 STANDARDS FOR ARRESTS

Deputies investigating a domestic abuse report should consider the following:

- (a) A deputy has the authority to arrest a person without a warrant, including at the person's residence, if the peace officer has probable cause to believe that the person has, within the preceding 72 hours, exclusive of the day probable cause was established, assaulted, threatened with a dangerous weapon, or placed in fear of immediate bodily harm any person covered by the "family or household member" definition, even if the assault did not rise to the level of a felony or did not take place in the presence of the peace officer (Minn. Stat. § 629.34; Minn. Stat. § 629.341).
- (b) Deputies should generally not make dual arrests but may make an arrest of a primary aggressor. Where there are allegations that each party assaulted the other, the deputy shall determine whether there is sufficient evidence to conclude that one of the parties was the primary aggressor based on the following criteria and the deputy's judgment (Minn. Stat. § 629.342, Subd. 2):
 - 1. Comparative extent of any injuries inflicted
 - 2. Fear of physical injury because of past or present threats
 - 3. Actions taken in self-defense or to protect oneself
 - 4. History of domestic abuse perpetrated by one party against the other
 - 5. Existence or previous existence of an order for protection
- (c) A deputy shall not issue a citation in lieu of arrest and detention to an individual charged with any of the following offenses (Minn. Stat. § 629.72):
 - 1. Stalking
 - 2. Domestic abuse
 - 3. Violation of an order for protection
 - 4. Violation of a domestic abuse no contact order
- (d) The Shift Supervisor will determine whether a person arrested on a charge of stalking any person, domestic abuse, violation of an order for protection, violation of a domestic abuse no contact order, or violation of a court-ordered transfer of firearms will be held in custody or be issued a citation in lieu of continued detention and released after booking. The person shall be held in custody whenever the Shift Supervisor determines that it reasonably appears the release of the person (Minn. Stat. § 629.72):
 - 1. Poses a threat to the alleged victim or another family or household member.
 - 2. Poses a threat to public safety.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Domestic Abuse

3. Involves a substantial likelihood that the arrested person will fail to appear at subsequent proceedings.
- (e) Deputies shall arrest and take into custody, without a warrant, a person whom the peace officer has probable cause to believe has violated a court order issued pursuant to Minn. Stat. § 518B.01 or Minn. Stat. § 629.75. Such an arrest shall be made even if the violation of the order did not take place in the presence of the peace officer, if the deputy can verify the existence of the order. If the person is not released on citation in lieu of continuing detention, the person shall be held in custody for these violations for at least 36 hours unless released by a court (Minn. Stat. § 518B.01; Minn. Stat. § 629.75).
- (f) An arrest for a violation of an order of protection may be made regardless of whether the excluded party was invited back to the residence (Minn. Stat. § 518B.01, Subd. 18).
- (g) Following an arrest, a deputy should contact the local domestic abuse program by phone as soon as possible and provide the name and address of the victim and a brief factual account of events associated with the action.
- (h) A deputy shall arrest and take into custody a person whom the deputy has probable cause to believe has violated a harassment restraining order, pursuant to Minn. Stat. § 609.748, if the deputy can verify the existence of the order.
- (i) Deputies are authorized to make an arrest without a warrant when there is probable cause to believe the person has violated the provisions of any other no contact or restraining order issued by a court, even if the offense did not rise to the level of a felony (Minn. Stat. § 629.34). While conducting a domestic abuse investigation deputies shall attempt to verify whether there has been a court order issued.
- (j) Deputies should consider whether other offenses have been committed that may not qualify as a domestic abuse including, but not limited to, burglary, felony assault, other threats of violence, kidnapping, false imprisonment, witness tampering, trespassing, criminal damage to property, disorderly conduct, or assault.

309.9.2 REPORTS AND RECORDS

- (a) Deputies should include information related to the following in a report, as applicable (Minn. Stat. § 629.341):
 1. Names, addresses, and telephone numbers of all involved persons
 2. Condition of clothing
 3. Description of the scene, including any property damage
 4. Evidence of physical injury, including strangulation
 5. Presence of elderly victims or persons with disabilities
 6. Facts related to any person who may have been a primary aggressor
 7. Excited utterances of the victim and the suspect
 8. Demeanor of the victim and the suspect

Domestic Abuse

9. Medical records, including the victim's statements to paramedics, nurses, and doctors
 10. Detailed statements of interviews of witnesses, including children, who may have been present, noting any language barriers
 11. A detailed explanation of the reasons for the deputy's decision not to arrest or seek an arrest warrant
 12. Evidence of any prior domestic abuse or related convictions, including dates
 13. Any existing orders for protection, harassment restraining order, or no contact orders
 14. Identifying information of a specific court order violated, including county of origin, the file number, and the provision allegedly violated
- (b) Domestic abuse reports should be forwarded to the appropriate prosecutor for review and consideration of criminal charges, even when no arrest is made or warrant requested.
- (c) If a child was present at the scene of a domestic abuse incident or was the victim of domestic abuse, the deputy should determine whether the child has been subjected to physical abuse, sexual abuse, or neglect, and comply with the mandatory reporting requirements of Minn. Stat. § 260E.06 et seq.
1. The deputy shall also attempt to verify whether there has been an order for protection issued under Minn. Stat. § 260C.201 and take appropriate action.
- (d) Fees will not be charged for the release of reports related to domestic abuse, as directed in Minn. Stat. § 13.82.

309.9.3 SERVICE OF COURT ORDERS

Deputies, when reasonably safe and in a position to do so, shall serve copies or short forms of court orders as directed in Minn. Stat. § 518B.01 and Minn. Stat. § 609.748.

309.9.4 COURT-ORDERED FIREARM SURRENDERS

Although not required, this office generally will accept firearms surrendered by a court order from an abusing party or defendant. A decision to refuse a surrendered firearm should be approved by a supervisor.

Firearms will normally be surrendered at the Clay County Sheriff's Office; however, when encountering someone in the field who wishes to surrender a firearm, deputies should make reasonable efforts to accommodate the request.

Surrendered firearms should be collected and submitted to the Evidence Room in accordance with the Evidence Room Policy.

Search and Seizure

310.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Clay County Sheriff's Office personnel to consider when dealing with search and seizure issues.

310.2 POLICY

It is the policy of the Clay County Sheriff's Office to respect the fundamental privacy rights of individuals. Members of this office will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this office will comply with relevant federal and state law governing the seizure of persons and property.

The Office will provide relevant and current training to deputies as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

310.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this office is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, deputies are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Search and Seizure

310.4 SEARCH PROTOCOL

Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances reasonably permit:

- (a) Members of this office will strive to conduct searches with dignity and courtesy.
- (b) Deputies should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching deputy, a reasonable effort should be made to summon a deputy of the same sex as the subject to conduct the search. When it is not practicable to summon a deputy of the same sex as the subject, the following guidelines should be followed:
 1. Another deputy or a supervisor should witness the search.
 2. The deputy should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

310.5 DOCUMENTATION

Deputies are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon a deputy of the same sex as the person being searched and the identification of any witness deputy

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and office policy have been met.

Temporary Custody of Juveniles

311.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Clay County Sheriff's Office (34 USC § 11133; Minn. Stat. § 260B.176; Minn. Stat. § 260C.176).

This policy does not apply to secure detention facilities, shelter care facilities, or the juvenile portion of an adult facility authorized to hold juveniles, but rather applies to the temporary custody of a juvenile before a juvenile is released, delivered to a court, or delivered to any of these other facilities (Minn. Stat. § 260B.176, Subd. 3; Minn. Stat. § 260C.176, Subd. 3).

311.1.1 DEFINITIONS

Definitions related to this policy include:

Custodian or Guardian - A person who is under a legal obligation or who is in fact providing care and support for a minor (Minn. Stat. § 260B.007, Subd. 13; Minn. Stat. § 260C.007, Subd. 10).

Juvenile non-offender - An abused, neglected, dependent, or alien juvenile who may be legally held for his/her own safety or welfare. This includes those held as runaways (Minn. Stat. § 260C.175), truancy violators (Minn. Stat. § 260C.143), and juveniles 15 years old or younger in custody related to their engaging in prostitution or related activities (Minn. Stat. § 260B.007 Subd. 6(c)). This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for his/her protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person.

Juvenile offender - A juvenile 17 years of age or younger who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense). It also includes possession of a handgun in violation of Minn. Stat. § 624.713 (28 CFR 31.303). This does not include a juvenile petty offender under Minn. Stat. § 260B.007.

Non-secure custody - When a juvenile is held in the presence of a deputy or other custody employee at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring, and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation.

Secure custody - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object.

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Temporary Custody of Juveniles

- (c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
- (d) A juvenile being processed in a secure booking area when a non-secure booking area is available.
- (e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.
- (f) A juvenile placed in a cell within the adult temporary holding area whether or not the cell door is locked.
- (g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

Sight and sound separation - Located or arranged to prevent physical, visual, or auditory contact.

Status offender - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include underage possession of tobacco or curfew violation. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender. Juvenile petty offenders taken into custody should be considered a status offender for purposes of this policy (Minn. Stat. § 260B.007; Minn. Stat. § 260B.143).

311.2 POLICY

The Clay County Sheriff's Office is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Clay County Sheriff's Office. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer, or release.

311.3 JUVENILES WHO SHOULD NOT BE HELD

Juveniles who exhibit any of the following conditions should not be held at the Clay County Sheriff's Office:

- (a) Unconscious
- (b) Seriously injured
- (c) A known suicide risk or obviously severely emotionally disturbed
- (d) Significantly intoxicated
- (e) Extremely violent or continuously violent

Deputies taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation.

These juveniles should not be held at the Clay County Sheriff's Office unless they have been evaluated by a qualified medical and/or mental health professional.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Temporary Custody of Juveniles

If the deputy taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release, or a transfer is completed.

311.3.1 SUICIDE PREVENTION OF JUVENILES IN CUSTODY

The arresting deputy should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill him/herself, or any unusual behavior that may indicate the juvenile may harm him/herself while in custody.

311.4 CUSTODY OF JUVENILES

Deputies should take custody of a juvenile and temporarily hold the juvenile at the Clay County Sheriff's Office when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the Clay County Sheriff's Office without authorization of the arresting deputy's supervisor or the Shift Supervisor.

Any juvenile taken into custody shall be released to the care of the juvenile's parent or other responsible adult, or transferred to a juvenile custody facility or to other authority as soon as practicable, and in no event shall a juvenile be held beyond six hours from the time of his/her entry into the Clay County Sheriff's Office (34 USC § 11133).

311.4.1 CUSTODY OF JUVENILE NON-OFFENDERS

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Clay County Sheriff's Office. Custodial arrangements should be made for non-offenders as soon as reasonably possible (Minn. Stat. § 260B.175; Minn. Stat. § 260C.143; Minn. Stat. § 260C.176). Juvenile non-offenders may not be held in secure custody (34 USC § 11133).

Juveniles detained for truancy violations may be (Minn. Stat. § 260C.143):

- (a) Transported to the juvenile's home and released to a parent or guardian.
- (b) Transported to the juvenile's school of enrollment and delivered to the school superintendent or a teacher.
- (c) Transported to a child truancy center under Minn. Stat. § 260A.04, Subd. 3.

311.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However deputies may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders may not be held in secure custody (34 USC § 11133).

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Temporary Custody of Juveniles

311.4.3 CUSTODY OF JUVENILE OFFENDERS

Juvenile offenders should be held in non-secure custody while at the Clay County Sheriff's Office unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally juvenile offenders may be taken into custody under the authority of Minn. Stat. § 260B.175 when a court order authorizes the custody, when the juvenile has committed an offense that would warrant the arrest of an adult, or when it is reasonably believed that the child has violated the terms of probation, parole, or other field supervision.

A deputy who takes a juvenile offender of any age or gender into custody or could take the juvenile into custody under Minn. Stat. § 260B.175 is authorized to perform a protective pat-down search of the juvenile offender in order to protect the deputy's safety (Minn. Stat. § 260B.175, Subd. 4).

The parent, guardian, or custodian of the juvenile shall be notified as soon as possible when a juvenile offender is taken into custody. Juvenile offenders shall be released to the custody of a parent, guardian, custodian, or other suitable person unless there is reason to believe that the juvenile would (Minn. Stat. § 260B.176):

- (a) Endanger themselves or others.
- (b) Not return for a court hearing.
- (c) Run away from or otherwise not remain in the care or control of their parent, guardian, or custodian.
- (d) Face immediate endangerment to the juvenile's health or welfare.

If a juvenile offender is not released to a parent, guardian, custodian, or other suitable person, the deputy taking the juvenile offender into custody shall communicate with or deliver the juvenile to a secure detention facility to determine whether the juvenile should be released or detained. The deputy shall also notify the court as soon as possible of the detention of the juvenile and the reasons for detention (Minn. Stat. § 260B.176).

311.4.4 SCHOOL NOTIFICATION

Minnesota law requires that the Sheriff or the authorized designee notify the superintendent or chief administrative officer of a juvenile's school of an incident occurring within our jurisdiction if (Minn. Stat. § 260B.171, Subd. 5):

- (a) There is probable cause to believe a juvenile has committed an offense that would be a crime if committed as an adult, where the victim is a student or staff member and the notice is reasonably necessary for the protection of the victim.
- (b) There is probable cause to believe a juvenile has committed certain serious crimes regardless of whether the victim is a student or staff member.
- (c) The juvenile is taken into protective custody and methamphetamine manufacture or storage is involved (see the Child Abuse Policy for guidelines) (see also, Minn. Stat. § 260C.171)

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Temporary Custody of Juveniles

However, the office is not required to notify the school if it is determined that notice would jeopardize an ongoing investigation.

311.5 ADVISEMENTS

When a juvenile is taken into custody on a warrant, the juvenile and his/her parent, guardian, or custodian, if present, shall immediately be informed of the existence of the warrant for immediate custody and, as soon as practicable, of the reasons why the juvenile is being taken into custody (Minnesota Rules of Juvenile Delinquency Procedure 4.03, Subd. 10).

If it is determined that a juvenile taken into custody is going to be placed into a secure detention facility or a shelter care facility, the deputy shall advise both the juvenile and the juvenile's parent, guardian, or custodian as soon as possible (Minn. Stat. § 260B.176, Subd. 3; Minn. Stat. § 260C.176, Subd. 3):

- (a) Of the reasons for custody and the reasons for placement.
- (b) Of the location of the facility unless there is reason to believe that disclosure would place the juvenile's health and welfare in immediate endangerment. If so, the disclosure shall not be made (Minn. Stat. § 260B.176, Subd. 5).
- (c) That the juvenile's parent, guardian, or custodian and attorney or guardian ad litem may make an initial visit to the facility at any time. Subsequent visits may also be made on a reasonable basis.
- (d) That the juvenile may telephone parents and an attorney or guardian ad litem immediately after being admitted to the facility and thereafter on a reasonable basis.
- (e) That the juvenile may not be detained for acts under Minn. Stat. § 260B.007, Subd. 6 for longer than 36 hours excluding weekends and holidays unless a petition has been filed pursuant to Minn. Stat. § 260B.178.
- (f) That the juvenile may not be detained under Minn. Stat. § 260C.175, Subd. 1, clause (1) or (2), item (ii) longer than 72 hours at a shelter care facility excluding weekends and holidays unless a petition has been filed pursuant to Minn. Stat. § 260C.178.
- (g) That the juvenile may not be detained for acts under Minn. Stat. § 260B.007, Subd. 6 for longer than 24 hours in an adult jail or municipal lockup excluding weekends and holidays or longer than six hours if the adult jail or municipal lockup is a standard metropolitan statistical area, unless a petition has been filed pursuant to Minn. Stat. § 260B.178 and a motion made to refer the juvenile for adult prosecution.
- (h) Of the date, time, and place of the detention hearing, if this information is available.
- (i) That the juvenile and the juvenile's parent, guardian, or custodian have the right to be present and to be represented by counsel, at the detention hearing and that if they cannot afford counsel it will be appointed at public expense.

311.6 NO-CONTACT REQUIREMENTS

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Office (34 USC § 11133). There should also be sight and sound separation between non-offenders and juvenile or status offenders.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Temporary Custody of Juveniles

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Clay County Sheriff's Office shall maintain a constant, immediate presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact.

311.7 TEMPORARY CUSTODY REQUIREMENTS

Members and supervisors assigned to monitor or process any juvenile at the Clay County Sheriff's Office shall ensure the following:

- (a) The Shift Supervisor should be notified if it is anticipated that a juvenile may need to remain at the Clay County Sheriff's Office more than four hours. This will enable the Shift Supervisor to ensure no juvenile is held at the Clay County Sheriff's Office more than six hours.
- (b) A staff member of the same sex shall supervise personal hygiene activities and care, such as changing clothing or using the restroom, without direct observation to allow for privacy.
- (c) Personal visual checks and significant incidents/activities shall be noted on the log.
- (d) There shall be no viewing devices, such as peep holes or mirrors, of which the juvenile is not aware. Therefore an employee should inform a juvenile under his/her care that the juvenile will be monitored at all times unless he/she is using the toilet. This does not apply to surreptitious and legally obtained recorded interrogations.
- (e) Juveniles shall have reasonable access to toilets and wash basins.
- (f) Food should be provided if a juvenile has not eaten within the past four hours or is otherwise in need of nourishment, including any special diet required for the health of the juvenile.
- (g) Juveniles shall have reasonable access to a drinking fountain or water.
- (h) Juveniles shall have reasonable opportunities to stand and stretch, particularly if handcuffed or restrained in any way.
- (i) Juveniles should have privacy during family, guardian, and/or lawyer visits.
- (j) Juveniles should be permitted to remain in their personal clothing unless the clothing is taken as evidence or is otherwise unsuitable or inadequate for continued wear while in custody.
- (k) Blankets should be provided as reasonably necessary.
- (l) Adequate shelter, heat, light, and ventilation should be provided without compromising security or enabling escape.
- (m) Juveniles shall have adequate furnishings, including suitable chairs or benches.
- (n) Juveniles shall have the right to the same number of telephone calls as an adult in custody.
- (o) No discipline may be administered to any juvenile nor may juveniles be subjected to corporal or unusual punishment, humiliation, or mental abuse.

Clay County Sheriff's Office

311.8 USE OF RESTRAINT DEVICES

Juvenile offenders may be handcuffed in accordance with the Handcuffing and Restraints Policy. A juvenile offender may be handcuffed at the Clay County Sheriff's Office when the juvenile presents a heightened risk. However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening.

Restraints shall only be used after less restrictive measures have failed and with the approval of the Shift Supervisor. Restraints shall only be used so long as it reasonably appears necessary for the juvenile's protection or the protection of others.

Juveniles in restraints shall be kept away from other unrestrained juveniles or monitored in such a way as to protect the juvenile from abuse.

311.9 PERSONAL PROPERTY

The deputy taking custody of a juvenile offender or status offender at the Clay County Sheriff's Office shall ensure a thorough search of the juvenile's property is made and all property is removed from the juvenile, especially those items that could compromise safety, such as pens, pencils, and belts.

The personal property of a juvenile should be placed in a property bag. The property should be inventoried in the juvenile's presence and sealed into the bag. The property should be kept in a monitored or secure location until the juvenile is released from the custody of the Clay County Sheriff's Office.

311.10 SECURE CUSTODY

Only juvenile offenders 14 years of age or older may be placed in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to him/herself or others.

Members of this office should not use secure custody for convenience when non-secure custody is or later becomes a reasonable option.

311.11 SUICIDE ATTEMPT, DEATH, OR SERIOUS INJURY OF A JUVENILE

The Shift Supervisor will ensure procedures are in place to address the suicide attempt, death, or serious injury of any juvenile held at the Clay County Sheriff's Office. The procedures will address:

- (a) Immediate notification of the on-duty supervisor, Sheriff and Investigation Division Supervisor.
- (b) Notification of the parent, guardian, or person standing in loco parentis of the juvenile.
- (c) Notification of the appropriate prosecutor.
- (d) Notification of the County attorney.
- (e) Evidence preservation.

311.12 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS

No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent and does consent to an interview or interrogation.

311.13 RESTRICTION ON PHOTOGRAPHING

Photographing of juveniles taken into custody will only occur with the consent of the juvenile court, except when the photograph is taken related to a violation of driving while impaired or is taken pursuant to the laws of arrest (Minn. Stat. § 260B.171, Subd. 5; Minn. Stat. § 260B.175; Minn. Stat. § 169A.20).

Adult Abuse

312.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for Clay County Sheriff's Office members as required by law (Minn. Stat. § 626.557).

312.1.1 DEFINITIONS

Definitions related to this policy include (Minn. Stat. § 626.5572):

Adult abuse - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult's care, or any other act that would mandate reporting or notification to a social service agency or law enforcement.

312.2 POLICY

The Clay County Sheriff's Office will investigate all reported incidents of alleged adult abuse and ensure proper reporting and notification as required by law.

312.3 MANDATORY NOTIFICATION

Members of the Clay County Sheriff's Office shall notify the entity responsible for receiving such reports when they have reason to believe that a vulnerable adult is being or has been maltreated, or has sustained a physical injury which is not reasonably explained. Members shall also report suspected negligent care by a service or health care provider that resulted in injury or harm requiring the care of a physician (Minn. Stat. § 626.557).

For purposes of notification, a vulnerable adult is a person age 18 or older who has physical, mental or emotional disabilities that make it difficult for the person to care for or to protect him/herself from maltreatment. It also refers to adults who reside at a facility, or receive care at a facility or through home care (Minn. Stat. § 626.5572).

Maltreatment includes abuse, neglect and financial exploitation. Abuse can be physical, emotional or sexual. Financial exploitation may include any instance where vulnerable adults' money, assets or property are not used for their benefit or are stolen or kept from them (see Minn. Stat. § 626.5572 for full definitions).

312.3.1 NOTIFICATION PROCEDURE

Notification should be made as soon as possible, but in all cases within 24 hours (Minn. Stat. § 626.557; Minn. Stat. § 626.5572). To the extent possible, the following should be included in the notification:

- (a) The identity of the vulnerable adult and any caregiver
- (b) The nature and extent of the suspected maltreatment
- (c) Any evidence of previous maltreatment

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Adult Abuse

- (d) The name and addresses of the person initiating the report or other witnesses
- (e) The time, date, and location of the incident
- (f) Any other information that might be helpful in investigating the suspected maltreatment

If notification of maltreatment is first made to the Clay County Sheriff's Office, the member receiving the notification shall complete and forward the intake form to the entity responsible for receiving such reports.

312.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available to investigate cases of adult abuse. These investigators should:

- (a) Conduct interviews in appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to adult abuse investigations.
- (c) Present all cases of alleged adult abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and facility administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the victim and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Minn. Stat. § 626.5571).

312.5 INVESTIGATIONS AND REPORTING

All reported or suspected cases of adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated. Investigations should be initiated as soon as possible, but in all cases within 24 hours (Minn. Stat. § 626.557).

Investigations and reports related to suspected cases of adult abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating deputy in all circumstances where a suspected adult abuse victim is contacted.
- (b) Any relevant statements the victim may have made and to whom he/she made the statements.
- (c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.
- (e) Whether the victim was transported for medical treatment or a medical examination.
- (f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Adult Abuse

- (g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.
- (h) Previous addresses of the victim and suspect.
- (i) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential adult abuse and investigated similarly.

Assigned members shall initiate an investigation of vulnerable adult abuse as soon as possible, but in all cases within 24 hours when there is reason to believe a crime has been committed (Minn. Stat. § 626.557).

312.6 PROTECTIVE CUSTODY

Before taking an adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the deputy should make reasonable attempts to contact an appropriate protective services agency. Generally, removal of an adult abuse victim from his/her family, guardian or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this office should remove an adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an adult abuse victim into protective custody, the deputy should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the deputy shall ensure that the adult is delivered to an appropriate protective services agency or medical facility.

Whenever practicable, the deputy should inform a supervisor of the circumstances prior to taking an adult abuse victim into protective custody. If prior notification is not practicable, deputies should contact a supervisor promptly after taking the adult into protective custody.

When adult abuse victims are under state control, have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

312.7 INTERVIEWS

312.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, deputies should audio record the preliminary interview with a suspected adult abuse victim. Deputies should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating deputies should defer interviews until a person who is specially trained in such interviews is available.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Adult Abuse

312.7.2 DETAINING VICTIMS FOR INTERVIEWS

A deputy should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
 - 1. A reasonable belief that medical issues of the adult need to be addressed immediately.
 - 2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.
 - 3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.
- (b) A court order or warrant has been issued.

312.8 MEDICAL EXAMINATIONS

When an adult abuse investigation requires a medical examination, the investigating deputy should obtain consent for such examination from the victim, guardian, agency or entity having legal custody of the adult. The deputy should also arrange for the adult's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency or entity having legal custody and is refusing to give consent for the medical examination, deputies should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for deputies to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

312.9 DRUG-ENDANGERED VICTIMS

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an adult abuse victim who has been exposed to the manufacturing, trafficking or use of narcotics.

312.9.1 SUPERVISOR RESPONSIBILITIES

The Investigation Unit supervisor should:

- (a) Work with professionals from the appropriate agencies, including the applicable adult protective services agency, other law enforcement agencies, medical service providers and local prosecutors, to develop community-specific procedures for responding to situations where there are adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when a deputy notifies the Investigation Unit supervisor that he/she has responded to a drug lab or other narcotics crime scene where an adult abuse victim is present or where evidence indicates that an adult abuse victim lives.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Adult Abuse

- (c) Develop a report format or checklist for use when deputies respond to drug labs or other narcotics crime scenes. The checklist will help deputies document the environmental, medical, social and other conditions that may affect the adult.

312.9.2 DEPUTY RESPONSIBILITIES

Deputies responding to a drug lab or other narcotics crime scene where an adult abuse victim is present or where there is evidence that an adult abuse victim lives should:

- (a) Document the environmental, medical, social and other conditions of the adult, using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Investigation Unit supervisor so an interagency response can begin.

312.10 STATE MANDATES AND OTHER RELEVANT LAWS

Minnesota requires or permits the following:

312.10.1 RECORDS OFFICE RESPONSIBILITIES

The Records Office is responsible for:

- (a) Providing a copy of the adult abuse report to the applicable entity in the county responsible for receiving such reports as required by law.
- (b) Retaining the original adult abuse report with the initial case file.

312.10.2 RELEASE OF REPORTS

Information related to incidents of adult abuse or suspected adult abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (Minn. Stat. § 626.557).

312.11 TRAINING

The Office should provide training on best practices in adult abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting interviews.
- (c) Availability of therapy services for adults and families.
- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to adult abuse investigations.
- (f) Availability of victim advocates or other support.

Discriminatory Harassment

313.1 PURPOSE AND SCOPE

This policy is intended to prevent office members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

313.2 POLICY

The Clay County Sheriff's Office is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation. The Office will not tolerate, discrimination against employees in hiring, promotion, discharge, compensation, fringe benefits, and other privileges of employment. The Office will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The non-discrimination policies of the Office may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

313.3 DEFINITIONS

Definitions related to this policy include:

313.3.1 DISCRIMINATION

The Office prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes; stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material or office equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to office policy and to a work environment that is free of discrimination.

313.3.2 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because the person has engaged in protected activity, filed a charge of discrimination,

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Discriminatory Harassment

participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated.

313.3.3 SEXUAL HARASSMENT

The Office prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position, or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

313.3.4 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission (EEOC) and the Minnesota Department of Human Rights.
- (b) Bona fide requests or demands by a supervisor that the member improve the member's work quality or output, that the member report to the job site on time, that the member comply with County or office rules or regulations, or any other appropriate work-related communication between supervisor and member.

313.4 RESPONSIBILITIES

This policy applies to all office personnel. All members shall follow the intent of these guidelines in a manner that reflects office policy, professional standards, and the best interest of the Office and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to the member's immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Sheriff, the Director of Human Resources, or the County Administrator.

Any member who believes, in good faith, that the member has been discriminated against, harassed, or subjected to retaliation, or who has observed harassment, discrimination, or retaliation, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Discriminatory Harassment

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with resolution as stated below.

313.4.1 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors and managers shall include but are not limited to:

- (a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment or retaliation.
- (b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment, or retaliation.
- (c) Ensuring that their subordinates understand their responsibilities under this policy.
- (d) Ensuring that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.
- (e) Making a timely determination regarding the substance of any allegation based upon all available facts.
- (f) Notifying the Sheriff or the Director of Human Resources in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment, or retaliation no later than the next business day.

313.4.2 SUPERVISOR'S ROLE

Supervisors and managers shall be aware of the following:

- (a) Behavior of supervisors and managers should represent the values of the Office and professional standards.
- (b) False or mistaken accusations of discrimination, harassment, or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline in a manner that is consistent with established procedures.

313.4.3 QUESTIONS OR CLARIFICATION

Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Sheriff, the Director of Human Resources, or the County Administrator for further information, direction, or clarification.

313.5 INVESTIGATION OF COMPLAINTS

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved members should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Office that all complaints of discrimination, retaliation, or harassment shall be fully documented, and promptly and thoroughly investigated.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Discriminatory Harassment

313.5.1 SUPERVISOR RESOLUTION

Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

313.5.2 FORMAL INVESTIGATION

If the complaint cannot be satisfactorily resolved through the process described above, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed, or retaliated against because of their protected status are encouraged to follow the chain of command but may also file a complaint directly with the Sheriff, the Director of Human Resources or the County Administrator.

313.5.3 ALTERNATIVE COMPLAINT PROCESS

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Office. Members who believe that they have been harassed, discriminated against, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

313.6 DOCUMENTATION OF COMPLAINTS

All complaints or allegations shall be thoroughly documented on the appropriate forms and in a manner designated by the Sheriff. The outcome of all reports shall be:

- (a) Approved by the Sheriff, the County Administrator, or the Director of Human Resources, depending on the ranks of the involved parties.
- (b) Maintained in accordance with the established records retention schedule.

313.6.1 NOTIFICATION OF DISPOSITION

The complainant and/or victim will be notified in writing of the disposition of the investigation and the actions taken to remedy or address the circumstances giving rise to the complaint.

313.7 TRAINING

All new members shall be provided with a copy of this policy as part of their orientation. The policy shall be reviewed with each new member. The member shall certify by signing the prescribed form that the member has been advised of this policy, is aware of and understands its contents, and agrees to abide by its provisions during the member's term with the Office.

Child Abuse

314.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation of suspected child abuse. This policy also addresses when Clay County Sheriff's Office members are required to notify the county social services agency of suspected child abuse.

314.1.1 DEFINITIONS

Definitions related to this policy include:

Child - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

Child abuse (also known as maltreatment of minors) - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child's care or any other act that would mandate notification to a social service agency (Minn. Stat. § 260E.03; Minn. Stat. § 260E.06).

314.2 POLICY

The Clay County Sheriff's Office will investigate all reported incidents of alleged criminal child abuse and ensure the county social services agency is notified as required by law.

314.3 MANDATORY NOTIFICATION

Members of the Clay County Sheriff's Office shall notify the county social services agency when they have reason to believe any of the following may have occurred or when someone reports any of the following (Minn. Stat. § 260E.06):

- (b) A child is being physically abused or has been physically abused within the preceding three years by a person responsible for the child's care.

Notification is mandatory for any acts of neglect, physical abuse, and sexual abuse that constitute a crime, whether or not the suspect had any relationship to or responsibility for the child (Minn. Stat. § 260E.12).

For purposes of notification, physical abuse includes injuries, mental injuries, or injuries that cannot be reasonably explained (e.g., punching, kicking, burning). Sexual abuse includes criminal

sexual conduct and prostitution offenses. Neglect includes failure to supply a child with necessary clothing, shelter, or medical care. See Minn. Stat. § 260E.03 for full definitions of physical abuse, sexual abuse, and neglect.

314.3.1 NOTIFICATION PROCEDURE

Notification should occur as follows (Minn. Stat. § 260E.09):

- (a) The member tasked with the investigation shall call the county social services agency and report the alleged abuse as soon as possible but always within 24 hours. The time of the call and the name of the person should be documented.
- (b) Notification, when possible, should include:
 - 1. The child's current location and whether the child is in immediate danger.
 - 2. A description of when and where the incident occurred and what happened to the child.
 - 3. A description of the injuries or present condition of the child.
 - 4. The names and addresses of the child, parents, or caregivers.
 - 5. Whether there were any witnesses to the incident and their names.
 - 6. Any additional information about the child, family, or caregivers that may be helpful.
 - 7. Whether the incident occurred in a licensed facility or a school and what actions the facility employees may have taken.
 - 8. Whether there are immediate family, relative, or community resources that would offer protection or support to the child.
- (c) Forms that may be required by the county social services agency or other written notification shall be completed and faxed or delivered to the county social services agency as soon as possible but always within 72 hours, exclusive of weekends and holidays.
- (d) Approved investigation reports should be forwarded to the county social services agency as soon as practical.
- (e) When the child abuse occurred at a facility or by a person from a facility that requires a state license or a profession that requires a state license (e.g., foster homes, group homes, day care, educator), notification shall also be made to the agency responsible for licensing the facility or person (Minn. Stat. § 260E.11).

314.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available for child abuse investigations. These investigators should:

- (a) Conduct interviews in child-appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to child abuse investigations.
- (c) Present all cases of alleged child abuse to the prosecutor for review.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Child Abuse

- (d) Coordinate with other enforcement agencies, social service agencies, and school administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians, and support for the child and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable.

314.5 INVESTIGATIONS AND REPORTING

In all reported or suspected cases of child abuse, a report will be written. Deputies shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating deputy in all circumstances where a suspected child abuse victim was contacted.
- (b) The exigent circumstances that existed if deputies interviewed the child victim without the presence of a parent or guardian.
- (c) Any relevant statements the child may have made and to whom he/she made the statements.
- (d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.
- (f) Whether the child victim was transported for medical treatment or a medical examination.
- (g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.
- (h) Identification of any prior related reports or allegations of child abuse, including other jurisdictions, as reasonably known.
- (i) Previous addresses of the victim and suspect.
- (j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

314.6 PROTECTIVE CUSTODY

Before taking any child into protective custody, the deputy should make reasonable attempts to contact the county social services agency. Generally, removal of a child from his/her family,

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Child Abuse

guardian or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this office should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the deputy should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the deputy shall ensure that the child is delivered to the county social services agency.

Whenever practicable, the deputy should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, deputies should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations (Minn. Stat. § 260C.175):

- (a) When a court has issued an order for removal.
- (b) When a child is found in surroundings or conditions that pose an imminent threat to the child's health or welfare or that a peace officer reasonably believes pose an imminent threat to the child's health or welfare.
- (c) If an Indian child is a resident of a reservation or is domiciled on a reservation but temporarily located off the reservation, taking the child into custody under this clause shall be consistent with the Indian Child Welfare Act (25 USC § 1922).

314.6.1 NOTICE TO PARENT OR CUSTODIAN AND CHILD

Whenever a deputy takes a child into protective custody, the deputy shall notify the parent or custodian and the child (age 10 years or older) that they may request that the child be placed with a relative instead of in a shelter care facility. The deputy also shall give the parent or custodian a list, published by the Minnesota Department of Human Services, of names, addresses, and telephone numbers of social services agencies that offer child welfare services. When placement with a relative is requested, the deputy will coordinate with the responsible social services agency to ensure the child's safety and well-being in compliance with Minn. Stat. § 260C.181 (Minn. Stat. § 260C.175).

If the parent or custodian was not present when the child was removed from the residence, the list shall be left with an adult who is on the premises or left in a conspicuous place on the premises if no adult is present. If the deputy has reason to believe the parent or custodian is not able to read and understand English, the deputy must provide a list that is written in the language of the parent or custodian (Minn. Stat. § 260C.175; Minn. Stat. § 260C.181).

314.6.2 SAFE PLACE FOR NEWBORNS

A person may leave an unharmed newborn less than seven days old with the staff of a hospital, urgent care facility or ambulance service without being subject to prosecution (Minn. Stat. § 609.3785). The responsible social service agency is charged with addressing these matters but may contact law enforcement if child abuse is suspected (Minn. Stat. § 145.902; Minn. Stat. § 609.3785).

314.7 INTERVIEWS

314.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, deputies should record the preliminary interview with suspected child abuse victims. Deputies should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating deputies should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

314.7.2 DETAINING ABUSE VICTIMS FOR INTERVIEW

A deputy should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
 - 1. A reasonable belief that medical issues of the child need to be addressed immediately.
 - 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
 - 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

314.7.3 NOTIFICATION TO PARENTS

Generally, deputies should cooperate with parents and guardians and seek consent prior to conducting interviews of children. However, when reasonably necessary, state law grants deputies the authority to interview a child who is the alleged victim of abuse or neglect, and any other children who currently reside or have resided with the alleged victim, without parental consent (Minn. Stat. § 260E.22, Subd. 1).

The interview may take place at school or at any facility or other place where the alleged victim or other children might be found, or the child may be transported to, and the interview conducted at, a place that is appropriate for the interview and has been designated by the local welfare agency or law enforcement agency. When it is possible and substantial child endangerment or sexual

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Child Abuse

abuse is alleged, the interview may take place outside the presence of the alleged offender and prior to any interviews of the alleged offender (Minn. Stat. § 260E.22).

The deputy shall notify the parent, legal custodian, or guardian that the interview occurred as soon as reasonably practicable after the interview, unless the juvenile court has determined that reasonable cause exists to withhold the information (Minn. Stat. § 260E.22).

314.7.4 INTERVIEWS AT SCHOOL

If deputies assigned to investigate a report of maltreatment determine that an interview should take place on school property, written notification of the intent to interview the child on school property must be received by school officials prior to the interview. The notification shall include the name of the child to be interviewed, the purpose of the interview, and a reference to the statutory authority to conduct an interview on school property (Minn. Stat. § 260E.22, Subd. 7).

The investigating deputy shall determine who may attend the interview, although school officials may set reasonable conditions as to the time, place, and manner of the interview (Minn. Stat. § 260E.22, Subd. 7).

314.7.5 DOCUMENTING AND RECORDING INTERVIEWS

Any statement made by an alleged child abuse victim during the course of a criminal investigation shall be documented. The documentation of the interview must contain, at a minimum (Minn. Stat. § 260E.23):

- (a) The date, time, place, and duration of the interview.
- (b) The identity of the persons present at the interview.
- (c) A summary of the information obtained during the interview if it was not audio recorded.

Members should follow the written guidelines of the county attorney's office regarding recording interviews of a child abuse victim.

314.8 MEDICAL EXAMINATIONS

If the child has been the victim of abuse that requires a medical examination, the investigating deputy should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The deputy should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, deputies should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for deputies to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

Child Abuse

314.9 DRUG-ENDANGERED CHILDREN

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

314.9.1 SUPERVISOR RESPONSIBILITIES

The Investigation Unit supervisor should:

- (a) Work with professionals from the appropriate agencies, including the county social services agency, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when a deputy notifies the Investigation Unit supervisor that the deputy has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.
- (c) Develop a report format or checklist for use when deputies respond to drug labs or other narcotics crime scenes. The checklist will help deputies document the environmental, medical, social and other conditions that may affect the child.

314.9.2 DEPUTY RESPONSIBILITIES

Deputies responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

- (a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Investigation Unit supervisor so an interagency response can begin.

314.9.3 SCHOOL NOTIFICATION

If a juvenile is taken into protective custody after being found in an area where methamphetamine was being manufactured or attempted to be manufactured, or where any chemical substances, paraphernalia or waste products related to methamphetamine are stored, the deputy who took the juvenile into custody shall notify the chief administrative officer of the juvenile's school (Minn. Stat. § 260C.171, Subd. 6).

314.10 STATE MANDATES AND OTHER RELEVANT LAWS

Minnesota requires or permits the following:

314.10.1 RELEASE OF REPORTS

Information related to incidents of child abuse or suspected child abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (Minn. Stat. § 260E.35).

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Child Abuse

314.10.2 CHILD MORTALITY REVIEW PANELS

Child mortality review panels are entitled to access all investigative information of law enforcement agencies regarding the death of a child. This office shall cooperate fully with any such team and investigation (Minn. Stat. § 256.01, Subd. 12).

314.10.3 COORDINATION WITH SOCIAL SERVICES

In every case of child abuse that would require notification to a local county social services agency, the investigating deputy shall coordinate the planning and execution of the investigation and assessment efforts to avoid a duplication of fact-finding efforts and multiple interviews. The investigating deputy shall prepare a report separate from the social services agency (Minn. Stat. § 260E.12; Minn. Stat. § 260E.14, Subd. 5).

Members may disclose the status of an individual as a predatory offender to a child protection worker who is conducting an investigation or a family assessment under Chapter 260E (Minn. Stat. § 243.166; Minn. Stat. § 260E.03).

314.10.4 NOTIFICATION PROCESS

The Patrol Supervisor is responsible for ensuring the mandatory notifications to the county social service agency are carried out. This should be achieved, in part, by establishing and reviewing related procedures and through ongoing training (Minn. Stat. § 260E.01 et seq.).

314.10.5 COURT-ORDERED FIREARM SURRENDERS

Although not required, this office generally will accept firearms surrendered by a court order from an abusing party or defendant. A decision to refuse a surrendered firearm should be approved by a supervisor.

Firearms will normally be surrendered at the Clay County Sheriff's Office; however, when encountering someone in the field who wishes to surrender a firearm, deputies should make reasonable efforts to accommodate the request.

Surrendered firearms should be collected and submitted to the Evidence Room in accordance with the Evidence Room Policy.

314.11 TRAINING

The Training Unit should provide training on best practices in child abuse investigations to members tasked with investigating these cases. The training should include:

Employees of the Clay County Sheriff's Office should notify their supervisor, Shift Supervisor or Investigation Unit Supervisor as soon as practicable upon learning of a situation where public notification, a warning or enlisting the help of the media and public could assist in locating a missing person, apprehending a dangerous person or gathering information.

316.3.2 SUPERVISOR RESPONSIBILITIES

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Public Alerts

316.4.1 CRITERIA

Any non-familial case in which an individual is abducted and the public can assist will trigger the activation of either the AMBER Alert and/or the Minnesota Crime Alert Network (MCAN) to inform the public and request its assistance in locating the individual.

The criteria for issuance of an Amber Alert are as follows:

- (a) A child 17 years of age or younger was abducted and there is reason to believe the victim is in imminent danger of serious bodily injury or death.

An AMBER Alert should not be requested if there is no information to distribute.

316.4.2 PROCEDURE

The supervisor shall review the AMBER Alert checklist provided by the Bureau of Criminal Apprehension (BCA) to determine whether the abduction meets the AMBER Alert criteria.

As soon as possible, Records Office personnel shall enter the child's name and other critical data into the National Crime Information Center (NCIC), with appropriate flags.

If the AMBER Alert criteria is met, the supervisor, Shift Supervisor or Investigation Unit supervisor will notify the Operations Center at the BCA. The BCA will determine whether an AMBER Alert will be issued and, if so, will activate the Minnesota Emergency Alert System (EAS) through the Minnesota Department of Public Safety (DPS) Division of Homeland Security and Emergency Management (HSEM).

BCA will manage press notifications through the EAS.

As additional information becomes available, the BCA shall be apprised and they will disseminate the information, as appropriate.

When the child is found, or the alert should be cancelled for other reasons, the Investigation Unit supervisor shall immediately notify BCA with the pertinent information.

316.5 MINNESOTA CRIME ALERT NETWORK (MCAN)

MCAN is a statewide communications network that enables law enforcement agencies to quickly alert the public (Minn. Stat. § 299A.61). In cases where the AMBER Alert criteria are not met, the supervisor shall issue a missing person alert through MCAN to notify the public and request information on the case (Minn. Stat. § 299C.53). Law enforcement agencies, businesses, schools, and community members participate in the network.

316.5.1 CRITERIA

MCAN is available for disseminating information regarding the commission of crimes, including information on missing and endangered children or vulnerable adults, or attempts to reduce theft and other crime.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Deputies should investigate allegations of witness intimidation and take enforcement action when lawful and reasonable.

Hate or Prejudice Crimes

318.1 PURPOSE AND SCOPE

The Clay County Sheriff's Office recognizes and places a high priority on the rights of all individuals guaranteed under the constitution and the laws of this state. When such rights are infringed upon by violence, threats or other harassment, this office will utilize all available resources to see that justice is served under the law. This policy has been developed to meet or exceed the provisions of the Matthew Shepard and James Byrd, Jr. Hate Crimes Prevention Act, and provides members of this office with guidelines for identifying and investigating incidents and crimes that may be motivated by hatred or other bias.

318.1.1 FEDERAL JURISDICTION

The federal government also has the power to investigate and prosecute bias-motivated violence by providing the U.S. Department of Justice with jurisdiction over crimes of violence where the perpetrator has selected the victim because of the person's actual or perceived race, color, religion, national origin, gender, sexual orientation, gender identity or disability (18 USC § 245).

318.2 DEFINITIONS

Hate or Prejudice Crime - Conduct that would constitute a crime and was committed because of the victim's or another's actual or perceived race, color, religion, national origin, ethnicity, gender, sexual orientation, gender identity or expression, or disability (see generally Minn. Stat. § 611A.79, Subd. 1).

318.3 PREVENTING AND PREPARING FOR LIKELY HATE OR PREJUDICE CRIMES

While it is recognized that not all crime can be prevented, this office is committed to taking a proactive approach to preventing and preparing for likely hate or prejudice crimes by among other things:

- (a) Deputies should make an affirmative effort to establish contact with persons and groups within the community who are likely targets of hate crimes to form and cooperate with prevention and response networks.
- (b) Providing victim assistance and follow-up as outlined below, including community follow-up.
- (c) Educating community and civic groups relating to hate crime laws.

318.4 PROCEDURE FOR INVESTIGATING HATE OR PREJUDICE CRIMES

Whenever any member of this office receives a report of a suspected hate or prejudice crime or other activity that reasonably appears to involve a potential hate or prejudice crime, the following should occur:

- (a) Deputies will be promptly assigned to contact the victim, witness or reporting party to investigate the matter further as circumstances may dictate.
- (b) A supervisor should be notified of the circumstances as soon as practicable.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Hate or Prejudice Crimes

- (d) The assigned deputies will interview available witnesses, victims and others to determine what circumstances, if any, indicate that the situation may involve a hate or prejudice crime.
- (e) Depending on the situation, the assigned deputies or supervisor may request additional assistance from investigators or other resources to further the investigation.
- (f) The assigned deputies will include all available evidence indicating the likelihood of a hate or prejudice crime in the relevant reports. - (g) The assigned deputies will provide the victims of any suspected hate or prejudice crime with the brochure on hate and prejudice crimes authorized by the Office. Such brochures will also be available to members of the public upon request. The assigned deputies should also make reasonable efforts to assist the victims by providing available information on local assistance programs and organizations as required by the Victim Assistance Policy.
- (h) The assigned deputies and supervisor should take reasonable steps to ensure that any such situation does not escalate further and provide information to the victim regarding legal aid, e.g., a possible Temporary Restraining Order through the courts, prosecuting attorney or County Attorney.

318.5 INVESTIGATION UNIT RESPONSIBILITIES

If a case is assigned to the Investigation Unit, the assigned investigator will be responsible for following up on the reported hate or prejudice crime as follows:

- (a) Coordinating further investigation with the prosecuting attorney and other appropriate law enforcement agencies, as appropriate.

- (c) Maintaining statistical data and tracking of suspected hate or prejudice crimes as indicated or required by state law.

Standards of Conduct

319.1 PURPOSE AND SCOPE

This policy establishes standards of conduct that are consistent with the values and mission of the Clay County Sheriff's Office and are expected of all office members. The standards contained in this policy are not intended to be an exhaustive list of requirements and prohibitions but they do identify many of the important matters concerning conduct. In addition to the provisions of this policy, members are subject to all other provisions contained in this manual, as well as any additional guidance on conduct that may be disseminated by this office or a member's supervisors.

319.1.1 STANDARDS OF CONDUCT FOR PEACE OFFICERS

The Clay County Sheriff's Office adopts the Professional Conduct of Peace Officers model policy established and published by the Minnesota Board of Peace Officer Standards and Training Board (POST) (Minn. Stat. § 626.8457). This model policy applies to all peace officers of this office.

[See attachment: MN POST Professional Conduct of Peace Officers Model Policy.pdf](#)

The provisions of this policy are in addition to collective bargaining agreements or any other applicable law.

The Office shall report to POST any data regarding the investigation and disposition of cases involving alleged misconduct of deputies (Minn. Stat. § 626.8457, Subd. 3).

319.2 POLICY

The continued employment or appointment of every member of the Clay County Sheriff's Office shall be based on conduct that reasonably conforms to the guidelines set forth herein. Failure to meet the guidelines set forth in this policy, whether on- or off-duty, may be cause for disciplinary action.

319.3 DIRECTIVES AND ORDERS

Members shall comply with lawful directives and orders from any office supervisor or person in a position of authority, absent a reasonable and bona fide justification.

319.3.1 UNLAWFUL OR CONFLICTING ORDERS

Supervisors shall not knowingly issue orders or directives that, if carried out, would result in a violation of any law or office policy. Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Standards of Conduct

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that is in conflict with a previous lawful order, office policy or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict, will not be held accountable for disobedience of the lawful order or directive that was initially issued.

The person countermanding the original order shall notify, in writing, the person issuing the original order, indicating the action taken and the reason.

319.3.2 SUPERVISOR RESPONSIBILITIES

Supervisors and managers are required to follow all policies and procedures and may be subject to discipline for:

- (a) Failure to be reasonably aware of the performance of their subordinates or to provide appropriate guidance and control.
- (b) Failure to promptly and fully report any known misconduct of a member to his/her immediate supervisor or to document such misconduct appropriately or as required by policy.
- (c) Directing a subordinate to violate a policy or directive, acquiesce to such a violation, or are indifferent to any such violation by a subordinate.
- (d) The unequal or disparate exercise of authority on the part of a supervisor toward any member for malicious or other improper purpose.

319.4 GENERAL STANDARDS

Members shall conduct themselves, whether on- or off-duty, in accordance with the United States and Minnesota constitutions and all applicable laws, ordinances, and rules enacted or established pursuant to legal authority.

Members shall familiarize themselves with policies and procedures and are responsible for compliance with each. Members should seek clarification and guidance from supervisors in the event of any perceived ambiguity or uncertainty.

Discipline may be initiated for any good cause. It is not mandatory that a specific policy or rule violation be cited to sustain discipline. This policy is not intended to cover every possible type of misconduct.

319.5 CAUSES FOR DISCIPLINE

The following are illustrative of causes for disciplinary action. This list is not intended to cover every possible type of misconduct and does not preclude the recommendation of disciplinary action for violation of other rules, standards, ethics, and specific action or inaction that is detrimental to efficient office service.

Access passwords, logon information, and other individual security data, protocols, and procedures are confidential information and are not to be shared. Password length, format, structure, and content shall meet the prescribed standards required by the computer system or as directed by a supervisor and shall be changed at intervals as directed by IT staff or a supervisor. Report Preparation

Report preparation is a major part of each employee's job. Report writing is the subject of substantial formalized and on-the-job training.

321.1.1 REPORT PREPARATION

Employees should ensure that their reports are sufficient for their purpose and reasonably free of errors prior to submission. It is the responsibility of the assigned employee to complete and submit all reports taken during the shift before going off-duty, unless permission to hold the report has been approved by a supervisor. Generally, reports requiring prompt follow-up action on active leads, or arrest reports where the suspect remains in custody should not be held.

Handwritten reports must be prepared legibly. If the report is not legible, the submitting employee will be required by the reviewing supervisor to promptly make corrections and resubmit the report. Employees who dictate reports shall use appropriate grammar, as content is not the responsibility of the typist. Employees who generate reports on computers are subject to all requirements of this policy.

All reports shall accurately reflect the identity of the persons involved, all pertinent information seen, heard or assimilated by any other sense and any actions taken. Employees shall not suppress, conceal or distort the facts of any reported incident nor shall any employee make a false report orally or in writing. Generally, the reporting employee's opinions should not be included in reports unless specifically identified as such.

321.2 REQUIRED REPORTING

Written reports are required in all of the following situations on the appropriate Office-approved form unless otherwise approved by a supervisor.

321.2.1 CRIMINAL ACTIVITY

Media Relations

322.1 PURPOSE AND SCOPE

This policy provides guidelines for media releases and media access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities.

322.2 RESPONSIBILITIES

The ultimate authority and responsibility for the release of information to the media shall remain with the Sheriff. However, in situations not warranting immediate notice to the Sheriff and in situations where the Sheriff has given prior approval, Division Commanders, Shift Supervisors and designated Public Information Officer(s) may prepare and release information to the media in accordance with this policy and the applicable law.

322.2.1 MEDIA REQUEST

Any media request for information or access to a law enforcement situation shall be referred to the Sheriff, or if unavailable, to the first available supervisor. Prior to releasing any information to the media, employees shall consider the following:

- (a) At no time shall any employee of this office make any comment or release any official information to the media without prior approval from the Sheriff or a supervisor.
- (b) In situations involving multiple law enforcement agencies, every reasonable effort should be made to coordinate media releases with the authorized representative of each involved agency prior to the release of any information by this office.
- (c) Under no circumstance should any member of this office make any comment(s) to the media regarding any law enforcement incident not involving this office without prior approval of the Sheriff.

Authorized members of the media shall be provided access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities subject to the following conditions:

- (a) The media representative shall produce valid press credentials that shall be prominently displayed at all times while in areas otherwise closed to the public.

Media Relations

- (c) No member of this office shall be required to submit to media visits or interviews without the consent of the involved employee.
- (d) Media interviews with individuals who are in custody shall not be permitted unless in compliance with a jail facility policy. Exceptions are only permitted with the approval of the Sheriff and the express written consent of the person in custody.

A tactical operation should be handled in the same manner as a crime scene, except the news media shall be permitted within the outer perimeter of the scene, subject to any restrictions as determined by the supervisor in charge. Office members shall not jeopardize a tactical operation in order to accommodate the news media. All comments to the media shall be coordinated through a supervisor or the Public Information Officer.

322.3.1 TEMPORARY FLIGHT RESTRICTIONS

Whenever the presence of media or other aircraft poses a threat to public or officer safety or significantly hampers incident operations, the field supervisor should consider requesting a Temporary Flight Restriction (TFR). All requests for a TFR should be routed through the Shift Supervisor. The TFR request should include specific information regarding the perimeter and altitude necessary for the incident and should be requested through the appropriate control tower. If the control tower is not known, the Federal Aviation Administration should be contacted (14 CFR 91.137).

322.3.2 PROVIDING ADVANCE INFORMATION

To protect the safety and rights of deputies and other persons, advance information about planned actions by law enforcement personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the news media nor should media representatives be invited to be present at such actions except with the prior approval of the Sheriff.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception, the Sheriff will consider, at minimum, whether the release of information or presence of the media would unreasonably endanger any individual, prejudice the rights of any person or is otherwise prohibited by law.

322.4 SCOPE OF INFORMATION SUBJECT TO RELEASE

The Office will maintain a daily information log of significant law enforcement activities that shall be made available, upon request, to media representatives through the Shift Supervisor. This log will consist of data classified as public and should generally contain the following information (Minn. Stat. § 13.82):

- (a) The date, time, location, case number, type of crime, extent of injury or loss and names of individuals (except confidential informants) involved in crimes occurring within this jurisdiction, unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation.

Any requests for copies of related reports or additional information not contained in this log shall be referred to the designated media representative, the custodian of records, or if unavailable, to the Shift Supervisor. Such requests will generally be processed in accordance with the provisions of the Minnesota Government Data Practices Act (Minn. Stat. § 13.03).

325.2.2 APPOINTMENT

Applicants who are selected for appointment as a part-time deputy shall, on the recommendation of the Sheriff, be sworn in by the Sheriff and take the Oath of Office as required for regular deputies.

A part-time deputy may not perform any law enforcement function without meeting the selection standards, completing the minimum training, and successfully passing the licensing examination for part-time peace officers set by the Minnesota Board of Peace Officer Standards and Training certification (Minn. Stat. § 626.8463, Minn. R. Ch. 6700.0700 and Minn. R. Ch. 6700.1101 Subd. 2).

As allowed by law, part-time licensed officers are temporarily exempt from these selection standards at the discretion of the Sheriff in case of an emergency arising from a natural disaster, civil disorder, fire, explosion or similar event (Minn. Stat. § 626.8465).

325.3 DUTIES OF PART-TIME DEPUTIES

324.2 POLICY

It is the policy of the Clay County Sheriff's Office to promptly respond to requests for assistance by other law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this office.

324.3 ASSISTING OUTSIDE AGENCIES

Generally, requests for any type of assistance from another agency should be routed to the Shift Supervisor's office for approval. Any such response to assist an outside agency may be considered for authorization regardless of whether an agreement for reciprocal aid under Minn. Stat. § 626.76, Subd. 1 exists. In some instances, a memorandum of understanding or other established protocol may exist that eliminates the need for approval of individual requests.

When another law enforcement agency requests assistance from this office, the Shift Supervisor may authorize, if available, an appropriate number of personnel to assist. Members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this office.

Deputies may respond to a request for emergency assistance; however, they shall notify a supervisor of their activity as soon as practicable.

Arrestees may be temporarily detained by this office until arrangements for transportation are made by the outside agency. Probation violators who are temporarily detained by this office will not ordinarily be booked at this office. Only in exceptional circumstances, and subject to supervisor approval, will this office provide transportation of arrestees to other facilities on behalf of another agency.

When transportation assistance is rendered, a report shall be prepared and submitted by the handling member unless otherwise directed by a supervisor.

Any on-duty deputy who engages in law enforcement activities of any type that are not part of a mutual aid request and take place outside the jurisdiction of the Clay County Sheriff's Office shall notify his/her supervisor or the Shift Supervisor and RRRDC as soon as practicable. This requirement does not apply to special enforcement details or multi-agency units that regularly work in multiple jurisdictions.

324.4 REQUESTING OUTSIDE ASSISTANCE

If assistance is needed from another agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

324.5 REPORTING REQUIREMENTS

325.2 POLICY

It is the policy of the Clay County Sheriff's Office to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

325.3 REGISTRATION

The Investigation Unit supervisor shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Those assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the Bureau of Criminal Apprehension (BCA) in accordance with Minn. Stat. § 243.166 within three days of the registration. Registration and updated information from a person who lacks a primary residence shall be forwarded within two business days. Updated primary address information from any registered predatory offender shall also be forwarded within two business days (Minn. Stat. § 243.166).

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

325.3.1 REGISTRATION PROCESS

When an offender arrives to register with this office, the assigned investigator should:

- (a) Determine in what state the offense was committed.
- (b) Confirm the individual is required to register by reviewing the list of Minnesota offenses on the BCA's Predatory Offender Registration website or in the BCA Predatory Offender Registration (POR) Manual that is available on the BCA's secure website.
- (c) If a person is required to register, search the BCA's secure website to verify whether the offender is already registered and a DNA sample has been submitted.
- (d) If the offender is already registered, complete a Change of Information Form (available on the BCA's secure website).
- (e) If the offender is not registered, complete a POR Form (available at BCA's secure website).

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Registered Predatory Offender

- (f) If the offender is from another state, contact the state (information for each state is listed on the BCA's website) and request a copy of the offender's original registration form, criminal complaint and sentencing documents.
 - 1. Documents obtained should be submitted to the BCA with a registration form.
 - 2. The BCA will determine if registration is required and inform the office and the offender.

Additional information regarding offender registration is available in the POR Manual or by contacting the Predatory Offender Unit by phone or through the BCA secure website.

325.3.2 GUIDELINES AND FORMS

The registration process shall be in accordance with Minn. Stat. § 243.166 and follow the guidelines implemented by the BCA. Forms used in the registration process are available from the secure website operated by the BCA.

325.3.3 NOTIFICATION TO REGISTRANTS

The registration process established by the Investigation Unit supervisor should include procedures for determining whether an individual requires notification of his/her requirement to register because the individual was not otherwise notified of the requirement by the sentencing court or assigned a corrections agent (Minn. Stat. § 243.166).

325.4 MONITORING OF REGISTERED OFFENDERS

The Investigation Unit supervisor should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

- (a) Efforts to confirm residence using an unobtrusive method, such as an internet search or drive-by of the declared residence.
- (b) Review of information on the BCA secure website or the Department of Corrections Offender Information (DOC) website.
- (c) Contact with a registrant's parole or probation officer, if any.

Any discrepancies should be reported to BCA in writing.

The Investigation Unit supervisor should also establish a procedure to routinely disseminate information regarding registered offenders to Clay County Sheriff's Office personnel who have a need to know, including timely updates regarding new or relocated registrants.

325.5 DISSEMINATION OF PUBLIC INFORMATION

Members will not make a public notification advising the community of a particular registrant's presence in the community without permission from the Sheriff. Members who believe notification is appropriate should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Sheriff if warranted. A determination will be made by the Sheriff based on statutory requirements, with the assistance of legal counsel as necessary, whether such a public alert should be made.

Clay County Sheriff's Office

The DOC will provide victim contact data to this office when there is a victim who has requested notification (refer to the DOC document "Victim Data Confidential for Law Enforcement Agency Use Only").

It may be appropriate for members of the Office to directly contact the victim. Community victim advocacy or prosecutor resources may also be available to assist with locating and notifying a victim. Assistance is also available from the DOC victim services staff.

Members of the Office may contact other victims, witnesses and other individuals who are likely to be victimized by the offender.

325.5.8 HOMELESS NOTIFICATION PROCESS

If public notice (Level 2 or 3) is required on a registered homeless offender, that notice should be as specific as possible. These offenders are required to check in weekly with local law enforcement, unless an alternative reporting procedure is approved by the Investigation Unit supervisor (Minn. Stat. § 243.166, Subd. 3a).

325.5.9 LIMITATIONS OF RELEASE OF DATA

Disclosures permitted or required for Level 2 or 3 offenders shall not be made if the offender is placed or resides in a DOC-licensed residential facility. Upon notification that the offender is released to a permanent address, the disclosures permitted or required by law shall be made (Minn. Stat. § 244.052, Subd. 4). Data regarding the victim or witnesses shall not be disclosed (Minn. Stat. § 244.052, Subd. 4(e)).

The broadest disclosures authorized under Minn. Stat. § 244.052, Subd. 4 may still be made for certain offenders (sexually dangerous persons or persons with a sexual psychopathic personality) even though still residing in a residential facility (Minn. Stat. § 253D.32, Subd. 1).

325.6 DISCLOSURE TO LOCAL WELFARE AGENCY

Upon request, members may disclose the status of an individual as a predatory offender to a child protection worker who is conducting an assessment of child safety, risk of subsequent child maltreatment, and family strengths and needs under Chapter 260E (Minn. Stat. § 243.166).

Major Incident Notification

326.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of this office in determining when, how and to whom notification of major incidents should be made.

326.2 POLICY

The Clay County Sheriff's Office recognizes that certain incidents should be brought to the attention of supervisors or other specified personnel of this office to facilitate the coordination of activities and ensure that inquiries from the media and the public may be properly addressed.

326.3 MINIMUM CRITERIA FOR NOTIFICATION

Most situations where the media show a strong interest are also of interest to the Sheriff and the affected Division Commander. The following list of incident types is provided as a guide for notification and is not intended to be all inclusive:

- Homicides.
- Traffic collisions with fatalities.
- Officer-involved shooting, whether on- or off-duty (See Officer-Involved Shootings and Deaths Policy for special notifications).
- Significant injury or death to an employee, whether on- or off-duty.

RRRDC

326.4.1 STAFF NOTIFICATION

In the event an incident occurs as identified in the Minimum Criteria for Notification, the Sheriff shall be notified along with the affected Division Commander and the Investigation Unit Division Commander if that division is providing assistance.

Major Incident Notification

326.4.2 DETECTIVE NOTIFICATION

If the incident requires that a deputy or investigator respond from home, the immediate supervisor of the appropriate detail shall be contacted.

326.4.3 PUBLIC INFORMATION OFFICER (PIO)

The Public Information Officer shall be called after members of staff have been notified that it appears the media may have a significant interest in the incident.

Death Investigation

327.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where deputies initially respond to and investigate the circumstances of a deceased person.

Some causes of death may not be readily apparent and some cases differ substantially from what they appeared to be initially. The thoroughness of death investigations and the use of appropriate resources and evidence gathering techniques is critical.

327.2 INVESTIGATION CONSIDERATIONS

Death investigation cases require certain actions be taken. Emergency Medical Services shall be called in all suspected death cases unless the death is obvious (e.g., decapitated or decomposed). Peace officers are not authorized to pronounce death unless they are also Coroners or deputy coroners. A supervisor shall be notified in all death investigations.

327.2.1 MEDICAL EXAMINER REQUEST

The Medical Examiner shall be called in all sudden or unexpected deaths or deaths due to other than natural causes, including, but not limited to (Minn. Stat. § 390.11):

- (a) Unnatural deaths, including violent deaths arising from homicide, suicide or accident.
- (b) Deaths due to a fire or associated with burns or chemical, electrical or radiation injury.
- (c) Unexplained or unexpected perinatal and postpartum maternal deaths.
- (d) Deaths under suspicious, unusual or unexpected circumstances.
- (e) Deaths of persons whose bodies are to be cremated or otherwise disposed of so that the bodies will later be unavailable for examination.
- (f) Deaths of inmates of public institutions and persons in custody of law enforcement officers who have not been hospitalized primarily for organic disease.
- (g) Deaths that occur during, in association with or as the result of diagnostic, therapeutic or anesthetic procedures.
- (h) Deaths due to culpable neglect.
- (i) Stillbirths of 20 weeks or longer gestation unattended by a physician.
- (j) Sudden deaths of persons not affected by recognizable disease.
- (k) Unexpected deaths of persons notwithstanding a history of underlying disease.
- (l) Deaths in which a fracture of a major bone, such as a femur, humerus or tibia, has occurred within the past six months.
- (m) Deaths unattended by a physician occurring outside of a licensed health care facility or licensed residential hospice program.

- (v) Deaths associated with the decedent's employment.
- (w) Deaths of non-registered hospice patients or patients in non-licensed hospice programs.
- (x) Deaths attributable to acts of terrorism.

327.2.2 SEARCHING DEAD BODIES

The Medical Examiner or his/her assistants and authorized investigators are generally the only persons permitted to move, handle or search a dead body (Minn. Stat. § 390.221).

A deputy shall make a reasonable search of an individual who it is reasonable to believe is dead, or near death, for information identifying the individual as an organ donor or as an individual who made a refusal. If a donor document is located, the Medical Examiner shall be promptly notified (Minn. Stat. § 525A.12).

Should exigent circumstances indicate to a deputy that any other search of a known dead body is warranted prior to the arrival of the Medical Examiner, the investigating deputy shall first obtain verbal consent from the Medical Examiner.

The Medical Examiner is required to release property or articles to law enforcement that are necessary for conducting an investigation unless reasonable basis exists pursuant to Minn. Stat. § 390.225 Subd. 2 to not release the property or articles (Minn. Stat. § 390.221).

Whenever reasonably possible, a witness, preferably a relative of the deceased or a member of the household, should be requested to remain nearby the scene and available to the deputy, pending the arrival of the Medical Examiner.

The name and address of this person shall be included in the narrative of the death report. Whenever personal effects are removed from the body of the deceased by the Medical Examiner, a receipt shall be obtained. This receipt shall be attached to the death report.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Death Investigation

327.2.3 DEATH NOTIFICATION

When practicable, and if not handled by the Medical Examiner, notification to the next-of-kin of the deceased person shall be made, in person, by the deputy assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification. If the relatives live outside this county, the Medical Examiner may be requested to make the notification. The Medical Examiner needs to know if notification has been made. Assigned investigators may need to talk to the next-of-kin.

If a deceased person has been identified as a missing person, this office shall attempt to locate family members and inform them of the death and the location of the deceased missing person's remains. All efforts to locate and notify family members shall be recorded in appropriate reports and properly retained (Minn. Stat. § 390.25 Subd. 2 (b)).

This office shall immediately notify the state fire marshal or Clay's chief officer (if that position exists) when a human death results from a fire, (Minn. Stat. § 299F.04 Subd. 5 (b)).

327.2.4 UNIDENTIFIED DEAD BODIES

If the identity of a dead body cannot be established after the Medical Examiner arrives, the Medical Examiner will issue a "John Doe" or "Jane Doe" number for the report.

327.2.5 UNIDENTIFIED BODIES DATA ENTRY

As soon as reasonably possible, but no later than 30 working days after the date a death is reported to the Office, any information or items pertaining to identifying features of the unidentified body, dental records, fingerprints, any unusual physical characteristics, description of clothing or personal belongings found on or with the body, that are in the possession of CCSO shall be forwarded to the Medical Examiner for transmission to the BCA for eventual entry into systems designed to assist in the identification process, such as the Missing Children and Missing Persons Information Clearinghouse and the National Crime Information Center (NCIC) files (Minn. Stat. § 390.25 Subd. 2 (a)).

327.2.6 DEATH INVESTIGATION REPORTING

All incidents involving a death shall be documented on the appropriate form.

327.2.7 SUSPECTED HOMICIDE

If the initially assigned deputy suspects that the death involves a homicide or other suspicious circumstances, the deputy shall take steps to protect the scene and a Division Supervisor shall be notified to determine the possible need for an investigator to respond to the scene for further immediate investigation.

If the on-scene supervisor, through consultation with the Shift Supervisor or Investigation Unit supervisor, is unable to determine the manner of death, the investigation shall proceed as though it is a homicide.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Death Investigation

The investigator of a homicide or suspicious-circumstances death may, with the approval of his/her supervisor, request the Medical Examiner to conduct physical examinations and tests and provide a report with the costs borne by the Office (Minn. Stat. § 390.251).

327.2.8 EMPLOYMENT RELATED DEATHS OR INJURIES

Any member of this agency who responds to and determines that a death, serious illness or serious injury has occurred as a result of an accident at or in connection with the victim's employment, should ensure that the nearest office of the Minnesota Department of Labor and Industry is notified with all pertinent information.

Identity Theft

328.1 PURPOSE AND SCOPE

Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

328.2 REPORTING

- (a) A report shall be taken any time a person living within the jurisdiction of the Clay County Sheriff's Office reports that he/she has been a victim of identity theft (Minn. Stat. § 609.527, Subd. 5). This includes:
 - 1. Taking a report even if the location of the crime is outside the jurisdiction of this office or has not been determined.
 - 2. Providing the victim with office information, as set forth in the Victim and Witness Assistance Policy. Deputies should encourage the individual to review the material, and assist with any questions.
- (b) A report should also be taken if a person living outside the office jurisdiction reports an identity theft that may have been committed or facilitated within this jurisdiction (e.g., use of a post office box in Clay to facilitate the crime).
- (c) Deputies should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).
- (d) Deputies should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and the Department of Public Safety's Driver and Vehicle Services Division) with all known report numbers.
- (e) Following supervisory review and Office processing, the initial report should be forwarded to the appropriate investigator for follow-up investigation, coordination with other agencies and prosecution as circumstances dictate.

328.3 PREVENTATIVE MEASURES

The victim should be advised to place a security freeze on his/her consumer report as allowed by law (Minn. Stat. § 13C.016 Subd. 2). A victim may also access the Minnesota Attorney General's office for additional detailed information.

328.4 VICTIM DATA

The victim may be provided the Consent to Create an FBI Identity Theft File Form and a Notice About Providing Your Social Security Number. These completed forms should be submitted to the Records Office for appropriate filing and entry into the NCIC Identity Theft File. Forms and details are available on the Bureau of Criminal Apprehension identity theft website.

328.5 INFORMATION

The victim should also be encouraged to contact the Federal Trade Commission (FTC), which is responsible for receiving and processing complaints under the Identity Theft and Assumption

Private Persons Arrests

329.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the handling of private person's arrests made pursuant to Minn. Stat. § 629.30 Subd. 2 (4).

329.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS

All deputies shall advise civilians of the right to make a private person's arrest, including advice on how to safely execute such an arrest. In all situations, deputies should use sound discretion in determining whether to advise an individual of the arrest process.

- (a) When advising any individual regarding the right to make a private person's arrest, deputies should refrain from encouraging or dissuading any individual from making such an arrest and should instead limit advice to the legal requirements for such an arrest, as listed below.
- (b) Private individuals should be discouraged from using force to effect a private person's arrest. Absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.
- (c) Private individuals shall be informed of the requirement to take the arrested person before a judge or to a peace officer without unnecessary delay (Minn. Stat. § 629.39).

329.3 ARRESTS BY PRIVATE PERSONS

A private person may arrest another under the following circumstances (Minn. Stat. § 629.37):

- (a) For a public offense committed or attempted in his/her presence.
- (b) When the person arrested has committed a felony, although not in his/her presence.
- (c) When a felony has been committed and he/she has reasonable cause for believing the person to be arrested committed the felony.
- (d) When directed by a judge or a peace officer to arrest another person (Minn. Stat. § 629.403).

329.4 DEPUTY RESPONSIBILITIES

Any deputy presented with a private person wishing to make an arrest must determine whether there is reasonable cause to believe that such an arrest would be lawful.

- (a) Should any deputy determine that there is no reasonable cause to believe that a private person's arrest is lawful, the deputy should take no action to further detain or restrain the individual beyond that which reasonably appears necessary to investigate the matter, determine the lawfulness of the arrest and protect the public safety.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Private Persons Arrests

1. Any deputy who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual. The deputy must include the basis of such a determination in a related report.
 2. Absent reasonable cause to support a private person's arrest or other lawful grounds to support an independent arrest by the deputy, the deputy should advise the parties that no arrest will be made and that the circumstances will be documented in a related report.
- (b) Whenever a deputy determines that there is reasonable cause to believe that a private person's arrest is lawful, the deputy may exercise any of the following options:
1. Take the individual into physical custody for booking.
 2. Release the individual upon a misdemeanor citation or pending formal charges.

329.5 REPORTING REQUIREMENTS

In all circumstances in which a private person is claiming to have made an arrest, the individual must complete and sign a written statement of facts. If the person fails or refuses to do so the arrest subject shall be released unless the deputy has an independent reason to take the person into custody.

In addition to the written statement of facts (and any other related documents, such as citations and booking forms), deputies shall complete a narrative report regarding the circumstances and disposition of the incident.

Limited English Proficiency Services

330.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

330.1.1 DEFINITIONS

Definitions related to this policy include:

Authorized interpreter - A person who has been screened and authorized by the Office to act as an interpreter and/or translator for others.

Interpret or interpretation - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

Limited English proficient (LEP) - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations. This includes individuals who, because of difficulty in speaking or comprehending the English language, cannot fully understand any charges made against them, the seizure of their property, or they are incapable of presenting or assisting in the presentation of a defense (Minn. Stat. § 611.31).

Qualified bilingual member - A member of the Clay County Sheriff's Office, designated by the Office, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

Translate or translation - The replacement of written text from one language (source language) into an equivalent written text (target language).

330.2 POLICY

It is the policy of the Clay County Sheriff's Office to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Office will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

330.3 LEP COORDINATOR

The Sheriff shall delegate certain responsibilities to an LEP Coordinator. The LEP Coordinator shall be appointed by, and directly responsible to, the Sheriff or the authorized designee.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Limited English Proficiency Services

The responsibilities of the LEP Coordinator include, but are not limited to:

- (a) Coordinating and implementing all aspects of the Clay County Sheriff's Office's LEP services to LEP individuals.
- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Shift Supervisor and RRRDC Director. The list should include information regarding the following:
 - 1. Languages spoken
 - 2. Contact information
 - 3. Availability
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by the Office to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing efforts of the Office in providing meaningful access to LEP individuals, and, as appropriate, developing reports, new procedures or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding office LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to office services, programs and activities.

330.4 FOUR-FACTOR ANALYSIS

Since there are many different languages that members could encounter, the Office will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Limited English Proficiency Services

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by office members, or who may benefit from programs or services within the jurisdiction of the Office or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with office members, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

330.5 TYPES OF LEP ASSISTANCE AVAILABLE

Clay County Sheriff's Office members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Office will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Office will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept office-provided LEP services at no cost or they may choose to provide their own.

Office-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

330.6 WRITTEN FORMS AND GUIDELINES

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

330.7 AUDIO RECORDINGS

The Office may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

330.8 QUALIFIED BILINGUAL MEMBERS

Bilingual members may be qualified to provide LEP services when they have demonstrated through established office procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Limited English Proficiency Services

When a qualified bilingual member from this office is not available, personnel from other County departments, who have been identified by the Office as having the requisite skills and competence, may be requested.

330.9 AUTHORIZED INTERPRETERS

Any person designated by the Office to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the office case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP Coordinator which demonstrates that their skills and abilities include:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this office and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

330.9.1 SOURCES OF AUTHORIZED INTERPRETERS

The Office may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this office or personnel from other County departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this office, and with whom the Office has a resource-sharing or other arrangement that they will interpret according to office guidelines.

330.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Office to communicate with LEP individuals.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Limited English Proficiency Services

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, office members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

330.10 CONTACT AND REPORTING

While all law enforcement contacts, services and individual rights are important, this office will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this office is required to complete a report or other documentation, and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Office or some other identified source.

330.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

The Clay County Sheriff's Office will take reasonable steps and will work with the Department of Human Resources to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

330.11.1 EMERGENCY CALLS TO 9-1-1

Office members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in RRRDC, the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Limited English Proficiency Services

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

330.12 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the deputy is unable to effectively communicate with an LEP individual.

If available, deputies should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

330.13 INVESTIGATIVE FIELD INTERVIEWS

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, deputies should consider calling for an authorized interpreter in the following order:

- An authorized office member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Limited English Proficiency Services

330.14 CUSTODIAL INTERROGATIONS

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

330.14.1 OTHER TIMING AND NOTIFICATION MANDATES

The investigating or arresting deputy shall immediately make necessary contacts to get an authorized interpreter for an in-custody LEP person at the earliest possible time in order to assist the person throughout the interrogation or taking of a statement. This applies even when the interrogation will be conducted by a bilingual member (Minn. Stat. § 611.32).

The following shall be explained to the LEP person with the assistance of the authorized interpreter (Minn. Stat. § 611.32):

- (a) All charges filed against the person
- (b) All procedures relating to the person's detainment and release
- (c) In the case of any seizure under the provisions of the Asset Forfeiture Policy:
 - 1. The possible consequences of the seizure
 - 2. The person's right to judicial review

330.14.2 OATH

Every authorized interpreter shall be administered and take the following oath prior to assisting in taking a statement related to a criminal matter from an in-custody LEP person (Min. Stat. § 611.33):

"I will make, to the best of my skill and judgment, a true interpretation to the disabled person being examined of all the proceedings, in a language which said person understands, and to repeat the statements, in the English language, of said person to the officials before whom the proceeding is taking place."

330.15 BOOKINGS

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

330.16 COMPLAINTS

The Office shall ensure that LEP individuals who wish to file a complaint regarding members of this office are able to do so. The Office may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this office.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

330.17 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this office are important to the ultimate success of more traditional law enforcement duties. This office will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

330.18 TRAINING

To ensure that all members who may have contact with LEP individuals are properly trained, the Office will provide periodic training on this policy and related procedures, including how to access office-authorized telephonic and in-person interpreters and other available resources.

The Training Lieutenant shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Lieutenant shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

330.18.1 TRAINING FOR AUTHORIZED INTERPRETERS

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Training Lieutenant shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

Communications with Persons with Disabilities

331.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

331.1.1 DEFINITIONS

Definitions related to this policy include:

Auxiliary aids - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

Disability or impairment - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102). This includes those who, because of a hearing, speech or other communication disorder, cannot fully understand any charges made against them, the seizure of their property or they are incapable of presenting or assisting in the presentation of a defense (Minn. Stat. § 611.31).

Qualified Interpreter - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, transliterators, sign language interpreters and intermediary interpreters.

331.2 POLICY

It is the policy of the Clay County Sheriff's Office to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Office will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

331.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Sheriff shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by and directly responsible to the Sheriff or the authorized designee.

The responsibilities of the ADA Coordinator shall include, but not be limited to:

- (a) Working with the County ADA coordinator regarding the Clay County Sheriff's Office's efforts to ensure equal access to services, programs and activities.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Communications with Persons with Disabilities

- (b) Developing reports, new procedures, or recommending modifications to this policy.
- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to office services, programs and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to each Shift Supervisor and RRRDC Director. The list should include information regarding the following:
 - 1. Contact information
 - 2. Availability
 - 3. Type of services provided
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to office services, programs and activities.

331.4 FACTORS TO CONSIDER

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this office should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However in an emergency availability may factor into the type of aid used.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Communications with Persons with Disabilities

331.5 INITIAL AND IMMEDIATE CONSIDERATIONS

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Members should exercise special care in the use of all gestures and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation when a member knows or suspects an individual requires assistance to effectively communicate the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include for example exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the Clay County Sheriff's Office, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

331.6 TYPES OF ASSISTANCE AVAILABLE

Clay County Sheriff's Office members shall never refuse to assist an individual with disabilities who is requesting assistance. The Office will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Office will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept office-provided auxiliary aids or services or they may choose to provide their own.

Office-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Communications with Persons with Disabilities

331.7 AUDIO RECORDINGS AND ENLARGED PRINT

The Office may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

331.8 QUALIFIED INTERPRETERS

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or the investigation. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available by some means, even remotely, within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use office-approved procedures to request a qualified interpreter at the earliest reasonable opportunity and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

331.9 TTY AND RELAY SERVICES

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time as needed for effective communication due to the slower nature of TTY and TDD communications.

The Office will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Communications with Persons with Disabilities

331.10 COMMUNITY VOLUNTEERS

Interpreter services may be available from community volunteers who have demonstrated competence in communication services such as ASL or SE, and have been approved by the Office to provide interpreter services.

Where qualified interpreters are unavailable to assist approved community volunteers who have demonstrated competence may be called upon when appropriate. However office members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

331.11 FAMILY AND FRIENDS

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

331.12 REPORTING

Whenever any member of this office is required to complete a report or other documentation and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Office or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

331.13 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Communications with Persons with Disabilities

The Office recognizes it would be virtually impossible to provide immediate access to complete communication services to every member of this office. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example it would be meaningless to verbally request consent to search if the deputy is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, deputies should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

331.13.1 FIELD RESOURCES

Examples of methods that may be sufficient for transactions such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress may, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

331.14 CUSTODIAL INTERROGATIONS

In an effort to ensure the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this office will provide interpreter services before beginning an interrogation, unless exigent circumstances exist. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written *Miranda* warning card.

To ensure that communications during custodial investigations are accurately documented and are admissible as evidence, as with all custodial interviews, interrogations should be

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Communications with Persons with Disabilities

recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

331.14.1 OTHER TIMING AND NOTIFICATION MANDATES

The investigating or arresting deputy shall immediately make necessary contacts to get a qualified interpreter for a person in custody at the earliest possible time (Minn. Stat. § 611.32).

The following shall be explained with the assistance of the qualified interpreter (Minn. Stat. § 611.32):

- (a) All charges filed against the person
- (b) All procedures relating to the person's detainment and release
- (c) In the case of any seizure under the Asset Forfeiture Policy:
 - 1. The possible consequences of the seizure
 - 2. The person's right to judicial review

331.14.2 OATH

Every qualified interpreter shall be administered and take the following oath prior to assisting in taking a statement related to a criminal matter from an in-custody deaf or hard of hearing person (Minn. Stat. § 611.33):

"I will make, to the best of my skill and judgment, a true interpretation to the disabled person being examined of all the proceedings, in a language which said person understands, and to repeat the statements, in the English language, of said person to the officials before whom the proceeding is taking place."

331.15 ARRESTS AND BOOKINGS

If an individual with speech or hearing disabilities is arrested, the arresting deputy shall use office-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the deputy reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Communications with Persons with Disabilities

331.16 COMPLAINTS

The Office shall ensure that individuals with disabilities who wish to file a complaint regarding members of this office are able to do so. The Office may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the office ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Office.

331.17 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this office are important to the ultimate success of more traditional law enforcement duties. This office will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

331.18 TRAINING

To ensure that all members who may have contact with individuals who are disabled are properly trained, the Office will provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms and available resources.
- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

The Training Lieutenant shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training Lieutenant shall maintain records of all training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

Pupil Arrest Reporting

332.1 PURPOSE AND SCOPE

The purpose of this policy is to describe the procedures to follow when a pupil is arrested on school grounds and during school hours.

332.2 PUPIL ARREST REPORTING

In the event a school pupil is arrested, the arresting deputy shall include the necessary information in the report to ensure that the Juvenile Investigator notifies the chief administrative officer of the school, or an appropriate designee, of the pupil's arrest.

If there is probable cause to believe an incident involved alcohol or a controlled substance, the arresting deputy shall complete the appropriate form and submit the form with the report to the Records Management. The Records Management shall ensure the form is distributed to the chemical abuse pre-assessment team of the school within two weeks of the occurrence (Minn. Stat. § 121A.28).

332.2.1 PUPIL ARREST AFTER NOTIFICATION

Based upon the circumstances of the investigation, it may be appropriate to notify the school prior to the arrest. Prior notification and assistance from the school, may reduce disruption to school operations and other students.

332.2.2 PUPIL ARREST BEFORE NOTIFICATION

Based upon the circumstances of the investigation, it may be appropriate to arrest the pupil before notifying the school. This may be appropriate if the pupil is a flight risk, if prior notification will impede the investigation or if notification creates additional risks to students, faculty, the deputy or the public.

Proper notification to the school after the pupil's arrest should then be made when circumstances reasonably allow.

332.2.3 PARENTAL NOTIFICATION

Upon arrest, it is the arresting deputy's responsibility to ensure the parents of the arrested pupil are properly notified. Notification shall be made by the deputy, regardless of subsequent notifications by the juvenile detention facility. Notifications should be documented and include the charges against the pupil and where the pupil will be taken.

Biological Samples

333.1 PURPOSE AND SCOPE

This policy provides guidelines for the collection of biological samples from those individuals required to provide samples upon conviction for certain offenses. This policy does not apply to biological samples collected at a crime scene or taken from a person in conjunction with a criminal investigation. Nor does it apply to biological samples collected from those required to register, for example, as sex offenders.

333.2 POLICY

The Clay County Sheriff's Office will assist in the expeditious collection of required biological samples from offenders in accordance with the laws of this state and with as little reliance on force as practicable.

333.3 PERSONS SUBJECT TO BIOLOGICAL SAMPLE COLLECTION

The following persons must submit a biological sample:

- (a) Adults who are subject to a court order requiring a biological sample after sentencing (Minn. Stat. § 609.117).
- (b) Juveniles who are subject to a court order requiring a biological sample after being adjudicated delinquent (Minn. Stat. § 609.117).

333.4 PROCEDURE

When an individual is required to provide a biological sample, a trained employee shall attempt to obtain the sample in accordance with this policy.

333.4.1 COLLECTION

The following steps should be taken to collect a sample:

- (a) Verify that the individual is required to provide a sample pursuant to Minn. Stat. § 609.117.
- (b) Verify that a biological sample has not been previously collected from the offender by querying the person's criminal history. There is no need to obtain a biological sample if one has been previously obtained.
- (c) Use the designated collection kit provided by the Minnesota Bureau of Criminal Apprehension to perform the collection and take steps to avoid cross contamination.

333.5 USE OF FORCE TO OBTAIN SAMPLES

If a person refuses to cooperate with the sample collection process, deputies should attempt to identify the reason for refusal and seek voluntary compliance without resorting to using force. Force will not be used in the collection of samples except as authorized by court order or approval of legal counsel and only with the approval of a supervisor. Methods to consider when seeking voluntary compliance include contacting:

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Biological Samples

- (a) The person's parole or probation officer when applicable.
- (b) The prosecuting attorney to seek additional charges against the person for failure to comply or to otherwise bring the refusal before a judge.
- (c) The judge at the person's next court appearance.
- (d) The person's attorney.
- (e) A chaplain.
- (f) Another custody facility with additional resources, where an arrestee can be transferred to better facilitate sample collection.
- (g) A supervisor who may be able to authorize custodial disciplinary actions to compel compliance, if any are available.

The supervisor shall review and approve any plan to use force and be present to document the process.

333.5.1 VIDEO RECORDING

A video recording should be made any time force is used to obtain a biological sample. The recording should document all staff participating in the process, in addition to the methods and all force used during the collection. The recording should be part of the investigation file, if any, or otherwise retained in accordance with the office's records retention schedule.

Chaplains

Chaplains may not proselytize or attempt to recruit members of the office or the public into a religious affiliation while on-duty unless the receiving person has solicited spiritual guidance or teaching. If there is any question as to the receiving person's intent, chaplains should verify that the person is desirous of spiritual counseling or guidance before engaging in such discussion.

Chaplains may not accept gratuities for any service or any subsequent actions and follow-up provided while functioning as a chaplain for the Clay County Sheriff's Office.

336.7 CLERGY-PENITENT CONFIDENTIALITY

No person who provides chaplain services to members of the office may work or volunteer for the Clay County Sheriff's Office in any capacity other than that of chaplain.

Office chaplains shall be familiar with state evidentiary laws and rules pertaining to the limits of the clergy-penitent privilege and shall inform office members when it appears reasonably likely that the office member is discussing matters that are not subject to the clergy-penitent privilege. In such cases, the office chaplain should consider referring the member to a non-office counseling resource.

Chaplains

336.9.1 UNIFORMS AND BADGES

A distinct uniform, identification and the necessary safety equipment will be provided for the chaplains. This uniform may be similar to that worn by the personnel of this office.

336.10 TRAINING

The Office will establish a minimum number of training hours and standards for office chaplains. The training may include stress management, death notifications, post traumatic stress syndrome, burnout for deputies and chaplains, legal liability and privacy, ethics, responding to crisis situations, the law enforcement family, substance abuse, suicide, officer injury or death, and sensitivity and diversity, as approved by the Training Lieutenant.

Child and Dependent Adult Safety

334.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this office.

This policy does not address the actions to be taken during the course of a child abuse or vulnerable adult investigation. These are covered in the Child Abuse and Adult Abuse.

334.2 POLICY

It is the policy of this office to mitigate, to the extent reasonably possible, the stressful experience individuals may have when a parent or caregiver is arrested. The Clay County Sheriff's Office will endeavor to create a strong cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

334.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, deputies should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, deputies should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Deputies should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, deputies should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, deputies should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be nonproductive, the deputy at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

Clay Cnty SO Policy Manual

Child and Dependent Adult Safety

334.3.1 AFTER AN ARREST

Whenever an arrest is made, the deputy should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Deputies should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
 - 1. Deputies should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), deputies should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
 - 1. Except when a court order exists limiting contact, the deputy should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify the county social services agency, if appropriate.
- (e) Notify the field supervisor or Shift Supervisor of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting deputy should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

334.3.2 DURING THE BOOKING PROCESS

During the booking process, the arrestee shall be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Child and Dependent Adult Safety

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

334.3.3 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting employee will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Special needs (e.g., medical, mental health)
 - 5. How, where and with whom or which agency the child was placed
 - 6. Identities and contact information for other potential caregivers
 - 7. Notifications made to other adults (e.g., schools, relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting employee should document the following information about the dependent adult:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Whether he/she reasonably appears able to care for him/herself
 - 5. Disposition or placement information if he/she is unable to care for him/herself

334.3.4 SUPPORT AND COUNSELING REFERRAL

If, in the judgment of the handling deputies, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

334.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling deputy should contact the appropriate welfare service or other office-approved social service entity to determine whether protective custody is appropriate (Minn. Stat. § 260C.007; Minn. Stat. § 260C.175).

Only when other reasonable options are exhausted should a child or dependent adult be transported to the sheriff's facility, transported in a marked patrol car or taken into formal protective custody.

Child and Dependent Adult Safety

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

334.5 TRAINING

The Training Lieutenant is responsible to ensure that all personnel of this office who may be involved in arrests affecting children or dependent adults receive approved training on effective safety measures when a parent, guardian or caregiver is arrested.

Service Animals

335.1 PURPOSE AND SCOPE

Service animals play an important role in helping to overcome the limitations often faced by people with disabilities. The Clay County Sheriff's Office recognizes this need and is committed to making reasonable modifications to its policies, practices and procedures in accordance with Title II of the Americans with Disabilities Act (ADA) to permit the use of service animals that are individually trained to assist a person with a disability.

335.1.1 DEFINITIONS

Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

335.2 POLICY

It is the policy of the Clay County Sheriff's Office to provide services and access to persons with service animals in the same manner as those without service animals. Office members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

335.3 MEMBER RESPONSIBILITIES

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the public is allowed. Office members are expected to treat individuals with service animals with the same courtesy and respect that the Clay County Sheriff's Office affords to all members of the public (see generally Minn. Stat. § 256C.02; Minn. Stat. § 363A.19).

335.3.1 REMOVAL

If an animal exhibits vicious behavior, poses a direct threat to the health of others or unreasonably disrupts or interferes with normal business operations, a deputy may direct the owner to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the animal. Each incident must be considered individually. Past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this office are expected to provide all services as are reasonably available to an individual with the disability.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Service Animals

335.3.2 INQUIRY

If it is apparent or if a deputy is aware the animal is a service animal, the owner should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the deputy should ask the individual only the following questions:

- Is the animal required because of a disability?
- What task or service has the animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal, and no further question as to the animal's status should be asked. The person should not be questioned about his/her disabilities nor should the person be asked to provide any license, certification or identification card for the service animal.

335.3.3 CONTACT

Service animals are not pets. Office members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

335.3.4 COMPLAINTS

When handling calls of a complaint regarding a service animal, members of this office should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany their owner into all areas that other customers or members of the public are allowed.

Absent a violation of law independent of the ADA, deputies should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice or the Minnesota Department of Human Rights.

335.4 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar. Service animals are not pets and may be trained by an individual or organization to assist people with disabilities.

Examples of the ways service animals may be used to provide assistance include:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.

336.1 PURPOSE AND SCOPE

It is the policy of this office to use qualified volunteers for specified tasks and duties in order to create efficiencies for the Office and improve services to the community. No volunteer should begin performance of any position until he/she has been officially accepted for that position and completed all necessary screening and paperwork. All volunteers shall receive a copy of the volunteer handbook and shall be required to sign a volunteer agreement.

Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and the needs of the Office.

336.2.5 EMPLOYEES WORKING AS DEPUTIES

Qualified employees of this office, when authorized, may also serve as reserve deputies. However, the Office must not utilize the services of a or volunteer in such a way that it would violate employment laws or labor agreements (Example: a detention deputy working as a deputy for reduced or no pay). Therefore, the Coordinator should consult the Department of Human Resources prior to an employee serving in a volunteer capacity (29 CFR 553.30).

336.2.6 TRAINING

Volunteers will be provided with an orientation program to acquaint them with the office, personnel, policies and procedures that have a direct impact on their work assignment.

All volunteers shall comply with the rules of conduct and with all orders and directives, either oral or written, issued by the Office. Whenever a rule, regulation or guideline in this manual refers to a licensed deputy, it shall also apply to a volunteer unless by its nature it is inapplicable.

336.2.7 FITNESS FOR DUTY

No volunteer shall report to work or be on-duty when his/her judgment or physical condition has been impaired by alcohol, medication, other substances, illness or injury.

Volunteer Program

Volunteers shall conform to approved dress consistent with their duty assignment. Uniforms authorized for volunteers should be readily distinguishable from those worn by licensed deputies. No volunteer shall wear his/her uniform or identifiable parts of that uniform while off-duty.

Volunteers shall be required to return any issued uniform or office property at the termination of service.

336.3 SUPERVISION OF VOLUNTEERS

Each volunteer who is accepted to a position with the Office must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

A volunteer may be assigned as, and act as a supervisor of other volunteers provided that the supervising volunteer is under the direct supervision of a paid staff member.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. Following are some considerations to keep in mind while supervising volunteers:

- (a) Take the time to introduce volunteers to employees on all levels.
- (b) Ensure volunteers have work space and necessary office supplies.
- (c) Make sure the work is challenging. Do not hesitate to give them an assignment or task that will tap these valuable resources.

336.4 DATA PRACTICES

With appropriate security clearance, volunteers may have access to private and confidential information, such as criminal histories or investigative files. Unless otherwise directed by a supervisor, the duties of the position or office policy, all information shall be considered confidential. Only that information specifically identified and approved by authorized personnel shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by office policy and supervisory personnel.

Each volunteer will receive training in data practices and be required to sign a nondisclosure agreement before being given an assignment with the Office. 336.5.1 VEHICLE USE

Volunteers assigned to duties such as vacation house checks or other assignments that require the use of a vehicle must first complete the following:

- (a) A driving safety briefing.
- (b) Verification that the volunteer possesses a valid driver's license.
- (c) Verification that the volunteer carries current vehicle insurance.

The Volunteer Coordinator should ensure that all volunteers receive safety briefing updates and license and insurance verification at least once a year.

When operating a Office vehicle, volunteers shall obey all rules of the road, including seat belt requirements.

Volunteers are not authorized to operate a Office vehicle under emergency conditions (lights and siren).

336.5.2 RADIO AND MDC USAGE

Volunteers shall successfully complete state and federal database access training and radio procedures training prior to using the law enforcement radio or MDT and shall comply with all related provisions. The Volunteer Coordinator should ensure that radio and database access training is provided for volunteers whenever necessary.

336.6 DISCIPLINARY PROCEDURES/TERMINATION

A volunteer may be removed from the volunteer program at the discretion of the Sheriff or the Volunteer Coordinator. Volunteers shall have no property interests in their continued appointment.

Volunteers may resign from volunteer service with this office at any time. It is requested that volunteers who intend to resign provide advance notice of their departure and a reason for their decision.

336.6.1 EXIT INTERVIEWS

Exit interviews, where possible, should be conducted with volunteers who are leaving their positions. The interview should ascertain why the volunteer is leaving the position and solicit the volunteer's suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Office.

Volunteer Program

336.7 EVALUATION

An evaluation of the overall volunteer program will be conducted on an annual basis by the Volunteer Coordinator. Regular evaluations should be conducted with volunteers to ensure the best use of human resources available, to ensure personnel problems can be identified and dealt with promptly and fairly and to ensure optimum job satisfaction on the part of volunteers.

336.8 EMERGENCY CALLOUT FOR VOLUNTEER PERSONNEL

The Volunteer Coordinator shall develop a plan outlining an emergency callout procedure for volunteer personnel.

Native American Graves Protection and Repatriation

337.1 PURPOSE AND SCOPE

This policy is intended to ensure the protection and security of ancient or historic grave sites, including notification of personnel responsible for cultural items, in compliance with the Native American Graves Protection and Repatriation Act (NAGPRA) (25 USC § 3001 et seq.).

337.1.1 DEFINITIONS

Definitions related to this policy include (43 CFR 10.2):

Funerary objects - Objects that, as part of the death rite or ceremony of a Native American culture, are reasonably believed to have been placed intentionally at the time of death or later with or near individual human remains. Funerary objects are either associated funerary objects or unassociated funerary objects.

Associated funerary objects are any funerary objects related to removed human remains, where the location of the human remains is known. This includes objects that were made exclusively for burial purposes or to contain human remains, regardless of the physical location or existence of any related human remains.

Unassociated funerary objects are any other funerary objects that are identified by a preponderance of the evidence such as:

- Related to human remains but the remains were not removed, or the location of the remains is unknown.
- Related to specific individuals or families.
- Removed from specific burial sites with Native American cultural affiliation.
- Removed from an area where such burial sites are known to have existed, but the site no longer exists.

Native American human remains - Any physical part of the body of a Native American individual.

Objects of cultural patrimony - Objects having ongoing historical, traditional, or cultural importance that is central to the Native American group or culture itself and, therefore, cannot be appropriated or conveyed by any individual, including members of the Native American group or Native Hawaiian organization. Such objects must have been considered inalienable by the Native American group at the time the object was separated from the group.

Sacred objects - Specific ceremonial objects needed by traditional Native American religious leaders for the practice of traditional Native American religions.

337.2 POLICY

It is the policy of the Clay County Sheriff's Office that the protection of Native American human remains, funerary objects, associated funerary objects, unassociated funerary objects, sacred

objects, or objects of cultural patrimony is the responsibility of all members. Such protection includes minimizing destruction, contamination, inadvertent disruption, or complicated custody transfer processes.

337.3 COMPLIANCE WITH THE NATIVE AMERICAN GRAVES PROTECTION AND REPATRIATION ACT

Upon discovery or arrival upon a scene where it reasonably appears that a Native American grave, human remains, funerary objects, associated funerary objects, unassociated funerary objects, sacred objects, or objects of cultural patrimony are exposed or otherwise unsecured, members shall secure the site in the same manner as a crime scene. All activity at the scene other than scene preservation activity must cease (43 CFR 10.5).

No photography or video recording may be permitted by the media or any group or individual who may wish to exhibit the remains.

Without delay, the appropriate agency or group shall be notified to respond and take control of the scene. These include the following (43 CFR 10.5):

- Federal land - Appropriate agency at the U.S. Department of the Interior or U.S. Department of Agriculture
- State land - State archaeologist (Minn. Stat. § 307.08, Subd. 7)
- Tribal land - Responsible Indian tribal official

337.4 EVIDENCE AND PROPERTY

If the location has been investigated as a possible homicide scene prior to identification as a NAGPRA site, investigators shall work with other appropriate agencies and individuals to ensure the proper transfer and repatriation of any material collected. Members shall ensure that any remains or artifacts located at the site are expediently processed (43 CFR 10.7).

337.5 BURIAL GROUNDS

All human burials, human remains and human burial grounds shall be afforded equal treatment and respect for human dignity, regardless of ethnic origins, cultural backgrounds or religious affiliations (Minn. Stat. § 307.08, Subd. 1).

This office shall cooperate with other government agencies, the Minnesota Office of the State Archaeologist and the Minnesota Indian Affairs Council to carry out any provisions of state law (Minn. Stat. § 307.08, Subd. 9).

Off-Duty Law Enforcement Actions

338.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place a deputy as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for deputies of the Clay County Sheriff's Office with respect taking law enforcement action while off-duty.

338.2 POLICY

Deputies generally should not initiate law enforcement action while off-duty. Deputies should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

When the safety of the public or the prevention of major property damage requires immediate action, deputies should first consider reporting and monitoring the activity and only take direct action as a last resort.

Deputies are not expected to place themselves in unreasonable peril. However, any licensed member of this office who becomes aware of an incident or circumstance that the member reasonably believes would justify the use of deadly force or result in significant property damage may take reasonable action to minimize or eliminate the threat. See the Use of Force Policy for additional guidance.

338.3 FIREARMS

Deputies of this office may carry firearms while off-duty in accordance with federal regulations, state law and office policy. All firearms and ammunition must meet guidelines as described in the Firearms Policy. When carrying firearms while off-duty, deputies shall also carry their office-issued badge and identification.

Deputies should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any deputy who has consumed an amount of an alcoholic beverage or taken any drugs that would tend to adversely affect the deputy's senses or judgment.

338.4 DECISION TO INTERVENE

There is no legal requirement for off-duty deputies to take law enforcement action. However, should deputies decide to intervene, they must evaluate whether the action is necessary or desirable and should take into consideration:

- (a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.
- (b) The inability to communicate with responding units.
- (c) The lack of equipment, such as handcuffs, Oleoresin Capsicum (OC) spray or a baton.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Off-Duty Law Enforcement Actions

- (d) The lack of cover.
- (e) The potential for increased risk to bystanders if the off-duty deputy were to intervene.
- (f) Unfamiliarity with the surroundings.
- (g) The potential for the off-duty deputy to be misidentified by other peace officers or members of the public.

Deputies should consider waiting for on-duty uniformed deputies to arrive and gather as much accurate intelligence as possible instead of immediately intervening.

338.4.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary, the deputy should attempt to call or have someone else call 9-1-1 to request immediate assistance. The operator should be informed that an off-duty deputy is on-scene and should be provided a description of the deputy if reasonably possible.

Whenever reasonably practicable, the deputy should loudly and repeatedly identify him/herself as an Clay County Sheriff's Office deputy until acknowledged. Official identification should also be displayed.

338.4.2 INCIDENTS OF PERSONAL INTEREST

Deputies should refrain from handling incidents of personal interest (e.g., family or neighbor disputes) and should remain neutral. In such circumstances, deputies should call the responsible agency to handle the matter.

338.4.3 CIVILIAN RESPONSIBILITIES

Civilian personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and reasonably practicable.

338.4.4 OTHER CONSIDERATIONS

When encountering a non-uniformed deputy in public, uniformed deputies should wait for acknowledgement by the non-uniformed deputy in case he/she needs to maintain an undercover capability.

338.5 REPORTING

Any deputy, prior to taking any off-duty law enforcement action, shall notify and receive approval of an Clay County Sheriff's Office supervisor (or other applicable enforcement authority if acting outside the jurisdiction of the Clay County Sheriff's Office). The Shift Supervisor shall determine whether a report should be filed by the employee.

Deputies should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.

Office Use of Social Media

339.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that any use of social media on behalf of the Office is consistent with the office mission.

This policy does not address all aspects of social media use. Specifically, it does not address:

- Personal use of social media by office members (see the Employee Speech, Expression and Social Networking Policy).

339.1.1 DEFINITIONS

Office members shall ensure that the use or access of social media is done in a manner that protects the constitutional rights of all.

339.3 AUTHORIZED USERS

Only members authorized by the Sheriff or the authorized designee may utilize social media on behalf of the Office. Authorized members shall use only office-approved equipment during the normal course of duties to post and monitor office-related social media, unless they are specifically authorized to do otherwise by their supervisors.

The Sheriff may develop specific guidelines identifying the type of content that may be posted. Any content that does not strictly conform to the guidelines should be approved by a supervisor prior to posting.

Requests to post information over office social media by members who are not authorized to post should be made through the member's chain of command.

339.4 AUTHORIZED CONTENT

Only content that is appropriate for public release, that supports the office mission, and that conforms to all office policies regarding the release of information may be posted.

Examples of appropriate content include:

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Office Use of Social Media

- (h) Recruitment of personnel.

Authorized members shall review all content prior to posting to ensure that the posting does not contain prohibited content.

339.4.1 INCIDENT-SPECIFIC USE

In instances of active incidents where speed, accuracy and frequent updates are paramount (e.g., crime alerts, public safety information, traffic issues), the Public Information Officer or the authorized designee will be responsible for the compilation of information to be released, subject to the approval of the Incident Commander.

339.5 PROHIBITED CONTENT

 - 1. Preparing and providing a receipt identifying all prohibited items to the person surrendering the items.
 - 2. Proper handling and processing of surrendered items.

A deputy who reasonably believes that an ERPO is appropriate should obtain approval from an appropriate supervisor and the extreme risk protection order coordinator or the authorized designee prior to seeking an order.

342.4.1 STANDARDS

Extreme risk protection orders may be appropriate if a person poses a significant danger of bodily harm to other persons or is at significant risk of suicide by possessing a firearm (Minn. Stat. § 624.7171, Subd. 4).

If a person poses a significant danger of bodily harm to other persons or is at significant risk of suicide by possessing a firearm, and presents an immediate and present danger of either bodily harm to others or of taking their life, an ERPO may be appropriate (Minn. Stat. § 624.7174).

342.4.2 REQUIREMENTS OF PETITION

An application for an ERPO should be prepared, filed, and served consistent with state law and the procedures developed by the extreme risk protection order coordinator (Minn. Stat. § 624.7171).

Extreme Risk Protection Orders

342.5 SERVICE OF ORDERS

Deputies should serve a copy of an ERPO, along with any accompanying notice of hearing and petition, affidavit, as applicable, on the person named in the order as soon as reasonably practicable (Minn. Stat. § 624.7172).

Service of ERPOs should take precedence over the service of other orders, except for orders of a similar emergency nature.

342.5.1 SAFETY CONSIDERATIONS

Upon receipt of an ERPO, the Operations Director or the authorized designee should evaluate the circumstances of the order and consider what precautions are appropriate for service of the protection order.

At least two deputies should be present when an ERPO is being served.

342.5.2 SURRENDER OF PROHIBITED ITEMS

Deputies serving an ERPO should request that the named person immediately surrender all prohibited items as required by the order and take custody of any items surrendered pursuant to the order (Minn. Stat. § 624.7172; Minn. Stat. § 624.7175).

The deputy serving the ERPO should prepare a receipt identifying all surrendered items and a copy of the receipt should be given to the person. The deputies should ensure the original receipt is included in the original case report and forwarded to the Office Supervisor as soon as practicable.

All items collected should be handled and booked in accordance with the Evidence Room Policy.

342.5.3 SEARCH WARRANTS

Deputies should consider whether a search warrant may be reasonably necessary prior to attempting service of an ERPO.

Deputies should also consider whether to seek a search warrant if the named person refuses to surrender any prohibited items or if a deputy serving an ERPO reasonably believes there are prohibited items within the persons custody, control, or possession that have not been surrendered.

342.6 RELEASE OF PROHIBITED ITEMS

Any person requesting the release of any prohibited items in office custody pursuant to an ERPO should be referred to the Evidence Room.

Chapter 4 - Patrol Operations

Patrol Function

400.1 PURPOSE AND SCOPE

The purpose of this policy is to define the functions of the patrol unit of the Office to ensure intra-organization cooperation and information sharing.

400.1.1 FUNCTION

Deputies will generally patrol in clearly marked vehicles, patrol assigned jurisdictional areas of Clay, respond to calls for assistance, act as a deterrent to crime, enforce state, local and, when authorized or empowered by agreement or statute, federal laws and respond to emergencies 24 hours per day, seven days per week.

Patrol will generally provide the following services within the limits of available resources:

- (a) Patrol that is directed at the prevention of criminal acts, traffic violations and collisions, the maintenance of public order and the discovery of hazardous situations or conditions.
- (b) Crime prevention activities, such as residential inspections, business inspections and community presentations.
- (c) Calls for service, both routine and emergency.
- (d) Investigation of both criminal and non-criminal acts.
- (e) The apprehension of criminal offenders.
- (f) Community Oriented Policing and problem-solving activities, such as citizen assists and individual citizen contacts of a positive nature.
- (g) The sharing of information between the Patrol and other division within the Office, as well as other government agencies.
- (h) The application of resources to specific problems or situations within the community that may be improved or resolved by Community Oriented Policing and problem-solving strategies.
- (i) Traffic direction and control.

400.1.2 TERRORISM

It is the goal of the Clay County Sheriff's Office to make every reasonable effort to accurately and appropriately gather and report any information that may relate to either foreign or domestic terrorism. Deputies should advise a supervisor as soon as practicable of any activity believed to be terrorism related and should document such incidents with a written report or Field Interview (FI). The supervisor should ensure that all terrorism-related reports and FIs are forwarded to the Investigation Unit Supervisor in a timely fashion.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Patrol Function

400.2 PATROL INFORMATION SHARING PROCEDURES

The following guidelines are intended to develop and maintain intra-organization cooperation and information flow between the various divisions of the Clay County Sheriff's Office.

400.2.1 CRIME REPORTS

A crime report may be completed by any patrol deputy who receives criminal information. The report will be processed and forwarded to the appropriate bureau for retention or follow-up investigation.

400.2.2 PATROL BRIEFINGS

Supervisors and deputies are encouraged to share information as much as reasonably possible. Supervisors and/or deputies will be provided an opportunity to share information through the electronic daily log, and patrol briefings if possible.

400.2.3 INFORMATION CLIPBOARDS

Several information clipboards will be maintained in the briefing room and will be available for review by deputies from all divisions within the Office. These will include, but not be limited to, the patrol check clipboard, the wanted persons clipboard and the written directive clipboard.

400.2.4 BULLETIN BOARDS

A bulletin board will be kept in the briefing room and the Investigation Unit for display of suspect information, investigative reports and photographs. New General Orders will be made available for patrol supervisors and will be discussed at briefings and shift meetings. A copy of the General Order will be placed on the briefing room clipboard.

400.3 CROWDS, EVENTS AND GATHERINGS

Deputies may encounter gatherings of people, including but not limited to, civil demonstrations, civic, social and business events, public displays, parades and sporting events. Deputies should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Deputies responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action. Deputies are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

Deputies should consider enforcement of applicable state and local laws, when the activity blocks the entrance or egress of a facility or location and when voluntary compliance with the law is not achieved.

Bias-Based Policing

401.1 PURPOSE AND SCOPE

This policy provides guidance to office members that affirms the Clay County Sheriff's Office's commitment to policing that is fair and objective.

Nothing in this policy prohibits the use of specified characteristics in law enforcement activities designed to strengthen the office's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, partnerships).

401.1.1 DEFINITIONS

Definitions related to this policy include:

Bias-based policing or improper profiling - An inappropriate reliance on actual or perceived characteristics such as race, ethnicity, national origin (including limited English proficiency), religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or affiliation with any non-criminal group (protected characteristics) as the basis for providing differing law enforcement service or enforcement. This includes explicit and implicit biases (i.e., conscious and unconscious beliefs or attitudes towards certain groups).

This also includes use of racial or ethnic stereotypes as factors in selecting whom to stop and search. It does not include law enforcement's use of race or ethnicity to determine whether a person matches a specific description of a particular subject (Minn. Stat. § 626.8471).

401.2 POLICY

The Clay County Sheriff's Office is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this office to provide law enforcement services and to enforce the law equally, fairly, objectively and without discrimination toward any individual or group (Minn. Stat. § 626.8471, Subd. 3).

401.3 BIAS-BASED POLICING PROHIBITED

Bias-based policing is strictly prohibited.

However, nothing in this policy is intended to prohibit a deputy from considering protected characteristics in combination with credible, timely and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns or specific schemes.

401.4 MEMBER RESPONSIBILITIES

Every member of this office shall perform his/her duties in a fair and objective manner and is responsible for promptly reporting any suspected or known instances of bias-based policing to a supervisor. Members should, when reasonable to do so, intervene to prevent any biased-based actions by another member.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Bias-Based Policing

401.4.1 REASON FOR CONTACT

Deputies contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.

To the extent that written documentation would otherwise be completed (e.g., arrest report, Field Interview (FI) card), the involved deputy should include those facts giving rise to the contact, as applicable.

Except for required data-collection forms or methods, nothing in this policy shall require any deputy to document a contact that would not otherwise require reporting.

401.4.2 INFORMATION TO BE PROVIDED

Deputies shall (Minn. Stat. § 626.8471, Subd. 3):

- (a) Introduce or identify themselves and state the reason for a contact as soon as practicable unless providing the information could compromise deputy or public safety.
- (b) Attempt to answer questions the person may have regarding the contact, including relevant referrals to other agencies when appropriate.
- (c) Explain the reason for the contact if it is determined the reasonable suspicion was unfounded.
- (d) When requested, provide their name and badge number and identify this office during routine stops.
- (e) When requested, deputies should inform a member of the public of the process to file a misconduct complaint for bias-based policing against a member of the Office, and that bias-based policing complaints may be made by calling the Attorney General's office (Minn. Stat. § 626.9514).

401.5 SUPERVISOR RESPONSIBILITIES

Supervisors should monitor those individuals under their command for compliance with this policy and shall handle any alleged or observed violations in accordance with the Personnel Complaints Policy.

- (a) Supervisors should discuss any issues with the involved deputy and their supervisor in a timely manner.
 - 1. Supervisors should document these discussions in the prescribed manner.
- (b) Supervisors should periodically review Mobile Audio Video (MAV) recordings, body-worn camera (BWC) media, Mobile Digital Computer (MDC) data, and any other available resource used to document contact between deputies and the public to ensure compliance with this policy.
 - 1. Supervisors should document these periodic reviews.
 - 2. Recordings or data that capture a potential instance of bias-based policing should be appropriately retained for administrative investigation purposes.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Bias-Based Policing

- (c) Supervisors shall initiate investigations of any actual or alleged violations of this policy.
- (d) Supervisors should take prompt and reasonable steps to address any retaliatory action taken against any member of this office who discloses information concerning bias-based policing.

401.6 TRAINING

Training on fair and objective policing and review of this policy shall be conducted annually and include:

- (a) Explicit and implicit biases.
- (b) Avoiding improper profiling.

401.6.1 ADDITIONAL TRAINING REQUIREMENTS

The Training Lieutenant should ensure that Board of Peace Officer Standards and Training (POST) approved in-service training is provided to deputies on recognizing and valuing community diversity and cultural differences, including implicit bias, as required by Minn. Stat. § 626.8469, Subd. 1.

The Sheriff and supervisors should receive and review training materials prepared by POST on how to detect and respond to racial profiling (Minn. Stat. § 626.8471, Subd. 7).

Crime and Disaster Scene Integrity

402.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance in handling a major crime or disaster.

402.2 POLICY

It is the policy of the Clay County Sheriff's Office to secure crime or disaster scenes so that evidence is preserved, and to identify and mitigate the dangers associated with a major crime or disaster scene for the safety of the community and those required to enter or work near the scene.

402.3 SCENE RESPONSIBILITY

The first deputy at the scene of a crime or major incident is generally responsible for the immediate safety of the public and preservation of the scene. Deputies shall also consider officer safety and the safety of those persons entering or exiting the area, including those rendering medical aid to any injured parties. Once a deputy has assumed or been assigned to maintain the integrity and security of the crime or disaster scene, the deputy shall maintain the crime or disaster scene until he/she is properly relieved by a supervisor or other designated person.

402.4 FIRST RESPONDER CONSIDERATIONS

The following list generally describes the first responder's function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation:

- (a) Broadcast emergency information, including requests for additional assistance and resources.
- (b) Provide for the general safety of those within the immediate area by mitigating, reducing or eliminating threats or dangers.
- (c) Locate or identify suspects and determine whether dangerous suspects are still within the area.
- (d) Provide first aid to injured parties if it can be done safely.
- (e) Evacuate the location safely as required or appropriate.
- (f) Secure the inner perimeter.
- (g) Protect items of apparent evidentiary value.
- (h) Secure an outer perimeter.
- (i) Identify potential witnesses.
- (j) Start a chronological log noting critical times and personnel allowed access.

402.5 SEARCHES

Deputies arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims, and to determine if suspects are present and continue to pose a threat. Once deputies are satisfied that no additional suspects are present and/or there are no injured

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Crime and Disaster Scene Integrity

persons to be treated, those exigent circumstances will likely no longer exist. Deputies should thereafter secure the scene and conduct no further search until additional or alternate authority for the search is obtained, such as consent or a search warrant.

402.5.1 CONSENT

When possible, deputies should seek written consent to search from authorized individuals. However, in the case of serious crimes or major investigations, it may be prudent to also obtain a search warrant. Consent as an additional authorization may be sought, even in cases where a search warrant has been granted.

402.6 EXECUTION OF HEALTH ORDERS

Any licensed member of this office may assist in the enforcement of all directives of the local health officer issued for the purpose of preventing the spread of any contagious, infectious, or communicable disease (Minn. Stat. § 144.4195, Subd. 2(c)).

Red River Valley SWAT

403.1 PURPOSE AND SCOPE

The Red River Valley SWAT (RRV SWAT) is comprised of three specialized teams: the Negotiation Team, Bomb Squad and Special Weapons and Tactics team (SWAT). The unit has been established to provide specialized support in handling critical field operations where intense negotiations and/or special tactical deployment methods beyond the capacity of field officers appear to be necessary.

Administrative and Operational procedures are detailed in the Red River Valley SWAT Standard Operating Procedures, available in the Chief Deputy's Office.

403.1.1 SWAT TEAM DEFINED

SWAT team - A designated unit of law enforcement officers, including a multi-jurisdictional team, that is specifically trained and equipped to work as a coordinated team to resolve critical incidents that are so hazardous, complex or unusual that they may exceed the capabilities of first responders or investigative units. This includes, but is not limited to, hostage taking, barricaded suspects, snipers, terrorist acts and other high-risk incidents. As a matter of office policy, such a unit may also be used to serve high-risk warrants, both search and arrest, where public and officer safety issues warrant the use of such a unit.

403.2 POLICY

It is the policy of this office to maintain a SWAT team and to provide the equipment, manpower and training necessary to maintain a SWAT team. The SWAT team should develop sufficient resources to perform three basic operational functions:

- (a) Command and control
- (b) Containment
- (c) Entry/apprehension/rescue

It is understood it is difficult to categorize specific capabilities for critical incidents. Training needs may vary based on the experience level of the team personnel, team administrators and potential incident commanders. Nothing in this policy shall prohibit individual teams from responding to a situation that exceeds their training levels due to the exigency of the circumstances. The preservation of innocent human life is paramount.

403.3 OPERATIONAL GUIDELINES FOR RED RIVER VALLEY SWAT

The following procedures serve as guidelines for the operational deployment of the Red River Valley SWAT. Generally, the SWAT team and the Crisis Negotiation Team will be activated together. It is recognized, however, that a tactical team may be used in a situation not requiring the physical presence of the Crisis Negotiation Team, such as warrant service operations. This shall be at the discretion of the RRV SWAT Commander.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Red River Valley SWAT

403.3.1 FIELD UNIT RESPONSIBILITIES

While waiting for the Red River Valley SWAT, field personnel should, if safe, practicable and if sufficient resources exist:

- (a) Establish an inner and outer perimeter.
- (b) Establish a command post outside of the inner perimeter.
- (c) Establish an arrest/response team. The team's actions may include:
 - 1. Securing any subject or suspect who may surrender.
 - 2. Taking action to mitigate a deadly threat or behavior.
- (d) Evacuate any injured persons or citizens in the zone of danger.
- (e) Attempt to establish preliminary communication with the suspect. Once the RRV SWAT has arrived, all negotiations should generally be halted to allow the negotiators and SWAT time to set up.
- (f) Be prepared to brief the RRV SWAT Commander on the situation.
- (g) Plan for and stage anticipated resources.

Ride-Along Policy

404.1 PURPOSE AND SCOPE

The Ride-Along Program provides an opportunity for persons to experience the law enforcement function first hand. This policy provides the requirements, approval process and hours of operation for the Ride-Along Program.

404.1.1 ELIGIBILITY

The Clay County Sheriff's Office Ride-Along Program is offered to residents, students and those employed within the County. Every reasonable attempt will be made to accommodate interested persons. Any applicant may be disqualified with or without cause from participating in the program.

The following factors may be considered in disqualifying an applicant and are not limited to:

- Being under 18 years of age.
- Prior criminal history.
- Pending criminal action.
- Pending lawsuit against the Office.
- Denial by any supervisor.

404.1.2 AVAILABILITY

The Ride-Along Program is available on most days of the week.

404.2 PROCEDURE TO REQUEST A RIDE-ALONG

Generally, ride-along requests will be scheduled by the Court Security Sergeant. The participant will complete and sign a ride-along waiver form. Information requested will include a valid driver's license, address and telephone number.

The Court Security Sergeant will schedule a date, based on availability, at least one week after the date of application. If approved, a copy of the ride-along waiver form will be forwarded to the respective Shift Supervisor as soon as possible for his/her scheduling considerations.

If the ride-along is denied after the request has been made, a representative of the Office will contact the applicant and advise him/her of the denial.

404.2.1 PROGRAM REQUIREMENTS

Once approved, civilian ride-alongs will be allowed to ride no more than once every six months. An exception would apply to the following: cadets, Explorers, RSVP, chaplains, Reserves, sheriff's applicants and all others with approval of the Shift Supervisor.

An effort will be made to ensure that no more than one citizen will participate in a ride-along during any given time period. Normally, no more than one ride-along will be allowed in the deputy's vehicle at a given time.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Ride-Along Policy

404.2.2 SUITABLE ATTIRE

Any person approved to ride-along is required to be suitably dressed in collared shirt, blouse or jacket, slacks and shoes. Sandals, T-shirts, tank tops, shorts and ripped or torn blue jeans are not permitted. The Shift Supervisor or field supervisor may refuse a ride-along to anyone not properly dressed.

404.2.3 PEACE OFFICER RIDE-ALONGS

Off-duty members of this office or any other law enforcement agency will not be permitted to ride-along with on-duty deputies without the express consent of the Shift Supervisor. In the event that such a ride-along is permitted, the off-duty employee shall not be considered on-duty and shall not represent him/herself as a peace officer or participate in any law enforcement activity except as emergency circumstances may require.

404.2.4 RIDE-ALONG CRIMINAL HISTORY CHECK

All ride-along applicants are subject to a criminal history check. The criminal history check may include a local records check and a Minnesota Bureau of Criminal Apprehension Criminal History System check prior to approval (provided that the ride-along is not an employee of the Clay County Sheriff's Office).

404.3 DEPUTY'S RESPONSIBILITIES

The deputy shall advise the dispatcher that a ride-along is present in the vehicle before going into service. Deputies shall consider the safety of the ride-along at all times.

Deputies should use sound discretion when encountering a potentially dangerous situation, and if feasible, let the participant out of the vehicle in a well-lighted place of safety. The dispatcher will be advised of the situation and as soon as practicable have another sheriff's unit respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

Conduct by a person participating in a ride-along that results in termination of the ride or is otherwise inappropriate should be immediately reported to the Shift Supervisor.

The Shift Supervisor is responsible for maintaining and scheduling ride-alongs. Upon completion of the ride-along, a copy of the ride-along waiver form shall be returned to the Shift Supervisor with any comments that may be offered by the deputy.

404.4 CONTROL OF RIDE-ALONG

The assigned employee shall maintain control over the ride-along at all times and instruct him/her in the conditions that necessarily limit participation. These instructions should include:

- (a) The ride-along will follow the directions of the deputy.
- (b) The ride-along will not become involved in any investigation, handling of evidence, discussions with victims or suspects or handling any sheriff's equipment.
- (c) The ride-along may terminate the ride at any time and the deputy may return the observer to his/her home or to the station if the ride-along interferes with the performance of the deputy's duties.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Ride-Along Policy

- (d) The deputy may terminate the ride-along and return the observer to their home or to the station if the ride-along interferes with the performance of any deputy's duties.
- (e) Ride-alongs may be allowed to continue riding during the transportation and booking process provided this does not jeopardize their safety.
- (f) Deputies will not allow any ride-alongs to be present in any residence or situation that would jeopardize their safety or cause undue stress or embarrassment to a victim or any other person.
- (g) Under no circumstance shall a civilian ride-along be permitted to enter a private residence with a deputy without the expressed consent of the resident or other authorized person.

Hazardous Material Response

405.1 PURPOSE AND SCOPE

Hazardous materials present a potential harm to employees as a result of their exposure. To comply with Minnesota law, the following represents the policy of this office.

405.1.1 HAZARDOUS MATERIAL DEFINED

Hazardous material - Any refuse, sludge or other waste material or combinations of refuse, sludge or other waste materials in solid, semisolid, liquid or contained gaseous form, which, because of its quantity, concentration, or chemical, physical or infectious characteristics may (Minn. Stat. § 116.06 Subd. 11):

- (a) Cause or significantly contribute to an increase in mortality or an increase in serious irreversible or incapacitating reversible illness.
- (b) Pose a substantial present or potential hazard to human health or the environment when improperly treated, stored, transported, disposed of or otherwise managed.

405.2 HAZARDOUS MATERIAL RESPONSE

Employees may encounter situations involving suspected hazardous materials, such as at the scene of a traffic collision, chemical spill or fire. When employees come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and other persons.

The fire department is the agency trained and equipped to properly respond and mitigate most hazardous materials and biohazards.

Responders should not perform tasks or use equipment absent proper training. A responder entering the area may require decontamination before he/she is allowed to depart the scene and should be evaluated by appropriate technicians and medical professionals for signs of exposure.

The following steps should be considered at any scene involving suspected hazardous materials:

- (a) Attempt to identify the type of hazardous material. Identification can be determined by placard, driver's manifest or statements from the person transporting the material
- (b) Notify the appropriate fire department.
- (c) Provide first aid to injured parties if it can be done safely and without contamination.
- (d) Begin evacuation of the immediate and surrounding areas dependent on the material. Voluntary evacuation should be considered. Depending on the material, mandatory evacuation may be necessary.
- (e) Contact the Minnesota Duty Officer (800-422-0798).
- (f) Responders should remain uphill and upwind of the hazard until a zone of entry and a decontamination area are established.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Hazardous Material Response

405.3 REPORTING EXPOSURE(S)

Office personnel who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the employee in an Injury on Duty form, that shall be forwarded to their Shift Supervisor. Should the affected employee be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the Injury on Duty form.

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness, in addition to a crime report or incident report.

405.3.1 SUPERVISOR RESPONSIBILITIES

When a supervisor has been informed that an employee has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to lessen the exposure.

To ensure the safety of employees, safety equipment is available through supervisory personnel. Safety items not maintained by the Office will be obtained through the appropriate fire department.

Hostage and Barricade Incidents

406.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where deputies have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the deputies by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that deputies encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

406.1.1 DEFINITIONS

Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

Hostage situation - An incident where it is reasonable to believe a person is unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.

406.2 POLICY

It is the policy of the Clay County Sheriff's Office to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

406.3 COMMUNICATION

When circumstances permit, initial responding deputies should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Deputies should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, office-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources.

406.3.1 EMERGENCY COMMUNICATION

A supervisor with probable cause to believe that a person is being unlawfully confined may order a telephone company to cut, reroute, or divert telephone lines for the purpose of establishing and controlling communications with a suspect (Minn. Stat. § 609.774).

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Hostage and Barricade Incidents

406.4 FIRST RESPONDER CONSIDERATION

First responding deputies should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding deputy should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding deputy shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The deputy shall continually evaluate the situation, including the level of risk to deputies, to the persons involved and to bystanders, and the resources currently available.

The handling deputy should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

406.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, deputies handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (d) Provide responding emergency personnel with a safe arrival route to the location.
- (e) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.
- (f) Attempt or obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.
- (g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.
- (h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (i) Determine the need for and notify the appropriate persons within and outside the Office, such as command officers and the Public Information Officer.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Hostage and Barricade Incidents

- (j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.
- (k) Establish a command post.

406.4.2 HOSTAGE SITUATION

Deputies presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that deputies react quickly to developing or changing threats. The following options while not all-inclusive or in any particular order, should be considered:

- Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.
- Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- Provide responding emergency personnel with a safe arrival route to the location.
- Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.
- Coordinate pursuit or surveillance vehicles and control of travel routes.
- Attempt or obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.
- Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.
- Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- Determine the need for and notify the appropriate persons within and outside the Office, such as command officers and the Public Information Officer.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Hostage and Barricade Incidents

- If necessary and available, establish a tactical or exclusive radio frequency for the incident.

406.5 SUPERVISOR RESPONSIBILITY

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting a RRV SWAT response if appropriate and apprising the RRV SWAT Commander of the circumstances. In addition, the following options, listed here in no particular order, should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
- (b) Ensure the completion of necessary first responder responsibilities or assignments.
- (c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.
- (d) Establish a command post location as resources and circumstances permit.
- (e) Designate assistants who can help with intelligence information and documentation of the incident.
- (f) If it is practicable to do so, arrange for video documentation of the operation.
- (g) Consider contacting utility and communication providers when restricting such services (e.g., restricting electric power, gas, telephone service).
- (h) Ensure adequate law enforcement coverage for the remainder of the County during the incident. The supervisor should direct non-essential personnel away from the scene unless they have been summoned by the supervisor or RRRDC.
- (i) Identify a media staging area outside the outer perimeter and have the office Public Information Officer or a designated temporary media representative provide media access in accordance with the Media Relations Policy
- (j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
- (k) Debrief personnel and review documentation as appropriate.

406.6 CRISIS RESPONSE UNIT

It will be the Incident Commander's decision, with input from the RRV SWAT Commander, whether to deploy the RRV SWAT during a hostage or barricade situation. Once the Incident Commander authorizes deployment, the RRV SWAT Commander or the authorized designee will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security and evacuation, media access and support for the RRV SWAT. The Incident Commander and the RRV SWAT Commander or the authorized designee shall maintain communications at all times.

Hostage and Barricade Incidents

406.7 REPORTING

Unless otherwise relieved by a supervisor or Incident Commander, the handling deputy at the scene is responsible for completion and/or coordination of incident reports.

Response to Bomb Calls

407.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to assist members of the Clay County Sheriff's Office in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

407.2 POLICY

It is the policy of the Clay County Sheriff's Office to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

407.3 RECEIPT OF BOMB THREAT

Office members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement and alleged detonation time of the device.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established office evidence procedures.

The member receiving the bomb threat should ensure that the Shift Supervisor is immediately advised and informed of the details. This will enable the Shift Supervisor to ensure that the appropriate personnel are dispatched and, as appropriate, the threatened location is given an advance warning.

407.4 GOVERNMENT FACILITY OR PROPERTY

A bomb threat targeting a government facility may require a different response based on the government agency.

407.4.1 CLAY COUNTY SHERIFF'S OFFICE FACILITY

If the bomb threat is against the Clay County Sheriff's Office facility, the Shift Supervisor will direct and assign deputies as required for coordinating a general building search or evacuation of the sheriff's office, as he/she deems appropriate.

407.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY

If the bomb threat is against a county or municipal facility within the jurisdiction of the Clay County Sheriff's Office that is not the property of this office, the appropriate agency will be promptly informed of the threat. Assistance to the other entity may be provided as the Shift Supervisor deems appropriate.

407.4.3 FEDERAL BUILDING OR PROPERTY

If the bomb threat is against a federal building or property, the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Response to Bomb Calls

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility's security or command staff should be notified.

Bomb threats against a military installation should be reported to the military police or other military security responsible for the installation.

407.5 PRIVATE FACILITY OR PROPERTY

When a member of this office receives notification of a bomb threat at a location in the County of Clay, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied, and if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting sheriff's assistance at the facility.
- (f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
 - 1. No evacuation of personnel and no search for a device.
 - 2. Search for a device without evacuation of personnel.
 - 3. Evacuation of personnel without a search for a device.
 - 4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Shift Supervisor is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

407.5.1 ASSISTANCE

The Shift Supervisor should be notified when sheriff's assistance is requested. The Shift Supervisor will make the decision whether the Office will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including sheriff's control over the facility.

Should the Shift Supervisor determine that the Office will assist or control such an incident, he/she will determine:

- (a) The appropriate level of assistance.
- (b) The plan for assistance.
- (c) Whether to evacuate and/or search the facility.
- (d) Whether to involve facility staff in the search or evacuation of the building.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Response to Bomb Calls

1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
2. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request sheriff's assistance to clear the interior of a building, based upon the circumstances and known threat, deputies may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

407.6 FOUND DEVICE

When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes the following:
 1. Two-way radios
 2. Cell phones
 3. Other personal communication devices
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Search the area for secondary devices as appropriate and based upon available resources.
- (h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (i) Promptly relay available information to the Shift Supervisor including:
 1. The time of discovery.
 2. The exact location of the device.
 3. A full description of the device (e.g., size, shape, markings, construction).
 4. The anticipated danger zone and perimeter.

407.7 EXPLOSION/BOMBING INCIDENTS

When an explosion has occurred, there are multitudes of considerations which may confront the responding deputies. As in other catastrophic events, a rapid response may help to minimize injury to victims, minimize contamination of the scene by gathering crowds, or minimize any additional damage from fires or unstable structures.

407.7.1 CONSIDERATIONS

Deputies responding to explosions, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries.
- (b) Request additional personnel and resources, as appropriate.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens and hazardous materials.
- (e) Assist with the safe evacuation of victims, if possible.
- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
- (g) Preserve evidence.
- (h) Establish an outer perimeter and evacuate if necessary.
- (i) Identify witnesses.

407.7.2 NOTIFICATIONS

When an explosion has occurred, the following people should be notified as appropriate:

- Fire department
- Bomb squad
- Additional office personnel, such as investigators and forensic services
- Field supervisor
- Shift Supervisor
- Other law enforcement agencies, including local, state or federal agencies, such as the FBI and the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)
- Other government agencies, as appropriate

407.7.3 CROWD CONTROL

Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Response to Bomb Calls

407.7.4 PRESERVATION OF EVIDENCE

As in any other crime scene, steps should immediately be taken to preserve the scene. The Shift Supervisor should assign deputies to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be imbedded in nearby structures or hanging in trees and bushes.

Civil Commitments

408.1 PURPOSE AND SCOPE

This policy provides guidelines for when deputies may place an individual in protective custody and request a 72-hour hold under the Minnesota Commitment and Treatment Act (Minn. Stat. § 253B.051).

408.2 POLICY

It is the policy of the Clay County Sheriff's Office to protect the public and individuals through legal and appropriate use of the 72-hour hold process.

408.3 AUTHORITY

A deputy, having probable cause to believe that any individual because of mental illness, chemical dependency, or public intoxication is in danger of injuring him/herself or others if not immediately detained, may take, or cause to be taken, the individual to an appropriate treatment facility for a 72-hour evaluation (Minn. Stat. § 253B.051, Subd. 1).

The deputy shall make written application for admission of the individual to an appropriate treatment facility. The application shall contain the deputy's reasons for and circumstances under which the individual was taken into custody. If danger to specific individuals is a basis for the requested emergency hold, the statement must include identifying information for those individuals to the extent reasonably practicable. The deputy shall also provide the office contact information for purposes of receiving notice if the individual is released prior to the 72-hour admission or leaves the facility without consent. The facility shall make a copy of the statement available to the individual taken into custody (Minn. Stat. § 253B.051, Subd. 1).

408.3.1 VOLUNTARY EVALUATION

If a deputy encounters an individual who may qualify for a 72-hour hold, he/she may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the individual so desires, the deputies should:

- (a) Transport the individual to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to the Minnesota Commitment and Treatment Act.
- (b) If at any point the individual changes his/her mind regarding voluntary evaluation, deputies should proceed with the application for a 72-hour hold, if appropriate.
- (c) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

408.4 CONSIDERATIONS AND RESPONSIBILITIES

Any deputy handling a call involving an individual who may qualify for a 72-hour hold should consider, as time and circumstances reasonably permit:

- (a) Available information that might assist in determining the cause and nature of the individual's action or stated intentions.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Civil Commitments

- (b) Community or neighborhood mediation services.
- (c) Conflict resolution and de-escalation techniques.
- (d) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade deputies from taking reasonable action to ensure the safety of the deputies and others.

408.5 TRANSPORTATION

Transport for any individual for a 72-hour hold shall be conducted in accordance with the Transporting Persons in Custody Policy.

Deputies may transport individuals in a patrol unit and shall secure them in accordance with the Handcuffing and Restraints Policy.

408.6 TRANSFER TO APPROPRIATE FACILITY

Upon arrival at the facility, the deputy will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the deputy should provide the staff member with the written application for a 72-hour hold and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting deputy should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the deputy may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, deputies will not apply facility-ordered restraints.

408.7 DOCUMENTATION

The deputy should complete an application for emergency admission, provide it to the facility staff member assigned to that patient and retain a copy of the application for inclusion in the case report.

The deputy should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

408.8 CRIMINAL OFFENSES

Deputies investigating an individual who is suspected of committing a minor criminal offense and who is being taken into custody for purposes of a 72-hour hold should resolve the criminal matter by issuing a warning or a citation, as appropriate.

When an individual who may qualify for a 72-hour hold has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the deputy should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the 72-hour hold.
- (c) Facilitate the individual's transfer to jail.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Civil Commitments

- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a 72-hour hold.

In the supervisor's judgment, the individual may instead be arrested or booked and transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this office to regain custody of the individual, office resources (e.g., posting a guard) and other relevant factors in making this decision.

408.9 FIREARMS AND OTHER WEAPONS

Whenever an individual is taken into custody for a 72-hour hold, the handling deputies should seek to determine if the individual owns or has access to any firearm or other deadly weapon. Deputies should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Deputies are cautioned that a search warrant may be needed before entering a residence or other place to search unless lawful warrantless entry has already been made (e.g., exigent circumstances, consent). A warrant may also be needed before searching for or seizing weapons.

The handling deputies should further advise the individual of the procedure for the return of any firearm or other weapon that has been taken into custody.

408.10 TRAINING

This office will endeavor to provide office-approved training on interaction with persons with a mental disability, 72-hour holds, and crisis intervention.

Citation Releases

409.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of the Clay County Sheriff's Office with guidance on when to release adults who are suspected offenders on a citation for a criminal offense, rather than having the person held in custody for a court appearance or released on bail.

This policy also provides guidance on when a court orders that a person be released.

Additional release restrictions may apply to those detained for domestic violence, as outlined in the Domestic Abuse Policy.

409.2 POLICY

The Clay County Sheriff's Office will consider its resources and its mission of protecting the community when exercising any discretion to release suspected offenders on a citation, when authorized to do so.

409.3 RELEASE

A suspected offender shall be released on issuance of a citation:

- (a) When the offender has been arrested without a warrant and either a prosecutor or district court judge orders that the offender should be released (Minn. R. Crim. P. 4.02; Minn. R. Crim. P. 6.01).
 - 1. Release is not required if a reviewing supervisor determines that the offender should be held pursuant to Minn. R. Crim. P. 6.01 Subd. 1.
- (b) When the offender is charged with a petty or fine-only misdemeanor (Minn. R. Crim. P. 6.01).
- (c) In misdemeanor cases unless it reasonably appears to the arresting deputy that the offender will (Minn. R. Crim. P. 6.01):
 - 1. Cause bodily injury to him/herself or another if he/she is not detained.
 - 2. Continue engaging in criminal conduct.
 - 3. Not respond to a citation.
- (d) When the offender is from another state which has a reciprocal agreement with Minnesota unless the offense is (Minn. Stat. § 169.91):
 - 1. One which would result in the revocation of the offender's driver's license under Minnesota law upon conviction.
 - 2. A violation of a highway weight limitation.
 - 3. A violation of a law governing the transportation of hazardous materials.
 - 4. That the offender was driving without a valid driver's license.

409.4 PROHIBITIONS

The release of a suspected offender on a citation is not permitted when:

Rapid Response and Deployment

411.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist deputies in situations that call for rapid response and deployment.

411.2 POLICY

The Clay County Sheriff's Office will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those that are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Office in protecting themselves or others from death or serious injury.

411.3 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding deputies should consider reasonable options to reduce, prevent or eliminate the threat. Deputies must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, deputies should take immediate action, if reasonably possible, while requesting additional assistance.

Deputies should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to other incidents at other locations.

When deciding on a course of action deputies should consider:

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advance or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual deputy from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the deputies have the ability to effectively communicate with other personnel or resources.
- (f) Whether planned tactics can be effectively deployed.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Rapid Response and Deployment

- (g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In a case of a barricaded suspect with no hostages and no immediate threat to others, deputies should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

411.4 CONSIDERATIONS

When dealing with a crisis situation members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

411.5 PLANNING

The Patrol Division Commander should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.
- (d) Training opportunities in critical incident target sites, including joint training with site occupants.
- (e) Evacuation routes in critical incident target sites.
- (f) Patrol first-response training.
- (g) Response coordination and resources of emergency medical and fire services.
- (h) Equipment needs.
- (i) Mutual aid agreements with other agencies.
- (j) Coordination with private security providers in critical incident target sites.

411.6 TRAINING

The Training Lieutenant should include rapid response to critical incidents in the training plan. This training should address:

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Rapid Response and Deployment

- (a) Orientation to likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Communications interoperability with other law enforcement and emergency service agencies.
- (c) Patrol first-response training, including patrol rifle, shotgun, breaching tool and control device training.
- (d) First aid, including gunshot trauma.
- (e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

Immigration Violations

412.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the Clay County Sheriff's Office relating to immigration and interacting with federal immigration officials.

412.2 POLICY

It is the policy of the Clay County Sheriff's Office that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this office in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

412.3 VICTIMS AND WITNESSES

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or Minnesota constitutions.

412.4 DETENTIONS

A deputy should not detain any individual, for any length of time, for a civil violation of federal immigration laws or a related civil warrant.

A deputy who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of federal immigration law may detain the person for a reasonable period of time in order to contact federal immigration officials to verify whether an immigration violation is a federal civil violation or a criminal violation. If the violation is a criminal violation, the deputy may continue to detain the person for a reasonable period of time if requested by federal immigration officials (8 USC § 1357(g)(10)). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual's status are unresolved.

If the deputy has facts that establish probable cause to believe that a person already lawfully detained has committed a criminal immigration offense, he/she may continue the detention and may request a federal immigration official to respond to the location to take custody of the detained person (8 USC § 1357(g)(10)).

A deputy is encouraged to forgo detentions made solely on the basis of a misdemeanor offense when time limitations, availability of personnel, issues of officer safety, communication capabilities, or the potential to obstruct a separate investigation outweigh the need for the detention.

A deputy should notify a supervisor as soon as practicable whenever an individual is being detained for a criminal immigration violation.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Immigration Violations

412.4.1 SUPERVISOR RESPONSIBILITIES

When notified that a deputy has detained an individual and established reasonable suspicion or probable cause to believe the person has violated a criminal immigration offense, the supervisor should determine whether it is appropriate to:

- (a) Transfer the person to federal authorities.
- (b) Lawfully arrest the person for a criminal offense or pursuant to a judicial warrant (see the Law Enforcement Authority Policy).

412.5 ARREST NOTIFICATION TO IMMIGRATION AND CUSTOMS ENFORCEMENT

Generally, a deputy should not notify federal immigration officials when booking arrestees at a county jail facility. Any required notification will be handled according to jail operation procedures. No individual who is otherwise ready to be released should continue to be detained solely for the purpose of notification.

412.6 FEDERAL REQUESTS FOR ASSISTANCE

Requests by federal immigration officials for assistance from this office should be directed to a supervisor. The Office may provide available support services, such as traffic control or peacekeeping efforts.

412.7 INFORMATION SHARING

No member of this office will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373):

- (a) Sending information to, or requesting or receiving such information from federal immigration officials
- (b) Maintaining such information in office records
- (c) Exchanging such information with any other federal, state, or local government entity

412.7.1 IMMIGRATION DETAINERS

No individual should be held based solely on a federal immigration detainer under 8 CFR 287.7 unless the person has been charged with a federal crime or the detainer is accompanied by a warrant, affidavit of probable cause, or removal order. Notification to the federal authority issuing the detainer should be made prior to the release.

412.8 U VISA AND T VISA NONIMMIGRANT STATUS

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Immigration Violations

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the Investigation Unit supervisor assigned to oversee the handling of any related case.

The Investigation Unit supervisor should:

- (a) Consult with the assigned investigator to determine the current status of any related case and whether further documentation is warranted.
- (b) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the certification or declaration has not already been completed and whether a certification or declaration is warranted.
- (c) Address the request and complete the certification or declaration, if appropriate, in a timely manner.
 - 1. The instructions for completing certification and declaration forms can be found on the U.S. Department of Homeland Security (DHS) website.
- (d) Ensure that any decision to complete, or not complete, a certification or declaration form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed form in the case file.

412.9 TRAINING

The Training Lieutenant shall ensure that all appropriate members receive immigration training.

Patrol Rifles

413.1 PURPOSE AND SCOPE

To more effectively and accurately address the increasing level of firepower and body armor utilized by criminal suspects, the Clay County Sheriff's Office will make patrol rifles available to qualified deputies as an additional and more immediate tactical resource.

413.2 PATROL RIFLE

413.2.1 DEFINITION

Patrol Rifle - An authorized weapon which is owned by the Office and which is made available to properly trained and qualified deputies as a supplemental resource to their duty handgun or shotgun. No personally owned rifles may be carried for patrol duty unless pre-approved in writing by the Sheriff and the Office armorer.

413.3 SPECIFICATIONS

Only weapons and ammunition that meet agency authorized specifications, approved by the Sheriff and issued by the Office, may be used by deputies in their law enforcement responsibilities. The authorized patrol rifle issued by the Office is the Bushmaster AR-15 .223 or M16.

413.4 RIFLE MAINTENANCE

- (a) Primary responsibility for maintenance of patrol rifles shall fall on the Deputy, who shall inspect and service each patrol rifle on a monthly basis.

- (e) Each patrol rifle shall be subject to inspection by a supervisor, the Rangemaster or armorer at any time.

413.5 TRAINING

Deputies shall not carry or utilize the patrol rifle unless they have successfully completed Office training. This training shall consist of an initial 2-hour patrol rifle user's course and qualification score with a certified patrol rifle instructor. Deputies shall thereafter be required to successfully complete yearly training and yearly firearms proficiency qualification conducted by a certified patrol rifle instructor.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

413.8 PATROL READY

Any qualified deputy carrying a patrol rifle in the field shall maintain the weapon in a patrol ready condition until deployed. A rifle is considered in a patrol ready condition when it has been inspected by the assigned deputy, the fire selector switch is in the safe position, the chamber is empty and a fully loaded magazine is inserted into the magazine well.

413.9 RIFLE STORAGE

- (a) In-service patrol rifles should be secured in the vehicle gun lock or case. Deputies shall safely secure their patrol rifle in the event their squad vehicle is being serviced, regardless of the time of service.

Aircraft Accidents

414.1 PURPOSE AND SCOPE

After the NTSB or military representative arrives on-scene, the efforts of this office will shift to a support role for those agencies.

If NTSB or a military representative determines that an aircraft or accident does not qualify under its jurisdiction, the on-scene office supervisor should ensure the accident is still appropriately investigated and documented.

After consideration and approval of the request for air support, the Shift Supervisor or designee will call the closest agency having air support available. The Shift Supervisor will apprise that agency of the specific details of the incident prompting the request.

416.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED

Law enforcement air support may be requested under any of the following conditions:

- (a) When the aircraft is activated under existing mutual aid agreements.
- (b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the aircraft may reduce such hazard.
- (c) When the use of aircraft will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community.
- (d) When an aircraft is needed to locate a person who has strayed or is lost and whose continued absence constitutes a serious health or safety hazard.
- (e) Vehicle pursuits (Minn. Stat. § 626.8458).
- (f) When the Shift Supervisor or equivalent authority determines a reasonable need exists.

While it is recognized that the availability of air support will generally provide valuable assistance to ground personnel, the presence of air support will rarely replace the need for deputies on the ground.

Contacts and Temporary Detentions

417.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

417.2 DEFINITIONS

Detention - Occurs when a deputy intentionally, through words, actions or physical force causes an individual to reasonably believe he/she is being required to restrict his/her movement. Detentions also occur when a deputy actually restrains a person's freedom of movement.

Consensual Encounter - Occurs when a deputy contacts an individual but does not create a detention through words, actions or other means. In other words, a reasonable individual would believe that his/her contact with the deputy is voluntary.

Field Interview (FI) - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the deputy's suspicions.

Field Photographs - Posed photographs taken of a person during a contact, detention or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Video Recorder (MVR) system when persons are not posed for the purpose of photographing are not considered field photographs.

Pat-Down Search - This type of search is used by deputies in the field to check an individual for weapons. It involves a thorough patting down of clothing to locate any weapons or dangerous items that could pose a danger to the deputy, the detainee or others.

Reasonable Suspicion - Occurs when, under the totality of the circumstances, a deputy has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

417.3 FIELD INTERVIEWS

Based on observance of suspicious circumstances or upon information from investigation, a deputy may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the deputy's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Clay County Sheriff's Office to strengthen community involvement, community awareness, and problem identification.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Contacts and Temporary Detentions

417.3.1 INITIATING A FIELD INTERVIEW

When initiating the stop, the deputy should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act.
- (b) Actions suggesting that he/she is engaged in a criminal activity.
- (c) Presence in an area at an inappropriate hour of the day or night.
- (d) Presence in a particular area is suspicious.
- (e) Carrying of suspicious objects or items.
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon.
- (g) Location in proximate time and place to an alleged crime.
- (h) Physical description or clothing worn that matches a suspect in a recent crime.
- (i) Prior criminal record or involvement in criminal activity as known by the deputy.

417.3.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an incident may be lost or the integrity of their statements compromised with the passage of time, deputies should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available personnel for the following:

- (a) Identifying all persons present at the scene and in the immediate area.
 - 1. When reasonably feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
 - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, deputies should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by office personnel.
 - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness in a office vehicle. When the witness is a minor, consent should be obtained from the parent or guardian, if reasonably available, prior to transport.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Contacts and Temporary Detentions

417.4 PAT-DOWN SEARCHES

Once a valid stop has been made, and consistent with the deputy's training and experience, a deputy may pat a suspect's outer clothing for weapons if the deputy has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the deputy to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of weapons is involved.
- (b) Where more than one suspect must be handled by a single deputy.
- (c) The hour of the day and the location or area where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.
- (f) Visual indications which suggest that the suspect is carrying a firearm or other dangerous weapon.

Whenever practicable, a pat-down search should not be conducted by a lone deputy. A cover deputy should be positioned to ensure safety and should not be involved in the search.

417.5 FIELD PHOTOGRAPHS

All available databases should be searched before photographing any field detainee. If a photograph is not located, or if an existing photograph no longer resembles the detainee, the deputy shall carefully consider, among other things, the factors listed below.

417.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT

Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent. When taking a consensual photograph, the deputy should have the individual read and sign the appropriate form accompanying the photograph.

417.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The deputy must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the deputy's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Contacts and Temporary Detentions

417.5.3 SUPERVISOR RESPONSIBILITIES

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken. Field photographs shall be classified as law enforcement data under Minn. Stat. § 13.82, and shall be collected, maintained, and disseminated consistent with the Minnesota Government Data Practices Act. Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

417.6 DISPOSITION OF PHOTOGRAPHS

All detainee photographs must be adequately labeled and submitted to the Shift Supervisor with either an associated FI card or other memorandum explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Shift Supervisor should review and forward the photograph to one of the following locations:

- (a) If the photo and associated FI or memorandum is relevant to criminal gang enforcement, the Shift Supervisor will forward the photo and documents to the Gang Supervisor. The Gang Supervisor will ensure the photograph and supporting documents are retained as prescribed in the Criminal Organizations Policy.
- (b) Photographs that do not qualify for retention in the criminal gang file or that are not evidence in an investigation with an assigned case number should be forwarded to the Records Office. These photographs will be purged as described in this policy.

When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs will be kept in the Records Office in a separate non-booking photograph file in alphabetical order.

417.6.1 PURGING THE FIELD PHOTO FILE

The Office Supervisor will be responsible for ensuring that photographs maintained by the Records Office that are more than one year old and no longer serve a law enforcement purpose are periodically purged and destroyed unless a longer period of retention is required by the Office records retention schedule. No record may be destroyed unless done in compliance with such a schedule unless ordered by a court or pursuant to other applicable statute. Photographs that continue to serve a law enforcement purpose may be retained longer than one year provided that a notation of that fact is added to the file for each additional year that they are retained. Access to the FI photo file shall be governed by the Minnesota Government Data Practices Act.

417.7 POLICY

The Clay County Sheriff's Office respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the deputy, the decision to temporarily detain a person and complete an FI, pat-down search, or field photograph shall be

Clay County Sheriff's Office

left to the deputy based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

Criminal Organizations

418.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the Clay County Sheriff's Office appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

418.1.1 DEFINITIONS

Definitions related to this policy include:

Criminal intelligence system - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

418.2 POLICY

The Clay County Sheriff's Office recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this office to collect and share relevant information while respecting the privacy and legal rights of the public.

418.3 CRIMINAL INTELLIGENCE SYSTEMS

No office member may create, submit to or obtain information from a criminal intelligence system unless the Sheriff has approved the system for office use.

Any criminal intelligence system approved for office use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for office use. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.
- (c) Any system security issues are reasonably addressed.

418.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, FI, photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this office, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Records Office. Any supporting documentation for an entry shall be retained by the Records Office in accordance with

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Criminal Organizations

the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Records Office are appropriately marked as intelligence information. The Office Supervisor may not purge such documents without the approval of the designated supervisor.

418.3.2 ENTRIES INTO CRIMINAL GANG INVESTIGATIVE DATA SYSTEM

It is the designated supervisor's responsibility to approve the entry of any information into the criminal gang investigative data system maintained by the Minnesota Bureau of Criminal Apprehension and authorized by Minn. Stat. § 299C.091. Entries may be made if the individual is 14 years of age or older and the Office documents the following:

- (a) The Office has reasonable suspicion to believe that the individual has met at least three of the criteria or identifying characteristics of gang membership, developed by the Violent Crime Coordinating Council.
- (b) The individual has been convicted of a gross misdemeanor or felony, or has been adjudicated or has a stayed adjudication as a juvenile for an offense that would be a gross misdemeanor or felony if committed by an adult.

418.4 TEMPORARY INFORMATION FILE

No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the office-approved CIS only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of CIS entries.

418.4.1 FILE CONTENTS

A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

- (a) Must only be included upon documented authorization of the responsible office supervisor.
- (b) Should not be originals that would ordinarily be retained by the Records Office or Evidence Room, but should be copies of, or references to, retained documents such as copies of reports, field interview (FI) forms, RRRDC records or booking forms.
- (c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Criminal Organizations

- (d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

418.4.2 FILE REVIEW AND PURGING

The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged or entered in an authorized criminal intelligence system, as applicable.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

418.5 INFORMATION RECOGNITION

Office members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.
- (b) Information related to a drug-trafficking operation.
- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

Office supervisors who utilize an authorized criminal intelligence system should work with the Training Lieutenant to train members to identify information that may be particularly relevant for inclusion.

418.6 RELEASE OF INFORMATION

Office members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to office members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

418.7 CRIMINAL STREET GANGS

The Investigation Unit supervisor should ensure that there are an appropriate number of office members who can:

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Criminal Organizations

- (a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with identification of criminal street gangs, criminal street gang members and patterns of criminal gang activity.
- (b) Coordinate with other agencies in the region regarding criminal street gang crimes and information.
- (c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

418.8 TRAINING

The Training Lieutenant should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises. Training should include:

- (a) The protection of civil liberties.
- (b) Participation in a multi-agency criminal intelligence system.
- (c) Submission of information into a multi-agency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.
- (d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.
- (e) The review and purging of temporary information files.

Shift Supervisors

419.1 PURPOSE AND SCOPE

Each patrol shift must be directed by supervisors who are capable of making decisions and communicating in a manner consistent with Office policies, procedures, practices, functions and objectives. To accomplish this goal, a Lieutenant heads each watch.

419.2 DESIGNATION AS ACTING SHIFT SUPERVISOR

When a Lieutenant is unavailable for duty as Shift Supervisor, in most instances the senior qualified sergeant shall be designated as acting Shift Supervisor. This policy does not preclude designating a less senior sergeant as an acting Shift Supervisor when operational needs require or training permits.

Mobile Video Recorders

420.1 PURPOSE AND SCOPE

The Clay County Sheriff's Office has equipped marked patrol cars with Mobile Video Recording (MVR) systems to provide records of events and assist deputies in the performance of their duties. This policy provides guidance on the use of these systems.

420.1.1 DEFINITIONS

Definitions related to this policy include:

Activate - Any process that causes the MVR system to transmit or store video or audio data in an active mode.

In-car camera system and Mobile Video Recorder (MVR) - Synonymous terms - that refer to any system that captures audio and video signals that is capable of installation in a vehicle and that includes at minimum, a camera, microphone, recorder and monitor.

Law Enforcement Operator (LEO) - Primarily a licensed peace officer but on occasion may be a non-licensed representative of the Office who is authorized and assigned to operate MVR-equipped vehicles to the extent consistent with Minn. Stat. § 169.98.

MGDPA - The Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13.

MVR technician - Personnel certified or trained in the operational use and repair of MVRs, duplicating methods, storage and retrieval methods and procedures, and who possess a working knowledge of video forensics and evidentiary procedures.

Recorded media - Audio-video signals recorded or digitally stored on a storage device or portable media.

420.2 POLICY

It is the goal of the Clay County Sheriff's Office to use mobile video recorder (MVR) technology to more effectively fulfill the office's mission and to ensure these systems are used securely and efficiently.

420.3 DEPUTY RESPONSIBILITIES

Prior to going into service each deputy will properly equip him/herself to record audio and video in the field. At the end of the shift each deputy will follow the established procedures for providing to the Office any recordings or used media and any other related equipment. Each deputy should have adequate recording media for the entire duty assignment. In the event a deputy works at a remote location and reports in only periodically additional recording media may be issued. Only Clay County Sheriff's Office identified and labeled media with tracking numbers is to be used.

At the start of each shift, deputies should test the MVR system operation in accordance with manufacturer specifications and office operating procedures and training.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Mobile Video Recorders

System documentation is accomplished by the deputy recording his/her name, serial number, badge, or PIN number and the current date and time at the start and again at the end of each shift. If the system is malfunctioning, the deputy shall take the vehicle out of service unless a supervisor requests the vehicle remain in service.

420.4 ACTIVATION OF THE MVR

The MVR system is designed to turn on whenever the unit's emergency lights are activated. The system remains on until it is turned off manually. The audio portion is independently controlled and should be activated manually by the deputy whenever appropriate. When audio is being recorded the video will also record.

Operators are encouraged to narrate events using the audio recording so as to provide the best documentation for pretrial and courtroom presentation.

420.4.1 REQUIRED ACTIVATION OF THE MVR

This policy is not intended to describe every possible situation in which the MVR system may be used, although there are many situations where its use is appropriate. A deputy may activate the system any time the deputy believes its use would be appropriate and/or valuable to document an incident.

In some circumstances it is not possible to capture images of the incident due to conditions or the location of the camera. However the audio portion can be valuable evidence and is subject to the same activation requirements as the MVR. The MVR system should be activated in any of the following situations:

- (a) All field contacts involving actual or potential criminal conduct within video or audio range:
 - 1. Traffic stops (to include, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops)
 - 2. Priority responses
 - 3. Vehicle pursuits
 - 4. Suspicious vehicles
 - 5. Arrests
 - 6. Vehicle searches
 - 7. Physical or verbal confrontations or use of force
 - 8. Prisoner transports
 - 9. Non-custody transports
 - 10. Pedestrian checks
 - 11. DWI investigations including field sobriety tests
 - 12. Consensual encounters
 - 13. Crimes in progress

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Mobile Video Recorders

- 14. Responding to an in-progress call
- 15. Medical incidents attended to by members of the Office
- (b) All self-initiated activity in which a deputy would normally notify RRRDC
- (c) Any call for service involving a crime where the recorder may aid in the apprehension and/or prosecution of a suspect:
 - 1. Family violence calls
 - 2. Disturbance of peace calls
 - 3. Offenses involving violence or weapons
- (d) Any other contact that becomes adversarial after the initial contact, in a situation that would not otherwise require recording
- (e) Any other circumstance where the deputy believes that a recording of an incident would be appropriate

420.4.2 CESSATION OF RECORDING

Once activated the MVR system should remain on until the incident has concluded. For purposes of this section conclusion of an incident has occurred when all arrests have been made, arrestees have been transported and all witnesses and victims have been interviewed. Recording may cease if a deputy is simply waiting for a tow truck or a family member to arrive, or in other similar situations.

420.4.3 WHEN ACTIVATION IS NOT REQUIRED

Activation of the MVR system is not required when exchanging information with other deputies or during breaks, lunch periods, when not in service or actively on patrol.

No member of this office may surreptitiously use County equipment to record a conversation of any other member of this office except with a court order or when lawfully authorized by the Sheriff or the authorized designee for the purpose of conducting a criminal or administrative investigation.

420.4.4 SUPERVISOR RESPONSIBILITIES

Supervisors should determine if vehicles with non-functioning MVR systems should be placed into service.

At reasonable intervals, supervisors should validate that each deputy's MVR is operating correctly and per the standards set forth in the MVR operating procedures.

When an incident arises that requires the immediate retrieval of the recorded media (e.g., serious crime scenes, peace officer-involved shootings, office-involved collisions), a supervisor shall respond to the scene and ensure that the appropriate supervisor, MVR technician or crime scene investigator properly retrieves the recorded media. The media may need to be treated as evidence and should be handled in accordance with current evidence procedures for recorded media. Copies may be distributed to investigators as appropriate to the investigation.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Mobile Video Recorders

Supervisors may activate the MVR system remotely to monitor a developing situation such as a chase, riot or an event that may threaten public safety, officer safety or both, when the purpose is to obtain tactical information to assist in managing the event.

420.5 REVIEW OF MVR RECORDINGS

All recording media, recorded images and audio recordings are the property of the agency and subject to the provisions of the MGDPA. Dissemination outside of the agency is strictly prohibited except to the extent permitted or required under the MGDPA, Peace Officer Disciplinary Procedures Act or other applicable law.

To prevent damage to, or alteration of, the original recorded media, it shall not be copied, viewed or otherwise inserted into any device not approved by the office MVR technician or forensic media staff. When reasonably possible a copy of the original media shall be used for viewing (unless otherwise directed by the courts) to preserve the original media.

Recordings may be reviewed in any of the following situations.

- (a) For use when preparing reports or statements
- (b) By a supervisor investigating a specific act of deputy conduct
- (c) By a supervisor to assess deputy performance
- (d) To assess proper functioning of MVR systems
- (e) By office investigators, after approval of a supervisor, who are participating in an official investigation such as a personnel complaint, administrative inquiry or a criminal investigation
- (f) By office personnel who request to review recordings
- (g) By a deputy who is captured on or referenced in the video or audio data and reviews and uses the data for any purpose relating to his/her employment
- (h) By court personnel through proper process or with permission of the Sheriff or the authorized designee
- (i) By the media through proper process or with an MGDPA request (Minn. Stat. § 13.01 et seq.)
- (j) To assess possible training value
- (k) Recordings may be shown for staff or public safety training purposes. If an involved deputy objects to showing a recording, his/her objection will be submitted to the staff to determine if the training value outweighs the deputy's objection

Employees desiring to view any previously uploaded or archived MVR recording should submit a request in writing to the Shift Supervisor. Approved requests should be forwarded to the MVR technician for processing.

In no event shall any recording be used or shown for the purpose of ridiculing or embarrassing any employee.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Mobile Video Recorders

420.6 DOCUMENTING MVR USE

If any incident is recorded with either the video or audio system, the existence of that recording shall be documented in the deputy's report. If a citation is issued, the deputy shall make a notation on the records copy of the citation indicating that the incident was recorded.

420.7 RECORDING MEDIA STORAGE AND INTEGRITY

Once submitted for storage all recording media will be labeled and stored in a designated secure area. All recording media that is not booked in as evidence will be retained for a minimum of 180 days and disposed of in compliance with the established records retention schedule.

420.7.1 COPIES OF ORIGINAL RECORDING MEDIA

Original recording media shall not be used for any purpose other than for initial review by a supervisor. Upon proper request a copy of the original recording media will be made for use as authorized in this policy.

Original recording media may only be released in response to a court order or upon approval by the Sheriff or the authorized designee. In the event an original recording is released to a court a copy shall be made and placed in storage until the original is returned.

420.7.2 MVR RECORDINGS AS EVIDENCE

Deputies who reasonably believe that an MVR recording is likely to contain evidence relevant to a criminal offense, potential claim against the deputy or against the Clay County Sheriff's Office should indicate this in an appropriate report. Deputies should ensure relevant recordings are preserved.

420.8 SYSTEM OPERATIONAL STANDARDS

- (a) MVR system vehicle installations should be based on officer safety requirements and vehicle and device manufacturer recommendations.
- (b) The MVR system should be configured to minimally record for 30 seconds prior to an event.
- (c) The MVR system may not be configured to record audio data occurring prior to activation.
- (d) To prevent bleed-over and/or noise from other MVRs in systems using low band transmitters (analog) only the primary LEO initiating the contact shall activate his/her audio recorder.
- (e) LEOs using digital transmitters that are individually synchronized to their individual MVR shall activate both audio and video recordings when responding in a support capacity in order to obtain additional perspectives of the incident scene.
- (f) With the exception of law enforcement radios or other emergency equipment other electronic devices should not be used within the law enforcement vehicle in order to intentionally interfere with the capability of the MVR system to record audio data.
- (g) LEOs shall not erase, alter, reuse, modify or tamper with MVR recordings. Only a supervisor, MVR technician or other approved designee may erase and reissue

Clay County Sheriff's Office

previously recorded recordings and may only do so pursuant to the provisions of this policy.

- (h) To prevent damage original recordings shall not be viewed on any equipment other than the equipment issued or authorized by the MVR technician.

420.9 MVR TECHNICIAN RESPONSIBILITIES

The MVR technician is responsible for:

- (a) Ordering, issuing, retrieving, storing, erasing and duplicating of all recorded media.
- (b) Collecting all completed media for oversight and verification of wireless downloaded media. Once collected the MVR technician:
 - 1. Ensures it is stored in a secured location with authorized controlled access.
 - 2. Makes appropriate entries in the chain of custody log.
- (c) Erasing of media:
 - 1. Pursuant to a court order.
 - 2. In accordance with established records retention policies, including reissuing all other media deemed to be of no evidentiary value.
- (d) Assigning all media an identification number prior to issuance to the field.
 - 1. Maintaining a record of issued media.
- (e) Ensuring that an adequate supply of recording media is available.
- (f) Managing the long-term storage of media that has been deemed to be of evidentiary value in accordance with the office evidence storage protocols and the records retention schedule.

420.10 TRAINING

Users of the MVR systems and supervisors shall successfully complete an approved course of instruction prior to being deployed with MVR systems in operational settings.

Mobile Digital Computer Use

421.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper access, use, and application of the Mobile Digital Computer (MDC) system in order to ensure proper access to confidential records from local, state, and national law enforcement databases, and to ensure effective electronic communications between office members and RRRDC. See the CJIS Access, Maintenance, and Security Policy for additional guidance.

421.2 POLICY

Clay County Sheriff's Office members using the MDC shall comply with all appropriate federal and state rules and regulations and shall use the MDC in a professional manner, in accordance with this policy.

421.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any office technology system (see the Information Technology Use Policy for additional guidance).

421.4 RESTRICTED ACCESS AND USE

MDC use is subject to the Information Technology Use, Protected Information, and CJIS Access, Maintenance, and Security policies.

Members shall not access the MDC system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MDC by another member to their supervisors or Shift Supervisors.

Use of the MDC system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks, or communications that are directly related to the business, administration, or practices of the Office. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from their supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing, or any other inappropriate messages on the MDC system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member's name or to use the password of another member to log in to the MDC system unless directed to do so by a supervisor. Members are required to log off the MDC or secure the MDC when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Mobile Digital Computer Use

421.4.1 USE WHILE DRIVING

Use of the MDC by the vehicle operator should be limited to times when the vehicle is stopped. Information that is required for immediate enforcement, investigative, tactical or safety needs should be transmitted over the radio.

In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

421.5 DOCUMENTATION OF ACTIVITY

Except as otherwise directed by the Shift Supervisor or other office-established protocol, all calls for service assigned by a dispatcher should be communicated by voice over the sheriff's radio and electronically via the MDC unless security or confidentiality prevents such broadcasting.

MDC and voice transmissions are used to document the member's daily activity. To ensure accuracy:

- (a) All contacts or activity shall be documented at the time of the contact.
- (b) Whenever the activity or contact is initiated by voice, it should be documented by a dispatcher.
- (c) Whenever the activity or contact is not initiated by voice, the member shall document it via the MDC.

421.5.1 STATUS CHANGES

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the sheriff's radio or through the MDC system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MDC while the vehicle is not in motion.

421.5.2 EMERGENCY ACTIVATION

If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available deputy should respond in accordance with the Deputy Response to Calls Policy.

Members should ensure a field supervisor and the Shift Supervisor are notified of the incident without delay.

Deputies not responding to the emergency shall refrain from transmitting on the sheriff's radio until a no-further-assistance broadcast is made or if they are also handling an emergency.

421.6 EQUIPMENT CONSIDERATIONS

421.6.1 MALFUNCTIONING MDC

Whenever possible, members will not use vehicles with malfunctioning MDCs. Whenever members must drive a vehicle in which the MDC is not working, they shall notify RRRDC. It shall

Clay County Sheriff's Office

be the responsibility of the dispatcher to document all information that will then be transmitted verbally over the sheriff's radio.

421.6.2 BOMB CALLS

When investigating reports of possible bombs, members should not communicate on their MDCs when in the evacuation area of a suspected explosive device. Radio frequency emitted by the MDC could cause some devices to detonate.

Foot Pursuits

422.1 PURPOSE AND SCOPE

This policy provides guidelines to assist deputies in making the decision to initiate or continue the pursuit of suspects on foot.

422.1.1 POLICY

It is the policy of this office when deciding to initiate or continue a foot pursuit that deputies must continuously balance the objective of apprehending the suspect with the risk and potential for injury to Office personnel, the public or the suspect.

Deputies are expected to act reasonably, based on the totality of the circumstances. Absent exigent circumstances, the safety of Office personnel and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Deputies must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and Office personnel.

422.2 DECISION TO PURSUE

The safety of office members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Deputies must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and office members.

Deputies may be justified in initiating a foot pursuit of any individual the deputy reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity shall not serve as the sole justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that a deputy must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits potentially place office members and the public at significant risk. Therefore, no deputy or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, a deputy should continuously consider reasonable alternatives to a foot pursuit based upon the circumstances and resources available, such as the following:

- (a) Containment of the area.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Foot Pursuits

- (b) Saturation of the area with law enforcement personnel, including assistance from other agencies.
- (c) A canine search.
- (d) Thermal imaging or other sensing technology.
- (e) Air support.
- (f) Apprehension at another time, when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the foot pursuit.

422.3 GENERAL GUIDELINES

When reasonably practicable, deputies should consider alternatives to engaging in or continuing a foot pursuit when:

- (a) Directed by a supervisor to terminate the foot pursuit; such an order shall be considered mandatory.
- (b) The deputy is acting alone.
- (c) Two or more deputies become separated, lose visual contact with one another or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single deputy keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The deputy is unsure of his/her location and direction of travel.
- (e) The deputy is pursuing multiple suspects and it is not reasonable to believe that the deputy would be able to control the suspect should a confrontation occur.
- (f) The physical condition of the deputies renders him/her incapable of controlling the suspect if apprehended.
- (g) The deputy loses radio contact with RRRDC or with assisting or backup deputies.
- (h) The suspect enters a building, structure, confined space, isolated area or dense or difficult terrain, and there are insufficient deputies to provide backup and containment. The primary deputy should consider discontinuing the foot pursuit and coordinating containment pending the arrival of sufficient resources.
- (i) The deputy becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to deputies or the public.
- (j) The deputy reasonably believes that the danger to the pursuing deputies or public outweighs the objective of immediate apprehension.
- (k) The deputy loses possession of his/her firearm or other essential equipment.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Foot Pursuits

- (l) The deputy or a third party is injured during the foot pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.
- (m) The suspect's location is no longer known.
- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to Office personnel or the public if the suspect is not immediately apprehended.
- (o) The deputy's ability to safely continue the pursuit is impaired by inclement weather, darkness or other environmental conditions.

422.4 RESPONSIBILITIES IN FOOT PURSUITS

422.4.1 INITIATING DEPUTY RESPONSIBILITIES

Unless relieved by another deputy or a supervisor, the initiating deputy shall be responsible for coordinating the progress of the pursuit. When acting alone and when practicable, the initiating deputy should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient deputies are present to safely apprehend the suspect.

Early communication of available information from the involved deputies is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Deputies initiating a foot pursuit should broadcast the following information as soon as it becomes practicable and available:

- (a) Location and direction of travel
- (b) Call sign identifier
- (c) Reason for the foot pursuit, such as the crime classification
- (d) Number of suspects and description, to include name if known
- (e) Whether the suspect is known or believed to be armed with a dangerous weapon

Deputies should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any deputy unable to promptly and effectively broadcast this information should terminate the foot pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the deputy will notify RRRDC of his/her location and the status of the foot pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary, to include requesting medical aid as needed for deputies, suspects or members of the public.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Foot Pursuits

422.4.2 ASSISTING DEPUTY RESPONSIBILITIES

Whenever any deputy announces that he/she is engaged in a foot pursuit, all other deputies should minimize nonessential radio traffic to permit the involved deputies maximum access to the radio frequency.

422.4.3 SUPERVISOR RESPONSIBILITIES

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever reasonably possible. The supervisor does not, however, need to be physically present to exercise control over the foot pursuit. The supervisor should continuously assess the situation in order to ensure the foot pursuit is conducted within established office guidelines.

The supervisor shall terminate the foot pursuit when the danger to pursuing deputies or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor should promptly proceed to the termination point to direct the post-pursuit activity.

422.4.4 RRRDC RESPONSIBILITIES

Upon notification or becoming aware that a foot pursuit is in progress, the dispatcher is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved deputies.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the foot pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notifying the Shift Supervisor as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

422.5 REPORTING

The initiating deputy shall complete the appropriate crime/arrest reports documenting, at minimum:

- (a) Date and time of the foot pursuit.
- (b) Initial reason and circumstances surrounding the foot pursuit.
- (c) Course and approximate distance of the foot pursuit.
- (d) Alleged offenses.
- (e) Involved vehicles and deputies.
- (f) Whether a suspect was apprehended as well as the means and methods used.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Foot Pursuits

1. Any use of force shall be reported and documented in compliance with the Use of Force Policy.
 - (g) Arrestee information, if applicable.
 - (h) Any injuries and/or medical treatment.
 - (i) Any property or equipment damage.
 - (j)

Assisting deputies taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

The supervisor reviewing the report will make a preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.

In any case in which a suspect is not apprehended and there is insufficient information to warrant further investigation, a supervisor may authorize that the initiating deputy need not complete a formal report.

422.6 POLICY

It is the policy of this office that deputies, when deciding to initiate or continue a foot pursuit, must continuously balance the objective of apprehending the suspect with the risk and potential for injury to office members, the public or the suspect.

Deputies are expected to act reasonably, based on the totality of the circumstances.

Homeless Persons

423.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide deputies during all contacts with the homeless, whether consensual or for enforcement purposes. The Clay County Sheriff's Office recognizes that members of the homeless community are often in need of special protection and services. The Clay County Sheriff's Office will address these needs in balance with the overall missions of this office. Therefore, deputies will consider the following policy when serving the homeless community.

423.2 FIELD CONTACTS

Deputies are encouraged to contact the homeless for purposes of rendering aid, support and for community-oriented policing purposes. Nothing in this policy is meant to dissuade a deputy from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity. However, when encountering a homeless person who has committed a non-violent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, deputies are encouraged to consider long-term solutions to problems that may relate to the homeless, such as shelter referrals and counseling in lieu of physical arrest. Deputies should provide homeless persons with resource and assistance information whenever it is reasonably apparent such services may be appropriate.

423.2.1 OTHER CONSIDERATIONS

Homeless members of the community will receive the same level and quality of service provided to other members of our community. The fact that a victim or witness is homeless can, however, require special considerations for a successful investigation and prosecution. Deputies should consider the following when handling investigations involving homeless victims, witnesses or suspects:

- (a) Documenting alternate contact information. This may include obtaining addresses and telephone numbers of relatives and friends.
- (b) Document places the homeless person may frequent.
- (c) Provide homeless victims with victim/witness resources when appropriate.
- (d) Obtain statements from all available witnesses in the event a homeless victim is unavailable for a court appearance.
- (e) Consider whether the person may be a dependent adult or elder and if so proceed in accordance with the Adult Abuse Policy.
- (f) Arrange for transportation for investigation-related matters, such as medical exams and court appearances.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Homeless Persons

- (g) Consider whether a crime should be reported and submitted for prosecution even when a homeless victim indicates he/she does not desire prosecution.

423.3 PERSONAL PROPERTY

The personal property of homeless persons must not be treated differently than the property of other members of the public. Deputies should use reasonable care when handling, collecting and retaining the personal property of homeless persons and should not destroy or discard the personal property of a homeless person.

When a homeless person is arrested or otherwise removed from a public place, deputies should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the arrestee's personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the deputy, a supervisor should be consulted. The property should be photographed and measures should be taken to remove or secure the property. It will be the supervisor's responsibility to coordinate the removal and safekeeping of the property.

Deputies should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor or the Office Homeless Liaison Deputy. When practicable, requests by the public for clean-up operations of a homeless encampment should be referred to the Homeless Liaison Deputy.

Deputies who encounter unattended encampments, bedding or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property if such property appears to involve a trespass, blight to the community or is the subject of a complaint, unless authorized by a supervisor.

423.4 MENTAL ILLNESSES AND MENTAL IMPAIRMENTS

Some homeless persons may suffer from a mental illness or a mental impairment. Deputies shall not detain a homeless person under a 72-hour emergency medical hold unless facts and circumstances warrant such a detention.

423.5 ECOLOGICAL ISSUES

Sometimes homeless encampments can affect the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Deputies are encouraged to notify other appropriate agencies or departments when a significant impact to the environment has or is likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.

423.6 POLICY

It is the policy of the Clay County Sheriff's Office to provide law enforcement services to all members of the community while protecting the rights, dignity and private property of the homeless. Homelessness is not a crime and members of this office will not use homelessness solely as a basis for detention or law enforcement action.

Criminal Conduct on School Buses

424.1 PURPOSE AND SCOPE

Criminal conduct on school buses has been identified by the legislature as a critical component for the safety and security of the community. The primary purpose of this policy is to provide deputies guidance in responding to reports of alleged criminal conduct on school buses. This office, in cooperation with any other law enforcement agency that may have concurrent jurisdiction over the alleged offense, is responsible for responding to all reports of criminal misconduct on school buses in this jurisdiction.

This policy is not intended to interfere with or replace school disciplinary policies that relate to student misconduct on school buses (Minn. Stat. § 169.4581).

424.2 COMMUNITY COOPERATION

The Clay County Sheriff's Office shall work with and consult with school officials, transportation personnel, parents and students to respond to these incidents to protect student safety and deal appropriately with those who violate the law.

424.3 PROCEDURE

This office shall respond to all criminal misconduct on school buses within the jurisdiction of this office regardless of the source of the report. Deputies should take reasonable actions to complete the following:

- (a) Provide for the safety of any person involved in the incident or present at the incident.
- (b) Coordinate any appropriate care.
- (c) Investigate reports of crimes committed on school buses using the same procedures as followed in other criminal investigations as appropriate for juveniles and/or adults.
- (d) Issue citations, release pending further investigation, or apprehend and transport individuals committing crimes on school buses to the extent authorized by law.
- (e) Submit reports regarding the incident for review, approval and consideration for prosecution.
- (f) Complete follow-up and additional investigation as reasonably necessary to prepare a case pertaining to criminal conduct on school buses as required for prosecution.
- (g) Provide information to the relevant school regarding the incident as required or authorized by law.

Public Recording of Law Enforcement Activity

425.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this office. In addition, this policy provides guidelines for situations where the recordings may be evidence.

425.2 POLICY

The Clay County Sheriff's Office recognizes the right of persons to lawfully record members of this office who are performing their official duties. Members of this office will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Deputies should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

425.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present.
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
 - 1. Tampering with a witness or suspect.
 - 2. Inciting others to violate the law.
 - 3. Being so close to the activity as to present a clear safety hazard to the deputies.
 - 4. Being so close to the activity as to interfere with a deputy's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the deputies, him/herself or others.

425.4 DEPUTY RESPONSE

Deputies should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, deputies should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, deputies or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or behavior to be unlawful. Accompanying the warnings should be clear directions on what an

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Public Recording of Law Enforcement Activity

individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, a deputy could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, deputies shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

425.5 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the deputy and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of office members, such as how and where to file a complaint.

425.6 SEIZING RECORDINGS AS EVIDENCE

Deputies should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
 - 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
 - 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
 - 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the evidence is to transmit a copy of the recording from a device to a office-owned device.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Public Recording of Law Enforcement Activity

Recording devices and media that are seized will be submitted within the guidelines of the Evidence Room Policy.

Medical Aid and Response

426.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

426.2 POLICY

It is the policy of the Clay County Sheriff's Office that all deputies and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

426.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact RRRDC and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide RRRDC with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
 - 1. Signs and symptoms as observed by the member.
 - 2. Changes in apparent condition.
 - 3. Number of patients, sex, and age, if known.
 - 4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
 - 5. Whether the person is showing signs of extreme agitation or is engaging in violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Medical Aid and Response

426.4 TRANSPORTING ILL AND INJURED PERSONS

Except in exceptional cases where alternatives are not reasonably available, members should not transport persons who are not in custody and who are unconscious, who have serious injuries, or who may be seriously ill. EMS personnel should be called to handle patient transportation.

For guidelines regarding transporting ill or injured persons who are in custody, see the Transporting Persons in Custody Policy.

Members should not provide emergency escort for medical transport or civilian vehicles.

426.5 PERSONS REFUSING EMS CARE

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, a deputy shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the deputy should consider proceeding with a 72-hour hold in accordance with the Civil Commitments Policy.

If a deputy believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The deputy may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person who is in custody still refuses, the deputy will require the person to be transported to the nearest medical facility. In such cases, the deputy should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

426.6 MEDICAL ATTENTION RELATED TO USE OF FORCE

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Conducted Energy Device policies.

426.7 AIR AMBULANCE

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

The Patrol Division Commander should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the Office should identify:

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Medical Aid and Response

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas, or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One office member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights, and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

426.8 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE

426.8.1 AED USER RESPONSIBILITY

Members who are issued AEDs should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly shall be taken out of service and given to the Training Lieutenant who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should contact RRRDC as soon as possible and request response by EMS.

426.8.2 AED REPORTING

Any member using an AED will complete an incident report detailing its use.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Medical Aid and Response

426.8.3 AED TRAINING AND MAINTENANCE

The Training Lieutenant should ensure appropriate training is provided to members authorized to use an AED.

The Training Lieutenant is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule.

426.9 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION

Only deputies who receive training in the recognition of signs of opiate overdose and the use of opiate antagonists may administer opioid overdose medication (Minn. Stat. § 626.8443). Deputies may administer opioid overdose medication in accordance with protocol specified by the physician who prescribed the overdose medication for use by the deputy (Minn. Stat. § 151.37; Minn. Stat. § 604A.04).

426.9.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES

Deputies who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Deputies should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Lieutenant.

426.9.2 OPIOID OVERDOSE MEDICATION REPORTING

Any deputy administering opioid overdose medication should detail its use in an appropriate report.

426.9.3 OPIOID OVERDOSE MEDICATION TRAINING

The Training Lieutenant should ensure training is provided to deputies authorized to administer opioid overdose medication (Minn. Stat. § 151.37; Minn. Stat. § 626.8443).

426.9.4 OPIOID OVERDOSE MEDICATION SUPPLY

The Sheriff or the authorized designee shall ensure there is a sufficient supply of opioid overdose medication available for use.

Trained deputies shall carry at least two unexpired doses of opioid overdose medication while on-duty (Minn. Stat. § 626.8443).

426.10 SICK OR INJURED ARRESTEE

If an arrestee appears ill or injured, or claims illness or injury, the arrestee should be medically cleared prior to booking. If the deputy has reason to believe the arrestee is feigning injury or illness, the deputy should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the deputy should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Medical Aid and Response

Arrestees who appear to have a serious medical issue should be transported by ambulance to an appropriate medical facility.

Nothing in this section should delay a deputy from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the deputy's training.

426.10.1 HOSPITAL SECURITY AND CONTROL

Deputies who transport persons in custody to medical facilities for treatment should provide security and control during examination and treatment consistent with office protocols. Any such transport should be conducted in accordance with the Transporting Persons in Custody Policy.

The Division Commander should develop protocols related to the following:

- (a) Providing security and control during an examination or treatment, including:
 - 1. Monitoring the person in custody (e.g., guarding against escape, suicide, and assault of others)
 - 2. Removal of restraints, if necessary and appropriate (see the Handcuffing and Restraints Policy)
- (b) Responsibility for continuing security and control if the person in custody is admitted to the hospital
 - 1. This should include transferring custody of the person to an appropriate agency.

426.11 ADMINISTRATION OF EPINEPHRINE

The office may obtain epinephrine auto-injectors from licensed pharmacies to be administered by trained members in accordance with Minn. Stat. § 144.999.

426.11.1 EPINEPHRINE USER RESPONSIBILITIES

Members who are qualified to administer epinephrine should handle, store, and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Lieutenant.

Any member who administers epinephrine should contact RRRDC as soon as possible and request response by EMS.

426.11.2 EPINEPHRINE REPORTING

Any member administering epinephrine should detail its use in an appropriate report.

426.11.3 EPINEPHRINE TRAINING

The Training Lieutenant should ensure that training is provided to members authorized to administer epinephrine.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Medical Aid and Response

Training shall be conducted by an authorized provider and be completed every two years (Minn. Stat. § 144.999).

426.12 FIRST-AID TRAINING

The Training Lieutenant should ensure deputies receive periodic first-aid training appropriate for their position.

Crisis Intervention Incidents

427.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires a deputy to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

427.1.1 DEFINITIONS

Definitions related to this policy include:

Person in crisis - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; non-compliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

427.2 POLICY

The Clay County Sheriff's Office is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Office will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

427.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Crisis Intervention Incidents

427.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS

The Sheriff should designate an appropriate Division Commander to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources to guide office interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

427.4.1 OBTAINING MENTAL HEALTH INFORMATION

The Sheriff should designate a member of the Office to develop access procedures, retention guidelines, data security safeguards, notification procedures, and any other applicable standards for obtained mental health information (Minn. Stat. § 626.8477).

Deputies may seek information from a mental health professional during a crisis situation pursuant to office procedures. When information is requested, deputies should provide an explanation why disclosure of mental health information is necessary to protect the health or safety of the individual in crisis or of another person (Minn. Stat. § 13.46; Minn. Stat. § 144.294).

Information obtained from mental health professionals in crisis incidents should generally be limited to that necessary to safely respond. Deputies obtaining mental health information to address crisis incidents should document the following in the associated reports (Minn. Stat. § 13.46; Minn. Stat. § 144.294):

- (a) The name of the deputy who requested the information
- (b) The name of the health professional who provided the information
- (c) The name of the individual experiencing the crisis

Mental health information obtained in these circumstances should not be used for any purpose beyond addressing the crisis. The subject of the information should be advised of the information obtained (Minn. Stat. § 13.46; Minn. Stat. § 144.294).

427.5 FIRST RESPONDERS

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to deputies; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit a deputy's authority to use reasonable force when interacting with a person in crisis.

Deputies are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

A deputy responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request available backup deputies and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Crisis Intervention Incidents

- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the deputy.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

427.6 DE-ESCALATION

Deputies should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm, courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding deputies generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Crisis Intervention Incidents

427.7 INCIDENT ORIENTATION

When responding to an incident that may involve mental illness or a mental health crisis, the deputy should request that the dispatcher provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents, suicide threats/attempts, and whether there has been previous sheriff's response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

427.8 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.
- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Division Commander.
- (f) Evaluate whether a critical incident stress management debriefing for involved members is warranted.

427.9 INCIDENT REPORTING

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to office reporting procedures or other official mental health or medical proceedings.

427.9.1 DIVERSION

Individuals who are not being arrested should be processed in accordance with the Civil Commitments Policy.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Crisis Intervention Incidents

427.10 CIVILIAN INTERACTION WITH PEOPLE IN CRISIS

Civilian members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request, and animal control issues.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may be harmful to him/herself or others, a deputy should be promptly summoned to provide assistance.

427.11 EVALUATION

The Division Commander designated to coordinate the crisis intervention strategy for this office should ensure that a thorough review and analysis of the office response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, deputies or incidents and will be submitted to the Sheriff through the chain of command.

427.12 TRAINING

In coordination with the mental health community and appropriate stakeholders, the Office will develop and provide comprehensive education and training to all office members to enable them to effectively interact with persons in crisis.

Additionally, the Training Lieutenant will provide deputies, including part-time deputies, with in-service training in crisis intervention and mental illness crisis as required by Minn. Stat. § 626.8469 and Minn. Stat. § 626.8474.

First Amendment Assemblies

428.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

428.2 POLICY

The Clay County Sheriff's Office respects the rights of people to peaceably assemble. It is the policy of this office not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

428.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills, leafleting and loitering. However, deputies shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors deputies may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Deputies should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless a deputy is placing a person under lawful arrest.

Supervisors should continually observe office members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

First Amendment Assemblies

428.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating office performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious or social views of associations, or the activities of any individual, group, association, organization, corporation, business or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

428.4 UNPLANNED EVENTS

When responding to an unplanned or spontaneous public gathering, the first responding deputy should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to RRRDC, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

428.5 PLANNED EVENT PREPARATION

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

428.5.1 INFORMATION GATHERING AND ASSESSMENT

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

First Amendment Assemblies

- The potential time, duration, scope, and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

428.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for the following:

- (a) Command assignments, chain of command structure, roles, and responsibilities
- (b) Staffing and resource allocation
- (c) Management of criminal investigations
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields)
 1. Uniforms must display the Office name and a unique personal identifier.
 2. A protocol for keeping record of any deputies on scene who are not in compliance with uniform requirements due to exigent circumstances.
- (e) Deployment of specialized resources
- (f) Event communications and interoperability in a multijurisdictional event
- (g) Liaison with demonstration leaders and external agencies
- (h) Liaison with County government and legal staff
- (i) Media relations
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief, and transportation
- (k) Traffic management plans
- (l) First aid and emergency medical service provider availability
- (m) Prisoner transport and detention
- (n) Review of policies regarding public assemblies and use of force in crowd control
- (o) Parameters for declaring an unlawful assembly (as defined by Minn. Stat. § 609.705)
- (p) Arrest protocol, including management of mass arrests
- (q) Protocol for recording information flow and decisions

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

First Amendment Assemblies

- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force
- (s) Protocol for handling complaints during the event
- (t) Parameters for the use of body-worn cameras and other portable recording devices

428.5.3 MUTUAL AID AND EXTERNAL RESOURCES

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Outside Agency Assistance Policy).

428.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, the Incident Commander or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress (at least two routes when possible). A reasonable time to disperse should be allowed following a dispersal order.

Additionally, the dispersal order must include:

- (a) The name and rank of the person and the agency giving the order.
- (b) The reasons for the declaration.
- (c) How long the participants have to comply.

The dispersal announcements should be repeated after commencement of the initial dispersal order so that participants understand that they must leave the area.

If, after a crowd disperses pursuant to a declaration of unlawful assembly and subsequently participants assemble at a different geographic location where the participants are engaged in non-violent and lawful First Amendment activity, such an assembly cannot be dispersed unless it

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

First Amendment Assemblies

has been determined that it is an unlawful assembly, and a new declaration of unlawful assembly has been made.

428.6.1 MINNESOTA POST GUIDELINES ON UNLAWFUL ASSEMBLY

The mere failure to obtain a permit, such as a parade permit or sound permit, is not a sufficient basis to declare an unlawful assembly.

The fact that some of the demonstrators or organizing groups have engaged in violent or unlawful acts on prior occasions or demonstrations is not grounds for declaring an assembly unlawful.

Whenever possible, the unlawful behavior of a few participants must not result in the majority of peaceful protestors being deprived of their First Amendment rights, unless other participants or deputies are threatened with dangerous circumstances.

428.7 USE OF FORCE

Use of force is governed by current office policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and conducted energy devices should be considered only when the participants' conduct reasonably appears to present the potential to harm deputies, themselves or others, or will result in substantial property loss or damage (see the Control Devices and the Conducted Energy Device policies).

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this office shall be documented promptly, completely, and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

428.8 ARRESTS

The Clay County Sheriff's Office should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

First Amendment Assemblies

- (a) Reasonable measures to address the safety of deputies and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Citation Releases Policy).

428.9 MEDIA RELATIONS

The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

428.10 DEMOBILIZATION

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

428.11 POST EVENT

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment, and supply records
- (e) Incident, arrest, use of force, injury, and property damage reports
- (f) Photographs, audio/video recordings, RRRDC records/tapes
- (g) Media accounts (print and broadcast media)
- (h) Record of any unlawful assembly declarations

428.11.1 AFTER-ACTION REPORTING

The Incident Commander should work with County legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

- (a) Date, time and description of the event

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

First Amendment Assemblies

- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

428.12 TRAINING

Office members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management. The Office should, when practicable, train with its external and mutual aid partners.

428.13 ADDITIONAL INCIDENT COMMANDER RESPONSIBILITIES

The Incident Commander is responsible for maintaining familiarity with the Minnesota model policy on Public Assembly and First Amendment Activity and incorporating additional protocols as appropriate for the office's preparedness in addressing:

- (a) Approved devices, tactics, and munitions.
- (b) Accessibility to the public assembly or demonstration by media representatives and other observers.
- (c) Additional documentation requirements, if any.

[See attachment: MN Public Assembly - First Amendment Rights Model Policy.pdf](#)

Civil Disputes

429.1 PURPOSE AND SCOPE

This policy provides members of the Clay County Sheriff's Office with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Abuse Policy will address specific legal mandates related to domestic violence court orders. References in this policy to "court orders" apply to any order of a court that does not require arrest or enforcement by the terms of the order or by Minnesota law.

429.2 POLICY

The Clay County Sheriff's Office recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this office will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

429.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority including valid consent.
- (e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.

429.4 COURT ORDERS

Disputes involving court orders can be complex. Where no mandate exists for a deputy to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Civil Disputes

court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating deputy should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating deputy should document the following:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

429.4.1 STANDBY REQUESTS

Deputies responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Deputies should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

429.5 VEHICLES AND PERSONAL PROPERTY

Deputies may be faced with disputes regarding possession or ownership of vehicles or other personal property. Deputies may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, deputies should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

429.6 REAL PROPERTY

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

Medical Cannabis

430.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of this office with guidelines for investigating the possession, transportation, or use of medical cannabis under Minnesota's medical cannabis laws.

430.1.1 DEFINITIONS

Definitions related to this policy include (Minn. Stat. § 152.22):

Medical cannabis - Any species of the genus cannabis plant, or any mixture or preparation of them, including whole plant extracts and resins in the form of a liquid, oil, pill, or dried raw cannabis that is properly packaged and labeled with:

- (a) The name and address of the authorized manufacturer.
- (b) The patient's registry identification number, name, date of birth, and address.
- (c) The chemical composition of medical cannabis.
- (d) Recommended dosage.
- (e) Directions for use.
- (f) Batch number.
- (g) Date of manufacture.

Patient - A Minnesota resident who has been diagnosed with a qualifying medical condition by a health care practitioner and who has met any other requirements for patients under Minn. Stat. § 152.22 et seq.

Caregiver - A person who has been approved by the Minnesota Office of Cannabis Management to assist a patient who is unable to self-administer medication or acquire medical cannabis from a distribution facility, and who is authorized to assist the patient with the use of medical cannabis.

430.2 POLICY

It is the policy of the Clay County Sheriff's Office to prioritize resources to avoid making arrests related to medical cannabis that the arresting deputy reasonably believes would not be prosecuted by state or federal authorities.

Minnesota medical cannabis laws are intended to provide protection from prosecution to those who use or possess medical cannabis for medical purposes. The Clay County Sheriff's Office will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under Minnesota law and the resources of the Office.

430.3 INVESTIGATION

Investigations involving the possession or use of cannabis generally fall into one of the following categories:

- (a) Investigations when no person makes a medicinal claim.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Medical Cannabis

- (b) Investigations when a person claims to be a patient or caregiver.
- (c) Investigations when the person is otherwise authorized.

430.3.1 INVESTIGATIONS WITH NO MEDICAL CLAIM

In any investigation involving the possession, delivery, production, or use of a cannabis product or drug paraphernalia where no person claims that the cannabis is used for medicinal purposes, the deputy should proceed with a criminal investigation if the amount is greater than permitted for personal use under Minn. Stat. § 342.09. A medicinal claim may be raised at any time, so deputies should document any statements and observations that may be relevant to whether the cannabis was possessed or produced for medicinal purposes.

430.3.2 INVESTIGATIONS INVOLVING A PATIENT OR CAREGIVER

Arrest shall not be made for the possession of medical cannabis by a patient, a caregiver or the parent or legal guardian of a patient (Minn. Stat. § 152.32).

Possession of medical cannabis properly packaged and labeled by an authorized manufacturer should suffice for verification of a person's status as a patient. The possession of medical cannabis registry verification from the Minnesota Department of Health should also suffice for verification a person's status as a patient or caregiver (Minn. Stat. § 152.22; Minn. Stat. § 152.27).

430.3.3 EXCEPTIONS

This policy does not apply to the following offenses. Deputies may take enforcement action if the person (Minn. Stat. § 152.23):

- (a) Possesses or engages in the use of medical cannabis on a school bus or van, on the grounds of any preschool or primary or secondary school, in any correctional facility, or on the grounds of any child care facility or home daycare.
- (b) Vaporizes or smokes medical cannabis on any form of public transportation, where the vapor or smoke would be inhaled by a non-patient minor child, or in any public place or a place of employment.
- (c) Operates any motor vehicle, aircraft, train, or motorboat, or works on transportation property, equipment, or facilities while under the influence of medical cannabis.

430.3.4 INVESTIGATIONS INVOLVING OTHER AUTHORIZED INDIVIDUALS

Any person falling into the following category shall not be arrested for the authorized possession of cannabis (Minn. Stat. § 342.515):

- (a) An otherwise authorized individual transporting cannabis plants or products between business facilities pursuant to state law.

430.4 FEDERAL LAW ENFORCEMENT

Deputies should provide information regarding a medical cannabis investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the deputy believes those authorities would have a particular interest in the information.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Medical Cannabis

430.5 EVIDENCE ROOM SUPERVISOR RESPONSIBILITIES

The Evidence Room supervisor shall ensure that medical cannabis, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical cannabis is not destroyed. Upon the prosecutor's decision to forgo prosecution, or the dismissal of charges or an acquittal, the Evidence Room supervisor shall as soon as practicable return to the person from whom it was seized any medical cannabis, drug paraphernalia or other related property.

The Evidence Room supervisor may not destroy medical cannabis except upon receipt of a court order.

The Evidence Room supervisor may release medical cannabis to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Investigation Unit supervisor.

430.6 REPORTING

Deputies aware of a person experiencing a negative medical condition or a death related to a cannabis overdose, including as a result of an unauthorized access to medical cannabis, must contact the Minnesota Department of Health's Office of Medical Cannabis within five business days. If discovered as part of an ongoing investigation, the report must be made within 72 hours of the conclusion of the investigation (Minn. R. 4770.4002; Minn. R. 4770.4004).

Deputies having reasonable suspicion of unauthorized possession of medical cannabis or of violations of cannabis laws by individuals authorized to possess medical cannabis, must report to the Office of Medical Cannabis using the designated online form. Reports related to unauthorized possession must be submitted within 72 hours, unless discovered as part of an ongoing investigation, in which case reporting must be made within 72 hours of the conclusion of the investigation. Reports of violations by persons authorized to possess medical cannabis must be submitted within 15 days (Minn. R. 4770.4010).

Body-Worn Cameras

431.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the use of a body-worn camera (BWC) by members of this office and for the access, use, and retention of office BWC media (Minn. Stat. § 626.8473).

The provisions of this policy, including notice, documentation, access, and retention, also apply to other portable audio/video recording devices used by members, where applicable.

This policy does not apply to undercover operations, wiretaps, or eavesdropping (concealed listening devices).

431.1.1 DEFINITIONS

Definitions related to this policy include:

Activate - To place a BWC in active mode (also called event mode). In active mode, the BWC records both video and audio.

BWC media - The video, audio, and images captured by office BWCs and the associated metadata.

BWC media systems - Any software, including web-based programs and mobile applications, used by the Office to upload/download, store, view, transfer, and otherwise maintain BWC media.

Deactivate - To place a BWC in buffering mode (also called ready or pre-event mode). In buffering mode, the BWC records video (without audio) in short, predetermined intervals that are retained only temporarily. However, when a BWC is activated, the interval recorded immediately prior to activation is then stored as part of the BWC media. Deactivate does not mean powering off the BWC.

Event - A general term referring to a set of circumstances that may, but does not necessarily, correlate directly to a single public safety incident.

431.2 POLICY

It is the policy of the Office to use BWCs and BWC media for evidence collection and to accurately document events in a way that promotes member safety and office accountability and transparency while also protecting the privacy of members of the public.

431.3 RESPONSIBILITIES

431.3.1 BWC COORDINATOR RESPONSIBILITIES

The Sheriff or the authorized designee should delegate certain responsibilities to a BWC coordinator (Minn. Stat. § 13.825; Minn. Stat. § 626.8473).

The responsibilities of the coordinator include:

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Body-Worn Cameras

- (a) Serving as a liaison between the Office and the BWC manufacturer/distributor and any third-party media storage vendor.
- (b) Developing inventory and documentation procedures for issuing and tracking BWC equipment, including properly marking BWCs as property of the Office, recording the date each BWC is placed into or taken out of service, and maintaining the following information:
 - 1. The total number of devices owned or maintained by the Clay County Sheriff's Office
 - 2. The daily record of the total number deployed and used by members and, if applicable, the precinct or district in which the devices were used
 - 3. The total amount of recorded audio and video data collected by the BWC media systems and maintained by the Clay County Sheriff's Office
- (c) Assisting with troubleshooting and maintenance of BWC equipment and media systems and, when necessary, coordinating the repair or replacement of BWCs.
 - 1. All equipment and system malfunctions and their resolutions should be documented, and maintenance and repair records should be maintained for all BWCs.
- (d) Managing BWC media systems so that:
 - 1. Access is limited to the minimum necessary authorized users and user privileges are restricted to those necessary for the member to conduct assigned office duties.
 - 2. Security requirements, such as two-factor authentication and appropriate password parameters, are in place for user credentials.
 - 3. Procedures include a process to obtain written authorization for access to non-public data by CCSO members and members of other governmental entities and agencies.
- (e) Configuring BWC media systems, or developing manual procedures, so that media is appropriately categorized and retained according to the event type tagged by members.
- (f) Retaining audit logs or records of all access, alteration, and deletion of BWC media and media systems, and conducting periodic audits to ensure compliance with applicable laws, regulations, and office policy.
- (g) Developing and updating BWC training for members who are assigned a BWC or given access to BWC media systems.
- (h) Coordinating with the community relations coordinator to (see the Community Relations Policy):
 - 1. Provide the public with notice of the office's use of BWCs (e.g., posting on the office website or social media pages).
 - 2. Gain insight into community expectations regarding BWC use.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

- (i) Coordinating with the Office Supervisor to (see the Records Office, Records Maintenance and Release, and Protected Information policies):
 - 1. Determine and apply proper retention periods to BWC media (e.g., firearm discharges, certain use of force incidents, formal complaints).
 - 2. Develop procedures for the appropriate release of BWC media.
 - 3. Ensure procedures comply with the requirements of the Minnesota Government Data Practices Act and other applicable laws (Minn. Stat. § 13.01 et seq.).
- (j) Coordinating with the Evidence Room to develop procedures for the transfer, storage, and backup of evidentiary BWC media (see the Evidence Room Policy).
- (k) Preparing the biennial audit required by Minn. Stat. § 13.825, Subd. 9.
- (l) Notifying the Bureau of Criminal Apprehension (BCA) in a timely manner when new equipment is obtained by the Clay County Sheriff's Office that expands the type or scope of surveillance capabilities of the office's portable recorders.

431.3.2 MEMBER RESPONSIBILITIES

Every member issued a BWC is responsible for its proper use, safekeeping, and maintenance.

At the beginning of each shift or period of BWC use, the member should inspect their assigned BWC to confirm it is charged and in good working order. As part of the inspection, the member should perform a function test by activating the BWC and recording a brief video stating their name, identification number, assignment, and the date and time (Minn. Stat. § 13.825; Minn. Stat. § 626.8473).

Members should wear their assigned BWC on their outermost garment positioned at or above the mid-line of the waist (Minn. Stat. § 626.8473). Members are responsible for ensuring there are no obstructions and that the BWC remains in a position suitable for recording.

When a BWC is not in the physical possession of the member to which it is assigned, it should be placed on the charging dock and stored in a secure location.

Members shall report any malfunction or damage to the BWC coordinator or on-duty supervisor as soon as practicable and, if possible, obtain a functioning BWC to use either temporarily while repairs are being made to the member's BWC or as a permanent replacement (Minn. Stat. § 626.8473).

Members shall comply with this policy's provisions while performing law enforcement activities under the command and control of another law enforcement agency (Minn. Stat. § 626.8473).

431.4 BWC USE

The following guidelines apply to the use of BWCs:

- (a) Only office-issued BWCs should be used without the express consent of the Sheriff or the authorized designee (Minn. Stat. § 13.825).
- (b) BWCs should only be used by the member or members to whom it was issued unless otherwise authorized by a supervisor.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Body-Worn Cameras

- (c) The use of office-issued BWCs shall be strictly limited to office-related activities.
- (d) Members shall not use BWCs or BWC media systems for which they have not received prior authorization and appropriate training.
- (e) Members shall immediately report unauthorized access or use of BWCs or BWC media systems by another member to their supervisor or the Sheriff.

431.4.1 PROHIBITIONS

BWCs should not be used to record:

- (a) Routine administrative activities of the Office that do not involve interactions with the public. Care should be taken to avoid incidentally recording confidential documents that the Office has a duty to keep secure (i.e., criminal justice information).
- (b) Areas within the office facilities where members have a reasonable expectation of privacy (e.g., locker rooms or dressing areas, breakrooms) unless responding to a call for service or conducting an investigation.
- (c) Conversations of other members without their knowledge.
- (d) When a member is taking an authorized break or otherwise engaged in personal activities.
- (e) In a courtroom unless responding to a call for service or emergency situation.
- (f) Interactions with undercover deputies or confidential informants.
- (g) Strip searches.

BWCs shall not be used for the purpose of embarrassment, harassment, or ridicule of any individual or group.

431.5 ACTIVATION OF BWC

Members should activate their BWC during all calls for service and the performance of law enforcement-related functions. Members are not required to activate their BWC during casual or informal contacts with members of the public that are not part of or related to law enforcement functions. However, members should activate their BWC any time a contact with an individual becomes hostile or adversarial.

Unless otherwise authorized by this policy or approved by a supervisor, BWCs should remain activated until the call for service or law enforcement-related function has concluded. A member may cease recording if they are simply waiting for a tow truck or a family member to arrive, or in other similar situations.

At no time is a member expected to jeopardize their safety to activate their BWC. However, the BWC should be activated as soon as reasonably practicable in required situations.

If a member attempts to activate their BWC but the BWC fails to record an event, the member should notify their supervisor as soon as practicable.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Body-Worn Cameras

431.5.1 NOTICE OF RECORDING

Unless otherwise approved based on unique circumstances, a member should wear the BWC in a manner that is conspicuous and shall answer truthfully if asked whether they are equipped with a BWC or if their BWC is activated.

431.5.2 PRIVACY CONSIDERATIONS

Members should remain sensitive to the dignity of individuals being recorded and should exercise sound discretion with respect to privacy concerns.

When responding to a place where individuals have an expectation of privacy (e.g., private residences, medical or mental health facilities, restrooms) or to a sensitive situation (e.g., individuals partially or fully unclothed), members are permitted to mute or deactivate their BWC if it reasonably appears that the privacy concern outweighs any legitimate office interest in recording the event. Members may also mute or deactivate their BWC:

- (a) To protect the privacy of a victim or witness.
- (b) When an individual wishes to provide information anonymously.
- (c) To avoid recording a confidential informant or undercover deputy.
- (d) When discussing case tactics or strategy.
- (e) During private conversations with other members or emergency responders.

Members should choose to mute rather than deactivate BWCs when practicable. Deactivation should only be used when muting the BWC will not accomplish the level of privacy necessary for the situation.

Before muting or deactivating their BWC, the member should verbally narrate the reason on the recording. As soon as possible once the privacy concern is no longer an issue, or when circumstances change so that the privacy concern no longer outweighs the office's interest in recording the event (e.g., the individual becomes combative, the conversation ends), the member should unmute or reactivate their BWC and verbally note that recording has resumed.

431.5.3 LIVESTREAMING

Livestreaming enables authorized individuals to remotely view the audio and video captured by a member's BWC in real time. Only supervisors and [dispatcher]s approved by the Sheriff or the authorized designee shall have access to livestreaming capabilities.

Livestreaming should only be activated:

- (a) For purposes of member safety when the member is not responding to their radio or there is some other indication of distress.
- (b) To assist with situational awareness or tactical decisions during a significant incident.
- (c) When requested by the member.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Body-Worn Cameras

431.5.4 DOCUMENTATION

Members are encouraged to provide narration while using a BWC when it would be useful to provide context or clarification of the events being recorded. However, the use of a BWC is not a replacement for written reports and should not be referred to in a written report in place of detailing the event.

Every report prepared by a member who is issued a BWC should state "BWC available" or "BWC unavailable," as applicable, and should document:

- (a) To the extent practicable and relevant, the identity of individuals appearing in the BWC media.
- (b) An explanation of why BWC media is unavailable including any malfunction, damage, or battery issue that resulted in the failure of the BWC to capture all or part of the event.
- (c) Any exigency or other circumstances that prevented the member from immediately activating the recording at the beginning of the event.
- (d) Any period of the event in which the member deactivated or muted their BWC and the reason for such action.
- (e) If livestreaming was activated during the event, the reason for livestreaming and the members who communicated or participated in the event through BWC livestreaming.

431.6 UPLOADING BWC MEDIA

Unless otherwise authorized by a supervisor, all media from a member's BWC should be properly uploaded and tagged before the end of their shift. BWC media related to a serious or high-profile event (e.g., search for a missing child, active shooter situation) should be uploaded and tagged as soon as practicable upon returning to the Office.

Following an officer involved shooting or death or other event deemed necessary, a supervisor should take possession of the BWC for each member present and upload and tag the BWC media.

431.6.1 TAGGING BWC MEDIA

Members should tag all media captured by their BWC with their name and/or identification number, the case or incident number, and the event type. BWC media should be tagged upon uploading or, if capabilities permit tagging in the field, as close to the time of the event as possible. If more than one event type applies to BWC media, it should be tagged with each event type. If BWC media can only be tagged with a single event type, the media should be tagged using the event type with the longest retention period.

BWC media depicting sensitive circumstances or events should be tagged as restricted. BWC media should be flagged for supervisor review when it pertains to a significant event such as:

- (a) An incident that is the basis of a formal or informal complaint or is likely to result in a complaint.
- (b) When a member has sustained a serious injury or a line-of-duty death has occurred.
- (c) When a firearm discharge or use of force incident has occurred.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Body-Worn Cameras

- (d) An event that has attracted or is likely to attract significant media attention.

Supervisors should conduct audits at regular intervals to confirm BWC media is being properly uploaded and tagged by their subordinates.

431.7 BWC MEDIA

All BWC media is the sole property of the Office. Members shall have no expectation of privacy or ownership interest in the content of BWC media.

All BWC media shall be stored and transferred in a manner that is physically and digitally secure with appropriate safeguards to prevent unauthorized modification, use, release, or transfer. Contracts with any third-party vendors for the storage of BWC media should include provisions specifying that all BWC media remains the property of the Office and shall not be used by the vendor for any purpose without explicit approval of the Sheriff or the authorized designee.

Members shall not alter, copy, delete, release, or permit access to BWC media other than as permitted in this policy without the express consent of the Sheriff or the authorized designee.

BWC media systems should not be accessed using personal devices unless authorized by the Sheriff or the authorized designee.

431.7.1 ACCESS AND USE OF BWC MEDIA

BWC media systems shall only be accessed by authorized members using the member's own login credentials and in accordance with the Information Technology Use Policy.

BWC media shall only be accessed and viewed for legitimate office-related purposes in accordance with the following guidelines:

- (a) BWC media tagged as restricted should only be accessible by those designated by the Sheriff or the authorized designee.
- (b) Members may review their own BWC media for office-related purposes. Members should document in their report if they reviewed BWC media before completing the report.
- (c) Investigators may review BWC media pertaining to their assigned cases.
- (d) A member testifying regarding a office-related event may review the pertinent BWC media before testifying.
- (e) Supervisors are permitted to access and view BWC media of their subordinates.
 - 1. Supervisors should review BWC media that is tagged as a significant event or that the supervisor is aware pertains to a significant event.
 - 2. Supervisors should conduct documented reviews of their subordinate's BWC media at least annually to evaluate the member's performance, verify compliance with office procedures, and determine the need for additional training. The review should include a variety of event types when possible. Supervisors should review BWC media with the recording member when it would be beneficial to provide guidance or to conduct one-on-one informal training for the member (Minn. Stat. § 626.8473).

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Body-Worn Cameras

3. Supervisors should conduct periodic reviews of a sample of each subordinate's BWC media to evaluate BWC use and ensure compliance with this policy.
- (f) The Training Lieutenant is permitted to access and view BWC media for training purposes.
1. The Training Lieutenant should conduct a quarterly review of a random sampling of BWC media to evaluate office performance and effectiveness and to identify specific areas where additional training or changes to protocols would be beneficial. Training Committee members may review BWC media as part of their review to identify training needs.
 2. The Training Lieutenant may use BWC media for training purposes with the approval of the Sheriff or the authorized designee. The Training Lieutenant should use caution to avoid embarrassing or singling out a member and, to the extent practicable, should seek consent from the members appearing in the BWC media before its use for training. When practicable, sensitive issues depicted in BWC media should be redacted before being used for training.
- (g) The Office Supervisor may access BWC media when necessary to conduct office-related duties.
- (h) The BWC coordinator may access BWC media and the BWC media system as needed to ensure the system is functioning properly, provide troubleshooting assistance, conduct audits, and fulfill other responsibilities related to their role.
- (i) Any member who accesses or releases BWC media without authorization may be subject to discipline (see the Standards of Conduct and the Protected Information policies for additional guidance) (Minn. Stat. § 626.8473).

431.7.2 PUBLIC ACCESS

Unless disclosure is required by law or a court order, BWC media should not be released to the public if:

- (a) It is clearly offensive to common sensibilities (Minn. Stat. § 13.82, Subd. 7; Minn. Stat. § 13.825, Subd. 2).
- (b) It unreasonably violates a person's privacy or depicts the interior of:
 1. A private residence.
 2. A facility that offers health care, mental health or substance abuse treatment, or social services.
 3. A school building.
 4. Any other building in which public access is restricted or which implicates heightened security concerns.

Except as provided by Minn. Stat. § 13.825, Subd. 2 or pursuant to Minn. Stat. § 13.82, Subd. 15, BWC media is considered private or nonpublic data.

Any person captured on BWC media may have access to the BWC media. If the individual requests a copy of the BWC media and does not have the consent of other non-law enforcement

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Body-Worn Cameras

individuals captured on the BWC media, the identity of those individuals must be blurred or obscured sufficiently to render the person unidentifiable prior to release. The identity of on-duty peace officers may not be obscured unless their identity is protected under Minn. Stat. § 13.82, Subd. 17 (Minn. Stat. § 13.825, Subd. 4).

Requests for the release of BWC media shall be processed in accordance with the Records Maintenance and Release Policy. The Office Supervisor should review BWC media before public release.

See the Officer-Involved Shootings and Deaths Policy regarding BWC media requests pursuant to Minn. Stat. § 13.825 relating to deaths by use of force.

431.8 RETENTION OF BWC MEDIA

Non-evidentiary BWC media should be retained in accordance with state records retention laws but in no event for a period less than 90 days (Minn. Stat. § 13.825).

Unless circumstances justify continued retention, BWC media should be permanently deleted upon the expiration of the retention period in a way that it cannot be retrieved. BWC media shall not otherwise be deleted by any person without the authorization of the Sheriff or the authorized designee.

If an individual captured on BWC media submits a written request, the BWC media shall be retained for an additional time period. The BWC coordinator should be responsible for notifying the individual prior to destruction of the BWC media (Minn. Stat. § 13.825).

Members shall not alter, erase, or destroy any BWC media, before the end of the applicable retention period (Minn. Stat. § 626.8473).

431.8.1 EVIDENTIARY BWC MEDIA

BWC media relevant to a criminal prosecution should be exported from the BWC media system and securely transferred to digital evidence storage according to established office procedures. Evidentiary BWC media is subject to the same laws, policies, and procedures as all other evidence, including chain of custody, accessibility, and retention periods (see the Evidence Room Policy).

Evidentiary BWC media that documents a deputy's use of deadly force must be maintained indefinitely (Minn. Stat. § 13.825; Minn. Stat. § 626.8473).

431.9 TRAINING

The BWC coordinator should ensure that each member issued a BWC receives initial training before use, and periodic refresher training thereafter. Training should include:

- (a) Proper use of the BWC device and accessories.
- (b) When BWC activation is required, permitted, and prohibited.
- (c) How to respond to an individual's request to stop recording.
- (d) Proper use of the BWC media systems, including uploading and tagging procedures.
- (e) Security procedures for BWC media, including appropriate access and use.

Members who are not issued a BWC but who have access to BWC media systems shall receive training on the BWC media system, including appropriate access, use, and security procedures.

Chapter 5 - Traffic Operations

Traffic Function and Responsibility

500.1 PURPOSE AND SCOPE

The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventative patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on collision data, enforcement activity records, traffic volume and traffic conditions. This office provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in collision situations but also in terms of traffic-related needs.

500.2 TRAFFIC DEPUTY DEPLOYMENT

Several factors are considered in the development of deployment schedules for deputies of the Clay County Sheriff's Office. Information provided by the Minnesota Office of Traffic Safety (OTS) is a valuable resource for traffic collision occurrences and therefore deputy deployment. Some of the factors for analysis include:

- Location
- Time
- Day
- Violation factors

All deputies assigned to patrol or traffic enforcement functions will emphasize enforcement of collision-causing violations during periods of high-collision incidence and at locations of occurrence. All deputies will take directed enforcement action on request, and random enforcement action when appropriate, against violators as a matter of routine. All deputies shall maintain high visibility while working general enforcement, especially at high-collision incidence locations.

Other factors to be considered for deployment are citizen requests, construction zones or special events.

500.3 ENFORCEMENT

Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This office does not establish ticket quotas and the number of citations issued by any deputy shall not be used when evaluating deputy performance (Minn. Stat. § 169.985; Minn. Stat. § 299D.08). The visibility and quality of a deputy's work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:

500.3.1 WARNINGS

Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Traffic Function and Responsibility

500.3.2 TRAFFIC CITATIONS

Traffic citations may be issued when a deputy believes it is appropriate. It is essential that deputies fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Deputies should provide the following information at a minimum:

- (a) Explanation of the violation or charge.
- (b) Court appearance procedure, including the optional or mandatory appearance by the motorist.
- (c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court.
- (d) The court contact information.

500.3.3 TRAFFIC CITATION COURT JURISDICTION

A deputy who issues a traffic citation shall ensure that the citation is properly directed to the court having jurisdiction (Minn. Stat. § 169.91 Subd. 3).

500.3.4 PHYSICAL ARREST

Physical arrest can be made on a number of criminal traffic offenses. These physical arrest cases usually deal with, but are not limited to (Minn. Stat. § 169.91):

- (a) Negligent homicide.
- (b) Driving under the influence of alcohol/drugs.
- (c) Hit-and-run resulting in serious injury or death.
- (d) Hit-and-run resulting in damage to any vehicle or property.

500.3.5 LIMITATION AND DISCLOSURE OF REASON FOR TRAFFIC STOP

Deputies conducting a traffic stop for violations of Minnesota Statute Chapters 168 or 169 shall not ask the motorist if they can identify the reason for the traffic stop. Deputies shall state a reason for the stop unless it would be unreasonable to do so under the totality of the circumstances (Minn. Stat. § 169.905).

500.4 HIGH-VISIBILITY VESTS

The Office has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of office members who may be exposed to hazards presented by passing traffic, maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601; Minn. R. 5205.0030).

Although intended primarily for use while performing traffic-related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the member.

500.4.1 REQUIRED USE

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Traffic Function and Responsibility

exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, collision investigations, lane closures and while at disaster scenes, or any time high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, deputies should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plain clothes deputy might benefit from being readily identified as a deputy.

500.4.2 CARE AND STORAGE OF HIGH-VISIBILITY VESTS

High-visibility vests shall be maintained in the trunk of each patrol and investigation unit, in the side box of each sheriff's motorcycle and in the saddlebag or gear bag of each sheriff's bicycle. Each vest should be stored inside the resealable plastic bag provided to protect and maintain the vest in a serviceable condition. Before going into service each employee shall ensure a serviceable high-visibility vest is properly stored.

A supply of high-visibility vests will be maintained in the equipment room for replacement of damaged or unserviceable vests. The Training Lieutenant should be promptly notified whenever the supply of vests in the equipment room needs replenishing.

Traffic Collisions

501.1 PURPOSE AND SCOPE

This policy provides guidelines for responding to and investigating traffic collisions.

501.2 POLICY

It is the policy of the Clay County Sheriff's Office to respond to traffic collisions and render or summon aid to injured victims as needed. The Office will investigate and prepare reports according to the established minimum reporting requirements with the goal of reducing the occurrence of collisions by attempting to identify the cause of the collision and through enforcing applicable laws. Unless restricted by law, traffic collision reports will be made available to the public upon request.

501.3 RESPONSE

Upon arriving at the scene, the responding member should assess the need for additional resources and summon assistance as appropriate. Generally, the member initially dispatched to the scene will be responsible for the investigation and report, if required, unless responsibility is reassigned by a supervisor.

A supervisor should be called to the scene when the incident:

- (a) Is within the jurisdiction of this office and there is:
 - 1. A life-threatening injury.
 - 2. A fatality.
 - 3. A County vehicle involved.
 - 4. A County official or employee involved.
 - 5. Involvement of an on- or off-duty member of this office.
- (b) Is within another jurisdiction and there is:
 - 1. A County of Clay vehicle involved.
 - 2. A County of Clay official involved.
 - 3. Involvement of an on-duty member of this office.

501.3.1 MEMBER RESPONSIBILITIES

Upon arriving at the scene, the responding member should consider and appropriately address:

- (a) Traffic direction and control
- (b) Proper placement of emergency vehicles, cones, roadway flares or other devices if available to provide protection for members, the public and the scene.
- (c) First aid for any injured parties if it can be done safely.
- (d) The potential for involvement of hazardous materials.
- (e) The need for additional support as necessary (e.g., traffic control, emergency medical services, fire department, HAZMAT, tow vehicles).

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Traffic Collisions

- (f) Clearance and cleanup of the roadway.

501.4 NOTIFICATION

If a traffic collision involves a life-threatening injury or fatality, the responding deputy shall notify a supervisor. The Shift Supervisor or any supervisor may assign a traffic investigator or other appropriate personnel to investigate the incident. The Shift Supervisor will ensure notification is made to the Sheriff in accordance with the Major Incident Notification Policy.

501.4.1 NOTIFICATION OF FAMILY

In the event of a life-threatening injury or fatality, the supervisor responsible for the incident should ensure notification of the victim's immediate family or coordinate such notification with the Medical Examiner, office chaplain or another suitable person. Notification should be made as soon as practicable following positive identification of the victim.

The identity of any person seriously injured or deceased in a traffic collision should not be released until notification is made to the victim's immediate family.

501.5 MINIMUM REPORTING REQUIREMENTS

A collision report shall be taken when:

- (a) A fatality, any injury (including complaint of pain), impaired driving or hit and run is involved.
- (b) An on-duty member of the County of Clay is involved.
- (c) The collision results in any damage to any County-owned or leased vehicle.
- (d) The collision involves any other public agency driver or vehicle.
- (e) There is damage to public property.
- (f) There is damage to any vehicle to the extent that towing is required.
- (g) Prosecution or follow-up investigation is contemplated.
- (h) Directed by a supervisor.

501.5.1 PRIVATE PROPERTY

Generally, reports should not be taken when a traffic collision occurs on private property unless there is an injury or fatality, a hit-and-run violation or other traffic law violation involved. Members may provide assistance to motorists as a public service, such as exchanging information and arranging for the removal of the vehicles.

501.5.2 COUNTY VEHICLE INVOLVED

A traffic collision report shall be taken when a County vehicle is involved in a traffic collision that results in property damage or injury.

A general information report may be taken in lieu of a traffic collision report at the direction of a supervisor when the incident occurs entirely on private property or does not involve another vehicle.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Traffic Collisions

Whenever there is damage to a County vehicle, a vehicle damage report shall be completed and forwarded to the appropriate Division Commander. The traffic investigator or supervisor at the scene should determine what photographs should be taken of the scene and the vehicle damage.

501.5.3 INJURED ANIMALS

Office members should refer to the [Animal Control] Policy when a traffic collision involves the disposition of an injured animal.

501.6 INVESTIGATION

When a traffic collision meets minimum reporting requirements the investigation should include, at a minimum:

- (a) Identification and interview of all involved parties.
- (b) Identification and interview of any witnesses.
- (c) A determination of whether a violation of law has occurred and the appropriate enforcement action.
- (d) Identification and protection of items of apparent evidentiary value.
- (e) Documentation of the incident as necessary (e.g., statements, measurements, photographs, collection of evidence and reporting) on the appropriate forms.

501.6.1 INVESTIGATION BY OUTSIDE LAW ENFORCEMENT AGENCY

The Patrol Lieutenant or on-duty Shift Supervisor should request that the Minnesota Department of Public Safety or other outside law enforcement agency investigate and complete a traffic collision investigation when a life-threatening injury or fatal traffic collision occurs within the jurisdiction of the Clay County Sheriff's Office and involves:

- (a) An on- or off-duty member of the Office.
 - 1. The involved member shall complete the office traffic collision form. If the member is unable to complete the form, the supervisor shall complete it.
- (b) An on-or off-duty official or employee of the County of Clay.

Office members shall promptly notify a supervisor when any office vehicle is involved in a traffic collision. The collision investigation and report shall be completed by the agency having jurisdiction.

501.6.2 COMMERCIAL VEHICLE COLLISIONS

Commercial vehicle collisions additionally require notification to the Minnesota State Patrol if the collision results in (Minn. Stat. § 169.783):

- (a) A fatality.
- (b) Bodily injury to a person who, as a result of the injury, immediately receives medical treatment away from the scene of the collision.
- (c) One or more vehicles incurring disabling damage as a result of the collision, requiring the vehicle to be transported away from the scene by tow truck or other motor vehicle.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Traffic Collisions

A waiver or inspection by a state trooper or other authorized person is required before a person may drive a commercial motor vehicle that was involved in such a collision (Minn. Stat. § 169.783).

501.7 ENFORCEMENT ACTION

After a thorough investigation in which physical evidence or independent witness statements indicate that a violation of a traffic law contributed to the collision, authorized members should issue a citation or arrest the offending driver, as appropriate.

More serious violations, such as driving under the influence of drugs or alcohol, vehicular manslaughter, or other felonies, shall be enforced. If a driver who is subject to enforcement action is admitted to a hospital, a supervisor shall be contacted to determine the best enforcement option.

Vehicle Towing

502.1 PURPOSE AND SCOPE

This policy provides the procedures for towing a vehicle by or at the direction of the Clay County Sheriff's Office and under the authority of Minn. Stat. § 168B.035.

502.2 STORAGE AND IMPOUNDS

Vehicles may be towed for violations of Minn. Stat. § 168B.035, including parking, registration and snow emergency violations.

Vehicles may be moved or removed from a highway when in violation of Minn. Stat. § 169.32(a) or when left unattended upon any street or highway or upon any bridge or causeway or in any tunnel where such vehicle constitutes an obstruction to traffic (Minn. Stat. § 169.33).

The responsibilities of those employees storing or impounding a vehicle are as follows:

502.2.1 COMPLETION OF VEHICLE IMPOUND AND INVENTORY REPORT

Office members requesting towing of a vehicle shall complete a Vehicle Impound and Inventory Report, including a description of property within the vehicle. A copy is to be given to the tow truck operator and the original is to be submitted to the Records Management as soon as practicable after the vehicle is stored.

Within 48 hours, excluding weekends and holidays, of the towing of any such vehicle, it shall be the responsibility of the Records Management to determine through MNJIS the names and addresses of any individuals having an interest in the vehicle. Notice to all such individuals shall be sent by certified mail within five business days of impound (Minn. Stat. § 168B.06 Subd. 1).

502.2.2 REMOVAL OF VEHICLE DISABLED IN A TRAFFIC COLLISION

When a vehicle has been involved in a traffic collision and must be removed from the scene, the deputy shall have the driver select a towing company, if reasonably possible, and shall relay the request for the specified towing company to the dispatcher. When there is no preferred company requested, a company will be selected from the list of towing companies for the Sheriff's Office.

If the owner is incapacitated or for any reason it is necessary for the Office to assume responsibility for a vehicle involved in a collision, the deputy shall request the dispatcher to call a company from the list of towing companies. The deputy will then conduct an inventory and store the vehicle using a Vehicle Impound and Inventory Report.

502.2.3 DRIVING A NON-CITY VEHICLE

Vehicles that have been towed by or at the direction of the Office should not be driven by sheriff's personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or to comply with posted signs.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Vehicle Towing

502.2.4 DISPATCHER'S RESPONSIBILITIES

Upon receiving a request for towing, the dispatcher shall promptly telephone the specified authorized towing service. The deputy shall be advised when the request has been made and the towing service has been dispatched.

502.2.5 RECORDS OFFICE RESPONSIBILITIES

Records Office personnel shall promptly enter pertinent data from the completed Vehicle Impound and Inventory Report form into the stolen vehicle system. Approved forms shall be promptly filed so that they are immediately available for release or review should inquiries be made.

Within 48 hours of recovering a stolen vehicle or receiving notification that a vehicle reported stolen through this office has been recovered, the Records Office shall make a reasonable and good faith effort to notify the victim of the recovery. The notice must specify when the recovering law enforcement agency expects to release the vehicle to the owner and where the owner may pick up the vehicle. Upon recovery of a vehicle reported stolen to another agency, the Records Office is to promptly inform the agency that the vehicle is recovered, where it is located and when it can be released to the owner (Minn. Stat. § 169.042 Subd. 1).

502.3 TOWING SERVICES

The County of Clay periodically selects one or more firms to act as official tow services and awards contracts to those firms. Those firms will be used in the following situations:

- (a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.
- (b) When a vehicle is being held as evidence in connection with an investigation.
- (c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles and the removal of vehicles obstructing traffic in violation of state or local regulations.

502.4 TOWING AT ARREST SCENES

Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this office to provide reasonable safekeeping by towing the arrestee's vehicle subject to the exceptions described below. However, a vehicle shall be towed whenever it is needed for the furtherance of an investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be towed. For example, the vehicle would present a traffic hazard if it were not removed, or the vehicle is located in a high-crime area and is susceptible to theft or damage if left at the scene.

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of towing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

- Traffic-related warrant arrest.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Vehicle Towing

- Situations where the vehicle was not used to further the offense for which the occupant was arrested nor may be subject to forfeiture proceedings.
- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene.

In such cases, the handling employee shall note in the report that the owner was informed that the Office will not be responsible for theft or damages.

502.5 VEHICLE INVENTORY

All property in a stored or impounded vehicle shall be inventoried and listed on the vehicle storage form. This includes the trunk and any compartments or containers, even if they are closed and/or locked. Members conducting inventory searches should be as thorough and accurate as practicable in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner's property while the owner is in sheriff's custody, to provide for the safety of deputies and the public, and to protect the Office against fraudulent claims of lost, stolen or damaged property.

502.6 PRESERVATION OF EVIDENCE

A deputy who removes a vehicle pursuant to Minn. Stat. § 168B.035 is required to take reasonable and necessary steps to preserve evidence. If there is probable cause to believe that a vehicle or its contents constitute any evidence which tends to show that a criminal offense has been committed, or that a particular person has committed a criminal offense, deputies shall ensure that all legally required and reasonably necessary efforts are taken to preserve the evidence. Such evidence is to be provided safe storage and preserved until released to the owner or otherwise disposed of according to law.

502.7 SECURITY OF VEHICLES AND PROPERTY

Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, deputy should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cellular telephone, prescriptions) that are not considered evidence or contraband.

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.

Impaired Driving

503.1 PURPOSE AND SCOPE

This policy provides guidance to those office members who play a role in the detection and investigation of driving while impaired (DWI).

503.2 POLICY

The Clay County Sheriff's Office is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of Minnesota's impaired driving laws.

503.3 CHEMICAL TESTS

A person implies consent under Minnesota law to a chemical test or tests, and to providing the associated chemical sample, under any of the following (Minn. Stat. § 169A.51, Subd. 1):

- (a) The arresting deputy has probable cause to believe the person was driving, operating or in physical control of a vehicle while impaired as defined by Minn. Stat. § 169A.20.
- (b) The deputy has probable cause to believe that the person is DWI and has been involved in a vehicle accident resulting in property damage, personal injury or death.
- (c) The deputy has probable cause to believe that the person is DWI and the person has refused to take the preliminary screening test provided for by Minn. Stat. § 169A.41.
- (d) The person was administered a preliminary screening test and the results indicated an alcohol concentration of 0.08 or more.
- (e) The deputy has probable cause to believe the person was driving, operating or in physical control of a commercial motor vehicle with the presence of any alcohol in the person's body.

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the deputy should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

503.3.1 BREATH SAMPLES

The Patrol Lieutenant should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Deputies obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Patrol Lieutenant.

503.3.2 BLOOD SAMPLES

Only persons authorized by law to draw blood shall collect blood samples (Minn. Stat. § 169A.51, Subd. 7). The blood draw should be witnessed by the assigned deputy. No deputy, even if properly certified, should perform this task.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Impaired Driving

Deputies should inform an arrestee that if he/she chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be collected and retained as evidence, so long as only one puncture is required.

The blood sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

If an arrestee cannot submit to a blood test because he/she has a bleeding disorder or has taken medication that inhibits coagulation, he/she shall not be required to take a blood test. Such inability to take a blood test should not be considered a refusal. However, that arrestee may be required to complete another available and viable test.

503.3.3 URINE SAMPLES

If a urine test will be performed, the arrestee should be promptly transported to the appropriate testing site. The deputy shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by a deputy or jail staff member of the same sex as the person giving the sample. The arrestee tested should be allowed sufficient privacy to maintain his/her dignity, to the extent possible, while still ensuring the accuracy of the sample.

The sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

503.3.4 STATUTORY NOTIFICATIONS

At the time that the deputy requests the person to submit to a breath test the deputy must inform the person that (Minn. Stat. § 169A.51, Subd. 2):

- (a) Minnesota law requires that he/she take the test.
- (b) Refusal to take the test is a crime.
- (c) He/she has the right to consult with an attorney unless it would unreasonably delay administration of the test.

At the time that the deputy directs a person to submit to a blood or urine test pursuant to a warrant, the person must be informed that a refusal to submit to a blood or urine test is a crime (Minn. Stat. § 171.177, Subd. 1 and Subd. 2).

503.4 REFUSALS

When an arrestee refuses to provide a chemical sample deputies should:

- (a) Advise the arrestee of the requirement to provide a sample (Minn. Stat. § 169A.51; Minn. Stat. § 171.177, Subd. 1).
- (b) Audio- and/or video-record the admonishment and the response when it is legal and practicable.
- (c) Document the refusal in the appropriate report.

Impaired Driving

503.4.1 STATUTORY NOTIFICATIONS UPON REFUSAL

Upon refusal to submit to a chemical test as required by law, deputies shall personally serve the notice of intention to revoke upon the person and invalidate the person's license (Minn. Stat. § 169A.52, Subd. 7).

503.4.2 BLOOD SAMPLE WITHOUT CONSENT

A blood sample may be obtained from a person who does not consent to a chemical test when any of the following conditions exist (Minn. Stat. § 169A.51, Subd. 3):

- (a) A search warrant has been obtained.
- (b) The deputy can articulate that exigent circumstances exist and the deputy has probable cause to believe that the person has committed DWI, including vehicular homicide or injury (Minn. Stat. § 169A.52, Subd. 1; Minn. Stat. § 171.177, Subd. 13). Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person's bloodstream. Exigency can be established by the existence of special facts, such as a lengthy delay in obtaining a blood sample due to a collision investigation or medical treatment of the person.

503.4.3 FORCED BLOOD SAMPLE

A forced sample may not be taken except in DWI cases involving vehicular homicide or injury (Minn. Stat. § 171.177, Subd. 13). In those cases, if a person indicates by word or action that he/she will physically resist a blood draw, the deputy should request a supervisor to respond.

The responding supervisor should:

- (a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.
- (b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes, a viable form of testing in a timely manner.
- (c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another deputy), and attempt to persuade the person to submit to such a sample without physical resistance.
 - 1. This dialogue should be recorded on audio and/or video when reasonably practicable.
- (d) Ensure that the blood sample is taken in a medically approved manner.
- (e) Ensure that the forced blood draw is recorded on audio and/or video when reasonably practicable.
- (f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances:
 - 1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Impaired Driving

2. In misdemeanor cases, if the arrestee becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
 3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood draw may be permitted.
- (g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.

If a supervisor is unavailable, deputies are expected to use sound judgment and perform the duties of a supervisor, as set forth above.

503.4.4 WARRANTS FOR CONTROLLED SUBSTANCES OR INCAPACITATION

A blood or urine test may be required pursuant to a warrant if the deputy has probable cause to believe that (Minn. Stat. § 169A.51, Subd. 4):

- (a) The person's impairment is due to a controlled substance, an intoxicating substance, or cannabis or hemp-related product that is not subject to testing by a breath test.
- (b) A controlled substance listed in Schedule I or II or its metabolite (other than a cannabis or hemp-related product or tetrahydrocannabinols), is present in the person's body.
- (c) The person is unconscious or incapacitated to the point that the deputy providing the breath test advisory, administering the breath test, or serving the search warrant has a good faith belief that the person is mentally or physically unable to comprehend the advisory or otherwise voluntarily submit to the chemical tests.

If a person objects to the blood or urine test as directed by the warrant or deputy, the deputy should offer the other type of test if the person is conscious. Action may be taken against a person refusing to submit to a blood or urine test only if an alternate test of blood or urine, as applicable, was offered (Minn. Stat. § 169A.51, Subd. 4; Minn. Stat. § 171.177, Subd. 2).

503.4.5 STATUTORY NOTIFICATIONS UPON REFUSAL WITH A SEARCH WARRANT

Upon refusal to submit to a chemical test pursuant to a search warrant, deputies shall personally serve the notice of intention to revoke upon the person and invalidate the person's license in such a way that no identifying information is destroyed and immediately return the license to the person (Minn. Stat. § 171.177, Subd. 8).

503.5 ARREST AND INVESTIGATION

503.5.1 RIGHT TO ATTORNEY CONTACTS

A person has a limited right to consult with an attorney prior to submitting to a chemical test. This right is limited to the extent that it cannot unreasonably delay administration of the test (Minn. Stat. § 169A.51, Subd. 2).

503.5.2 ARREST AUTHORITY

A deputy may arrest a person without a warrant and without regard to whether the offense was committed in the deputy's presence if there is probable cause to believe the person committed (Minn. Stat. § 169A.40):

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Impaired Driving

- (a) A DWI offense (Minn. Stat. § 169A.20).
- (b) An alcohol- or cannabis-related driving offense involving a school bus or a Head Start bus (Minn. Stat. § 169A.31).
- (c) An underage drinking and driving offense (Minn. Stat. § 169A.33).

503.5.3 DEPUTY RESPONSIBILITIES

If a deputy requests that a person submit to a chemical test and the person refuses such request, the deputy shall report such refusal to the Commissioner of the Department of Public Safety (DPS) and the appropriate prosecuting attorney (Minn. Stat. § 169A.52, Subd. 1; Minn. Stat. § 171.177, Subd. 3).

If a person refuses to submit to a test or in the alternative submits to a test and the results indicate a prohibited alcohol concentration, the deputy shall immediately give notice to the person that his/her driving privilege will be revoked and shall (Minn. Stat. § 169A.52, Subd. 7; Minn. Stat. § 171.177, Subd. 8):

- (a) Issue the person a temporary license effective for only seven days.
 - 1. Deputies are not required to issue a person a temporary license if the person's driving privilege is under withdrawal by DPS or if the person is unlicensed.
- (b) Send the notification of this action to the Commissioner of the DPS along with the certification that there was probable cause to believe the person had been driving, operating or in physical control of a motor vehicle while impaired, and that the person either refused to submit to a test or submitted to a test and the results indicated a prohibited alcohol concentration or drug presence.

Test results of a person that indicate a prohibited alcohol concentration or drug presence shall be forwarded to the Commissioner of the DPS and the appropriate prosecuting attorney (Minn. Stat. § 169A.52, Subd. 2).

503.5.4 PRELIMINARY SCREENING TEST

A deputy who has reason to believe the person was driving, operating or in physical control of a motor vehicle while impaired, may require the person to provide a sample of the person's breath for a preliminary screening test using a device approved by the DPS Commissioner (Minn. Stat. § 169A.41, Subd. 1).

The deputy must use the results of the preliminary screening test for the purpose of deciding whether to arrest the person and require further chemical testing pursuant to Minn. Stat. § 169A.51 (Minn. Stat. § 169A.41, Subd. 2).

503.5.5 ADDITIONAL TESTING

A deputy shall permit a person required to submit to a chemical test to have a qualified person of his/her own choosing administer a separate chemical test (Minn. Stat. § 169A.51, Subd. 7(b)). The separate chemical test shall:

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Impaired Driving

- (a) Be conducted at the place where the person is in custody.
- (b) Be conducted after the deputy has administered the statutorily mandated test.
- (c) Impose no expense to the state.

503.5.6 ADDITIONAL REQUIREMENTS FOR BREATH SAMPLES

All breath samples requested in accordance with this policy shall be obtained in accordance with Minn. Stat. § 169A.51, Subd. 5.

503.6 RECORDS OFFICE RESPONSIBILITIES

The Office Supervisor will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney's office.

503.7 TRAINING

The Training Lieutenant should ensure that deputies participating in the enforcement of DWI laws receive regular training. Training should include at minimum current laws on impaired driving, investigative techniques and rules of evidence pertaining to DWI investigations. The Training Lieutenant should confer with the prosecuting attorney's office and update training topics as needed.

Traffic Citations

504.1 PURPOSE AND SCOPE

This policy outlines the responsibility for traffic citations, the collection of data, the procedure for dismissal, correction and voiding of traffic citations.

504.2 RESPONSIBILITIES

The Patrol Lieutenant shall be responsible for the development and design of all General Order traffic citations in compliance with state law (Minn. Stat. § 169.99 and Minn. Stat. § 169.999 Subd. 3).

The Records Office shall be responsible for the supply and accounting of all traffic citations issued to employees of this office. Citations will be kept in a secure location and issued to deputies by Records Office staff. Deputies will sign for the citation books when issued.

504.3 DISMISSAL OF TRAFFIC CITATIONS

Employees of this office do not have the authority to dismiss a citation once it has been issued. Only the court has the authority to dismiss a citation that has been issued. Any request from a recipient to dismiss a citation shall be referred to the Patrol Lieutenant. Upon a review of the circumstances involving the issuance of the traffic citation, the Patrol Lieutenant may request the Patrol Division Commander to recommend dismissal of the traffic citation. If approved, the citation will be forwarded to the appropriate prosecutor with a request for dismissal. All recipients of traffic citations whose request for dismissal of a traffic citation has been denied shall be referred to the appropriate court.

Should a deputy determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate, the deputy may request the prosecutor to dismiss the citation. Upon dismissal of the traffic citation by the court, the deputy shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required. The citation dismissal shall then be forwarded to the Patrol Division Commander for review.

Members of the Office should provide a report or other verification to the owner of a stolen vehicle that may have received a citation during the time of the theft for the purpose of dismissing the citation (Minn. Stat. § 169.042 Subd. 2).

504.4 JUVENILE CITATIONS

Completion of traffic citation forms for juveniles may vary slightly from the procedure for adults. The juvenile's age, place of residency and the type of offense should be considered before issuing the juvenile a citation.

- (a) When any juvenile is issued a citation for a drug or alcohol violation, or a juvenile 16 years of age or older is issued a citation for an adult court traffic offense, the deputy shall follow the arrest procedures prescribed in Minn. Stat. § 169.91 and shall make

Clay County Sheriff's Office

reasonable effort to notify the child's parent or guardian of the violation and the nature of the charge. Notifications should be documented (Minn. Stat. § 260B.225 Subd. 3).

- (b) When any juvenile is issued a citation for a major traffic offense, the deputy is required to file a signed copy of the citation, as provided in Minn. Stat. § 169.91, with the juvenile court of the county in which the violation occurred. The citation serves as a petition providing the juvenile court jurisdiction (Minn. Stat. § 260B.225 Subd. 5).

Disabled Vehicles

505.1 PURPOSE AND SCOPE

Law enforcement and other public agencies may develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

505.2 DEPUTY RESPONSIBILITIES

When an on-duty deputy observes a disabled vehicle on the roadway, the deputy should make a reasonable effort to provide assistance. If that deputy is assigned to a call of higher priority, the dispatcher should be advised of the location of the disabled vehicle and the need for assistance. The dispatcher should then assign another available deputy to respond for assistance as soon as practicable.

505.3 EXTENT OF ASSISTANCE

In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by Office personnel will be contingent on the time of day, the location, the availability of Office resources and the vulnerability of the disabled motorist.

505.3.1 MECHANICAL REPAIRS

Office personnel shall not make mechanical repairs to a disabled vehicle. The use of push bumpers to relocate vehicles to a position of safety is not considered a mechanical repair.

505.3.2 RELOCATION OF DISABLED VEHICLES

The relocation of disabled vehicles by members of this office by pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle.

Abandoned Vehicle Violations

506.1 PURPOSE AND SCOPE

This policy provides procedures for the removal, recording and storage of vehicles abandoned in violation of abandoned vehicle laws, under the authority of Minn. Stat. § 168B.04.

506.1.1 DEFINITION

Pursuant to Minnesota statutes, a vehicle is abandoned if:

- (a) The motor vehicle has remained illegally for more than 48 hours on any government-owned or -controlled property, or for more than four hours on that property when properly posted (Minn. Stat. § 168B.011 Subd. 2 (1)).
- (b) The motor vehicle has been properly tagged by a deputy and abandoned for four hours on any highway (Minn. Stat. § 168B.04, Subd. 2 (b) (1)).

Stat. § 168B.04 Subd. 2 (b) (2)).

506.2 MARKING VEHICLES

Vehicles on public roadways suspected of being abandoned in violation of Minnesota abandoned vehicle laws shall be marked and noted on the Clay County Sheriff's Office Marked Vehicle Card or documented via the computer aided dispatch (CAD) system.

506.2.1 VEHICLE STORAGE

Any vehicle in violation shall be stored in the impound lot, by the authorized towing service and a vehicle impound report shall be completed by the deputy authorizing the impoundment of the vehicle.

It shall be the responsibility of the RRRDC to immediately notify the Minnesota Criminal Justice Information Services (MNJIS). Notification may also be made to the National Law Enforcement Telecommunications System (NLETS).

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Abandoned Vehicle Violations

Within 48 hours of the storage of any such vehicle, excluding weekends and holidays, it shall be the responsibility of the RRRDC to immediately notify MNJIS. Notification may also be made to the NLETS.

Chapter 6 - Investigation Operations

Investigation and Prosecution

600.1 PURPOSE AND SCOPE

The purpose of this policy is to set guidelines and requirements pertaining to the handling and disposition of criminal investigations.

600.2 POLICY

It is the policy of the Clay County Sheriff's Office to investigate crimes thoroughly and with due diligence, and to evaluate and prepare criminal cases for appropriate clearance or submission to a prosecutor.

600.3 INITIAL INVESTIGATION

600.3.1 DEPUTY RESPONSIBILITIES

A deputy responsible for an initial investigation shall complete no less than the following:

- (a) Make a preliminary determination of whether a crime has been committed by completing, at a minimum:
 - 1. An initial statement from any witnesses or complainants.
 - 2. A cursory examination for evidence.
- (b) If information indicates a crime has occurred, the deputy shall:
 - 1. Preserve the scene and any evidence as required to complete the initial and follow-up investigation.
 - 2. Determine if additional investigative resources (e.g., investigators or scene processing) are necessary and request assistance as required.
 - 3. If assistance is warranted, or if the incident is not routine, notify a supervisor or the Shift Supervisor.
 - 4. Make reasonable attempts to locate, identify and interview all available victims, complainants, witnesses and suspects.
 - 5. Collect any evidence.
 - 6. Take any appropriate law enforcement action.
 - 7. Complete and submit the appropriate reports and documentation.
- (c) If the preliminary determination is that no crime occurred, determine what other action may be necessary, what other resources may be available, and advise the informant or complainant of this information.

600.4 CUSTODIAL INTERROGATION REQUIREMENTS

Suspects who are in custody and subjected to an interrogation shall be given the *Miranda* warning, unless an exception applies. Interview or interrogation of a juvenile shall be in accordance with the Temporary Custody of Juveniles Policy.

600.4.1 AUDIO/VIDEO RECORDINGS

Any custodial interrogation of a person who is suspected of having committed a criminal offense should be electronically recorded (audio/video or both as available) in its entirety, including any information or discussion about the person's rights and any waiver of those rights. Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Consideration should also be given to recording a non-custodial interrogation, or any investigative interview, for any other offense when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of a custodial interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Investigation Unit supervisor. Copies of recorded interrogations or interviews may be made in the same or a different format as the original recording, provided the copies are true, accurate and complete and are made only for authorized and legitimate law enforcement purposes.

Recordings should not take the place of a thorough report and investigative interviews. Written statements from suspects should continue to be obtained when applicable.

600.5 DISCONTINUATION OF INVESTIGATIONS

The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

- (a) All reasonable investigative efforts have been exhausted, no reasonable belief that the person who committed the crime can be identified, and the incident has been documented appropriately.

 - 1. In these cases, the investigator shall document that the person was warned and why prosecution was not sought.
 - 2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.
- (c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.
- (d) The case has been submitted to the appropriate prosecutor, charges have been filed, and further investigation is not reasonable, warranted or requested, and there is no need to take the suspect into custody.

Clay County Sheriff's Office

Investigation and Prosecution

- (e) Suspects have been arrested, there are no other suspects, and further investigation is either not warranted or requested.
- (f) Investigation has proven that a crime was not committed (see the Sexual Assault Investigations Policy for special considerations in these cases).

The Domestic Abuse, Child Abuse, Sexual Assault Investigations and Adult Abuse policies may also require an arrest or submittal of a case to a prosecutor.

600.6 COMPUTERS AND DIGITAL EVIDENCE

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, deputies should request that computer forensic examiners assist with seizing computers and related evidence. If a forensic examiner is unavailable, deputies should take reasonable steps to prepare for such seizure and use the resources that are available.

600.7 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES

Use of social media and any other Internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights and civil liberties. Information gathered via the Internet should only be accessed by members while on-duty and for purposes related to the mission of this office. If a member encounters information relevant to a criminal investigation while off-duty or while using his/her own equipment, the member should note the dates, times and locations of the information and report the discovery to his/her supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using office equipment.

Information obtained via the Internet should not be archived or stored in any manner other than office-established record keeping systems (see the Records Maintenance and Release and Criminal Organizations policies).

600.7.1 ACCESS RESTRICTIONS

Information that can be accessed from any office computer, without the need of an account, password, email address, alias or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any Internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.

Accessing information that requires the use of a third party's account or online identifier requires supervisor approval and the consent of the third party. The consent must be voluntary and shall be documented in the related investigative report.

Clay County Sheriff's Office

Informants

603.4.1 UNSUITABLE INFORMANTS

The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be unsuitable will notify the supervisor, who will initiate a review to determine suitability. Until a determination has been made by a supervisor, the informant should not be used by any member. The supervisor shall determine whether the informant should be used by the Office and, if so, what conditions will be placed on his/her participation or any information the informant provides. The supervisor shall document the decision and conditions in file notes and mark the file "unsuitable" when appropriate.

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

Informant files shall be maintained in a secure area within the Narcotics Unit. The Narcotics Unit supervisor or the authorized designee shall be responsible for maintaining informant files. Access to the informant files shall be restricted to the Sheriff, Division Commander, Narcotics Unit supervisor or their authorized designees.

The Investigation Division Commander should arrange for an audit using a representative sample of randomly selected informant files on a periodic basis, but no less than one time per year. If the Narcotics Unit supervisor is replaced, the files will be audited before the new supervisor takes over management of the files. The purpose of the audit is to ensure compliance with file content and updating provisions of this policy. The audit should be conducted by a supervisor who does not have normal access to the informant files.

- The level of risk taken by the informant

The Narcotics Unit supervisor will discuss the above factors with the Patrol Division Commander and recommend the type and level of payment subject to approval by the Sheriff.

603.6.1 PAYMENT PROCESS

Approved payments to an informant should be in cash using the following process:

- (a) Payments of \$500 and under may be paid in cash from a Narcotics Unit buy/expense fund.
 1. The Narcotics Unit supervisor shall sign the voucher for cash payouts from the buy/expense fund.
- (b) Payments exceeding \$500 shall be made by issuance of a check, payable to the deputy who will be delivering the payment.
 1. The check shall list the case numbers related to and supporting the payment.
 2. A written statement of the informant's involvement in the case shall be placed in the informant's file.
 3. The statement shall be signed by the informant verifying the statement as a true summary of the informant's actions in the case.
 4. Authorization signatures from the Sheriff and the County Administrator are required for disbursement of the funds.
- (c) To complete the payment process for any amount, the deputy delivering the payment shall complete a cash transfer form.
 1. The cash transfer form shall include the following:
 - (a) Date
 - (b) Payment amount
 - (c) Clay County Sheriff's Office case number
 - (d) A statement that the informant is receiving funds in payment for information voluntarily rendered.
 2. The cash transfer form shall be signed by the informant.
 3. The cash transfer form will be kept in the informant's file.
 4. At least two deputies should be present when payments are made.
 5. Any signature by the informant for receipt of payment should not contain the true identity of the informant but should use the informant's control number.

Informants

603.6.2 REPORTING OF PAYMENTS

Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant and by doing so jeopardize any investigation, the safety of deputies or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the informant shall be provided a letter identifying the amount he/she must report on a tax return as "other income" and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the informant's file.

603.6.3 AUDIT OF PAYMENTS

The Narcotics Unit supervisor or the authorized designee shall be responsible for compliance with any audit requirements associated with grant provisions and applicable state and federal law.

At least once every six months, the Sheriff or the authorized designee should conduct an audit of all informant funds for the purpose of accountability and security of the funds. The funds and related documents (e.g., buy/expense fund records, cash transfer forms, invoices, receipts and logs) will assist with the audit process.

603.7 INFORMANT COORDINATOR

The Sheriff or the authorized designee should designate an informant coordinator responsible for remaining familiar with the requirements and guidelines set forth in Minn. Stat. § 626.8476 and the MN POST Confidential Informants Model Policy.

The coordinator is also responsible for implementing office procedures and protocols concerning the recruitment, control, and use of informants, as adopted by the model policy, including but not limited to:

- (a) Establishing general guidelines related to the oversight of informants such as:
 - 1. The execution of informant agreements.
 - 2. The use of informants in exigent circumstances.
 - 3. Supervisor review of informant files and informant agreements, and attendance at debriefings and meetings.
 - 4. Communication strategies and plans to address the confidentiality and integrity of the office/informant relationship.
 - 5. The screening of informants for personal safety or mental health concerns before and after their use.
- (b) Developing procedures for determining initial and continued suitability, and preparing related reports (e.g., Initial Suitability Report, Continuing Suitability Report).

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Informants

1. Procedures should include a process for forwarding the results of initial and continuing suitability determinations to appropriate office members.
 2. The local prosecutor's office should be consulted before engaging individuals who require special review and approval (e.g., juveniles, government officials, those individuals obligated by legal privilege of confidentiality).
- (c) Creating a process for identifying individuals who may be or who may become unsuitable to serve as informants (e.g., individuals receiving in-patient or partial-hospitalization treatment for a substance use disorder or mental illness, participating in a treatment-based drug court program or treatment court, having overdosed in the last 12 months, having a physical or mental illness that impairs the ability to understand instructions and make informed decisions).
- (d) Working with office members to identify informants who should be referred to prevention or treatment services.
- (e) Addressing jurisdictional issues to ensure proper coordination in the use of informants.
- (f) Working with the Narcotics Unit supervisor to manage the informant file system, including establishing guidelines regarding access, review, and disclosure.
- (g) Establishing deactivation procedures.
- (h) Making any necessary updates to agency procedures.
- (i) Certifying annually to MN POST that the Office has adopted a policy that complies with the requirements of the model policy as required by Minn. Stat. § 626.8476, Subd. 3.

603.8 TRAINING

The Training Lieutenant shall provide in-service training to deputies, including part-time deputies, in the recruitment, control, and use of confidential informants as required by Minn. Stat. § 626.8476.

Eyewitness Identification

604.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this office employ eyewitness identification techniques (Minn. Stat. § 626.8433).

604.1.1 DEFINITIONS

Definitions related to the policy include:

Eyewitness identification process - Any field identification, live lineup or photographic identification.

Field identification - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

Live lineup - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

Photographic lineup - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

604.2 POLICY

The Clay County Sheriff's Office will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

604.2.1 POST MODEL POLICY

It is the policy of the Clay County Sheriff's Office to follow the requirements of the Eyewitness Identification Procedures model policy, established and published by the Minnesota Board of Peace Officer Standards and Training (POST) (Minn. Stat. § 626.8433).

[See attachment: Eyewitness Identification Procedures model policy.pdf](#)

604.3 INTERPRETIVE SERVICES

Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating deputy should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Eyewitness Identification

604.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Investigation Unit supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide:

- (a) The date, time, and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.
- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
- (g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.
- (j) A statement from the witness in the witness's own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.
- (k) Any other direction to meet the requirements of the POST model policy.

The process and related forms should be reviewed at least annually and modified when necessary.

604.4.1 POST REQUIREMENTS

The Investigation Unit supervisor should remain familiar with the requirements contained in the Eyewitness Identification Procedures model policy issued by POST and incorporate these, as necessary, into the eyewitness identification process for use by members when conducting photographic and live lineups.

604.5 EYEWITNESS IDENTIFICATION

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case. Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified, or failed to identify, the individual as the suspect.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Eyewitness Identification

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and/or video recorded and the recording should be retained according to current evidence procedures.

604.5.1 PHOTOGRAPHIC AND LIVE LINEUP CONSIDERATIONS

When conducting a live lineup, the member presenting the lineup should not be involved in the investigation or know the identity of the suspect (Minn. Stat. § 626.8433).

When conducting a photographic lineup, if practicable, the member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup.

The member presenting the lineup to a witness should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating deputy should contact the appropriate prosecuting attorney before proceeding.

604.5.2 FIELD IDENTIFICATION CONSIDERATIONS

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identification. A field elimination show-up or one-on-one identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain and document a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
 - 1. The length of time the witness observed the suspect.
 - 2. The distance between the witness and the suspect.
 - 3. Whether the witness could view the suspect's face.
 - 4. The quality of the lighting when the suspect was observed by the witness.
 - 5. Whether there were distracting noises or activity during the observation.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Eyewitness Identification

6. Any other circumstances affecting the witness's opportunity to observe the suspect.
 7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
 - (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.
 - (e) The person who is the subject of the show-up should not be shown to the same witness more than once.
 - (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.
 - (g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect, or to perform other actions mimicking those of the suspect.
 - (h) If a witness positively identifies a subject of the show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.

604.6 DOCUMENTATION

A thorough description of the eyewitness process and the results of any eyewitness identification should be documented in the case report.

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

604.6.1 DOCUMENTATION RELATED TO RECORDINGS

The member conducting the lineup should document the reason that an audio and/or video recording was not obtained, if applicable.

Brady Material Disclosure

605.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called "*Brady* information") to a prosecuting attorney.

605.1.1 DEFINITIONS

Definitions related to this policy include:

Brady information - Information known or possessed by the Clay County Sheriff's Office that is both favorable and material to the current prosecution or defense of a criminal defendant.

605.2 POLICY

The Clay County Sheriff's Office will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Clay County Sheriff's Office will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Office will identify and disclose to the prosecution potentially exculpatory information as provided in this policy.

605.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Deputies must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If a deputy learns of potentially incriminating or exculpatory information any time after submission of a case, the deputy or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor's office.

If information is believed to be privileged or confidential (e.g., informant or attorney-client information, attorney work product), the deputy should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If a deputy is unsure whether evidence or facts are material, the deputy should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Office case file.

605.4 DISCLOSURE OF REQUESTED INFORMATION

If *Brady* information is located, the following procedure shall apply:

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Brady Material Disclosure

- (a) In the event that a motion has not already been filed by the criminal defendant or other party, the prosecuting attorney and office member shall be notified of the potential presence of *Brady* material in the member's personnel file.
- (b) The prosecuting attorney or County Attorney should then be requested to file a motion in order to initiate an in-camera review by the court.
 - 1. If no motion is filed, the Custodian of Records should work with the appropriate counsel to determine whether the records should be disclosed to the prosecutor.
- (c) The Custodian of Records shall accompany all relevant personnel files during any in-camera inspection to address any issues or questions raised by the court.
- (d) If the court determines that there is relevant *Brady* material contained in the files, only that data ordered released will be copied and released to the parties filing the motion.
 - 1. Prior to the release of any materials pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use and further dissemination of such materials to the involved case and requiring the return of all copies upon completion of the case.
- (e) If a court has determined that relevant *Brady* information is contained in the member's file in any case, the prosecutor should be notified of that fact in all future cases involving that member.

605.5 INVESTIGATING BRADY ISSUES

If the Office receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

605.6 TRAINING

Office personnel should receive periodic training on the requirements of this policy.

605.7 BRADY PROCESS

The Sheriff shall select a member of the Office to coordinate requests for *Brady* information. This person shall be directly responsible to the Administration Division Commander or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

- (a) Working with the appropriate prosecutors' offices and the County Attorney's office to establish systems and processes to determine what constitutes *Brady* information and the method for notification and disclosure.
- (b) Maintaining a current list of members who have *Brady* information in their files or backgrounds.
 - 1. Updating this list whenever potential *Brady* information concerning any office member becomes known to the Office or is placed into a personnel or internal affairs file.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Brady Material Disclosure

605.8 SUBPOENA PROCESSING

The individual processing subpoenas (or the supervisor of the subpoenaed member) shall check the subpoenaed member's name against the current list of those who are known to have *Brady* information in their files or background, and shall alert the coordinator if a person on the list is subpoenaed.

Unmanned Aerial System

606.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of an unmanned aerial system (UAS) and for the storage, retrieval, and dissemination of images and data captured by the UAS (Minn. Stat. § 626.19).

606.1.1 DEFINITIONS

Definitions related to this policy include:

Unmanned aerial system (UAS) - An unmanned aircraft of any type that is capable of sustaining directed flight, whether preprogrammed or remotely controlled without the possibility of direct human intervention from within or on the aircraft (commonly referred to as an unmanned aerial vehicle (UAV)), and all of the supporting or attached systems designed for gathering information through imaging, recording, or any other means (Minn. Stat. § 626.19).

606.2 POLICY

A UAS may be utilized to enhance the Office's mission of protecting lives and property when other means and resources are not available or are less effective. Any use of a UAS will be in strict accordance with constitutional and privacy rights and Federal Aviation Administration (FAA) regulations.

606.3 PRIVACY

The use of the UAS potentially involves privacy considerations. Absent a warrant or exigent circumstances, operators and observers shall not intentionally record or transmit images of any location where a person would have a reasonable expectation of privacy (e.g., residence, yard, enclosure). Operators and observers shall take reasonable precautions to avoid inadvertently recording or transmitting images of areas where there is a reasonable expectation of privacy. Reasonable precautions can include, for example, deactivating or turning imaging devices away from such areas or persons during UAS operations.

606.4 PROGRAM COORDINATOR

The Sheriff will appoint a program coordinator who will be responsible for the management of the UAS program. The program coordinator will ensure that policies and procedures conform to current laws, regulations, and best practices and will have the following additional responsibilities:

- Coordinating the FAA Certificate of Waiver or Authorization (COA) application process and ensuring that the COA is current, and/or coordinating compliance with FAA Part 107 Remote Pilot Certificate, as appropriate for office operations.
- Ensuring that all authorized operators and required observers have completed all required FAA and office-approved training in the operation, applicable laws, policies, and procedures regarding use of the UAS.
- Developing uniform protocols for submission and evaluation of requests to deploy a UAS, including urgent requests made during ongoing or emerging incidents.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Unmanned Aerial System

Deployment of a UAS shall require written authorization of the Sheriff or the authorized designee, depending on the type of mission.

- Coordinating the completion of the FAA Emergency Operation Request Form in emergency situations, as applicable (e.g., natural disasters, search and rescue, emergency situations to safeguard human life).
- Developing protocols for conducting criminal investigations involving a UAS, including documentation of time spent monitoring a subject.
- Implementing a system for public notification of UAS deployment.
- Developing operational protocols governing the deployment and operation of a UAS including but not limited to safety oversight, use of visual observers, establishment of lost link procedures, and secure communication with air traffic control facilities.
- Developing a protocol for fully documenting all missions.
- Developing a UAS inspection, maintenance, and record-keeping protocol to ensure continuing airworthiness of a UAS, up to and including its overhaul or life limits.
- Developing protocols to ensure that all data intended to be used as evidence are accessed, maintained, stored, and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails, including encryption, authenticity certificates, and date and time stamping, shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.
- Developing protocols that ensure retention and purge periods are maintained in accordance with established records retention schedules.
- Facilitating law enforcement access to images and data captured by the UAS.
- Recommending program enhancements, particularly regarding safety and information security.
- Ensuring that established protocols are followed by monitoring and providing periodic reports on the program to the Sheriff.
- Maintaining familiarity with FAA regulatory standards, state laws and regulations, and local ordinances regarding the operations of a UAS.
- Developing protocols for reviewing and approving requests for use of the Office UAS by government entities (Minn. Stat. § 626.19).
- Preparing and submitting the required annual report to the Commissioner of Public Safety (Minn. Stat. § 626.19).
- Posting the Office policies and procedures regarding the use of UAV on the office website, as applicable (Minn. Stat. § 626.19).
- Reviewing the program and UAS use for compliance with Minn. Stat. § 626.19.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Unmanned Aerial System

606.5 USE OF UAS

Only authorized operators who have completed the required training shall be permitted to operate the UAS.

Use of vision enhancement technology (e.g., thermal and other imaging equipment not generally available to the public) is permissible in viewing areas only where there is no protectable privacy interest or when in compliance with a search warrant or court order. In all other instances, legal counsel should be consulted.

UAS operations should only be conducted consistent with FAA regulations.

Members shall not use a UAS without a search warrant, except (Minn. Stat. § 626.19):

- (a) During or in the aftermath of an emergency situation or disaster that involves the risk of death or bodily harm to a person.
- (b) Over a public event where there is a heightened risk to the safety of participants or bystanders.
- (c) To counter the risk of a terrorist attack by a specific individual or organization if the agency determines that credible intelligence indicates a risk.
- (d) To prevent the loss of life or property in natural or man-made disasters and to facilitate operation planning, rescue, and recovery operations.
- (e) To conduct a threat assessment in anticipation of a specific event.
- (f) To collect information from a public area if there is reasonable suspicion of criminal activity.
- (g) To collect information for crash reconstruction purposes after a serious or deadly collision occurring on a public road.
- (h) Over a public area for deputy training or public relations purposes.
- (i) For purposes unrelated to law enforcement at the request of a government entity, provided the request is in writing and specifies the reason for the request and a proposed period of use.

606.5.1 DOCUMENTATION REQUIRED

Each use of a UAS should be properly documented by providing the following (Minn. Stat. § 626.19):

- (a) A unique case number
- (b) A factual basis for the use of a UAS
- (c) The applicable exception, unless a warrant was obtained

606.6 PROHIBITED USE

The UAS video surveillance equipment shall not be used:

- To conduct random surveillance activities.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

- To harass, intimidate, or discriminate against any individual or group.
- To conduct personal business of any type.

The UAS shall not be weaponized (Minn. Stat. § 626.19).

606.6.1 ADDITIONAL PROHIBITIONS

Unless authorized by a warrant, a UAS shall not be deployed with facial recognition or biometric-matching technology (Minn. Stat. § 626.19).

Unless authorized by a warrant or for purposes of a permitted use outlined in this policy, a UAS shall not be used to collect data on public protests or demonstrations (Minn. Stat. § 626.19).

606.7 RETENTION OF UAS DATA

The Records Office supervisor shall ensure that data collected by the UAS is disclosed or deleted as required by Minn. Stat. § 626.19, including the deletion of collected data as soon as possible, and in no event later than seven days after collection, unless the data is part of an active criminal investigation (Minn. Stat. § 626.19).

Scrap Metal Theft Investigation

607.1 PURPOSE AND SCOPE

This policy provides guidance regarding scrap metal theft investigations.

607.1.1 DEFINITIONS

Definitions related to this policy include:

Scrap vehicle operator or operator - A person described in Minn. Stat. § 168A.1501 who engages in a transaction involving the purchase or acquisition of a scrap vehicle.

Scrap metal dealer or dealer - A person engaged in the business of buying or selling scrap metal, or both, including a scrap metal processor, as defined in Minn. Stat. § 325E.21.

607.2 POLICY

The Clay County Sheriff's Office recognizes the difficulty in preventing scrap metal theft and may investigate, place holds on or confiscate items as provided in this policy.

607.3 INSPECTIONS AND AUDITS

A deputy engaged in scrap metal theft investigations may (Minn. Stat. § 168A.1501; Minn. Stat. § 325E.21):

- (a) Conduct inspections and audits of any purchase and acquisition records maintained by scrap vehicle operators or scrap metal dealers.
- (b) Inspect scrap vehicle or scrap metal received by an operator or dealer at any reasonable time.
- (c) Inspect any video or still camera and any recordings or images required to be maintained by an operator or dealer.

Any refusal to allow such inspections or audits should be referred to the County attorney for criminal prosecution.

607.4 INVESTIGATIVE HOLDS

A deputy who has probable cause to believe that a scrap vehicle or motor vehicle parts in the possession of a scrap vehicle operator, or that scrap metal in the possession of a scrap metal dealer, is stolen or is evidence of a crime may verbally order the operator or dealer not to process, sell, remove or allow the removal of the item for 30 days (Minn. Stat. § 168A.1501; Minn. Stat. § 325E.21).

The deputy issuing the order is responsible for ensuring that the order to hold the item is confirmed in writing within 72 hours. If the item is identified as evidence in an active criminal case, the deputy may extend the hold in writing. This extension must occur within 30 days of the original order and may remain in effect for as long as the investigation or prosecution is active.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Scrap Metal Theft Investigation

607.5 SEIZING ITEMS

The investigating deputy should confer with the prosecuting attorney to determine whether the item should be confiscated. If the item is evidence or otherwise needed for an investigation or prosecution, the deputy may issue a written notice to confiscate any time during the investigative hold. The deputy shall take custody of the item within 15 days of the notice to confiscate (Minn. Stat. § 168A.1501; Minn. Stat. § 325E.21).

When an item is confiscated, the deputy shall:

- (a) Provide the operator or dealer a property receipt that includes at least the following:
 - 1. The name and telephone number of the Office.
 - 2. The name and telephone number of the deputy.
 - 3. The case number related to the confiscation.
- (b) Deliver the item to the Evidence Room.

When a confiscated item is no longer needed for an investigation or prosecution, it may be returned to a registered owner only after giving the operator or dealer from whom the item was seized written notice of intent to do so. The written notice should include notice of the right of the operator or dealer to make a written request for return of the item and that if the Office does not return the item within 48 hours of the request, excluding Saturday, Sunday or legal holidays, the operator or dealer may file a petition for the return of the item in the district court in the district in which the property was seized (Minn. Stat. § 626.04).

607.6 TERMINATION OF HOLD OR NOTICE TO CONFISCATE

At the conclusion of any investigation and prosecution, the deputy who issued the investigative hold or a notice to confiscate property not yet confiscated shall notify the operator or dealer in writing that the hold or notice is no longer in effect (Minn. Stat. § 168A.1501; Minn. Stat. § 325E.21).

Chapter 7 - Equipment

An employee's intentional or negligent abuse or misuse of office property may lead to discipline including, but not limited to, the cost of repair or replacement.

- (a) Employees shall promptly report through the chain of command, any loss, damage to or unserviceable condition of any office-issued property or equipment assigned for their use.
 - 1. A supervisor receiving such a report shall make an appropriate investigation and direct a memo to the appropriate Division Commander that shall include the result of his/her investigation and whether the employee followed proper procedures. The supervisor's report shall address whether reasonable care was taken to prevent the loss, damage or unserviceable condition.
 - 2. A review by Staff to determine whether misconduct or negligence was involved should be completed.
- (b) The use of damaged or unserviceable office property should be discontinued as soon as practicable and, if appropriate and approved by staff, replaced with comparable Office property as soon as available and following notice to a supervisor.
- (c) Except when otherwise directed by competent authority or required by exigent circumstances, Office property shall only be used by those to whom it was assigned. Use should be limited to official purposes and in the capacity for which it was designed.
- (d) Office property shall not be thrown away, sold, traded, donated, destroyed or otherwise disposed of without proper authority.
- (e) In the event that any Office property becomes damaged or unserviceable, no employee shall attempt to repair the property without prior approval of a supervisor.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Office-Owned and Personal Property

700.3 USE OF PERSONAL PROPERTY

The carrying of personal equipment on-duty or its use in the performance of duties requires prior written approval by the Sheriff or appropriate Division Commander. The employee should submit for approval the description of personal property the employee has requested to carry, the reason for its use and the term of its use. Personal property of the type routinely carried by persons not performing law enforcement duties nor comprising a weapon are excluded from this requirement. 700.3.1 DEFINITIONS

Personal Property - Items or equipment owned by, provided by or purchased totally at the expense of the employee. This definition includes optional equipment items identified in the Uniform Regulations Policy.

700.3.2 FILING CLAIMS FOR PERSONAL PROPERTY

Claims for reimbursement for damage or loss of personal property must be made on the proper form. This form is submitted to the employee's immediate supervisor. The supervisor may require a separate written report of the loss or damage.

The supervisor receiving such a report shall make an appropriate investigation and direct a memo to the appropriate Division Commander that shall include the result of his/her investigation and whether reasonable care was taken to prevent the loss, damage or unserviceable condition.

Upon review by staff and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Sheriff, who will then forward the claim to the Finance Department.

The Office will not replace or repair costly items (e.g., jewelry, exotic equipment) that are not reasonably required as a part of work.

700.3.3 REPORTING REQUIREMENT

A verbal report shall be made to the employee's immediate supervisor as soon as circumstances permit.

A written report shall be submitted before the employee goes off-duty or within the time frame directed by the supervisor to whom the verbal report is made.

700.4 LOSS OR DAMAGE OF PROPERTY OF ANOTHER

Deputies and other employees intentionally or unintentionally may cause damage to the real or personal property of another while performing their duties. Any employee who damages or causes to be damaged any real or personal property of another while performing any law enforcement function shall report it as provided below.

- (a) A verbal report shall be made to the employee's immediate supervisor as reasonably soon as circumstances permit.

- (b) A written report shall be submitted before the employee goes off-duty or within the time frame directed by the supervisor to whom the verbal report was made.

700.4.1 DAMAGE BY PERSON OF ANOTHER AGENCY

Personal Communication Devices

701.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Office or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless-capable tablets, and similar wireless two-way communications and/or portable internet-access devices. PCD use includes but is not limited to placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games, and accessing sites or services on the internet.

701.2 POLICY

The Clay County Sheriff's Office allows employees to utilize office-issued or funded PCDs and to possess personally owned PCDs in the workplace subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Office, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally employees are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the employee and the employee's PCD records to civil or criminal discovery or disclosure under applicable data practices laws and rules of civil or criminal procedures.

Employees who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory personnel.

701.3 PRIVACY POLICY

Employees shall have no expectation of privacy with regard to any communication made with or stored in or through PCDs issued by the Office and shall have no expectation of privacy in their location should the device be equipped with location detection capabilities. The use of any office-provided or -funded PCD, computer, Internet service, telephone service or other wireless service while on-duty is without any expectation of privacy that the employee might otherwise have in any communication, including the content of any such communication. Communications or data reception on personal, password-protected, web-based e-mail accounts and any other services are subject to monitoring if office equipment is used.

In accordance with this policy supervisors are authorized to conduct a limited administrative search of electronic files without prior notice, consent or a search warrant, on office-issued or personally owned PCDs that have been used to conduct office-related business. Administrative searches can take place for work-related purposes that may be unrelated to investigations of employee misconduct and, as reasonably practicable, will be done in the presence of the affected employee.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Personal Communication Devices

Prior to conducting any search of personally owned devices, supervisors shall consult with the Sheriff or designee. All such searches shall be fully documented in a written report.

701.4 OFFICE-ISSUED PCD

Depending on a member's assignment and the needs of the position, the Office may, at its discretion, issue or fund a PCD for the member's use to facilitate on-duty performance. Office-issued or funded PCDs may not be used for personal business either on- or off-duty unless authorized by the Sheriff or the authorized designee. Such devices and the associated telephone number, if any, shall remain the sole property of the Office and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless a member is expressly authorized by the Sheriff or the authorized designee for off-duty use of the PCD, the PCD will be either secured in the workplace at the completion of the tour of duty or turned off when leaving the workplace.

701.5 PERSONALLY OWNED PCD

Employees may carry a personally owned PCD while on-duty subject to the following conditions and limitations:

- (a) Carrying a personally owned PCD is a privilege, not a right.
- (b) The Office accepts no responsibility or liability for loss of or damage to a personally owned PCD.
- (c) Employees shall promptly notify the Office in the event the PCD is lost or stolen.
- (d) The PCD and any associated services shall be purchased, used and maintained solely at the employee's expense.
- (e) The device should not be used for work-related purposes except in exigent circumstances, (e.g. unavailability of radio communications). Employees have a reduced expectation of privacy when using a personally owned PCD in the workplace and have no expectation of privacy with regard to any office business-related communication.
 - 1. Members may use personally owned PCDs on-duty for routine administrative work as authorized by the Sheriff.
- (f) The device shall not be utilized to record or disclose any business-related data, including photographs, video or the recording or transmittal of any data or material obtained or made accessible as a result of employment with the Office, without the express authorization of the Sheriff or the authorized designee.
- (g) Use of a personally owned PCD constitutes consent for the Office to access the PCD to inspect and copy data to meet the needs of the Office, which may include litigation, public records retention and release obligations and internal investigations. If the PCD is carried on-duty, employees will provide the Office with all telephone access numbers of the device.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Personal Communication Devices

- (h) All work-related documents, e-mails, photographs, recordings or other public records created or received on a member's personally owned PCD should be transferred to the Clay County Sheriff's Office and deleted from the member's PCD as soon as reasonably practicable but no later than the end of the member's shift.

Except with prior express authorization from their supervisor, employees are not obligated or required to carry, access, monitor or respond to electronic communications using a personally owned PCD while off-duty. If an employee is in an authorized status that allows for appropriate compensation consistent with policy or existing collective bargaining agreements, or if the employee has prior express authorization from his/her supervisor, the employee may engage in business-related communications. Should employees engage in such approved off-duty communications or work, employees entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Employees who independently document off-duty office-related business activities in any manner shall promptly provide the Office with a copy of such records to ensure accurate record keeping.

701.5.1 PUBLIC RECORDS

Work related information including data created, received, recorded or stored on a personally owned PCD in the course of office duties is considered government data subject to the requirements of the Minnesota Government Data Practices Act and discovery obligations (Minn. Stat. § 13.01 et seq.).

701.6 USE OF PCD

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct office business:

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform unless it is in an approved carrier.
- (b) All PCDs in the workplace shall be set to silent or vibrate mode.
- (c) A PCD may not be used to conduct personal business while on-duty except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times unless an emergency exists.
- (d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (e) Members are prohibited from taking pictures, audio or video recordings, or making copies of any such picture or recording media unless it is directly related to official office business. Disclosure of any such information to any third party through any means requires the express authorization of the Sheriff or the authorized designee.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Personal Communication Devices

- (f) Members will not access social networking sites for any purpose that is not official office business. This restriction does not apply to a personally owned PCD used during authorized break times.
- (g) Using PCDs to harass, threaten, coerce, or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

701.7 USE WHILE DRIVING

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions, and present a negative image to the public. Deputies operating emergency vehicles should restrict the use of these devices to matters involving official duties and, where practicable, stop the vehicle at an appropriate location to use the PCD (Minn. Stat. § 169.475).

Except in an emergency, members who are operating non-emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use (Minn. Stat. § 169.475). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

701.8 OFFICIAL USE

Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other office communications network.

702.1 PURPOSE AND SCOPE

Employees are responsible for assisting in maintaining Office vehicles so that they are properly equipped, maintained, refueled and present a clean appearance.

Proper documentation shall be promptly completed by the employee who becomes aware of the defective condition. Paperwork, describing the correction needed, shall be promptly forwarded to vehicle maintenance for repair.

702.2.1 DAMAGE OR POOR PERFORMANCE

Vehicles that may have been damaged or perform poorly shall be removed from service for inspection and repair as soon as practicable.

Vehicles shall only be refueled at an authorized location.

702.5 WASHING OF VEHICLES

All units shall be kept clean at all times and, weather conditions permitting, shall be washed as necessary to enhance their appearance.

Vehicle Use

703.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a system of accountability to ensure office vehicles are used appropriately. This policy provides guidelines for on- and off-duty use of office vehicles and shall not be construed to create or imply any contractual obligation by the County of Clay to provide assigned take-home vehicles.

Additional guidelines for member responsibilities when transporting persons in custody may be found in the Transporting Persons in Custody Policy.

703.2 POLICY

The Clay County Sheriff's Office provides vehicles for office-related business and may assign patrol and unmarked vehicles based on a determination of operational efficiency, economic impact to the Office, requirements for tactical deployments and other considerations.

703.3 USE OF VEHICLES

703.3.1 MOBILE DIGITAL COMPUTER

Members assigned to vehicles equipped with a Mobile Digital Computer (MDC) shall log onto the MDC with the required information when going on-duty. If the vehicle is not equipped with a working MDC, the member shall notify RRRDC. Use of the MDC is governed by the Mobile Digital Computer Use Policy.

703.3.2 KEYS

Members approved to operate marked patrol vehicles should be issued a copy of the key as part of their initial equipment distribution. Members who are assigned a specific vehicle should be issued keys for that vehicle.

Members shall not duplicate keys. The loss of a key shall be promptly reported in writing through the member's chain of command.

703.3.3 AUTHORIZED PASSENGERS

Members operating office vehicles shall not permit persons other than County personnel or persons required to be conveyed in the performance of duty, or as otherwise authorized, to ride as passengers in the vehicle, except as stated in the Ride-Along Policy.

703.3.4 ALCOHOL

Members who have consumed alcohol are prohibited from operating any office vehicle unless it is required by the duty assignment (e.g., task force, undercover work). Regardless of assignment, members may not violate state law regarding vehicle operation while intoxicated.

703.3.5 PARKING

Except when responding to an emergency or when urgent office-related business requires otherwise, members driving office vehicles should obey all parking regulations at all times.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Office vehicles may be assigned to individual members at the discretion of the Sheriff. Vehicles may be assigned for on-duty and/or take-home use. Assigned vehicles may be changed at any time. Permission to take home a vehicle may be withdrawn at any time.

The assignment of vehicles may be suspended when the member is unable to perform his/her regular assignment.

703.4.2 ASSIGNED VEHICLES

Assignment of take-home vehicles shall be based on the location of the member's residence; the nature of the member's duties, job description and essential functions; and the member's employment or appointment status. Residence in the County of Clay is a prime consideration for assignment of a take-home vehicle. Members who reside outside the County of Clay may be required to secure the vehicle at a designated location or the Office at the discretion of the Sheriff.

Office

Members are cautioned that under federal and local tax rules, personal use of a County vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member's tax adviser.

Criteria for use of take-home vehicles include the following:

- (a) Vehicles shall only be used for work-related purposes and shall not be used for personal errands or transports, unless special circumstances exist and the Sheriff or a Division Commander gives authorization.

703.4.3 ENFORCEMENT ACTIONS

When driving a take-home vehicle to and from work outside of the jurisdiction of the Clay County Sheriff's Office or while off-duty, a deputy shall not initiate enforcement actions except in those circumstances where a potential threat to life or serious property damage exists (see the Off-Duty Law Enforcement Actions and Law Enforcement Authority policies).

Deputies may render public assistance when it is deemed prudent (e.g., to a stranded motorist).

Deputies driving take-home vehicles shall be armed, appropriately attired and carry their office-issued identification. Deputies should also ensure that office radio communication capabilities are maintained to the extent feasible.

703.5 UNMARKED VEHICLES

Unmarked vehicles are assigned to various divisions and their use is restricted to the respective division and the assigned member, unless otherwise approved by a supervisor. Any member operating an unmarked vehicle shall record vehicle usage on the sign-out log maintained in the division for that purpose. Any use of unmarked vehicles by those who are not assigned to the division to which the vehicle is assigned shall also be recorded with the Shift Supervisor on the shift assignment roster.

An administrative investigation should be initiated to determine if there has been any vehicle abuse or misuse.

703.7 MAINTENANCE

Members are responsible for the cleanliness (exterior and interior) and overall maintenance of the assigned vehicles.

Members shall make daily inspections of their assigned vehicles for service/maintenance requirements and damage. It is the assigned member's responsibility to ensure that his/her assigned vehicle is maintained according to the established service and maintenance schedule.

Supervisors may conduct, monthly inspections of vehicles assigned to members under their command to ensure the vehicles are being maintained in accordance with policy.

703.8 ATTIRE AND APPEARANCE

When operating any office vehicle while off-duty, members may dress in a manner appropriate for their intended activity. Whenever in view of or in contact with the public, attire and appearance, regardless of the activity, should be suitable to reflect positively upon the Office.

Assigned Patrol Use Vehicle Policy

704.1 PURPOSE AND SCOPE

The Office may assign a patrol use vehicle to full-time deputies. This policy shall not be construed to create or imply any contractual obligation by County to assign patrol use vehicles and such assignment is at the discretion of the Sheriff. Assigned patrol use vehicles have demonstrated a long-term fiscal and service benefit to the County. Vehicles are provided better care during operation and storage and accumulate fewer service miles and hours of operation. This vehicle assignment results in an extended vehicle service life over pool patrol use vehicle assignment. Vehicles subsequently require less frequent replacement and reduced frequency of transfer and replacement of support equipment (radios, emergency, safety equipment). Ultimately per-mile operational costs are reduced.

704.2 LOGISTICS

The Office recognizes that the placement of all patrol vehicles in one location or a select few locations renders an increased risk of fleet damage due to act of nature or disaster (e.g., hail damage, tornado, floods, snowstorms) as well as planned or opportunity-based intentional damage and vandalism, domestic destruction and/or terrorism. These conditions could render the entire Office fleet unavailable for deployment.

704.3 DEFINITION

Patrol Use Vehicle - Includes, but is not limited to, any marked or unmarked squad car, transport, truck, plow, ATV, snowmobile, boat, hovercraft, rescue craft, jet-ski, dive vehicle, SERT vehicle, Mobile Crime Lab, undercover or unmarked vehicle or deployment trailers provided by the Office for the purpose of the job duties required by public safety or emergency response duties or essential job functions.

704.4 ASSIGNMENT OF PATROL USE VEHICLES

Assignment of Sheriff's patrol use vehicles shall be governed solely by the County and the Office under the discretion of the Sheriff.

704.4.1 ELIGIBILITY

Eligibility for assignment of a patrol use vehicle requires the deputy to be in good standing with Office.

704.4.2 ASSIGNMENT GUIDELINES AND USE CRITERIA

Guidelines for assignment determination and criteria for use of patrol use vehicles include the following:

- (a) The location of the deputy's home, nature of the deputy's duties, job description and essential functions and employment status. Residence in the County is a prime consideration.
- (b) The Sheriff retains the right to assign/revoke any or all assigned patrol use vehicle.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Assigned Patrol Use Vehicle Policy

- (c) Patrol use vehicles should be operated in accordance with Office policy and state law.
- (d) Patrol use vehicles shall not be used for unapproved use, either on- or off-duty and are restricted to operation by County employees, peace officers assigned to the County or by peace officers under their direction.
- (e) Patrol use vehicles are to be parked off-street at the deputy's residence unless prior arrangements have been made with the Sheriff or designee.
- (f) Patrol use vehicles are subject to inspection, search and validation of location at all times by the Sheriff, designee or any on-duty supervisor.
- (g) Patrol use vehicles are to be secured at the deputy's home or the Office when a deputy is on vacation. If the vehicle remains at the home of the deputy, the Office shall have access to the vehicle, including if garaged. If the deputy is unable or unwilling to provide access the patrol use vehicle it shall be parked at the Office.
- (h) A patrol use vehicle despite assignment to a deputy for specific duties may be re-assigned or utilized by other Office personnel at the discretion of the Office.
- (i) The assignment of patrol use vehicles may be suspended when the deputy is unable to perform his/her regular assignment.
- (j) Deputies who live outside the County who may be assigned a patrol use vehicle may be required to secure or garage the vehicle at a designated location or the central office at the discretion of the Sheriff.
- (k) Any patrol use vehicle assignment that is declined will be secured or garaged at a designated location or the station.
- (l) Patrol use vehicles will not be used by members when off-duty with the following exceptions:
 - 1. On-call administrative positions, Sheriff and Division Commanders.
 - 2. On-call investigators.
 - 3. In circumstances when a deputy has been placed on call by the Sheriff or Division Commanders and there is a high possibility the deputy will be called back to duty.
 - 4. When the deputy is performing a work-related function while off-duty, including patrol use vehicle maintenance or travelling to or from a work-related activity or function.
 - 5. When the deputy has received permission for the use of the patrol use vehicle from the Sheriff or Division Commanders.
- (m) A deputy's family members or other persons will not be allowed to ride in any County vehicle except as stated in the Ride Along Policy and under the following exceptions.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Assigned Patrol Use Vehicle Policy

1. The deputy will not operate the patrol/use vehicle at emergency response speeds with family members in the vehicle.
2. Family members may ride with deputies during assignments when the deputy is not considered to be on duty for regular duties under the following circumstances:

- (r) Unattended patrol use vehicles are to be locked and secure at all times. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., continued activation of emergency lights, canine environmental safety and charging).

The Sheriff or designee may make exceptions to these provisions.

704.5 VEHICLE ALTERATIONS

Alterations of any type to a patrol use vehicle require prior written authorization of the Sheriff or designee.

704.6 DEPUTY MAINTENANCE RESPONSIBILITIES

Deputies will be responsible for the upkeep of their assigned patrol use vehicle. Failure to adhere to these requirements may result in discipline and loss of patrol use vehicle assignment. The following should be performed as outlined below:

- (a) When in operation the deputy must be prepared and reasonably available to respond to emergency. If deputies are summoned to, or involved in, a law enforcement activity

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Assigned Patrol Use Vehicle Policy

shall notify dispatch of their response or activity and should continue the action until cancelled or concluded.

- (b) Vehicles should be fueled at the end of each shift to prepare for an emergency response at the next use.
- (c) Upon start of shift check all fluid levels, tires, all safety and emergency equipment, interior and exterior to make verify the vehicle is in a safe operating condition and prepared for emergency service.
- (d) At the start and end of any use inspect the vehicle for any damage. If damage is discovered, advise your immediate supervisor.

- (f) Ensure all scheduled vehicle maintenance and car washes are performed as necessary at a facility approved by the Office supervisor in charge of vehicle maintenance. The Office shall be notified of problems with Office-owned vehicles and approve any major repairs before they are performed.  - 1. Belts, battery, fluids and radiator.
 - 2. Tune-ups, tires, brakes.
 - 3. Lube, oil and filter service every 3,500 miles.
- (g) Vehicle maintenance should not be delayed and should be coordinated in advance when reasonably possible for completion during a deputy's regular duty time to minimize cost to the County. If unanticipated circumstances thwart such advance planning, the deputy should arrange an alternative for timely vehicle maintenance with the Office supervisor in charge of vehicle maintenance. Vehicle maintenance during off-duty time resulting in overtime pay should be avoided and is warranted only in unusual circumstances after prior approval of a supervisor.
- (h) Receipts for all maintenance and service work should be submitted monthly to the Office supervisor in charge of vehicle maintenance.
- (i) Vehicles should be plugged in when temperature drops below 10 degrees Fahrenheit.

704.7 ATTIRE AND APPEARANCE

When operating a patrol use vehicle off-duty deputies may dress in a manner appropriate for their intended activity. Whenever in view of or in contact with the public attire and appearance regardless of the activity should be suitable to reflect positively upon the Office.

Cash Handling, Security and Management

705.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure office members handle cash appropriately in the performance of their duties.

This policy does not address cash-handling issues specific to the Evidence Room and Informants policies.

705.2 PETTY CASH FUNDS

Employees designated as fund managers and authorized to maintain and manage petty cash funds are the Office Supervisor and Administration Division Commander. These persons may delegate this responsibility to another person in their absence. All funds require the creation and maintenance of an accurate and current transaction ledger and filing of invoices, receipts and expense reports by the fund manager.

705.3 PETTY CASH TRANSACTIONS

The fund manager shall document all transactions on the ledger and other appropriate forms and each person participating in the transaction shall sign the ledger attesting to the accuracy of the entry. Transactions should include the filing of an appropriate receipt or invoice. Transactions not documented by a receipt, invoice or cash transfer form require an expense report.

705.4 PETTY CASH AUDITS

The manager of a petty cash fund shall audit the fund no less than once every six months. This audit requires that the manager and at least one other person, selected by the fund manager, review the ledger, records, receipts and funds, verifying the accuracy of the accounting. Each participant of the audit shall sign the ledger attesting to the accuracy of all documentation and fund accounting. A discrepancy in the audit requires documentation by those performing the audit and immediate reporting of the discrepancy to the Sheriff.

Should fund management be transferred to any person, each transfer of this responsibility shall require completion of a separate Petty Cash Audit by those persons involved in the transfer.

A separate audit by the Sheriff or the County should be completed on a random date approximately once each year on each petty cash fund.

Chapter 8 - Support Services

Communication Operations

800.1 PURPOSE AND SCOPE

The basic function of the communications system is to satisfy the immediate information needs of the law enforcement agency in the course of its normal daily activities and during emergencies. The latter situation places the greatest demand on the communications system and tests the capability of the system to fulfill its functions. Measures and standards of performance are necessary to assess the effectiveness with which any organization, large or small, uses available information technology in the fulfillment of its missions.

800.1.1 FCC COMPLIANCE

Clay County Sheriff's Office radio operations shall be conducted in accordance with Federal Communications Commission (FCC) procedures and guidelines.

800.2 COMMUNICATION OPERATIONS

This organization provides 24-hour telephone service to the public for information or assistance that may be needed in emergencies. The ability of citizens to telephone quickly and easily for emergency service is critical. This organization provides access to the 9-1-1 system with a single emergency telephone number.

This organization has two-way radio capability providing continuous communication between RRRDC and deputies.

800.2.1 COMMUNICATIONS LOG

It shall be the responsibility of RRRDC to record all relevant information on calls for criminal and non-criminal service or self-initiated activity. Employees shall attempt to elicit, record and share as much information as possible to enhance the safety of the deputy and assist in anticipating conditions to be encountered at the scene. Desirable information would include, at a minimum, the following:

- Control number
- Date and time of request
- Name and address of complainant, if possible
- Type of incident reported
- Involvement of weapons, drugs and/or alcohol
- Location of incident reported
- Identification of deputy(s) assigned as primary and backup
- Time of dispatch
- Time of the deputy's arrival
- Time of deputy's return to service

Communication Operations

- Disposition or status of reported incident

800.3 RADIO COMMUNICATIONS

Operations are more efficient and officer safety is enhanced when dispatchers, supervisors and fellow deputies know the status of deputies, their locations and the nature of cases.

800.3.1 DEPUTY IDENTIFICATION

Identification systems are based on factors such as beat assignment and deputy identification numbers. When calling RRRDC or another unit, the calling unit should state the call sign of the called unit followed by their own call sign, then pause for the called unit to reply. Employees initiating communication with other agencies shall use their entire call sign. This requirement does not apply to continuing conversation between the mobile unit and dispatcher once the mobile unit has been properly identified.

800.4 COUNTY-OPERATED DISPATCHING OPERATIONS

County-established communications operations established for public safety purposes shall be under the direction of the county sheriff (Minn. Stat. § 373.041). The county sheriff shall broadcast all law enforcement dispatches and reports which have a reasonable relation to or connection with:

- (a) The apprehension of criminals.
- (b) The prevention of crime.
- (c) The maintenance of peace and order throughout the area serviced by the broadcasting station or stations.

Evidence Room

800.1 PURPOSE AND SCOPE

In such cases, if there are firearms that may be lawfully seized, they should be seized and submitted to the Evidence Room pursuant to standard protocol.
 2. If the abusing party or defendant is not cooperative, seek guidance from legal counsel to ensure that firearms are seized lawfully.
 3. Permits possessed by the abusing party or defendant should be returned to the Sheriff where the person resides.

Prior to packaging and if the quantity allows, a presumptive test should be made on all suspected controlled substances. If conducted, the results of this test shall be included in the deputy's report.

Controlled substances shall be packaged in an envelope of appropriate size, available in the report room. The booking deputy shall initial the sealed envelope and the initials covered with cellophane tape. Controlled substances shall not be packaged with other property.

After packaging and sealing as required, the entire package will be weighed and the Gross Package Weight (GPW) will be written on the outside of the package, initialed and dated by the packaging deputy.

The GPW will be verified every time the package is checked in or out of the Evidence Room and any discrepancies noted on the outside of the package. Any change in weight should be immediately reported to the Investigation supervisor.

A completed property tag shall be attached to the outside of the container. The chain of evidence shall be recorded on the back of this tag.

Any changes in the location of property held by the Clay County Sheriff's Office shall be noted in the property logbook.

800.6 PROPERTY CONTROL

Each time the property officer receives property or releases property to another person, he/she shall enter this information on the property control card. Deputies desiring property for court shall contact the property officer at least one day prior to the court day.

800.6.1 RESPONSIBILITIES OF OTHER PERSONNEL

Upon delivering the item involved, the deputy will record the delivery time on both copies and indicate the locker in which the item was placed or the employee to whom it was delivered. The original copy of the lab form will remain with the evidence and the copy will be returned to the Records Office for filing with the case.

Property held as evidence for a pending criminal investigation or proceeding shall be retained for a period of time no less than that required pursuant to Minn. Stat. § 628.26.

For property in custody of the Office for investigatory or prosecutorial purposes and owned by a victim or witness, a property officer shall, upon the request of the owner:

- (a) Provide a list describing the property unless such release would seriously impede an investigation.
- (b) Return the property expeditiously unless the property is required as evidence.

Upon the direction of a prosecuting attorney, property held as evidence of a crime may be photographed and released to the owner of the property. If the property is alleged to have been wrongfully taken, the property may be returned to the owner in accordance with the requirements of Minn. Stat. § 609.523.

800.6.5 RELEASE OF PROPERTY

All reasonable attempts shall be made to identify the rightful owner of found property or evidence not needed for an investigation.

The release authorization shall be signed by the authorizing supervisor or investigator and must conform to the items listed on the property label or must specify the specific item(s) to be released. Release of all property shall be properly documented.

With the exception of firearms and other property specifically regulated by statute, found property and property held for safekeeping shall be held for a minimum of 90 days. During such period, property personnel shall attempt to contact the rightful owner by telephone and/or mail when sufficient identifying information is available. Property not held for any other purpose and not claimed within 90 days after notification (or receipt, if notification is not feasible) may be auctioned to the highest bidder at a properly published public auction, which may be conducted as an Internet-based auction. If such property is not sold at auction or otherwise lawfully claimed, it may thereafter be destroyed. Unless the auction is Internet based, property with an estimated value of \$500 or more will be advertised in the local print media before it is destroyed or auctioned. The final disposition of all such property shall be fully documented in related reports.

A property officer shall release the property upon proper identification being presented by the owner for which an authorized release has been received. The owner shall also pay any costs incurred by the agency, including costs for advertising or storage. A signature of the person receiving the property shall be recorded on the original property documentation. Such property shall not be released until one party has obtained a court order or other proof of the undisputed right to the involved property.

All parties should be advised that their claims are civil. In extreme situations, legal counsel for the Office may be asked to file an interpleader in court to resolve the disputed claim.

800.6.8 RELEASE AND DISPOSAL OF FIREARMS

A firearm may not be released until it has been verified that the person receiving the weapon is not prohibited from receiving or possessing the weapon by 18 USC § 922.

The Office shall make best efforts for a period of 90 days after the seizure of an abandoned or stolen firearm to protect the firearm from harm and return it to the lawful owner (Minn. Stat. § 609.5315 Subd. 7). At the expiration of such period, the firearm or other deadly weapon may be processed for disposal consistent with this policy.

The processing of requests for data is subject to the following:

- (a) A person shall be permitted to inspect and copy public government data upon request at reasonable times and places and shall be informed of the data's meaning if requested (Minn. Stat. § 13.03, Subd. 3).
 - 1. The Office may not charge or require the requesting person to pay a fee to inspect data. Inspection includes, but is not limited to, the visual inspection of paper and similar types of government data. Inspection does not include printing copies, unless printing a copy is the only method to provide for inspection of the data (Minn. Stat. § 13.03, Subd. 3(b)).
 - 2. For data stored and made available in electronic form via remote access, public inspection includes allowing remote access by the public to the data and the ability to print copies or download the data. The Custodian of Records or designee shall inform the requesting person of the determination either orally at the time of the request or in writing as soon after that time as reasonably possible. The Custodian of Records or designee shall cite the specific statutory section, temporary classification or specific provision of state or federal law on which the determination is based. Upon the request of any person denied access to data, the denial shall be certified in writing (Minn. Stat. § 13.03, Subd. 3 (f)).

 - 1. A copy of the redacted release should be maintained in the case file for proof of what was actually released and as a place to document the reasons for the redactions. If the record is audio or video, a copy of the redacted audio/video release should be maintained in the office-approved media storage system and a notation should be made in the case file to document the release and the reasons for the redacted portions.

802.5 RELEASE RESTRICTIONS

Examples of release restrictions include:

 - 5. A person who placed a call to a 9-1-1 system or the identity of the person whose phone was used to place a call to the 9-1-1 system when revealing the identity may threaten the personal safety or property of any person or the purpose of the call was to receive help in a mental health emergency. 802.6 SUBPOENAS AND DISCOVERY REQUESTS

Any member who receives a subpoena duces tecum or discovery request for data should promptly contact a supervisor and the Custodian of Records for review and processing. While a subpoena duces tecum may ultimately be subject to compliance, it is not an order from the court that will automatically require the release of the requested data.

Generally, discovery requests and subpoenas from criminal defendants and their authorized representatives (including attorneys) should be referred to the County Attorney, County Attorney or the courts.

All questions regarding compliance with any subpoena duces tecum or discovery request should be promptly referred to legal counsel for the Office so that a timely response can be prepared.

802.8.1 PETITION FOR EXPUNGEMENT

When responding to a petition for expungement, the Custodian of Records shall inform the court and the individual seeking expungement that the response contains private or confidential data (Minn. Stat. § 609A.03, Subd. 3).

802.8.2 ORDERS OF EXPUNGEMENT

The Custodian of Records shall expunge such records as ordered by the court. Records may include, but are not limited to, a record of arrest, investigation, detention or conviction. Once a record is expunged, members shall respond to any inquiry as though the record did not exist.

Upon request by the individual whose records are to be expunged, the Custodian of Records must send a letter at an address provided by the individual confirming the receipt of the expungement order and that the record has been expunged (Minn. Stat. § 609A.03, Subd. 8).

Expunged records may be opened only by court order (Minn. Stat. § 609A.03, Subd. 7).

Expunged records of conviction may be opened for purposes of evaluating a prospective employee of the Office without a court order.

The Custodian of Records shall inform any law enforcement, prosecution or corrections authority, upon request, of the existence of a sealed record and of the right to obtain access to it.

802.8.3 BCA NOTIFICATION OF GRANT OF EXPUNGEMENT

If the Office receives notice from the BCA that its records may be affected by an automatic grant of expungement, the Custodian of Records shall determine if any records requested thereafter were expunged and, if so, treat the records as private data except as provided by law (Minn. Stat. § 609A.015, Subd. 5).

802.9 MAINTENANCE OF CLOSED RECORDS

Records such as offense reports, arrest reports, juvenile records or other sensitive records shall be secured in such a manner as to reasonably protect them from unauthorized disclosure. Closed records shall be kept separate from public records and shall remain confidential.

Protected Information

803.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the access, transmission, release and security of protected information by members of the Clay County Sheriff's Office. This policy addresses the protected information that is used in the day-to-day operation of the Office and not the government data information covered in the Records Maintenance and Release Policy.

803.1.1 DEFINITIONS

Definitions related to this policy include:

Protected information - Any information or data that is collected, stored or accessed by members of the Clay County Sheriff's Office and is subject to any access or release restrictions imposed by law, regulation, order or use agreement. This includes all information contained in federal, state or local law enforcement databases that is not accessible to the public.

803.2 POLICY

Members of the Clay County Sheriff's Office will adhere to all applicable laws, orders, regulations, use agreements and training related to the access, use, dissemination and release of protected information.

803.3 RESPONSIBILITIES

The Sheriff shall select a member of the Office to coordinate the use of protected information (Minn. Stat. § 13.05, Subd. 13).

The responsibilities of this position include but are not limited to:

- (a) Ensuring member compliance with this policy and with requirements applicable to protected information, including requirements for the National Crime Information Center (NCIC) system, the National Law Enforcement Telecommunications System (NLETS), Minnesota Division of Driver and Vehicle Services (DVS) records, Minnesota Bureau of Criminal Apprehension (BCA), and the Minnesota Comprehensive Incident-Based Reporting System (CIBRS).
- (b) Developing, disseminating, and maintaining procedures that adopt or comply with the U.S. Department of Justice's current Criminal Justice Information Services (CJIS) Security Policy. See the Clay County Sheriff's Office CJIS Access, Maintenance, and Security Policy for additional guidance.
- (c) Developing, disseminating, and maintaining any other procedures necessary to comply with any other requirements for the access, use, dissemination, release, and security of protected information.
- (d) Developing procedures to ensure training and certification requirements are met.

803.4 ACCESS TO PROTECTED INFORMATION

Protected information shall not be accessed in violation of any law, order, regulation, user agreement, Clay County Sheriff's Office policy, or training (Minn. Stat. § 13.09). Only those members who have completed applicable training and met any applicable requirements, such as a background check, may access protected information, and only when the member has a legitimate work-related reason for such access (Minn. Stat. § 13.05; Minn. Stat. § 299C.40).

Unauthorized access, including access for other than a legitimate work-related purpose, is prohibited and may subject a member to administrative action pursuant to the Personnel Complaints Policy and/or criminal prosecution. See the CJIS Access, Maintenance, and Security Policy for additional guidance.

803.5 RELEASE OR DISSEMINATION OF PROTECTED INFORMATION

Protected information may be released only to authorized recipients who have both a right to know and a need to know.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the Office Supervisor for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the Office may generally be shared with authorized persons from other law enforcement agencies who are assisting in the investigation or conducting a related investigation. Any such information should be released through the Records Office to ensure proper documentation of the release (see the Records Maintenance and Release Policy).

Protected information, such as Criminal Justice Information (CJI), which includes Criminal History Record Information (CHRI), should generally not be transmitted by radio, cellular telephone or any other type of wireless transmission to members in the field or in vehicles through any computer or electronic device, except in cases where there is an immediate need for the information to further an investigation or where circumstances reasonably indicate that the immediate safety of deputies, other office members or the public is at risk.

Nothing in this policy is intended to prohibit broadcasting warrant information.

803.5.1 REVIEW OF CHRI

Members of this office shall refer individuals seeking access to CHRI to the Minnesota BCA (Minn. Stat. § 13.87, Subd. 1(b)).

803.5.2 REVIEW OF CIBRS DATA

An individual who is the subject of private data held by CIBRS may request access to the data by making a request to the Office Supervisor. If the request is to release the data to a third party, the individual who is the subject of private data must appear in person at the Office to give informed consent to the access or release.

Private data provided to the individual must also include the name of the law enforcement agency that submitted the data to CIBRS and the name, telephone number and address of the agency responsible for the data.

A person who is the subject of private data may challenge the data. The Office Supervisor shall review the challenge and determine whether the data should be completed, corrected or destroyed. The corrected data must be submitted to CIBRS and any future dissemination must be of the corrected data.

The Office Supervisor must notify BCA as soon as reasonably practicable whenever data held by CIBRS is challenged. The notification must identify the data that was challenged and the subject of the data.

803.6 SECURITY OF PROTECTED INFORMATION

The Sheriff will select a member of the Office to oversee the security of protected information.

The responsibilities of this position include but are not limited to (see the CJIS Access, Maintenance, and Security Policy for additional guidance):

- (b) Ensuring federal and state compliance with the CJIS Security Policy and the requirements of any state or local criminal history records systems.
- (c) Establishing procedures to provide for the preparation, prevention, detection, analysis, and containment of security incidents, including computer attacks.
- (d) Tracking, documenting, and reporting all breach of security incidents to the Sheriff and appropriate authorities.

803.6.1 MEMBER RESPONSIBILITIES

Members accessing or receiving protected information shall ensure the information is not accessed or received by persons who are not authorized to access or receive it. This includes leaving protected information, such as documents or computer databases, accessible to others when it is reasonably foreseeable that unauthorized access may occur (e.g., on an unattended table or desk; in or on an unattended vehicle; in an unlocked desk drawer or file cabinet; on an unattended computer terminal).

803.7 TRAINING

All members authorized to access or release protected information shall complete a training program that complies with any protected information system requirements and identifies

803.8 SECURITY BREACHES

In the event of an actual or potential breach of the security or other unauthorized acquisition of private or confidential information, the Sheriff or designee shall ensure an investigation into the breach is made. Upon completion of the investigation and final disposition of any disciplinary action, a report containing the facts and result of the investigation shall be prepared. If the breach was conducted by an employee, contractor or agent of Clay, the report must include a description of the type of data that was breached, the number of individuals whose information was breached, the disposition of any related disciplinary action, and the identity of the employee determined to be responsible for the breach (Minn. Stat. § 13.055).

Written notice shall be given to any individual whose private or confidential data was, or is reasonably believed to have been, acquired by an unauthorized person as soon as reasonably practicable. The notice shall include the following (Minn. Stat. § 13.055):

- (a) Notification that an investigation will be conducted.
- (b) Notification that a report containing the facts and results will be prepared.
- (c) Information on how the person may obtain access to the report, including that he/she may request delivery of the report by mail or email.

The notice may be delayed only so long as necessary to determine the scope of the breach and restore the reasonable security of the data or so long as it will impede an active criminal investigation. Notice shall be made by first class mail, electronic notice or substitute notice as provided in Minn. Stat. § 13.055, Subd. 4. If notification is required to be made to more than 1,000 individuals, notice to all consumer reporting agencies of the timing distribution and content of the notices must also be made (Minn. Stat. § 13.055, Subd. 5).

Animal Control

806.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for Animal Control Officers (ACO) and Clay County Sheriff's Office personnel in dealing with calls related to animal control and to set forth procedures regarding animal control services, the handling of injured animals and the abatement of animal nuisances.

806.2 ANIMAL CONTROL OFFICER RESPONSIBILITIES

The ACO shall be responsible for enforcing local, state and federal laws relating to animals and for appropriately resolving or referring animal problems as outlined in this policy (Minn. Stat. § 343.20 Subd. 5).

Requests for assistance by the ACO shall be acknowledged and responded to promptly.

806.3 OFFICER/DEPUTY RESPONSIBILITIES

During hours when the ACO is off-duty, or if the ACO is otherwise unavailable, the following animal-related calls for service will be handled by the appropriate on-duty deputy.

Deputies may be dispatched to animal-related calls and should take appropriate actions under the following circumstances;

- (a) When there is a threat to the public safety.
- (b) When an animal has bitten someone, deputies should take measures to confine the animal and prevent further injury.
- (c) When an animal is creating a traffic hazard.
- (d) When the owner/handler has been arrested and there is no other alternative placement for the animal.
- (e) When an animal is gravely injured.

A deputy may remove, shelter and care for any animal that is not properly sheltered from cold, heat or inclement weather, or any animal not properly fed and watered or provided with suitable food and drink, in circumstances that threaten the life of the animal (Minn. Stat. § 343.29 Subd. 1). The animal may be euthanized following a determination by a doctor of veterinary medicine that the animal is suffering and is beyond cure through reasonable care and treatment (Minn. Stat. § 343.29 Subd. 2).

Deputies shall not enter a facility where farm animals are confined unless they follow a procedure and directive for biosecurity measures identified by the Board of Animal Health (Minn. Stat. § 17.986).

806.3.1 ANIMAL CRUELTY COMPLAINTS

Deputies shall investigate all reports of animal cruelty, pursuant to Minn. Stat. § 343.12. Deputies shall not hesitate to take any immediate actions deemed necessary. The assistance of an ACO

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

may be requested to assist with the investigation when appropriate for the purpose of handling the disposition of any animal(s) associated with the case.

Following a court order, a deputy or ACO shall search the place designated in a warrant and conduct an investigation in conjunction with a veterinary doctor (Minn. Stat. § 343.22 Subd. 2).

806.3.2 STRAY DOGS

If the dog has a license or can otherwise be identified, the owner should be contacted if reasonably possible (Minn. Stat. § 343.29 Subd. 1). If the owner is contacted, the dog should be released to the owner and a citation may be issued if appropriate. If a dog is taken into custody, it shall be transported to the animal shelter.

The animal impoundment form must be completely filled out and a copy left at the animal shelter. Additionally, a separate copy of the animal impoundment form must be attached to the deputies report.

806.3.3 ANIMAL BITES TO HUMANS

Deputies shall obtain as much information as possible, and complete the Animal Bite form, in addition to a report. Deputies shall instruct the owner of a biting animal that is a pet, farm animal or domesticated wild animal that, if contacted, to keep the animal confined on the property until contacted by the ACO. If the animal is a stray, every reasonable effort shall be made to capture and impound the animal immediately.

The following actions and enforcement by local animal control and deputies are required when an animal bites a human (Minn. Stat. § 1705.1152):

- (a) If a pet animal bites a human, the pet must be confined and observed for signs suggestive of rabies for 10 days or euthanized and tested for rabies. If at any time during the 10-day observation the animal dies, it must be tested for rabies. If the animal shows signs suggestive of rabies, it must be euthanized and tested for rabies.
- (b) Stray or unwanted pet animals may be euthanized after a five-day holding period and, if euthanized, must be tested for rabies. If, after consultation with a board or public health official, a veterinarian requests a rabies test in writing, a stray or unwanted animal must be euthanized and tested during the five-day period.
- (c) If a farm animal bites a human, it must be evaluated on an individual basis by a veterinarian. If it is normal, it may be confined for 14 days. If it exhibits unusual behavior, it must be euthanized and tested for rabies.
- (d) If a wild animal, domesticated wild animal or hybrid animal bites a human, the wild animal, if available, must be euthanized and tested for rabies. Domesticated wild or hybrid animals must be euthanized and tested for rabies, except that the animal may be exempted from testing if a veterinarian determines that the animal shows no signs of rabies, if the local authority, the state public health veterinarian, and the executive director of the Board of Animal Health agree, and the person bitten receives

the post-exposure vaccination regimen. An exempt animal must be quarantined until completion of the post-exposure vaccination regimen.

- (e) A lagomorph, small rodent or insectivore that has bitten a human should not be tested unless recommended by the Board of Animal Health or the Minnesota Department of Health.

806.3.4 PUBLIC NUISANCE CALLS RELATING TO ANIMALS

Deputies shall obtain as much information as possible regarding the nature of the complaint, the complaining person, owner information (if possible) and location of problem. Deputies will also document any actions taken, citation(s) issued and related report numbers.

In the event responding deputies cannot fulfill urgent requests for service because the animal is difficult or dangerous to handle, the ACO may be called to handle. If the ACO is unavailable, the patrol supervisor may request the assistance of an animal control officer from an outside agency.

All requests to call in the ACO must be approved by a field supervisor or the Shift Supervisor.

806.4 INJURED ANIMALS

When any injured domesticated animal is brought to the attention of a member of this agency, all reasonable attempts shall be made to contact the owner or responsible handler. When the owner or responsible handler cannot be located and the animal is not an immediate danger to the community, it shall be taken to a doctor of veterinary medicine as described below.

- (a) During normal business hours, the animal should be taken to an authorized veterinary care clinic.
- (b) If after normal business hours, the animal should be taken to an authorized veterinary emergency services clinic.
- (c) The only exception to the above is when the animal is an immediate danger to the community or the owner of the animal is identified and takes responsibility for the injured animal.
- (d) When it is necessary to kill a seriously injured or dangerous animal the Shooting Policy shall be followed.
- (e) Injured wildlife should be referred to the nearest rehabilitation center.
- (f) When handling dead or injured animals, Office employees shall attempt to identify and notify the owner of the final disposition of the animal.
- (g) Each incident shall be documented, at minimum, to include the name of the reporting party and the veterinary hospital and/or person to whom the animal is released.

806.5 CITATIONS

It should be at the discretion of the handling deputy or the field supervisor as to the need for, or advisability of, the issuance of a citation for a violation.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Animal Control

806.6 POST-ARREST PROCEDURES

The arresting deputy should make a reasonable effort to ensure that animals or pets under a person's care will be provided with adequate care when that person is arrested. This is only required when there is no person to provide care and the arrestee is expected to be in custody for a time period longer than would reasonably allow him/her to properly care for the animals.

Relatives or neighbors may be contacted with the owner's consent to care for the animals. If no persons can be found or the owner does not consent, the appropriate animal control authority should be notified.

CJIS Access, Maintenance, and Security

804.1 PURPOSE AND SCOPE

804.1.1 DEFINITIONS

Definitions related to this policy include:

Security incident - Any incident that compromises the security of CJI or systems that access CJI. Examples include but are not limited to unauthorized use of legitimate code or credentials within office systems, email communications that contain malicious code, data breaches, signaling to external systems, and unauthorized exporting of information.

804.2 POLICY

It is the policy of the Clay County Sheriff's Office to maintain the security, confidentiality, and integrity of its information systems that access CJI by collaborating with appropriate state and federal agencies to implement the applicable established protocols.

804.3 CJIS COORDINATOR

Chapter 9 - Custody

Temporary Holding Facility

900.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines and procedures for the booking, housing, security and release of prisoners at the Clay County Sheriff's Office Temporary Holding Facility.

In addition to this policy, the Clay County Sheriff's Office shall maintain the Operations and Procedures Manual to guide the operation of the Temporary Holding Facility.

The Office shall maintain custody of inmates in accordance with this policy, the Operations and Procedures Manual and in accordance with applicable law.

900.1.1 SUPERVISION OF PRISONERS

No prisoner will be held in a Temporary Holding Facility unless there is a designated employee who remains within the sheriff's building who can supervise the Temporary Holding Facility and respond to emergencies within the Temporary Holding Facility. This person will be designated by the Temporary Holding Facility supervisor and must not leave the sheriff's building while prisoners are in custody. This person will not have other duties that could conflict with the supervision of prisoners. Whenever one or more female inmates is in custody, there shall be at least one female employee who shall be immediately available and accessible to such females.

900.1.2 DETENTION OF PRISONERS IN THE TEMPORARY HOLDING FACILITY

It is the policy of the Clay County Sheriff's Office that prisoners detained in the Temporary Holding Facility shall be released or transported to another facility, per the provisions of this manual, as soon as possible and practicable.

Inmates who are to be held in the Temporary Holding Facility and who present a threat to their own safety or the safety of others due to their state of intoxication should be placed in a sobering cell until their condition allows for continued processing.

The following guidelines apply when placing any inmate in a sobering cell:

- (a) Placement of an inmate into the cell requires approval of the Shift Supervisor.
- (b) A cell log shall be initiated every time an inmate is placed into the cell. The log shall be maintained for the entire time the inmate is housed in the cell.
- (c) A well-being check consisting of direct visual observation sufficient to assess the inmate's well-being and behavior shall occur at least once every 15 minutes, but on an irregular schedule. Each well-being check shall be documented in the cell log. Supervisors shall check the logs for completeness every two hours and document this action on the cell log.
- (d) Under no circumstances shall an inmate be held in a sobering cell for more than 6 hours without being evaluated by qualified medical personnel to ensure that the inmate does not have an urgent medical issue.

900.1.7 TRANSPORTATION OF PRISONERS

Generally and when circumstances permit, prisoners of the opposite sex, or adult and juvenile prisoners, should not be transported in the same vehicle unless they are physically separated by a solid barrier. If segregating prisoners is not practicable, deputies should be alert to inappropriate physical or verbal contact between them and take appropriate action as necessary.

Whenever a prisoner is to be transported from the Temporary Holding Facility to another facility by a member of this office, the transporting deputy shall be responsible for the following:

- (a) Verify that the identity of each prisoner to be transported matches the booking paperwork.
- (b) Ensure that all pertinent documentation accompanies the prisoner, such as copies of booking forms, medical records when appropriate, an itemized list of the prisoner's property and warrant copies.
- (c) Ensure that any known or suspected threat or danger the prisoner may pose, such as escape risk, suicide potential, medical condition or intellectual disability is recorded on the prisoner's booking documentation and is transported with the prisoner to the next facility. The transporting deputy shall ensure such threat or danger is communicated to intake personnel at the facility.

900.1.8 PRISONER WITH ORTHOPEDIC OR PROSTHETIC APPLIANCE

Subject to safety and security concerns, persons who are detained in the Temporary Holding Facility shall be permitted to retain possession of an orthopedic or prosthetic appliance if it is prescribed or recommended and fitted by a physician. However, if the appliance presents a risk of bodily harm to any person or is a risk to the security of the facility, the appliance shall be removed from the prisoner and booked for safekeeping. It shall be promptly returned if it is later determined that such risk no longer exists.

Whenever a prosthetic or orthopedic appliance is removed from a prisoner, the Shift Supervisor shall be promptly apprised of the reason for the removal. If it is determined that the appliance will not be returned, the prisoner shall be examined as soon as practicable by a physician but no later than 24 hours after removal to determine if the removal will be injurious to the health or safety of the prisoner.

If the examining physician determines that removal is or will be injurious to the health or safety of the prisoner and the appliance cannot be returned because of safety or security concerns, the prisoner should be transferred to an appropriate medical detention facility.

900.2 ORGANIZATION AND RESPONSIBILITIES

The following responsibilities for the Temporary Holding Facility operations have been established:

- (a) Facility Administrator: The Sheriff shall be the facility administrator officially charged, by law, with the administration of the Temporary Holding Facility.

Facilities are specifically designed to be nonresidential, have either audio or visual capability, would normally not be locked except for routine security reasons, and used only long enough for identification, investigation, transfer arrangements or release to a responsible person. (Minn. R. 2945.0100 Subd. 30).

900.3 PRISONER MONITORING AND CLASSIFICATION

900.3.1 MONITORING OF PRISONERS

900.3.3 PRISONER CLASSIFICATION, SCREENING AND SEGREGATION

It is the policy of the Clay County Sheriff's Office Temporary Holding Facility to separate prisoners in compliance with the requirements outlined in the Procedures Manual.

- (a) It is necessary to establish a prisoner classification procedure wherein each prisoner will be evaluated prior to housing, according to categories of sex, age, criminal sophistication, seriousness of crime charged, assaultive/non-assaultive behavior, medical problems, mental state, developmental disabilities and sexual orientation, and housed in order to provide for the safety of prisoners and staff.
- (b) As part of the booking procedure, the booking deputy should evaluate each incoming prisoner using the prisoner classification and screening form. This form shall be completed in its entirety in order to properly assign prisoners according to sex, age, criminal sophistication, seriousness of crime charged, physical or mental health needs, assaultive/non-assaultive behavior and other criteria to ensure the safety of the prisoner and staff.

is contemplating suicide. The deputy shall evaluate the prisoner for other signs or indications that the prisoner may be suicidal. If there is any suspicion the prisoner may be suicidal, he/she shall be transported to the county jail or appropriate mental health facility. The receiving staff shall be notified in writing (e.g., noted on the booking sheet) that the arrestee may be suicidal.

- (d) It is the responsibility of the arresting deputy's supervisor to ensure that the prisoner classification and screening form has been properly completed. After completing the form the arresting deputy's supervisor will be required to authorize, on a case-by-case basis, the placement of each prisoner in the Temporary Holding Facility who is not immediately released or transported to the county jail or other appropriate facility.
 - 1. The prisoner will then be housed or transported.
 - 2. The completed classification form will be attached to the arrest report, booking forms and fingerprints as applicable.
 - 3. The prisoner classification form should be retained in the prisoner's arrest file.
- (e) During the booking procedure, the booking deputy shall evaluate each incoming prisoner to determine any apparent medical or health issues. The prisoner's responses to such questions and the deputy's observations shall be documented in the appropriate form. The booking deputy shall promptly notify his/her supervisor of any conditions that may warrant immediate medical attention or other appropriate action.
- (f) Before placing any prisoner into a temporary holding cell with any other prisoner, members shall consider whether the prisoner may be at a high risk of being sexually abused based on all available known information (28 CFR 115.141).
- (g) If a prisoner will be housed overnight in the same cell with any other prisoner, he/she shall be screened to assess his/her risk of being sexually abused by other prisoners or of being sexually abusive toward other prisoners. Members shall ask the prisoner about his/her own perception of vulnerability and shall consider the following criteria to screen prisoners for risk of sexual victimization, including (28 CFR 115.141):
 - 1. Whether the prisoner has a known or apparent mental, physical or developmental disability
 - 2. The age of the prisoner
 - 3. The physical build and appearance of the prisoner

 - 5. The nature of the prisoner's alleged offense and criminal history
- (h) Any prisoner identified as being at a high risk for sexual victimization shall be provided with heightened protection. This may include continuous, direct sight and sound supervision, single-cell housing or placement in a cell that is actively monitored on

Whenever one or more female prisoners is in custody, there shall be at least one female employee who shall be available and accessible to the female prisoner(s). Male employees are not to search or enter the cell of a female prisoner unless another female employee is present. Female inmates shall be separated by sight and sound from male inmates.

In the event there is not a female employee readily available to conduct searches and hourly safety inspections, the female prisoner shall be transported to the county jail or released pursuant to another lawful process (e.g., citation or O. R. release).

900.3.6 HANDCUFFING OF PREGNANT ARRESTEES IN LABOR

No arrestee who is in labor shall be handcuffed or restrained by the wrists, ankles or both unless it is reasonably necessary for the safety of the arrestee, deputies or others.

900.4 TEMPORARY HOLDING FACILITY SEARCHES

Immediately upon securing weapons, deputies bringing prisoners into the Temporary Holding Facility shall thoroughly search their prisoners. All arrestees brought into the Temporary Holding Facility must be searched by a deputy or other authorized employee of the same gender whenever possible before the deputy relinquishes control. When a prisoner has been handcuffed, the prisoner should remain handcuffed until the search is substantially completed.

In the case of female prisoners, all searches will be conducted by a female deputy or designated female employee whenever possible, and male employees shall remain outside the closed door. However, they should remain available to assist immediately if needed. Should a female prisoner become combative, a deputy may be assigned to restrain her until the appropriate search is completed.

900.6.4 EVACUATION FORMATION AREA

All prisoners will form in the designated location where they will be held until the Temporary Holding Facility can again be safely occupied, or in case of an emergency of a long duration until they can be transported to another facility.

If possible, juveniles are to be kept separate from adult prisoners, and females from male prisoners.

Only after the safety and security of the prisoners is assured will personnel not detailed to prisoner security, participate in fire suppression or other emergency activities.

900.7 PRISONER TELEPHONE CALLS

Every prisoner, whether adult or juvenile, detained in the Temporary Holding Facility has the right to make a reasonable number of completed telephone calls from the Sheriff's station, the Temporary Holding Facility or other place of booking immediately after he/she is booked and, except where physically impossible, no later than three hours after arrest. Telephone calls may be limited to local calls, except that long-distance calls may be made by the arrested person at his/her own expense. Upon request by the prisoner, private telephone access shall be provided for the purpose of consulting with an attorney (Minn. Stat. § 481.10 Subd. 2).

If it is determined that the person is a custodial parent with responsibility for a minor child or caring for a dependent adult, the person shall be entitled to make a reasonable number of completed telephone calls for the purpose of arranging care for the minor child or a dependent adult.

There is no obligation for the deputy to make a call on a prisoner's behalf, for example in the case of a person who is so intoxicated that he/she cannot make a call. A deputy is not required to wake an intoxicated person three hours after arrest or booking so that they may complete a call.

There is also no limitation on the amount of time a prisoner's telephone call must last. A prisoner should be given sufficient time on the telephone to contact whomever he/she desires and to arrange for necessary items because of his/her arrest. The telephone calls are not intended to be lengthy conversations and the deputy may use his/her judgment in determining the duration of the calls.

900.7.1 TELEPHONE CALL PROCEDURES

The Office will pay the cost of local calls. Long-distance calls must be paid by the prisoners using calling cards or by calling collect.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Deputies shall take care in handling inmate's property to avoid discrepancies or losses.

Any personal property belonging to the inmate but retained by the deputy for safekeeping, shall be kept in a secure location until the inmate is released or transferred. The inmate shall be advised that such property will be kept as evidence and where demanded, the deputy will issue the inmate a receipt. Such receipt may be a copy of the property booking form, written out in the deputy's handwriting or typed for his/her personal signature. It should include the description of the property (but not its value), the case number, date, time, deputy's badge number and signature. Evaluation of Employees

1001.1 PURPOSE AND SCOPE

The Office's employee performance evaluation system is designed to record work performance for both the Office and the employee, providing recognition for good work and developing a guide for improvement.

1001.2 POLICY

The Clay County Sheriff's Office utilizes a performance evaluation report to measure performance and to use as a factor in making personnel decisions that relate to merit increases, promotion, reassignment, discipline, demotion and termination. The evaluation report is intended to serve as a guide for work planning and review by the supervisor and employee. It gives supervisors a way to create an objective history of work performance based on job standards.

The Office evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

1001.3 EVALUATION PROCESS

Evaluation reports will cover a specific period of time and should be based on documented performance during that period. Evaluation reports will be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the immediate supervisor for their input.

All sworn and civilian supervisory personnel shall attend an approved supervisory course that includes training on the completion of performance evaluations within one year of the supervisory appointment.

Each supervisor should discuss the tasks of the position, standards of performance expected and the evaluation criteria with each employee at the beginning of the rating period. Supervisors should document this discussion in the prescribed manner.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise.

Non-probationary employees demonstrating substandard performance shall be notified in writing of such performance as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days written notice prior to the end of the evaluation period.

Employees who disagree with their evaluation and who desire to provide a formal response or a rebuttal may do so in writing in the prescribed format and time period.

- (e) Communicates the findings of a technical or scientific study that the employee believes, in good faith, to be truthful and accurate.

Members who believe they have been the subject of retaliation for engaging in such protected behaviors should promptly report it to a supervisor. Supervisors should refer the complaint to the Internal Affairs Unit for investigation pursuant to the Personnel Complaints Policy.

1003.8 RECORDS RETENTION AND RELEASE

The Office Supervisor shall ensure that documentation of investigations is maintained in accordance with the established records retention schedules.

1003.9 TRAINING

The policy should be reviewed with each new member.

All members should receive periodic refresher training on the requirements of this policy.

Reporting of Employee Convictions and Court Orders

1004.1 PURPOSE AND SCOPE

Convictions of certain offenses may restrict or prohibit an employee's ability to properly perform official duties. Therefore, all employees shall be required to promptly notify the Office of any past and current criminal convictions.

1004.2 DOMESTIC VIOLENCE CONVICTIONS AND RESTRAINING ORDERS

Minnesota and federal law prohibit individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Minn. Stat. § 518B.01).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

1004.3 CRIMINAL CONVICTIONS

Any person convicted of a felony is prohibited from being a peace officer in the State of Minnesota. Any license of a peace officer convicted of a felony is automatically revoked (Minn. Stat. § 626.8431).

Even when legal restrictions are not imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by a member of this office may prohibit him/her from carrying out law enforcement duties.

Minn. Stat. § 624.713 prohibits ineligible persons from possessing a handgun or semi-automatic assault weapon.

1004.3.1 COURT ORDERS

All employees shall promptly notify the office if they are a party to, or have been served with, any court order from any jurisdiction.

1004.4 REPORTING PROCEDURE

All members of this office and all retired deputies with an identification card issued by the Office shall promptly notify their immediate supervisor (or the Sheriff in the case of retired deputies) in writing of any past or current criminal arrest or conviction regardless of whether the matter is currently on appeal and regardless of the penalty or sentence, if any.

All members and all retired deputies with an identification card issued by the Office shall further promptly notify their immediate supervisor (or the Sheriff in the case of retired deputies) in writing

Any member whose criminal conviction unduly restricts or prohibits that member from fully and properly performing his/her duties may be disciplined including, but not limited to, being placed on administrative leave, reassignment and/or termination.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

1004.5 CHEMICAL DEPENDENCY TREATMENT

If a deputy is informally admitted to a treatment facility or program pursuant to Minn. Stat. § 253B.04 for chemical dependency he/she is not eligible to possess a pistol, unless the deputy possesses a certificate from the head of the treatment facility discharging or provisionally discharging the deputy from the treatment facility (Minn. Stat. § 624.713 Subd. 1(6)).

Deputies in this situation shall promptly notify the office.

Drug- and Alcohol-Free Workplace

1005.1 PURPOSE AND SCOPE

The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace (41 USC § 8103).

1005.2 POLICY

It is the policy of this office to provide a drug- and alcohol-free workplace for all members.

1005.3 GENERAL GUIDELINES

Alcohol and drug use in the workplace or on office time can endanger the health and safety of office members and the public.

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Shift Supervisor or appropriate supervisor as soon as the member is aware that the member will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, the member shall be immediately removed and released from work (see the Work Restrictions section in this policy).

1005.3.1 USE OF MEDICATIONS

Members should not use any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to the member's immediate supervisor prior to commencing any on-duty status.

No member shall be permitted to work or drive a vehicle owned or leased by the Office while taking any medication that has the potential to impair the member's abilities, without a written release from the member's physician.

1005.3.2 MEDICAL CANNABIS

Possession, use, or being under the influence of medical cannabis on-duty is prohibited and may lead to disciplinary action.

1005.4 MEMBER RESPONSIBILITIES

Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing or using controlled substances or alcohol on office premises or on office time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members who are authorized to consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Drug- and Alcohol-Free Workplace

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow member poses a risk to the health and safety of the member or others due to drug or alcohol use.

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

1005.5 EMPLOYEE ASSISTANCE PROGRAM

There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Department of Human Resources, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

1005.6 WORK RESTRICTIONS

If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the Office.

1005.7 SCREENING TESTS

The Office may request or require drug or alcohol testing in the following circumstances (Minn. Stat. § 181.951; Minn. Stat. § 181.952):

- (a) **Reasonable suspicion** - The Shift Supervisor may request or require an employee to undergo drug and alcohol testing if there is a reasonable suspicion of any of the following:
 - 1. The employee is under the influence of drugs or alcohol.

1005.7.1 DRUG- AND ALCOHOL-TESTING PROGRAM

The following applies to the office's drug and alcohol testing procedures (Minn. Stat. § 181.951; Minn. Stat. § 181.952; Minn. Stat. § 181.953):

- (a) An employee or applicant has the right to refuse a test but the consequences of a refusal may result in discipline, up to and including termination, or a decision not to hire the applicant.
- (b) Initial screening tests must be verified by a confirmatory test for the purpose of discipline.
- (c) Employees will have an opportunity to participate in an appropriate alcohol or drug program for their first confirmed positive test. The program may be in lieu of other discipline unless the employee fails the program or refuses to participate (Minn. Stat. § 181.953).
- (d) A confirmed positive test may result in discipline, up to and including termination.
- (e) An employee or job applicant will have the opportunity to explain a positive test result and may request and pay for a second confirmatory retest.
- (f) All disciplinary procedural safeguards in this manual apply, including the post-discipline appeal procedures (see the Personnel Complaints Policy).
- (g) Employees and job applicants shall receive required written notice, including posting, of the drug- and alcohol-testing policies and procedures as set forth in Minn. Stat. § 181.952.
- (h) The safeguards of Minn. Stat. § 181.953 will be followed for any testing and any related discipline process.

Notice of the adopted drug and alcohol testing policy shall be posted in an appropriate and conspicuous location and copies shall be available for inspection to all employees and job applicants (Minn. Stat. 181.952).

1005.7.2 SUPERVISOR RESPONSIBILITIES

The supervisor shall prepare a written record documenting the specific facts that led to the decision to require the test, and shall inform the employee in writing of the following:

- (a) The test will be given to detect either alcohol or drugs, or both.
- (b) The result of the test is not admissible in any criminal proceeding against the employee.

Clay County Sheriff's Office

1005.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT

No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the Office will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

1005.9 CONFIDENTIALITY

The Office recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained in the member's confidential medical file in accordance with the Personnel Records Policy.

Sick Leave

1006.1 PURPOSE AND SCOPE

This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed in the County personnel manual or applicable collective bargaining agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) and the Minnesota Pregnancy and Parenting Leave Act (29 USC § 2601 et seq.; Minn. Stat. § 181.941).

1006.2 POLICY

It is the policy of the Clay County Sheriff's Office to provide eligible employees with a sick leave benefit.

1006.3 USE OF SICK LEAVE

Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity or other activity that may impede recovery from the injury or illness (see the Outside Employment Policy).

Qualified appointments should be scheduled during a member's non-working hours when it is reasonable to do so.

1006.3.1 NOTIFICATION

All members should notify the Shift Supervisor or appropriate supervisor as soon as they are aware that they will not be able to report to work and no less than one hour before the start of their scheduled shifts. If, due to an emergency, a member is unable to contact the supervisor, every effort should be made to have a representative for the member contact the supervisor.

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever possible and practicable, provide the Office with no less than 30 days' notice of the impending absence.

Upon return to work, members are responsible for ensuring their time off was appropriately accounted for, and for completing and submitting the required documentation describing the type of time off used and the specific amount of time taken.

1006.4 EXTENDED ABSENCE

Members absent from duty for more than three consecutive days may be required to furnish a statement from a health care provider supporting the need to be absent and/or the ability to return to work. Members on an extended absence shall, if possible, contact their supervisor at specified intervals to provide an update on their absence and expected date of return.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Sick Leave

Nothing in this section precludes a supervisor from requiring, with cause, a health care provider's statement for an absence of three or fewer days.

1006.5 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include, but are not limited to:

- (a) Monitoring and regularly reviewing the attendance of those under their command to ensure that the use of sick leave and absences is consistent with this policy.
- (b) Attempting to determine whether an absence of four or more days may qualify as family medical leave and consulting with legal counsel or the Department of Human Resources as appropriate.
- (c) Addressing absences and sick leave use in the member's performance evaluation when excessive or unusual use has:
 - 1. Negatively affected the member's performance or ability to complete assigned duties.
 - 2. Negatively affected office operations.
- (d) When appropriate, counseling members regarding excessive absences and/or inappropriate use of sick leave.
- (e) Referring eligible members to an available employee assistance program when appropriate.

Communicable Diseases

1007.1 PURPOSE AND SCOPE

This policy provides general guidelines to assist in minimizing the risk of office members contracting and/or spreading communicable diseases.

1007.1.1 DEFINITIONS

Definitions related to this policy include:

Communicable disease - A human disease caused by microorganisms that are present in and transmissible through human blood, bodily fluid, tissue, or by breathing or coughing. These diseases commonly include, but are not limited to, hepatitis B virus (HBV), HIV and tuberculosis.

Exposure - When an eye, mouth, mucous membrane or non-intact skin comes into contact with blood or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing or coughing (e.g., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member's position at the Clay County Sheriff's Office. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

1007.2 POLICY

The Clay County Sheriff's Office is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

1007.3 EXPOSURE CONTROL OFFICER

The Sheriff will assign a person as the Exposure Control Officer (ECO). The ECO shall develop an exposure control plan that includes:

- (a) Exposure-prevention and decontamination procedures.
- (b) Procedures for when and how to obtain medical attention in the event of an exposure or suspected exposure.
- (c) The provision that office members will have no-cost access to the appropriate personal protective equipment (PPE) (e.g., gloves, face masks, eye protection, pocket masks) for each member's position and risk of exposure.
- (d) Evaluation of persons in custody for any exposure risk and measures to separate them.
- (e) Compliance with all relevant laws or regulations related to communicable diseases, including:
 - 1. Responding to requests and notifications regarding exposures covered under the Ryan White law (42 USC § 300ff-133; 42 USC § 300ff-136).
 - 2. Exposure control mandates in 29 CFR 1910.1030 (Minn. R. 5206.0600).

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Communicable Diseases

3. Reporting cases and suspected cases of communicable diseases to the Department of Public Health (Minn. R. 4605.7070; Minn. Stat. § 144.4804).
4. Notifying appropriate medical facilities regarding member exposures and providing assistance locating source individuals, as applicable (Minn. Stat. § 144.7414)

The ECO should also act as the liaison with the Minnesota Occupational Safety and Health Administration (MNOSHA) and may request voluntary compliance inspections. The ECO should annually review and update the exposure control plan and review implementation of the plan.

1007.4 EXPOSURE PREVENTION AND MITIGATION

1007.4.1 GENERAL PRECAUTIONS

All members are expected to use good judgment and follow training and procedures related to mitigating the risks associated with communicable disease. This includes, but is not limited to (29 CFR 1910.1030; Minn. R. 5206.0600):

- (a) Stocking disposable gloves, antiseptic hand cleanser, CPR masks or other specialized equipment in the work area or office vehicles, as applicable.
- (b) Wearing office-approved disposable gloves when contact with blood, other potentially infectious materials, mucous membranes and non-intact skin can be reasonably anticipated.
- (c) Washing hands immediately or as soon as feasible after removal of gloves or other PPE.
- (d) Treating all human blood and bodily fluids/tissue as if it is known to be infectious for a communicable disease.
- (e) Using an appropriate barrier device when providing CPR.
- (f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.
- (g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing and portable radio) as soon as possible if the equipment is a potential source of exposure.
 1. Clothing that has been contaminated by blood or other potentially infectious materials shall be removed immediately or as soon as feasible and stored/decontaminated appropriately.
- (h) Handling all sharps and items that cut or puncture (e.g., needles, broken glass, razors, knives) cautiously and using puncture-resistant containers for their storage and/or transportation.
- (i) Avoiding eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses where there is a reasonable likelihood of exposure.
- (j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Communicable Diseases

1007.4.2 IMMUNIZATIONS

Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (29 CFR 1910.1030; Minn. R. 5206.0600).

1007.5 POST EXPOSURE

1007.5.1 INITIAL POST-EXPOSURE STEPS

Members who experience an exposure or suspected exposure shall:

- (a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).
- (b) Obtain medical attention as appropriate.
- (c) Notify a supervisor as soon as practicable.

1007.5.2 REPORTING REQUIREMENTS

The supervisor on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is documented (29 CFR 1910.1030; Minn. R. 5206.0600):

- (a) Name of the member exposed
- (b) Date and time of the incident
- (c) Location of the incident
- (d) Potentially infectious materials involved and the source of exposure (e.g., identification of the person who may have been the source)
- (e) Work being done during exposure
- (f) How the incident occurred or was caused
- (g) PPE in use at the time of the incident
- (h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Occupational Disease, Personal Injury and Death Reporting Policy).

1007.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

Office members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary.

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information (29 CFR 1910.1030; Minn. R. 5206.0600):

- (a) Whether the member has been informed of the results of the evaluation.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Communicable Diseases

- (b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

1007.5.4 COUNSELING

The Office shall provide the member, and his/her family if necessary, the opportunity for counseling and consultation regarding the exposure (29 CFR 1910.1030; Minn. R. 5206.0600).

1007.5.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate. Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Seeking testing through the procedures of Minn. Stat. § 144.7401 to Minn. Stat. § 144.7415 through a licensed hospital or other emergency medical care facility.

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the County Attorney to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

1007.6 CONFIDENTIALITY OF REPORTS

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well (Minn. Stat. § 144.7411).

1007.7 TRAINING

All members shall participate in training regarding communicable diseases commensurate with the requirements of their position. The training (29 CFR 1910.1030; Minn. R. 5206.0700):

- (a) Shall be provided at the time of initial assignment to tasks where an occupational exposure may take place and at least annually after the initial training.
- (b) Shall be provided whenever the member is assigned new tasks or procedures affecting his/her potential exposure to communicable disease.
- (c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure and what steps should be taken if a suspected exposure occurs.

Smoking and Tobacco Use

1008.1 PURPOSE AND SCOPE

This policy establishes limitations on smoking and the use of tobacco products by members and others while on-duty or while in Clay County Sheriff's Office facilities or vehicles.

For the purposes of this policy, smoking and tobacco use includes, but is not limited to, any tobacco product, such as cigarettes, cigars, pipe tobacco, snuff, tobacco pouches and chewing tobacco, as well as any device intended to simulate smoking, such as an electronic cigarette or personal vaporizer.

1008.2 POLICY

The Clay County Sheriff's Office recognizes that tobacco use is a health risk and can be offensive to others.

Smoking and tobacco use also presents an unprofessional image for the Office and its members. Therefore smoking and tobacco use is prohibited by members and visitors in all office facilities, buildings and vehicles, and as is further outlined in this policy (Minn. Stat. § 144.414).

1008.3 SMOKING AND TOBACCO USE

Smoking and tobacco use by members is prohibited anytime members are in public view representing the Office.

It shall be the responsibility of each member to ensure that no person under his/her supervision smokes or uses any tobacco product inside County facilities and vehicles.

1008.4 ADDITIONAL PROHIBITIONS

No employee shall smoke, even while out of view of the public or off-duty, in areas properly posted with "No Smoking" notices nor shall any employee use tobacco products on public school property (Minn. Stat. § 609.681; Minn. Stat. § 144.4165). The Sheriff or the authorized designee should ensure that proper signage is in place for notice of areas where tobacco use is restricted (Minn. R. 4620.0500).

Personnel Complaints

1009.1 PURPOSE AND SCOPE

This policy provides guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members of the Clay County Sheriff's Office (Minn. R. 6700.2200). This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

1009.2 POLICY

The Clay County Sheriff's Office takes seriously all complaints regarding the service provided by the Office and the conduct of its members.

The Office will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state and local law, municipal and county rules and the requirements of any memorandum of understanding.

It is also the policy of this office to ensure that the community can report misconduct without concern for reprisal or retaliation.

1009.3 PERSONNEL COMPLAINTS

Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of office policy or of federal, state or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate office policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the Office.

1009.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be classified in one of the following categories:

Informal - A matter in which the Shift Supervisor is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

Formal - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to the Internal Affairs Unit, depending on the seriousness and complexity of the investigation.

Incomplete - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Internal Affairs Unit, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

- (b) Any office member becoming aware of alleged misconduct shall immediately notify a supervisor.
- (c) Supervisors shall initiate a complaint based upon observed misconduct or receipt from any source alleging misconduct that, if true, could result in disciplinary action.
- (d) Anonymous and third-party complaints should be accepted and investigated to the extent that sufficient information is provided.
- (e) Tort claims and lawsuits may generate a personnel complaint.
- (f) The Minnesota Board of Peace Officer Standards and Training (POST) may refer complaints alleging a violation of a statute or rule that the board is empowered to enforce (Minn. Stat. § 214.10, Subd. 10).
- (g) Any person making a complaint may be accompanied by an attorney or other representative, including at the time the complaint is made.
- (h) Any person wishing to file a complaint against the Sheriff should be referred to the County Administrator for investigation by an outside agency.

1009.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

1009.4.1 COMPLAINT FORMS

Personnel complaint forms will be maintained in a clearly visible location in the public area of the sheriff's facility and be accessible through the office website. Forms may also be available at other County facilities.

Personnel complaint forms in languages other than English may also be provided, as determined necessary or practicable.

1009.4.2 ACCEPTANCE

All complaints will be courteously accepted by any office member and promptly given to the appropriate supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs or physical evidence may be obtained as necessary.

1009.4.3 COMPLAINT COPIES

After a complaint is filed, the accepting member should sign the document, keep a copy for the office and provide a copy to the complainant.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Personnel Complaints

1009.5 DOCUMENTATION

Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the Office should audit the log and send an audit report to the Sheriff or the authorized designee.

1009.6 ADMINISTRATIVE INVESTIGATIONS

Allegations of misconduct will be administratively investigated as follows (Minn. R. 6700.2200).

1009.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Sheriff or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
 - 1. The original complaint form will be directed to the Shift Supervisor of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
 - 2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Division Commander or the Sheriff, who will initiate appropriate action.
- (b) Responding to all complaints in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.
 - 1. Follow-up contact with the complainant should be made within 24 hours of the Office receiving the complaint.
 - 2. If the matter is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the Shift Supervisor.
- (d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the Shift Supervisor and Sheriff are notified via the chain of command as soon as practicable.

- (f) Forwarding unresolved personnel complaints to the Shift Supervisor, who will determine whether to contact the complainant or assign the complaint for investigation.
- (g) Informing the complainant of the investigator's name and the complaint number within three days after assignment.
- (h) Investigating a complaint as follows:
 - 1. Making reasonable efforts to obtain names, addresses and telephone numbers of witnesses.
 - 2. When appropriate, ensuring immediate medical attention is provided and photographs of alleged injuries and accessible uninjured areas are taken.
- (i) Ensuring that the procedural rights of the accused member are followed.
- (j) Ensuring interviews of the complainant are generally conducted during reasonable hours.

1009.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES

Whether conducted by a supervisor or an assigned member of the Internal Affairs Unit, the following shall apply to members covered by the Peace Officer Discipline Procedures Act (Minn. Stat. § 626.89):

- (a) Interviews of an accused member shall be conducted during reasonable hours and preferably when the member is on-duty (Minn. Stat. § 626.89, Subd. 7). If the member is off-duty, he/she shall be compensated.
- (b) Unless waived by the member, interviews of an accused member shall be at the Clay County Sheriff's Office or at a place agreed upon by the accused member (Minn. Stat. § 626.89, Subd. 4).
- (c) No more than two interviewers should ask questions of an accused member.
- (d) Prior to any interview, a member should be informed of the nature of the investigation.
 - 1. The member shall be given a copy of any written complaint signed by the complainant (Minn. Stat. § 626.89, Subd. 5).
- (e) All interviews should be for a reasonable period and the member's personal needs should be accommodated (Minn. Stat. § 626.89, Subd. 7).
- (f) No member should be subjected to offensive or threatening language, nor shall any promises, rewards or other inducements be used to obtain answers.
- (g) Any member refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.
 - 1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a *Garrity* advisement. Administrative investigators

should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).

2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.
- (h) The interviewer shall record all interviews of members and witnesses. The member may also record the interview. A complete copy or transcript of the interview must be made available to the member upon written request without charge or undue delay. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview (Minn. Stat. § 626.89, Subd. 8).
- (i) All members subjected to interviews that could result in discipline have the right to have an uninvolved representative or attorney present before or during the interview (Minn. Stat. § 626.89, Subd. 9). When a member requests a representative or attorney, no interview may be taken until a reasonable opportunity is provided for the member to obtain that person's presence. However, in order to maintain the integrity of each individual's statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
- (j) All members shall provide complete and truthful responses to questions posed during interviews.
- (k) No member may be compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation.
- (l) Before a formal statement is taken, the member shall be advised in writing or on the record that admissions made may be used as evidence of misconduct or a basis for discipline (Minn. Stat. § 626.89, Subd. 10).
- (m) A member may not be required to produce financial records (Minn. Stat. § 626.89, Subd. 11).
- (n) A member's photograph will not be released unless allowed by law (Minn. Stat. § 626.89, Subd. 12).

1009.6.3 ADMINISTRATIVE INVESTIGATION FORMAT

Formal investigations of personnel complaints shall be thorough, complete and essentially follow this format:

Introduction - Include the identity of the members, the identity of the assigned investigators, the initial date and source of the complaint.

Synopsis - Provide a brief summary of the facts giving rise to the investigation.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Personnel Complaints

Summary - List the allegations separately, including applicable policy sections, with a brief summary of the evidence relevant to each allegation. A separate recommended finding should be provided for each allegation.

Evidence - Each allegation should be set forth with the details of the evidence applicable to each allegation provided, including comprehensive summaries of member and witness statements. Other evidence related to each allegation should also be detailed in this section.

Conclusion - A recommendation regarding further action or disposition should be provided.

Exhibits - A separate list of exhibits (e.g., recordings, photos, documents) should be attached to the report.

1009.6.4 DISPOSITIONS

Each personnel complaint shall be classified with one of the following dispositions:

Unfounded - When the investigation discloses that the alleged acts did not occur or did not involve office members. Complaints that are determined to be frivolous will fall within the classification of unfounded.

Exonerated - When the investigation discloses that the alleged act occurred but that the act was justified, lawful and/or proper.

Not sustained - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

Sustained - When the investigation discloses sufficient evidence to establish that the act occurred and that it constituted misconduct.

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

The Sheriff may authorize that any investigation be re-opened any time substantial new evidence is discovered concerning the complaint.

1009.6.5 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation.

1009.6.6 EXTERNAL INVESTIGATIONS

The Sheriff may request that an outside agency conduct an investigation anytime the Sheriff determines an external investigation is appropriate.

This office should not conduct an investigation when the Sheriff is the subject of the complaint. An external investigation should be requested through the County Administrator.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Personnel Complaints

1009.6.7 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS

The member conducting the investigation shall provide the complainant with periodic updates on the status of the investigation, as appropriate and consistent with the provisions of the Minnesota Government Data Practices Act (MGDP) (Minn. Stat. § 13.43, Subd. 2; Minn. R. 6700.2200).

1009.7 ADMINISTRATIVE SEARCHES

Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio or other document or equipment.

1009.8 ADMINISTRATIVE LEAVE

When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Office, the Sheriff or the authorized designee may temporarily assign an accused employee to administrative leave. Any employee placed on administrative leave:

- (a) May be required to relinquish any office badge, identification, assigned weapons and any other office equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
- (c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.

1009.9 CRIMINAL INVESTIGATION

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Sheriff shall be notified as soon as practicable when a member is accused of criminal conduct. The Sheriff may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be provided with all rights afforded to a civilian. The member should not be administratively ordered to provide any information in the criminal investigation.

The Clay County Sheriff's Office may release information concerning the arrest or detention of any member, including a deputy, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

The Sheriff may postpone making a decision on an administrative investigation until any related criminal charges are resolved. The complainant and involved member should be informed of this decision.

1009.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES

Upon completion of a formal investigation, an investigation report should be forwarded to the Sheriff through the chain of command. Each level of command should review and include their comments in writing before forwarding the report. The Sheriff may accept or modify any classification or recommendation for disciplinary action.

1009.10.1 DIVISION COMMANDER RESPONSIBILITIES

Upon receipt of any completed personnel investigation, the Division Commander of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

The Division Commander may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Sheriff, the Division Commander may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Sheriff, the Division Commander shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

1009.10.2 SHERIFF RESPONSIBILITIES

Upon receipt of any written recommendation for disciplinary action, the Sheriff shall review the recommendation and all accompanying materials. The Sheriff may modify any recommendation and/or may return the file to the Division Commander for further investigation or action.

Once the Sheriff is satisfied that no further investigation or action is required by staff, the Sheriff shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Sheriff shall provide the member with a written notice and the following:

- (a) Access to all of the materials considered by the Sheriff in recommending the proposed discipline.
- (b) An opportunity to respond orally or in writing to the Sheriff within five days of receiving the notice.
 - 1. Upon a showing of good cause by the member, the Sheriff may grant a reasonable extension of time for the member to respond.
 - 2. If the member elects to respond orally, the presentation shall be recorded by the Office. Upon request, the member shall be provided with a copy of the recording.

Once the member has completed his/her response or if the member has elected to waive any such response, the Sheriff shall consider all information received in regard to the recommended discipline. The Sheriff shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Sheriff has issued a written decision, the discipline shall become effective.

1009.10.3 MINNESOTA POST INVESTIGATIONS

The Minnesota POST Board may require an administrative investigation based upon a complaint alleging a violation of a statute or rule that the board is empowered to enforce.

Any such misconduct allegation or complaint assigned to this office shall be completed and a written summary submitted to the POST executive director within 30 days of the order for inquiry (Minn. Stat. § 214.10, Subd. 10).

The Office shall cooperate with POST's investigation and provide requested information unless (Minn. Stat. § 626.8457):

- (a) There is an active criminal investigation or active criminal proceeding regarding the same incident or misconduct that is being investigated by POST.
- (b) An active internal investigation exists regarding the same incident or misconduct that is being investigated by POST during 45 days from the time the request was made by POST. The Sheriff or the authorized designee shall comply with the request upon completion of the internal investigation or once 45 days has passed, whichever occurs first.

1009.10.4 DISCIPLINE

Disciplinary action may include, but is not limited to (Minn. R. 6700.2200):

- (a) Oral reprimand.
- (b) Written reprimand.
- (c) Suspension.
- (d) Demotion.
- (e) Discharge.

1009.10.5 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT

The Sheriff or the authorized designee shall ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint. Notice must be consistent with the provisions of the MGD (Minn. Stat. § 13.43, Subd. 2; Minn. R. 6700.2200).

1009.11 PRE-DISCIPLINE EMPLOYEE RESPONSE

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Sheriff after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

- (c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Sheriff to consider.
- (d) In the event that the Sheriff elects to cause further investigation to be conducted, the employee shall be provided with the results prior to the imposition of any discipline.
- (e) The employee may thereafter have the opportunity to further respond orally or in writing to the Sheriff on the limited issues of information raised in any subsequent materials.

1009.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline.

1009.13 POST-DISCIPLINE APPEAL RIGHTS

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any collective bargaining agreement and/or personnel rules (Minn. R. 6700.2200).

Employees covered by the Veterans Preference Act are entitled to written notice of the right to request a hearing within 30 days of receipt of the notice of intent to terminate, suspend or demote. Failure to request the hearing in the time specified waives the right to the hearing and all other legal remedies. Any hearing shall be held in compliance with law (Minn. Stat. § 197.46).

1009.14 PROBATIONARY EMPLOYEES AND OTHER MEMBERS

At-will and probationary employees and members other than non-probationary employees may be disciplined and/or released from employment without adherence to any of the procedures set out in this policy, and without notice or cause at any time. These individuals are not entitled to any rights under this policy except for employees covered by the Veterans Preference Act (Minn. Stat. § 197.46). However, any of these individuals released for misconduct should be afforded an opportunity solely to clear their names through a liberty interest hearing, which shall be limited to a single appearance before the Sheriff or the authorized designee (Minn. R. 6700.2200).

Any probationary period may be extended at the discretion of the Sheriff in cases where the individual has been absent for more than a week or when additional time to review the individual is considered to be appropriate.

1009.15 RETENTION OF PERSONNEL INVESTIGATION FILES

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Personnel Complaints

1009.15.1 CONFIDENTIALITY OF PERSONNEL FILES

All active investigations of alleged misconduct and personnel complaints shall be considered confidential and maintained separately from peace officer personnel files. The contents of such files shall not be revealed to other than the involved member or authorized personnel, except pursuant to lawful process, such as Minn. R. 6700.2500. Data in closed files shall be treated as private or public data depending on whether discipline was imposed upon the member.

1009.15.2 LETTERS OF DISCIPLINE AND REPRIMANDS

Letters of discipline and reprimands may only be placed in a member's personnel file after they are received by the member (see generally Minn. Stat. § 626.89, Subd. 13).

1009.16 REQUIRED REPORTING TO POST

The Sheriff or the authorized designee shall notify POST of certain deputy personnel events, including but not limited to:

- (a) A termination or resignation of a deputy who is the subject of an internal or criminal investigation due to alleged misconduct regardless of whether the investigation has been initiated or completed, or whether the deputy was criminally charged (Minn. Stat. § 626.8457, Subd. 4).
- (b) The violation of a required POST model policy identified in Minn. R. 6700.1615 (Minn. R. 6700.1615, Subd. 2).

Seat Belts

1010.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in office vehicles (Minn. Stat. § 169.686).

Guidance for transporting persons in custody may be found in the Transporting Persons in Custody and Handcuffing and Restraints policies.

1010.1.1 DEFINITIONS

Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213 (Minn. Stat. § 169.685).

1010.2 POLICY

It is the policy of the Clay County Sheriff's Office that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.

1010.3 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this office while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including those who are not members of the Office, are properly restrained (Minn. Stat. § 169.686).

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the office member or the public. Members must be prepared to justify any deviation from this requirement.

1010.4 TRANSPORTING CHILDREN

All children younger than 8 years of age and shorter than 4 feet 9 inches tall shall be restrained in a child passenger safety seat system (Minn. Stat. § 169.685, Subd. 5(b)).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Seat Belts

1010.5 INOPERABLE SEAT BELTS

Office vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Office vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Sheriff.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

1010.6 VEHICLES MANUFACTURED WITHOUT SEAT BELTS

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operator requirements for safe use.

1010.7 VEHICLE AIRBAGS

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

Body Armor

1011.1 PURPOSE AND SCOPE

The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

1011.2 POLICY

It is the policy of the Clay County Sheriff's Office to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

1011.3 ISSUANCE OF BODY ARMOR

The Training supervisor shall ensure that body armor is issued to all deputies when the deputy begins service at the Clay County Sheriff's Office and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

The Training supervisor shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

1011.3.1 USE OF SOFT BODY ARMOR

Generally, the use of body armor is required subject to the following:

- (a) Deputies shall only wear agency-approved body armor.
- (b) Deputies shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.
- (c) Deputies may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity and could not reasonably be expected to take enforcement action.
- (d) Body armor shall be worn when a deputy is working in uniform or taking part in Office range training.
- (e) A deputy may be excused from wearing body armor when he/she is involved in undercover or plainclothes work that his/her supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.

1011.3.2 INSPECTIONS OF BODY ARMOR

Supervisors should ensure that body armor is worn and maintained in accordance with this policy through routine observation and periodic documented inspections. Annual inspections of body armor should be conducted by an authorized designee for fit, cleanliness and signs of damage, abuse and wear.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Body Armor

1011.3.3 CARE AND MAINTENANCE OF SOFT BODY ARMOR

Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

1011.4 ARMORER RESPONSIBILITIES

The Rangemaster should:

- (a) Monitor technological advances in the body armor industry for any appropriate changes to Office approved body armor.
- (b) Assess weapons and ammunition currently in use and the suitability of approved body armor to protect against those threats.
- (c) Provide training that educates deputies about the safety benefits of wearing body armor.

- (a) A preliminary determination that the employee's conduct appears to be in compliance with policy and law.
- (b) If appropriate, the employee has had the opportunity to receive necessary counseling and/or psychological clearance to return to full duty.

1014.6 PHYSICAL AND PSYCHOLOGICAL EXAMINATIONS

- (a) Whenever circumstances reasonably indicate that an employee is unfit for duty, the Sheriff may serve that employee with a written order to undergo a physical and/or psychological examination in cooperation with the Department of Human Resources to determine the level of the employee's fitness for duty. Except in very limited circumstances members should have a minimum of eight hours off between shifts. Supervisors should give consideration to reasonable rest periods and are authorized to deny overtime or relieve to off-duty status any member who has exceeded the above guidelines.

Limitations on the number of hours worked apply to shift changes, shift trades, rotation, holdover, training, special events, contract work, general overtime and any other work assignments.

1014.8 APPEALS

Employees disputing the application or interpretation of this policy may submit a grievance as provided in the Grievance Procedure Policy or the applicable collective bargaining agreement.

Meal Periods and Breaks

1015.1 PURPOSE AND SCOPE

This policy regarding meals and breaks, insofar as reasonably possible shall conform to the policy governing all County employees pursuant to Minn. Stat. § 177.253, Minn. Stat. § 177.254 and Minn. R. § 5200.0120.

1015.1.1 MEAL PERIODS

Each employee who works for eight or more consecutive hours is entitled to sufficient time to eat a meal (Minn. Stat. § 177.254). Regularly uniformed licensed employees shall remain on duty subject to call during meal periods. All other employees are not on call during meal periods unless directed otherwise by a supervisor.

Uniformed deputies shall take their meal periods within the County limits unless on assignment outside of the County.

The time spent for the meal period shall not exceed the authorized time allowed.

1015.1.2 10 MINUTE BREAKS

Each employee is allowed adequate time from work within each four consecutive hours of work to utilize the nearest convenient restroom (Minn. Stat. § 177.253).

Employees normally assigned to the sheriff's facility shall remain in the sheriff's facility for their breaks. This does not prohibit them from taking a break outside the facility if on official business.

Field deputies will take their breaks within county limits, subject to call, and shall monitor their radios.

Lactation Breaks

1016.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding reasonable accommodations for lactating members.

1016.2 POLICY

It is the policy of the Clay County Sheriff's Office to provide, in compliance with federal and state law, reasonable accommodations for lactating members. This includes break time and appropriate facilities to accommodate any member desiring to express breast milk (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3; Minn. Stat. § 181.939).

1016.3 LACTATION BREAK TIME

A rest period should be permitted each time the member requires a lactation break (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time.

Lactation breaks may be taken at the same time as the member's regularly scheduled rest or meal periods (Minn. Stat. § 181.939).

Members desiring to take a lactation break shall notify the [dispatcher] or supervisor prior to taking such a break.

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

1016.4 PRIVATE LOCATION

The Office will make reasonable efforts to accommodate members with the use of an appropriate room or other location to express milk in private. Such room or place should be in proximity to the member's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view, free from intrusion from coworkers and the public, and otherwise satisfy the requirements of federal and state law (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3; Minn. Stat. § 181.939).

Members occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other members should avoid interrupting a member during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for members assigned to the field may be taken at the nearest appropriate private area.

1016.5 STORAGE OF EXPRESSED MILK

Any member storing expressed milk in any authorized refrigerated area within the Office shall clearly label it as such and shall remove it when the member's shift ends.

Payroll Records

1017.1 PURPOSE AND SCOPE

This policy provides the guidelines for completing and submitting payroll records of office members who are eligible for the payment of wages.

1017.2 POLICY

The Clay County Sheriff's Office maintains timely and accurate payroll records.

1017.3 RESPONSIBILITIES

Members are responsible for the accurate completion and timely submission of their payroll records for the payment of wages.

Supervisors are responsible for approving the payroll records for those under their commands.

1017.4 TIME REQUIREMENTS

Members who are eligible for the payment of wages are paid on a scheduled, periodic basis, generally on the same day or date each period, with certain exceptions, such as holidays. Payroll records shall be completed and submitted to Administration as established by the County payroll procedures.

1017.5 RECORDS

The Administration Division Commander shall ensure that accurate and timely payroll records are maintained as required by 29 CFR 516.2 for a minimum of three years (29 CFR 516.5).

Overtime Compensation Requests

1018.1 PURPOSE AND SCOPE

It is the policy of the Office to compensate nonexempt employees who work authorized overtime either by payment of wages as agreed and in effect through the collective bargaining agreement, or by the allowance of accrual of compensatory time off. In order to qualify for either the employee must complete and submit a Request for Overtime Payment as soon as practicable after overtime is worked.

1018.1.1 OFFICE POLICY

Because of the nature of law enforcement work, and the specific needs of the Office, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Office. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, approval shall be sought as soon as practicable during the overtime shift and in no case later than the end of shift in which the overtime is worked.

Short periods of work at the end of the normal duty day (e.g., less than one hour in duration) may be handled unofficially between the supervisor and the employee by flexing a subsequent shift schedule to compensate for the time worked rather than by submitting requests for overtime payments. If the supervisor authorizes or directs the employee to complete a form for such a period, the employee shall comply.

The individual employee may request compensatory time in lieu of receiving overtime payment. The employee may not exceed the number of hours identified in the collective bargaining agreement.

1018.2 REQUEST FOR OVERTIME COMPENSATION

Employees shall submit all overtime compensation requests to their immediate supervisors as soon as practicable for verification and forwarding to the Administration Division.

Failure to submit a request for overtime compensation in a timely manner may result in discipline.

1018.3 ACCOUNTING FOR OVERTIME WORKED

Employees are to record the actual time worked in an overtime status. In some cases, the collective bargaining agreement provides that a minimum number of hours will be paid, (e.g., two hours for court, four hours for outside overtime). The supervisor will enter the actual time worked.

1018.3.1 VARIATION IN TIME REPORTED

Where two or more employees are assigned to the same activity, case or court trial and the amount of time for which payment is requested varies from that reported by the other employee, the Shift Supervisor or other approving supervisor may require each employee to include the reason for the variation on the back of the overtime payment request.

Outside Employment

1019.1 PURPOSE AND SCOPE

To avoid actual or perceived conflicts of interest for Office employees engaging in outside employment, all employees shall initially obtain written approval from the Sheriff prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Sheriff in accordance with the provisions of this policy.

1019.1.1 DEFINITIONS

Outside Employment - The employment of any member of this office who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this office for services, product(s) or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this office for services, product(s) or benefits rendered.

Outside Overtime - Overtime involving any member of this office who performs duties or services on behalf of an outside organization, company or individual within this jurisdiction on behalf of the Office. Such outside overtime shall be requested and scheduled directly through this office so that the Office may be reimbursed for the cost of wages and benefits.

1019.2 OBTAINING APPROVAL

No member of this office may engage in any outside employment without first obtaining prior written approval of the Sheriff. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy is grounds for disciplinary action.

To obtain approval for outside employment, the employee must complete an Outside Employment letter that shall be submitted to the employee's immediate supervisor. The letter will then be forwarded through the appropriate chain of command to the Sheriff for consideration.

If approved, the employee will be provided with a copy of the approved permit. Unless otherwise indicated in writing on the approved permit, a permit will be valid through the end of the calendar year in which it is approved. Any employee seeking to continue outside employment shall submit a new Outside Employment letter in a timely manner.

Any employee seeking approval of outside employment whose request has been denied shall be provided with a written reason for the denial of the application at the time of the denial and within 30 days of the application.

1019.2.1 APPEAL OF DENIAL OF OUTSIDE EMPLOYMENT

If an employee's Outside Employment Application is denied or rescinded by the Office, the employee may file a written notice of appeal to the Sheriff within 10 days of the date of denial.

If the employee's appeal is denied, the employee may file a grievance pursuant to the procedure set forth in the current collective bargaining agreement.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Outside Employment

1019.2.2 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMITS

Any outside employment permit may be revoked or suspended after the employee has received written notification of the reasons for revocation or suspension. Revocation will be implemented after the employee has exhausted the appeal process.

The outside employment may be revoked:

- (a) If an employee's performance declines to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of minimum acceptable competency and the outside employment may be related to the employee's performance. The Sheriff may, at his/her discretion, notify the employee of the intent to revoke any previously approved outside employment permit(s). After the appeal process has concluded, the revocation will remain in force until the employee's performance directly related to the outside employment has been reestablished to the minimum level of acceptable competency.
- (b) If, at any time during the term of a valid outside employment permit, an employee's conduct or outside employment conflicts with the provisions of Office policy, or any law.
- (c) The outside employment creates an actual or apparent conflict of interest with the Office or County.

1019.3 PROHIBITED OUTSIDE EMPLOYMENT

The Office expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity that:

- (a) Involves the employee's use of Office time, facilities, equipment or supplies, the use of the Office badge, uniform, prestige or influence for private gain or advantage.
- (b) Involves the employee's receipt or acceptance of any money or other consideration from anyone other than this office for the performance of an act that the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this office.
- (c) Involves the performance of an act in other than the employee's capacity as a member of this office that may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of any other employee of this office.
- (d) Involves time demands that would render performance of the employee's duties for this office below minimum standards or would render the employee unavailable for reasonably anticipated overtime assignments and other job-related demands that occur outside regular working hours.

1019.3.1 OUTSIDE SECURITY EMPLOYMENT

Due to the potential conflict of interest no member of this office may engage in any outside or secondary employment as a private security guard, private investigator or other similar private security position.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

- (b) The applicant will further be required to provide for the compensation and full benefits of all employees requested for such outside security services.
- (c) If such a request is approved, any employee working outside overtime shall be subject to the following conditions:
 - 1. The deputy(s) shall wear the Office uniform/identification.
 - 2. The deputy(s) shall be subject to all the rules and regulations of this office.
 - 3. No deputy may engage in such outside employment during or at the site of a strike, lockout, picket or other physical demonstration of a labor dispute.
 - 4. Compensation for such approved outside security services shall be pursuant to normal overtime procedures.
 - 5. Outside security services, outside employment or outside overtime shall not be subject to the collective bargaining process.
 - 6. No deputy may engage in outside employment as a peace officer for any other public agency without prior written authorization of the Sheriff.

1019.3.2 OUTSIDE OVERTIME ARREST AND REPORTING PROCEDURE

Any employee making an arrest or taking other official law enforcement action while working in an approved outside overtime assignment shall be required to complete all related reports in a timely manner pursuant to Office policy. Time spent on the completion of such reports shall be considered incidental to the outside overtime assignment.

1019.4 OFFICE RESOURCES

Employees are prohibited from using any Office equipment or resources in the course of or for the benefit of any outside employment. This shall include the prohibition of access to official records or databases of this office or other agencies through the use of the employee's position with this office.

1019.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS

If an employee terminates his/her outside employment during the period of a valid permit, the employee shall promptly submit written notification of such termination to the Sheriff through the appropriate chain of command. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Outside Employment

Employees shall also promptly submit in writing to the Sheriff any material changes in outside employment including any change in the number of hours, type of duties or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material shall report the change.

1019.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY OR ADMINISTRATIVE LEAVE

Office members engaged in outside employment who are placed on disability or administrative leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether they intend to continue to engage in outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any work-related doctor's orders and make a recommendation to the Sheriff whether such outside employment should continue or be suspended or revoked.

In the event the Sheriff determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding the work permit, a notice of intent to revoke the employee's permit will be forwarded to the involved employee and a copy attached to the original work permit. The revocation process outlined in this policy shall be followed.

Criteria for revoking or suspending the outside employment permit while on disability status or administrative leave include, but are not limited to, the following:

- (a) The outside employment is medically detrimental to the total recovery of the disabled employee, as indicated by the County's professional medical advisors.
- (b) The outside employment performed requires the same or similar physical ability, as would be required of an on-duty employee.
- (c) The employee's failure to make timely notice of his/her intentions to their supervisor.
- (d) The outside employment is not compatible with the reason the employee is on administrative leave.

The purpose of such notice is to permit the County to determine whether the offered settlement will affect any claim the County may have regarding payment for damage to equipment or reimbursement for wages against the person who caused the disease or injury, and to protect the County's right of subrogation, while ensuring that the member's right to receive compensation is not affected.

Temporary Modified-Duty Assignments

This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, County rules, or current memorandums of understanding or collective bargaining agreements. For example, nothing in this policy affects the obligation of the Office to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability or limitation that is protected under federal or state law.

1025.2 POLICY

Subject to operational considerations, the Clay County Sheriff's Office may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work, while providing the Office with a productive employee during the temporary period.

1025.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the Minnesota Human Rights Act (Minn. No position in the Clay County Sheriff's Office shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Office. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Sheriff or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle or engaging in outside employment, or may otherwise limit them in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 1,040 hours in any one-year period.

The Office may require a fitness-for-duty examination prior to returning an employee to full-duty status, in accordance with the Fitness for Duty Policy.

1025.7 PREGNANCY

If an employee is temporarily unable to perform regular duties due to a pregnancy, childbirth, or a related medical condition, the employee will be treated the same as any other temporarily disabled employee (42 USC § 2000e(k)). A pregnant employee shall not be involuntarily transferred to a temporary modified-duty assignment.

If notified by an employee or the employee's representative regarding limitations related to pregnancy, childbirth, or related medical conditions, the Office should make reasonable efforts to provide an accommodation for the employee in accordance with federal and state law. The accommodation should be provided without unnecessary delay, as appropriate (42 USC § 2000gg-1; 29 CFR 1636.3; 29 CFR 1636.4; Minn. Stat. § 181.939; Minn. Stat. § 363A.08).

1025.7.1 NOTIFICATION

Pregnant employees should notify their immediate supervisors as soon as practicable and provide a statement from their medical providers identifying any pregnancy-related job restrictions or limitations. If at any point during the pregnancy it becomes necessary for the employee to take a leave of absence, such leave shall be granted in accordance with the County's personnel rules and regulations regarding family and medical care leave.

1025.8 PROBATIONARY EMPLOYEES

1025.9 MAINTENANCE OF CERTIFICATION AND TRAINING

Employees assigned to temporary modified duty shall maintain all certification, training and qualifications appropriate to both their regular and temporary duties, provided that the certification, training or qualifications are not in conflict with any medical limitations or restrictions. Employees who are assigned to temporary modified duty shall inform their supervisors of any inability to maintain any certification, training or qualifications.

Employee Speech, Expression and Social Networking

1026.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balance of employee speech and expression with the needs of the Office.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or deputy associations, about matters of public concern such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

1026.1.1 APPLICABILITY

This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, use of all Internet services, including the World Wide Web, e-mail, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, wikis, video and other file sharing sites.

1026.2 POLICY

Because public employees occupy a trusted position in the community their statements have the potential to contravene the policies and performance of this office. Due to the nature of the work and influence associated with the law enforcement profession it is necessary that employees of this office be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public the Clay County Sheriff's Office will carefully balance the individual employee's rights against the organization's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

1026.3 SAFETY

Employees should carefully consider the implications of their speech or any other form of expression when using the Internet. Speech and expression that may negatively affect the safety of Clay County Sheriff's Office employees such as posting personal information in a public forum can result in compromising an employee's home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be expected to compromise the safety of any employee, employee's family or associates or persons that this agency has had professional contact with such as crime victims or staff of other organizations. Examples of the type of information that could reasonably be expected to compromise safety include:

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Employee Speech, Expression and Social Networking

- Disclosing a photograph and name or address of an employee.
- Disclosing the address, telephone number or email address of an employee.
- Otherwise disclosing where another employee can be located off-duty.

1026.4 PROHIBITED SPEECH, EXPRESSION AND CONDUCT

To meet the organization's safety, performance and public-trust needs the following are prohibited unless the speech is otherwise protected (for example an employee speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or deputy associations, on a matter of public concern):

- (a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation or professionalism of the Clay County Sheriff's Office or its employees.
- (b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to or related to the Clay County Sheriff's Office and tends to compromise or damage the mission, function, reputation or professionalism of the Clay County Sheriff's Office or its employees. Examples may include:
 1. Statements that indicate disregard for the law or the state or U.S. Constitution.
 2. Expression that demonstrates support for criminal activity.
 3. Participating in sexually explicit photographs or videos for compensation or distribution.
- (c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the employee as a witness. For example posting statements or expressions to a website that glorify or endorse dishonesty or illegal behavior.
- (d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the employees of the Office. For example a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen to jeopardize employees by informing criminals of details that could facilitate an escape or attempted escape.
- (e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Clay County Sheriff's Office.
- (f) Use or disclosure, through whatever means, of any not public data, photograph, video or other recording obtained or accessible as a result of employment with the Office for financial or personal gain or data classified as not public by state or federal law or any disclosure of such materials without the express authorization of the Sheriff or the authorized designee.
- (g) Posting, transmitting or disseminating any photographs, video or audio recordings, likenesses or images of office logos, emblems, uniforms, badges, patches, marked

vehicles, equipment or other material that specifically identifies the Clay County Sheriff's Office on any personal or social networking or other website or web page without the express authorization of the Sheriff.

- (h) Accessing websites for non-authorized purposes or use of any personal communication device, game device or media device, whether personally or office-owned, for personal purposes while on-duty except in the following circumstances:
 - 1. When brief personal communications may be warranted by the circumstances (e.g., inform family of extended hours).
 - 2. During authorized breaks; such usage should be limited as much as practicable to areas out of sight and sound of the public and shall not be disruptive to the work environment.

Employees must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

1026.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While employees are not restricted from engaging in the following activities as private citizens or as authorized members of a recognized bargaining unit or deputy associations, employees may not represent the Clay County Sheriff's Office or identify themselves in any way that could be reasonably perceived as representing the Clay County Sheriff's Office in order to do any of the following, unless specifically authorized by the Sheriff:

- (a) Endorse, support, oppose or contradict any political campaign or initiative.
- (b) Endorse, support, oppose or contradict any social issue, cause or religion.
- (c) Endorse, support, or oppose any product, service, company or other commercial entity.
- (d) Appear in any commercial, social or nonprofit publication or any motion picture, film, video, public broadcast or any website.

Additionally, when it can reasonably be construed that an employee acting in his/her individual capacity or through an outside group or organization (e.g. bargaining group) is affiliated with this office, the employee shall give a specific disclaiming statement that any such speech or expression is not representative of the Clay County Sheriff's Office.

Employees retain their right to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or deputy associations, on political subjects and candidates at all times while off-duty. However employees may not use their official authority or influence to interfere with or affect the result of an election or a nomination for office. Employees are also prohibited from directly or indirectly using their official authority to coerce, command or advise another employee to pay, lend

or contribute anything of value to a party, committee, organization, agency or person for political purposes (5 USC § 1502).

1026.5 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to e-mails, texts, or anything published or maintained through file-sharing software or any Internet site (e.g., Facebook, MySpace) that is accessed, transmitted, received or reviewed on any office technology system (see the Information Technology Use Policy for additional guidance).

1026.6 CONSIDERATIONS

In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Sheriff or authorized designee should consider include:

- (a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.
- (b) Whether the speech or conduct would be contrary to the good order of the Office or the efficiency or morale of its members.
- (c) Whether the speech or conduct would reflect unfavorably upon the Office.
- (d) Whether the speech or conduct would negatively affect the member's appearance of impartiality in the performance of his/her duties.
- (e) Whether similar speech or conduct has been previously authorized.
- (f) Whether the speech or conduct may be protected and outweighs any interest of the Office.

1026.7 TRAINING

Subject to available resources the Office should provide training regarding employee speech and the use of social networking to all members of the Office.

POST Licensing

1027.1 PURPOSE AND SCOPE

Maintaining a valid POST license is a critical element of a deputy's ability to continue their employment and is their sole professional responsibility. Every deputy and every part-time deputy is required to complete the continuing education requirements to maintain a valid license every three years (Minn. R. § 6700.0900; Minn. R. 6700.1000).

1027.2 RENEWAL SCHEDULE

Any deputy whose license expires is not authorized to work as a peace officer until the license status is valid. Deputies renew their POST licenses according to a schedule established by Administrative Rule (Minn. R. 6700.1000).

1027.2.1 LICENSE RENEWAL CREDITS

A peace officer license may be renewed only upon the licensee or the licensee's appointing authority providing the POST board proof the licensee has successfully completed board-approved continuing education and posting of fees on or before June 30 of the year a license is due for renewal. Licensee required hours of continuing credit are (Minn. R. 6700.1000, Subd. 3):

- 16 hours for a peace officer or a part-time peace officer who has been licensed for at least six months but less than 18 months.
- 32 hours for a peace officer or a part-time peace officer who has been licensed for at least 18 months but less than 30 months.
- 48 hours for a peace officer or a part-time peace officer who has been licensed for at least 30 months.

1027.3 LICENSE PROCESS

A general schedule for the license renewal process is:

- February - The Office or deputy will receive employment verification.
- March - The Office or deputies are sent a license renewal application.
- June - A final notice will be sent from POST for those who have not renewed.
- June 30 - The deadline date for license renewal after which deputies whose license expires will no longer be authorized to practice law enforcement or carry a firearm.

1027.4 INACTIVE LICENSE

Deputies who fail to complete the requirements will have their license placed in the "Inactive" status. The employee may then be placed in a temporary administrative assignment until their license is "Valid". Those employees may also face administrative discipline up to and including termination.

Line-of-Duty Deaths

1028.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the Clay County Sheriff's Office in the event of the death of a member occurring in the line of duty and to direct the Office in providing proper support for the member's survivors.

The Sheriff may also apply some or all of this policy for a non-line-of-duty member death, or in situations where members are injured in the line of duty and the injuries are life-threatening.

1028.1.1 DEFINITIONS

Definitions related to this policy include:

Line-of-duty death - The death of a deputy during the course of performing law enforcement-related functions while on- or off-duty, or a civilian member during the course of performing assigned duties.

For a deputy, a line-of-duty death includes death that is the direct and proximate result of a personal injury sustained in the line of duty (34 USC § 10281).

Survivors - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin, or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

1028.2 POLICY

It is the policy of the Clay County Sheriff's Office to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this office to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

1028.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, the deceased member's supervisor should provide all reasonably available information to the Shift Supervisor and RRRDC.
 - 1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Public Information Officer section of this policy).
- (b) The Shift Supervisor should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.
- (c) If the member has been transported to the hospital, the Shift Supervisor or the authorized designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Line-of-Duty Deaths

- (d) The Sheriff or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the Office Liaison as soon as practicable (see the Notifying Survivors section and the Office Liaison and Hospital Liaison subsections in this policy).

1028.4 NOTIFYING SURVIVORS

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Sheriff or the authorized designee should review the deceased member's emergency contact information and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Sheriff, Shift Supervisor, or the authorized designee should select at least two members to conduct notification of survivors, one of which may be the Office chaplain.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity, and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
- (d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in office vehicles. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital. Notifying members should remain at the hospital while the survivors are present.
- (e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities, and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.
- (f) If making notification at a survivor's workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.
- (g) Offer to call other survivors, friends, or clergy to support the survivors and to avoid leaving survivors alone after notification.
- (h) Assist the survivors with meeting child care or other immediate needs.

Clay County Sheriff's Office

Clay Cnty SO Policy Manual

Line-of-Duty Deaths

- (i) Provide other assistance to survivors and take reasonable measures to accommodate their needs, wishes, and desires. Care should be taken not to make promises or commitments to survivors that cannot be met.
- (j) Inform the survivors of the name and phone number of the Survivor Support Liaison (see the Survivor Support Liaison section of this policy), if known, and the Office Liaison.
- (k) Provide their contact information to the survivors before departing.
- (l) Document the survivors' names and contact information, as well as the time and location of notification. This information should be forwarded to the Office Liaison.
- (m) Inform the Sheriff or the authorized designee once survivor notifications have been made so that other Clay County Sheriff's Office members may be apprised that survivor notifications are complete.

1028.4.1 OUT-OF-AREA NOTIFICATIONS

The Office Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

- (a) The Office Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the office member that the survivors can call for more information following the notification by the assisting agency.
- (b) The Office Liaison may assist in making transportation arrangements for the member's survivors, but will not obligate the Office to pay travel expenses without the authorization of the Sheriff.

1028.5 NOTIFYING OFFICE MEMBERS

Supervisors or members designated by the Sheriff are responsible for notifying office members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shifts. Members reporting for duty from their residences should be instructed to contact their supervisors as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., peer support, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Supervisors should direct members not to disclose any information outside the Office regarding the deceased member or the incident.

The Survivor Support Liaison should be selected by the deceased member's Division Commander. The following should be considered when selecting the Survivor Support Liaison:

- The liaison should be an individual the survivors know and with whom they are comfortable working.
- The selection may be made from names recommended by the deceased member's supervisor and/or coworkers. The deceased member's partner or close friends may not be the best selections for this assignment because the emotional connection to the member or survivors may impair their ability to conduct adequate liaison duties.
- The liaison must be willing to assume the assignment with an understanding of the emotional and time demands involved.

The responsibilities of the Survivor Support Liaison include but are not limited to:

- (a) Arranging for transportation of survivors to hospitals, places of worship, funeral homes, and other locations, as appropriate.

Survivor Support Liaisons providing services after an incident resulting in multiple members being killed should coordinate with and support each other through conference calls or meetings as necessary.

The Office recognizes that the duties of a Survivor Support Liaison will often affect regular assignments over many years, and is committed to supporting members in the assignment.

- (c) Working with the Benefits Liaison to establish a process for the receipt of public donations to the deceased member's survivors.
- (d) Providing accounting and cost information as needed.

1028.7 PUBLIC INFORMATION OFFICER

In the event of a line-of-duty death, the office's [PIO] should be the office's contact point for the media. As such, the [PIO] should coordinate with the Office Liaison to:

- (a) Collect and maintain the most current incident information and determine what information should be released.
- (b) Instruct office members to direct any media inquiries to the [PIO].
- (c) Prepare necessary press releases.
 1. Coordinate with other entities having media roles (e.g., outside agencies involved in the investigation or incident).
 2. Disseminate important public information, such as information on how the public can show support for the office and deceased member's survivors.
- (d) Arrange for community and media briefings by the Sheriff or the authorized designee as appropriate.
- (e) Respond, or coordinate the response, to media inquiries.
- (f) If requested, assist the member's survivors with media inquiries.

Clay County Sheriff's Office

- (g) Release information regarding memorial services and funeral arrangements to office members, other agencies, and the media as appropriate.
- (h) If desired by the survivors, arrange for the recording of memorial and funeral services via photos and/or video.

The identity of deceased members should be withheld until the member's survivors have been notified. If the media have obtained identifying information for the deceased member prior to survivor notification, the [PIO] should request that the media withhold the information from release until proper notification can be made to survivors. The [PIO] should notify media when survivor notifications have been made.

1028.8 OFFICE CHAPLAIN

The Sheriff should make necessary assignments to conduct thorough investigations of any line-of-duty death and may choose to use the investigation process outlined in the Officer-Involved Shootings and Deaths Policy.

Investigators from other agencies may be assigned to work on any criminal investigation related to line-of-duty deaths. Partners, close friends, or personnel who worked closely with the deceased member should not have any investigative responsibilities because such relationships may impair the objectivity required for an impartial investigation of the incident.

Involved office members should be kept informed of the progress of the investigations and provide investigators with any information that may be pertinent to the investigations.

1028.10 LINE-OF-DUTY DEATH OF A LAW ENFORCEMENT ANIMAL

The Sheriff may authorize appropriate memorial and funeral services for law enforcement animals killed in the line of duty.

Model Sexual Assault Investigation Policy.pdf

I. PURPOSE

The purpose of this policy is to provide employees with guidelines for responding to reports of sexual assault. This agency will strive:

- a) To afford maximum protection and support to victims of sexual assault or abuse through a coordinated program of law enforcement and available victim services with an emphasis on a victim centered approach;
- b) To reaffirm peace officers' authority and responsibility to conducting thorough preliminary and follow up investigations and to make arrest decisions in accordance with established probable cause standards;
- c) To increase the opportunity for prosecution and victim services.

II. POLICY

It is the policy of the _____ (law enforcement agency) to recognize sexual assault as a serious problem in society and to protect victims of sexual assault by ensuring its peace officers understand the laws governing this area. Sexual assault crimes are under-reported to law enforcement and the goal of this policy is in part to improve victim experience in reporting so that more people are encouraged to report.

All employees should take a professional, victim-centered approach to sexual assaults, protectively investigate these crimes, and coordinate with prosecution in a manner that helps restore the victim's dignity and autonomy. While doing so, it shall be this agency's goal to decrease the victim's distress, increase the victim's understanding of the criminal justice system and process, and promote public safety.

Peace officers will utilize this policy in response to sexual assault reported to this agency. This agency will aggressively enforce the laws without bias and prejudice based on race, marital status, sexual orientation, economic status, age, disability, gender, religion, creed, or national origin.

 - (ii) because of the dysfunction or infirmity and the need for assistance, the individual has an impaired ability to protect the individual from maltreatment.

IV. PROCEDURES

A. Communications Personnel Response/Additional Actions by Responding Officers

Communications personnel and/or law enforcement officers should inform the victim of ways to ensure critical evidence is not lost, to include the following:

- 1) Suggest that the victim not bathe, or clean him or herself if the assault took place recently.
- 2) Recommend that if a victim needs to relieve themselves, they should collect urine in a clean jar for testing, and should avoid wiping after urination.
- 3) Asking the victim to collect any clothing worn during or after the assault and if possible, place in a paper bag, instructing the victim not to wash the clothing (per department policy).
- 4) Reassure the victim that other evidence may still be identified and recovered even if they have bathed or made other physical changes.

B. Initial Officer Response

When responding to a scene involving a sexual assault, officers shall follow standard incident response procedures. In addition, when interacting with victims, officers shall do the following:

- 1) Recognize that the victim experienced a traumatic incident and may not be willing or able to immediately assist with the criminal investigation.

- 2) The officer shall attempt to determine the location/jurisdiction where the assault took place.
- 3) Explain the reporting process including the roles of the first responder, investigator, and anyone else with whom the victim will likely interact during the course of the investigation.
- 4) Officers are encouraged to connect the victim with local victim advocates as soon as possible. Inform the victim that there are confidential victim advocates available to address any needs they might have and to support them through the criminal justice system process. Provide the victim with contact information for the local victim advocate. Upon victim request the officer can offer to contact local victim advocate on behalf of the victim.
- 5) Ask about and document signs and symptoms of injury, to include strangulation. Officers shall attempt to obtain a signed medical release from the victim.
- 6) Ensure that the victim knows they can go to a designated facility for a forensic medical exam. Offer to arrange for transportation for the victim.
- 7) Identify and attempt to interview potential witnesses to the sexual assault and/or anyone the victim told about the sexual assault.
- 8) Request preferred contact information for the victim for follow-up.

C. Victim Interviews

This agency recognizes that victims of sexual assault due to their age or physical, mental or emotional distress, are better served by utilizing trauma informed interviewing techniques and strategies. Such interview techniques and strategies eliminate the duplication of interviews and use a question and answer interviewing format with questioning nondirective as possible to elicit spontaneous responses.

In recognizing the need for non-traditional interviewing techniques for sexual assault victims, officers should consider the following:

- Offer to have a confidential victim advocate present (if possible) if the victim would benefit from additional support during the process
- Whenever possible, conduct victim interviews in person
- Make an effort to conduct the interview in a welcoming environment
- Let the victim share the details at their own pace
- Recognize victims of trauma may have difficulty remembering incidents in a linear fashion and may remember details in days and weeks following the assault
- After the initial interview, consider reaching out to the victim within a few days, after at least one sleep cycle to ask if they remember any additional details.

- Depending on the victim, additional interviews might be needed to gather additional information. Offer support from a victim advocate to the victim to help facilitate engagement with the investigative process and healing.
- Some victims do remember details vividly and might want to be interviewed immediately.
- During initial and subsequent victim interviews, officers should note the following information as victims share it, recognizing that a victim may not be able to recall all the details of the assault during a particular interview.
 - 1) Whether the suspect was known to the victim
 - 2) How long the victim knew the suspect
 - 3) The circumstances of their meeting and if there is any indication of the use of drugs or alcohol to facilitate the sexual assault
 - 4) The extent of their previous or current relationship
 - 5) Any behavioral changes that led the situation from one based on consent to one of submission, coercion, fear, or force
 - 6) Specific actions, statements, and/or thoughts of both victim and suspect immediately prior, during, and after assault
 - 7) Relevant communication through social media, email, text messages, or any other forms of communication

D. Special Considerations—Minors and Vulnerable Adults/Domestic Abuse Victims

1. Minors and Vulnerable Adults

This agency recognizes that certain victims, due to their age or a physical, mental, or emotional distress, are better served by utilizing interview techniques and strategies that eliminate the duplication of interviews and use a question and answer interviewing format with questioning as nondirective as possible to elicit spontaneous responses. Members of this agency will be alert for victims who would be best served by the use of these specialized interview techniques. Officers, in making this determination, should consider the victim's age, level of maturity, communication skills, intellectual capacity, emotional state, and any other observable factors that would indicate specialized interview techniques would be appropriate for a particular victim. When an officer determines that a victim requires the use of these specialized interview techniques, the officer should follow the guidance below.

- a. Officers responding to reports of sexual assaults involving these sensitive population groups shall limit their actions to the following:
 - (1) Ensuring the safety of the victim;
 - (2) Ensuring the scene is safe;
 - (3) Safeguarding evidence where appropriate;
 - (4) Collecting any information necessary to identify the suspect; and
 - (5) Addressing the immediate medical needs of individuals at the scene

- b. Initial responding officers should not attempt to interview the victim in these situations, but should instead attempt to obtain basic information and facts about the situation, including the jurisdiction where the incident occurred and that a crime most likely occurred. Officers should seek to obtain this information from parents, caregivers, the reporting party, or other adult witnesses, unless those individuals are believed to be the perpetrators.
- c. Officers responding to victims with special considerations must comply with the mandated reporting requirements of Minnesota Statute 626.556 and 626.557, as applicable. Officers investigating cases involving victims with special considerations should coordinate these investigations with the appropriate local human services agency where required. Any victim or witness interviews conducted with individuals having special considerations must be audio and video recorded whenever possible. All other interviews must be audio recorded whenever possible.

Not all sexual assaults of minor victims require a mandatory report to social services. This policy recognizes that in certain cases, notifying and/or the involvement of a parent/guardian can cause harm to the minor and/or impede the investigation. Officers responding to the sexual assault of a minor victim that does not trigger a mandated report under Minn. Stat. 626.556 should assess for the impact on the victim and the investigation if parents/guardians were notified before making a decision to involve them.

- d. Officers should obtain necessary contact information for the victim's caregiver, guardian or parents and where the victim may be located at a later time. Officers should advise the victim and/or any accompanying adult(s), guardians or caregivers that an investigating officer will follow up with information on a forensic interview.
 - e. The officer should advise the victim's caregiver, guardian or parent that if the victim starts to talk about the incident they should listen to them but not question them as this may influence any future statements.
2. Victims of Domestic Abuse
- Officers responding to a report of sexual assault committed against a family and household member must also follow the requirements and guidelines in this agency's domestic abuse policy and protocol, in addition to the guidelines in this policy.

E. Protecting Victim Rights

- 1) Confidentiality: Officers should explain to victims the limitations of confidentiality in a criminal investigation and that the victim's identifying information is not accessible to the public, as specified in Minn. Stat. section 13.82, subd. 17(b)
- 2) Crime Victim Rights: Officers must provide the following information to the victim:
 - a. Crime victim rights and resource information required to be provided to all victims as specified by Minn. Stat. section 611A.02, subd. 2(b)
 - b. If the suspect is a family or household member to the victim, crime victim rights and resource information required to be provided to domestic abuse victims, as specified by Minn. Stat. section 629.341, subd. 3.
 - c. The victim's right to be informed of the status of a sexual assault examination kit upon request as provided for under Minn. Stat. section 611A.27, subd. 1.
 - d. Pursuant to Minn. Stat. 611A.26, subd. 1, no law enforcement agency or prosecutor shall require that a complainant of a criminal sexual conduct or sex trafficking offense submit to a polygraph examination as part of or a condition to proceeding with the investigation, charging or prosecution of such offense.
- 3) Other information: Officers should provide to the victim the agency's crime report/ICR number, and contact information for the reporting officer and/or investigator or person handling the follow up.
- 4) Language access: All officers shall follow agency policy regarding limited English proficiency.

F. Evidence Collection

- 1) Considerations for Evidence Collection

Officers shall follow this agency's policy on crime scene response. In addition, officers may do the following:

 - a. Collect evidence regarding the environment in which the assault took place, including indications of isolation and soundproofing. The agency should consider utilizing their agency or county crime lab in obtaining or processing the scene where the assault took place. This should be in accordance to any/all other policies and procedures relating to evidence collections.
 - b. Document any evidence of threats or any communications made by the suspect, or made on behalf of the suspect, to include those made to individuals other than the victim.

- c. In situations where it is suspected that drugs or alcohol may have facilitated the assault, officers should assess the scene for evidence such as drinking glasses, alcohol bottles or cans, or other related items.
- d. If the victim has declined or a medical forensic exam will not be conducted, the officer should obtain victim consent and attempt to take photographs of visible physical injuries, including any healing or old injuries. Victim should be given directions about how to document any bruising or injury that becomes evidence later after these photographs are taken.

G. Sexual Assault Medical Forensic Examinations

- 1) Prior to the sexual assault medical forensic examination the investigating officer should do the following:
 - a. Ensure the victim understands the purpose of the sexual assault medical forensic exam and its importance to both their general health and wellness and to the investigation. Offer assurance to the victim that they will not incur any out-of-pocket expenses for forensic medical exams and provide information about evidence collection, storage and preservation in sexual assault cases.
 - b. Provide the victim with general information about the procedure, and encourage them to seek further detail and guidance from the forensic examiner, health care professional, or a victim advocate. Officers and investigators cannot deny a victim the opportunity to have an exam.
 - c. Officers should be aware and if necessary, relay to victims who do not want to undergo an exam that there might be additional treatments or medications they are entitled to even if they do not want to have an exam done or have evidence collected. Victims can seek that information from a health care provider or a victim advocate. If possible, transport or arrange transportation for the victim to the designated medical facility.
 - d. Ask the victim for a signed release for access to medical records from the exam.
- 2) Officers should not be present during any part of the exam, including during the medical history.
- 3) Following the exam, evidence collected during the exam shall be handled according to the requirements of agency policy and Minnesota Statute 299C.106.

H. Contacting and Interviewing Suspects

Prior to contacting the suspect, officers should consider the following:

- 1) Conduct a background and criminal history check specifically looking for accusations, criminal charges, and convictions for interconnected crimes, especially crimes involving violence.
- 2) Consider conducting a pretext or confrontational call or messaging depending on jurisdictional statutes. Involvement of a victim should be based on strong

consideration of the victim's emotional and physical state. A victim advocate should be present whenever possible to offer support.

- 3) When possible, an attempt would be made to interview the suspect in person.
- 4) In situations where suspects do not deny that a sexual act occurred, but rather assert that it was with the consent of the victim, officers should do the following:
 - a. Collect evidence of past communication, including but not limited to all relevant interaction (including social media) between the suspect and victim.
 - b. Identify events that transpired prior to, during, and after the assault in an effort to locate additional witnesses and physical locations that might lead to additional evidence.
- 5) For sexual assaults involving strangers, officers should focus investigative efforts on the collection of video, DNA, and other trace evidence used for analysis to identify the perpetrator (handle evidence collection per agency policy).

I. Forensic Examination and/or the Collection of Evidence from the Suspect

Note: A suspect's forensic examination and/or the collection of evidence from a suspect may be done by either an investigating officer/investigator, Forensic Medical Examiner, or the agency/county crime lab personnel.

- 1) Prior to or immediately after the preliminary suspect interview, photograph any injuries.
- 2) Determine whether a sexual assault medical forensic examination should be conducted.
- 3) Ask for the suspect's consent to collect evidence from their body and clothing. However, officers/investigators should consider obtaining a search warrant, with specific details about what evidence will be collected, and should be prepared in advance to eliminate the opportunity for the suspect to destroy or alter evidence if consent is denied.
- 4) During the suspect's sexual assault medical forensic examination, the investigator, evidence technician, or forensic examiner should do the following:
 - a. Strongly consider penile swabbing, pubic hair combings, and collection of other potential DNA evidence;
 - b. Collect biological and trace evidence from the suspect's body;
 - c. Document information about the suspect's clothing, appearance, scars, tattoos, piercings, and other identifiable marks;
 - d. Seize all clothing worn by the suspect during the assault, particularly any clothing touching the genital area;
 - e. Document the suspect's relevant medical condition and injuries.

J. Role of the Supervisor

Supervisors may do the following:

- 1) Assist officers investigating incidents of sexual assault when possible or if requested by an officer.
- 2) Provide guidance and direction as needed.
- 3) Review sexual assault reports to ensure that necessary steps were taken during initial response and investigations.

K. Case Review/Case Summary

A supervisor should ensure cases are reviewed on an on-going basis. The review process should include an analysis of:

- 1) Case dispositions
- 2) Decisions to collect evidence
- 3) Submissions of evidence for lab testing
- 4) Interviewing decisions

I. PURPOSE

The purpose of this policy is to provide employees with guidelines for responding to reports of sexual assault. This agency will strive:

- a) To afford maximum protection and support to victims of sexual assault or abuse through a coordinated program of law enforcement and available victim services with an emphasis on a victim centered approach;
- b) To reaffirm peace officers' authority and responsibility to conducting thorough preliminary and follow up investigations and to make arrest decisions in accordance with established probable cause standards;
- c) To increase the opportunity for prosecution and victim services.

II. POLICY

It is the policy of the _____ (law enforcement agency) to recognize sexual assault as a serious problem in society and to protect victims of sexual assault by ensuring its peace officers understand the laws governing this area. Sexual assault crimes are under-reported to law enforcement and the goal of this policy is in part to improve victim experience in reporting so that more people are encouraged to report.

All employees should take a professional, victim-centered approach to sexual assaults, protectively investigate these crimes, and coordinate with prosecution in a manner that helps restore the victim's dignity and autonomy. While doing so, it shall be this agency's goal to decrease the victim's distress, increase the victim's understanding of the criminal justice system and process, and promote public safety.

Peace officers will utilize this policy in response to sexual assault reported to this agency. This agency will aggressively enforce the laws without bias and prejudice based on race, marital status, sexual orientation, economic status, age, disability, gender, religion, creed, or national origin.

IV. PROCEDURES

A. Communications Personnel Response/Additional Actions by Responding Officers

Communications personnel and/or law enforcement officers should inform the victim of ways to ensure critical evidence is not lost, to include the following:

- 1) Suggest that the victim not bathe, or clean him or herself if the assault took place recently.
- 2) Recommend that if a victim needs to relieve themselves, they should collect urine in a clean jar for testing, and should avoid wiping after urination.
- 3) Asking the victim to collect any clothing worn during or after the assault and if possible, place in a paper bag, instructing the victim not to wash the clothing (per department policy).
- 4) Reassure the victim that other evidence may still be identified and recovered even if they have bathed or made other physical changes.

B. Initial Officer Response

When responding to a scene involving a sexual assault, officers shall follow standard incident response procedures. In addition, when interacting with victims, officers shall do the following:

- 1) Recognize that the victim experienced a traumatic incident and may not be willing or able to immediately assist with the criminal investigation.

- 2) The officer shall attempt to determine the location/jurisdiction where the assault took place.
- 3) Explain the reporting process including the roles of the first responder, investigator, and anyone else with whom the victim will likely interact during the course of the investigation.
- 4) Officers are encouraged to connect the victim with local victim advocates as soon as possible. Inform the victim that there are confidential victim advocates available to address any needs they might have and to support them through the criminal justice system process. Provide the victim with contact information for the local victim advocate. Upon victim request the officer can offer to contact local victim advocate on behalf of the victim.
- 5) Ask about and document signs and symptoms of injury, to include strangulation. Officers shall attempt to obtain a signed medical release from the victim.
- 6) Ensure that the victim knows they can go to a designated facility for a forensic medical exam. Offer to arrange for transportation for the victim.
- 7) Identify and attempt to interview potential witnesses to the sexual assault and/or anyone the victim told about the sexual assault.
- 8) Request preferred contact information for the victim for follow-up.

C. Victim Interviews

This agency recognizes that victims of sexual assault due to their age or physical, mental or emotional distress, are better served by utilizing trauma informed interviewing techniques and strategies. Such interview techniques and strategies eliminate the duplication of interviews and use a question and answer interviewing format with questioning nondirective as possible to elicit spontaneous responses.

In recognizing the need for non-traditional interviewing techniques for sexual assault victims, officers should consider the following:

- Offer to have a confidential victim advocate present (if possible) if the victim would benefit from additional support during the process
- Whenever possible, conduct victim interviews in person
- Make an effort to conduct the interview in a welcoming environment
- Let the victim share the details at their own pace
- Recognize victims of trauma may have difficulty remembering incidents in a linear fashion and may remember details in days and weeks following the assault
- After the initial interview, consider reaching out to the victim within a few days, after at least one sleep cycle to ask if they remember any additional details.

- Depending on the victim, additional interviews might be needed to gather additional information. Offer support from a victim advocate to the victim to help facilitate engagement with the investigative process and healing.
- Some victims do remember details vividly and might want to be interviewed immediately.
- During initial and subsequent victim interviews, officers should note the following information as victims share it, recognizing that a victim may not be able to recall all the details of the assault during a particular interview.
 - 1) Whether the suspect was known to the victim
 - 2) How long the victim knew the suspect
 - 3) The circumstances of their meeting and if there is any indication of the use of drugs or alcohol to facilitate the sexual assault
 - 4) The extent of their previous or current relationship
 - 5) Any behavioral changes that led the situation from one based on consent to one of submission, coercion, fear, or force
 - 6) Specific actions, statements, and/or thoughts of both victim and suspect immediately prior, during, and after assault
 - 7) Relevant communication through social media, email, text messages, or any other forms of communication

D. Special Considerations—Minors and Vulnerable Adults/Domestic Abuse Victims

1. Minors and Vulnerable Adults

This agency recognizes that certain victims, due to their age or a physical, mental, or emotional distress, are better served by utilizing interview techniques and strategies that eliminate the duplication of interviews and use a question and answer interviewing format with questioning as nondirective as possible to elicit spontaneous responses. Members of this agency will be alert for victims who would be best served by the use of these specialized interview techniques. Officers, in making this determination, should consider the victim's age, level of maturity, communication skills, intellectual capacity, emotional state, and any other observable factors that would indicate specialized interview techniques would be appropriate for a particular victim. When an officer determines that a victim requires the use of these specialized interview techniques, the officer should follow the guidance below.

- a. Officers responding to reports of sexual assaults involving these sensitive population groups shall limit their actions to the following:
 - (1) Ensuring the safety of the victim;
 - (2) Ensuring the scene is safe;
 - (3) Safeguarding evidence where appropriate;
 - (4) Collecting any information necessary to identify the suspect; and
 - (5) Addressing the immediate medical needs of individuals at the scene

- b. Initial responding officers should not attempt to interview the victim in these situations, but should instead attempt to obtain basic information and facts about the situation, including the jurisdiction where the incident occurred and that a crime most likely occurred. Officers should seek to obtain this information from parents, caregivers, the reporting party, or other adult witnesses, unless those individuals are believed to be the perpetrators.
- c. Officers responding to victims with special considerations must comply with the mandated reporting requirements of Minnesota Statute Section 260E.06 and 626.557, as applicable. Officers investigating cases involving victims with special considerations should coordinate these investigations with the appropriate local human services agency where required. Any victim or witness interviews conducted with individuals having special considerations must be audio and video recorded whenever possible. All other interviews must be audio recorded whenever possible.

Not all sexual assaults of minor victims require a mandatory report to social services. This policy recognizes that in certain cases, notifying and/or the involvement of a parent/guardian pursuant to 260E.22 can cause harm to the minor and/or impede the investigation. Officers responding to the sexual assault of a minor victim that does not trigger a mandated report under Minnesota Statute Section 260E.06 should assess for the impact on the victim and the investigation if parents/guardians were notified before making a decision to involve them.

- d. Officers should obtain necessary contact information for the victim's caregiver, guardian or parents and where the victim may be located at a later time. Officers should advise the victim and/or any accompanying adult(s), guardians or caregivers that an investigating officer will follow up with information on a forensic interview.
 - e. The officer should advise the victim's caregiver, guardian or parent that if the victim starts to talk about the incident they should listen to them but not question them as this may influence any future statements.
2. Victims of Domestic Abuse
- Officers responding to a report of sexual assault committed against a family and household member must also follow the requirements and guidelines in this agency's domestic abuse policy and protocol, in addition to the guidelines in this policy.

E. Protecting Victim Rights

- 1) Confidentiality: Officers should explain to victims the limitations of confidentiality in a criminal investigation and that the victim's identifying information is not accessible to the public, as specified in Minn. Stat. section 13.82, subd. 17(b)
- 2) Crime Victim Rights: Officers must provide the following information to the victim:
 - a. Crime victim rights and resource information required to be provided to all victims as specified by Minn. Stat. section 611A.02, subd. 2(b)
 - b. If the suspect is a family or household member to the victim, crime victim rights and resource information required to be provided to domestic abuse victims, as specified by Minn. Stat. section 629.341, subd. 3.
 - c. The victim's right to be informed of the status of a sexual assault examination kit upon request as provided for under Minn. Stat. section 611A.27, subd. 1.
 - d. Pursuant to Minn. Stat. 611A.26, subd. 1, no law enforcement agency or prosecutor shall require that a complainant of a criminal sexual conduct or sex trafficking offense submit to a polygraph examination as part of or a condition to proceeding with the investigation, charging or prosecution of such offense.
- 3) Other information: Officers should provide to the victim the agency's crime report/ICR number, and contact information for the reporting officer and/or investigator or person handling the follow up.
- 4) Language access: All officers shall follow agency policy regarding limited English proficiency.

F. Evidence Collection

- 1) Considerations for Evidence Collection

Officers shall follow this agency's policy on crime scene response. In addition, officers may do the following:

 - a. Collect evidence regarding the environment in which the assault took place, including indications of isolation and soundproofing. The agency should consider utilizing their agency or county crime lab in obtaining or processing the scene where the assault took place. This should be in accordance to any/all other policies and procedures relating to evidence collections.
 - b. Document any evidence of threats or any communications made by the suspect, or made on behalf of the suspect, to include those made to individuals other than the victim.

- c. In situations where it is suspected that drugs or alcohol may have facilitated the assault, officers should assess the scene for evidence such as drinking glasses, alcohol bottles or cans, or other related items.
- d. If the victim has declined or a medical forensic exam will not be conducted, the officer should obtain victim consent and attempt to take photographs of visible physical injuries, including any healing or old injuries. Victim should be given directions about how to document any bruising or injury that becomes evidence later after these photographs are taken.

G. Sexual Assault Medical Forensic Examinations

- 1) Prior to the sexual assault medical forensic examination the investigating officer should do the following:
 - a. Ensure the victim understands the purpose of the sexual assault medical forensic exam and its importance to both their general health and wellness and to the investigation. Offer assurance to the victim that they will not incur any out-of-pocket expenses for forensic medical exams and provide information about evidence collection, storage and preservation in sexual assault cases.
 - b. Provide the victim with general information about the procedure, and encourage them to seek further detail and guidance from the forensic examiner, health care professional, or a victim advocate. Officers and investigators cannot deny a victim the opportunity to have an exam.
 - c. Officers should be aware and if necessary, relay to victims who do not want to undergo an exam that there might be additional treatments or medications they are entitled to even if they do not want to have an exam done or have evidence collected. Victims can seek that information from a health care provider or a victim advocate. If possible, transport or arrange transportation for the victim to the designated medical facility.
 - d. Ask the victim for a signed release for access to medical records from the exam.
- 2) Officers should not be present during any part of the exam, including during the medical history.
- 3) Following the exam, evidence collected during the exam shall be handled according to the requirements of agency policy and Minnesota Statute 299C.106.

H. Contacting and Interviewing Suspects

Prior to contacting the suspect, officers should consider the following:

- 1) Conduct a background and criminal history check specifically looking for accusations, criminal charges, and convictions for interconnected crimes, especially crimes involving violence.
- 2) Consider conducting a pretext or confrontational call or messaging depending on jurisdictional statutes. Involvement of a victim should be based on strong

consideration of the victim's emotional and physical state. A victim advocate should be present whenever possible to offer support.

- 3) When possible, an attempt would be made to interview the suspect in person.
- 4) In situations where suspects do not deny that a sexual act occurred, but rather assert that it was with the consent of the victim, officers should do the following:
 - a. Collect evidence of past communication, including but not limited to all relevant interaction (including social media) between the suspect and victim.
 - b. Identify events that transpired prior to, during, and after the assault in an effort to locate additional witnesses and physical locations that might lead to additional evidence.
- 5) For sexual assaults involving strangers, officers should focus investigative efforts on the collection of video, DNA, and other trace evidence used for analysis to identify the perpetrator (handle evidence collection per agency policy).

I. Forensic Examination and/or the Collection of Evidence from the Suspect

Note: A suspect's forensic examination and/or the collection of evidence from a suspect may be done by either an investigating officer/investigator, Forensic Medical Examiner, or the agency/county crime lab personnel.

- 1) Prior to or immediately after the preliminary suspect interview, photograph any injuries.
- 2) Determine whether a sexual assault medical forensic examination should be conducted.
- 3) Ask for the suspect's consent to collect evidence from their body and clothing. However, officers/investigators should consider obtaining a search warrant, with specific details about what evidence will be collected, and should be prepared in advance to eliminate the opportunity for the suspect to destroy or alter evidence if consent is denied.
- 4) During the suspect's sexual assault medical forensic examination, the investigator, evidence technician, or forensic examiner should do the following:
 - a. Strongly consider penile swabbing, pubic hair combings, and collection of other potential DNA evidence;
 - b. Collect biological and trace evidence from the suspect's body;
 - c. Document information about the suspect's clothing, appearance, scars, tattoos, piercings, and other identifiable marks;
 - d. Seize all clothing worn by the suspect during the assault, particularly any clothing touching the genital area;
 - e. Document the suspect's relevant medical condition and injuries.

J. Role of the Supervisor

Supervisors may do the following:

- 1) Assist officers investigating incidents of sexual assault when possible or if requested by an officer.
- 2) Provide guidance and direction as needed.
- 3) Review sexual assault reports to ensure that necessary steps were taken during initial response and investigations.

K. Case Review/Case Summary

A supervisor should ensure cases are reviewed on an on-going basis. The review process should include an analysis of:

- 1) Case dispositions
- 2) Decisions to collect evidence
- 3) Submissions of evidence for lab testing
- 4) Interviewing decisions

III. PROCEDURES

A. Initial Suitability Determination

An initial suitability determination must be conducted on any individual being considered for a role as a CI. The initial suitability determination includes the following:

1. An officer requesting use of an individual as a CI must complete an Initial Suitability Report. The report must be submitted to the appropriate individual or entity, as determined by the agency chief executive, to review for potential selection as a CI. The report must include sufficient detail regarding the risks and benefits of using the individual so that a sound determination can be made. The following information must be addressed in the report, where applicable:
 - a. Age, sex, and residence
 - b. Employment status or occupation
 - c. Affiliation with legitimate businesses and illegal or suspicious enterprises
 - d. Extent to which potential information, associations, or other assistance could benefit a present or future investigation
 - e. Relationship with the target of an investigation
 - f. Motivation in providing information or assistance
 - g. Risk of adversely affecting an existing or future investigation
 - h. Extent to which provided information can be corroborated
 - i. Prior record as a witness
 - j. Criminal history, to include whether he or she is the subject of a pending investigation, is under arrest, or has been charged with a crime
 - k. Risk to the public or as a flight risk
 - l. Consultation with the individual's probation, parole, or supervised release agent, if any
 - m. Consideration and documentation of the individual's diagnosis of mental illness, substance use disorder, traumatic brain injury, or disability; and consideration and documentation of the individual's history of mental illness, substance use disorder, traumatic brain injury or disability
 - n. Relationship to anyone in law enforcement
 - o. Risk of physical harm to the potential CI or their immediate family or relatives for cooperating with law enforcement
 - p. Prior or current service as a CI with this or another law enforcement organization
2. Prior to an individual's use as a CI, a supervisor or other designated authority must review the Initial Suitability Report and determine if the individual is authorized to serve as a CI.
3. Any prospective or current CI must be excluded from engaging in a controlled buy or sale of a controlled substance if the prospective or current CI:
 - a. is receiving in-patient treatment or partial-hospitalization treatment administered by a licensed service provider for a substance use disorder or mental illness; or
 - b. is participating in a treatment-based drug court program or treatment court; except that
 - c. the prospective or current CI may provide confidential information while receiving treatment, participating in a treatment-based drug court program or treatment court.

4. Documentation and special consideration must be made of the risks involved in engaging a prospective or current CI in the controlled buy or sale of a controlled substance if the individual is known, or has reported, to have experienced a drug overdose in the previous 12 months.
5. Any prospective or current CI who is known to abuse substances, or is at risk for abusing substances, should be provided referral to prevention or treatment services.
6. Any prospective or current CI that has a physical or mental illness that impairs the ability of the individual to understand instructions and make informed decisions should be referred to a mental health professional or other appropriate medical professional, or a case manager/social worker from the county social services agency, or other substance abuse and mental health services.
7. Each CI's suitability must be reviewed every 6 months, at a minimum, during which time the CI's overseeing agent must submit a Continuing Suitability Report addressing the foregoing issues in III.A.1.a-p, and III.A.3-6, where applicable. An initial suitability determination must be conducted on a reactivated CI regardless of the length of inactivity.
8. Any information that may negatively affect a CI's suitability during the course of their use must be documented in the CI's file and forwarded to the appropriate authorized personnel as soon as possible.
9. Supervisors must review informant files regularly with the overseeing agent and must attend debriefings of CIs periodically as part of the informant management process. If a CI is active for more than 12 months, a supervisory meeting with the CI must be conducted without the overseeing agent.
10. CI contracts must be terminated, and the CI file placed in inactive status when the CI has not been utilized for 6 months or more.

B. Exigent Confidential Informants

1. Certain circumstance arise when an individual who has been arrested is willing to immediately cooperate and perform investigative activities under the direction of an overseeing agent. In these circumstances, the initial suitability determination can be deferred and an individual may be utilized as a CI for a period not to exceed 12 hours from the time of arrest if:
 - a. The individual is not excluded from utilization as a CI under III.A(3)(a-c) of this policy; and
 - b. There is compelling public interest or exigent circumstances exist that demand immediate utilization of the individual as a CI and any delay would significantly and negatively affect any investigation; and
 - c. A supervisor has reviewed and approved the individual for utilization as a CI under these circumstances.
2. Upon the conclusion of the 12-hour window, or at any time before, an initial suitability determination must be conducted before the individual engages in any further CI activities.

C. Special CI Approval Requirements

Certain individuals who are being considered for use as a CI require special review and approval. In all instances, the agency's chief executive or their designee and the office of the prosecutor or county attorney should be consulted prior to the use of these individuals as CIs. These individuals include the following:

1. Juveniles
 - a. Use of a juvenile under the age of 18 for participating in a controlled buy or sale of a controlled substance or contraband may be undertaken only with the written authorization of the individual's parent(s) or guardian(s), except that the juvenile informant may provide confidential information.

- b. Authorization for such use should be granted only when a compelling public interest can be demonstrated, *except that*
 - c. Juveniles under the guardianship of the State may not be used as a CI.
- 2. Individuals obligated by legal privilege of confidentiality.
- 3. Government officials.

D. General Guidelines for Overseeing CIs

General guidelines for overseeing CIs are as follows:

- 1. CIs must be treated as assets of the agency, not the individual overseeing agent.
- 2. No promises or guarantees of preferential treatment within the criminal justice system will be made to any informant without prior approval from the prosecuting authority.
- 3. CIs must not be used without authorization of the agency through procedures identified in this policy.
- 4. CIs must not be used to gather information purely of a political nature or for other information-gathering efforts that are not connected with a criminal investigation.
- 5. Under no circumstances must an informant be allowed access to restricted areas or investigators' work areas within a law enforcement agency.
- 6. All CIs must sign and abide by the provisions of the agency's CI agreement.
- 7. Any physical or mental illness that impairs the CI's ability to knowingly contract or otherwise protect the informant's self-interest must be taken into consideration before the CI signs the agreement.
- 8. The CI's overseeing agent must discuss each of the provisions of the agreement with the CI, with particular emphasis on the following:
 - a. CIs may voluntarily initiate deactivation, whereupon the protocols outlined in section E of this policy must be followed.
 - b. CIs are not law enforcement officers. They have no arrest powers, are not permitted to conduct searches and seizures, and may not carry a weapon while performing activities as a CI.
 - c. CIs found engaging in any illegal activity beyond what is authorized by the agency and conducted while under the supervision of an overseeing agent, will be subject to prosecution.
 - d. CIs are prohibited from engaging in actions or activities that could be deemed entrapment. The meaning of the term and implications of such actions must be explained to each CI.
 - e. CIs are prohibited from engaging in self-initiated information or intelligence gathering without agency direction and approval. The CI must not take any actions in furtherance of an investigation without receiving specific instruction(s) from the overseeing agent or agency.
 - f. Every reasonable effort will be taken to ensure the confidentiality of the CI but, upon judicial order, he or she may be required to testify in open court.
 - g. CIs may be directed to wear a listening and recording device.
 - h. CIs must be required to submit to a search before and after a controlled purchase.

- i. CIs who participate in unplanned or unanticipated activities or meet with a subject(s) under investigation in a location outside of the jurisdictional boundary of the handling agency must promptly report that activity or meeting to their overseeing agents.
9. CI activity outside jurisdictional boundaries:
 - a. Investigators handling CIs who engage in operational activity in locations outside the jurisdictional boundaries of the agency must coordinate with counterparts in law enforcement agencies that have jurisdiction in that location where the CI will operate before any activity occurs, or in a timely manner after unanticipated activity occurs and is brought to the attention of the overseeing agent.
 - b. Any decision to defer or delay notice to or coordinate with an outside agency having jurisdiction in the area where a CI has or may operate must be documented, reviewed, and approved by the agency's chief executive or their designee.
10. Officers must take the utmost care to avoid conveying any confidential investigative information to a CI, such as the identity of other CIs, surveillance activities, or search warrants, other than what is necessary and appropriate for operational purposes.
11. No member of this agency must knowingly maintain a social relationship with a CI, or otherwise become personally involved with a CI beyond actions required in the performance of duty.
12. Members of this agency must not solicit, accept gratuities from, or engage in any private business transaction with a CI.
13. Meetings with a CI must be conducted in private with another officer or agent present and with at least one officer or agent of the same sex, except when not practical. The meeting location should minimize the potential for discovery of the informant's cooperation and provide sufficient space to complete necessary administrative duties. The meetings must be documented and subsequently entered into the individual's CI file.
14. Overseeing agents must develop and follow a communications strategy and plan with the CI that minimizes, to the greatest extent possible, the risk of discovery or compromise of the relationship between the agency and the CI. This plan should also aim to prevent the detection, compromise, or interception of communications between the overseeing agent and the CI.
15. Procedures must be instituted to assist CIs with concealing their identity and maintaining their safety. Care should be given not to expose CIs to unnecessary safety risks.
16. Preceding or following every buy or sale of controlled substances, overseeing agents must screen the CI for any personal safety or mental health concerns, risk of substance abuse, and/or potential relapse in any substance abuse recovery.
 - a. At the request of the CI, or if the overseeing agent deems it necessary, reasonable efforts should be taken to provide the CI with referral to substance abuse and/or mental health services.
 - b. Overseeing agents must document:
 - i. the screening,
 - ii. any referral to services provided to, or requested by, the CI, and
 - iii. any refusal by the CI to participate in the screening and/or any refusal by the CI to accept referral to services. Reasons for the CI's refusal must be documented, where applicable.
 - c. No part of this subsection supersedes MN Stat. 253B.05, sub.2.

17. Reasonable protective measures must be provided for a CI when any member of this agency knows or should have known of a risk or threat of harm to a person serving as a CI and the risk or threat of harm is a result of the informant's service to this agency.
18. Overseeing agents must:
 - a. evaluate and document the criminal history and propensity for violence of target offenders; and
 - b. to the extent allowed, provide this information to the CI if there is a reasonable risk or threat of harm to the CI as a result of the CI's interaction with the target offender.

20. Whenever possible, officers must corroborate information provided by a CI and document efforts to do so.
21. The name of a CI must not be included in an affidavit for a warrant unless judicial authority is obtained to seal the document from the public record or the CI is a subject of the investigation upon which the affidavit is based.

2. All CI payments must be approved in advance by the officer in charge of confidential funds.
3. Officers must provide accounting of monies received and documentation for confidential funds expended. Any documentation of monies paid or received should not contain the true identity of the informant but should use the CI's control number.
4. Two officers must be present when making payments or providing funds to CIs.
5. The appropriate individual, as designated by the agency's chief executive, must ensure that the process for authorization, disbursement, and documentation of CI payments, as well as the accounting and reconciliation of confidential funds, is consistent with agency policy.
6. If a CI is authorized to work with another law enforcement or prosecutorial agency, financial payments must be coordinated between the agencies in a manner that is proportionate to the assistance rendered to each agency and consistent with provision III.F.1. of this policy.
7. Written records of receipts are retained, or justification for the exception is documented when a written receipt is not available.

Model Sexual Assault Investigation Policy 02.16.21.pdf

I. PURPOSE

The purpose of this policy is to provide employees with guidelines for responding to reports of sexual assault. This agency will strive:

- a) To afford maximum protection and support to victims of sexual assault or abuse through a coordinated program of law enforcement and available victim services with an emphasis on a victim centered approach;
- b) To reaffirm peace officers' authority and responsibility to conducting thorough preliminary and follow up investigations and to make arrest decisions in accordance with established probable cause standards;
- c) To increase the opportunity for prosecution and victim services.

II. POLICY

It is the policy of the _____ (law enforcement agency) to recognize sexual assault as a serious problem in society and to protect victims of sexual assault by ensuring its peace officers understand the laws governing this area. Sexual assault crimes are under-reported to law enforcement and the goal of this policy is in part to improve victim experience in reporting so that more people are encouraged to report.

All employees should take a professional, victim-centered approach to sexual assaults, protectively investigate these crimes, and coordinate with prosecution in a manner that helps restore the victim's dignity and autonomy. While doing so, it shall be this agency's goal to decrease the victim's distress, increase the victim's understanding of the criminal justice system and process, and promote public safety.

Peace officers will utilize this policy in response to sexual assault reported to this agency. This agency will aggressively enforce the laws without bias and prejudice based on race, marital status, sexual orientation, economic status, age, disability, gender, religion, creed, or national origin.

IV. PROCEDURES

A. Communications Personnel Response/Additional Actions by Responding Officers

Communications personnel and/or law enforcement officers should inform the victim of ways to ensure critical evidence is not lost, to include the following:

- 1) Suggest that the victim not bathe, or clean him or herself if the assault took place recently.
- 2) Recommend that if a victim needs to relieve themselves, they should collect urine in a clean jar for testing, and should avoid wiping after urination.
- 3) Asking the victim to collect any clothing worn during or after the assault and if possible, place in a paper bag, instructing the victim not to wash the clothing (per department policy).
- 4) Reassure the victim that other evidence may still be identified and recovered even if they have bathed or made other physical changes.

B. Initial Officer Response

When responding to a scene involving a sexual assault, officers shall follow standard incident response procedures. In addition, when interacting with victims, officers shall do the following:

- 1) Recognize that the victim experienced a traumatic incident and may not be willing or able to immediately assist with the criminal investigation.

- 2) The officer shall attempt to determine the location/jurisdiction where the assault took place.
- 3) Explain the reporting process including the roles of the first responder, investigator, and anyone else with whom the victim will likely interact during the course of the investigation.
- 4) Officers are encouraged to connect the victim with local victim advocates as soon as possible. Inform the victim that there are confidential victim advocates available to address any needs they might have and to support them through the criminal justice system process. Provide the victim with contact information for the local victim advocate. Upon victim request the officer can offer to contact local victim advocate on behalf of the victim.
- 5) Ask about and document signs and symptoms of injury, to include strangulation. Officers shall attempt to obtain a signed medical release from the victim.
- 6) Ensure that the victim knows they can go to a designated facility for a forensic medical exam. Offer to arrange for transportation for the victim.
- 7) Identify and attempt to interview potential witnesses to the sexual assault and/or anyone the victim told about the sexual assault.
- 8) Request preferred contact information for the victim for follow-up.

C. Victim Interviews

This agency recognizes that victims of sexual assault due to their age or physical, mental or emotional distress, are better served by utilizing trauma informed interviewing techniques and strategies. Such interview techniques and strategies eliminate the duplication of interviews and use a question and answer interviewing format with questioning nondirective as possible to elicit spontaneous responses.

In recognizing the need for non-traditional interviewing techniques for sexual assault victims, officers should consider the following:

- Offer to have a confidential victim advocate present (if possible) if the victim would benefit from additional support during the process
- Whenever possible, conduct victim interviews in person
- Make an effort to conduct the interview in a welcoming environment
- Let the victim share the details at their own pace
- Recognize victims of trauma may have difficulty remembering incidents in a linear fashion and may remember details in days and weeks following the assault
- After the initial interview, consider reaching out to the victim within a few days, after at least one sleep cycle to ask if they remember any additional details.

- Depending on the victim, additional interviews might be needed to gather additional information. Offer support from a victim advocate to the victim to help facilitate engagement with the investigative process and healing.
- Some victims do remember details vividly and might want to be interviewed immediately.
- During initial and subsequent victim interviews, officers should note the following information as victims share it, recognizing that a victim may not be able to recall all the details of the assault during a particular interview.
 - 1) Whether the suspect was known to the victim
 - 2) How long the victim knew the suspect
 - 3) The circumstances of their meeting and if there is any indication of the use of drugs or alcohol to facilitate the sexual assault
 - 4) The extent of their previous or current relationship
 - 5) Any behavioral changes that led the situation from one based on consent to one of submission, coercion, fear, or force
 - 6) Specific actions, statements, and/or thoughts of both victim and suspect immediately prior, during, and after assault
 - 7) Relevant communication through social media, email, text messages, or any other forms of communication

D. Special Considerations—Minors and Vulnerable Adults/Domestic Abuse Victims

1. Minors and Vulnerable Adults

This agency recognizes that certain victims, due to their age or a physical, mental, or emotional distress, are better served by utilizing interview techniques and strategies that eliminate the duplication of interviews and use a question and answer interviewing format with questioning as nondirective as possible to elicit spontaneous responses. Members of this agency will be alert for victims who would be best served by the use of these specialized interview techniques. Officers, in making this determination, should consider the victim's age, level of maturity, communication skills, intellectual capacity, emotional state, and any other observable factors that would indicate specialized interview techniques would be appropriate for a particular victim. When an officer determines that a victim requires the use of these specialized interview techniques, the officer should follow the guidance below.

- a. Officers responding to reports of sexual assaults involving these sensitive population groups shall limit their actions to the following:
 - (1) Ensuring the safety of the victim;
 - (2) Ensuring the scene is safe;
 - (3) Safeguarding evidence where appropriate;
 - (4) Collecting any information necessary to identify the suspect; and
 - (5) Addressing the immediate medical needs of individuals at the scene

- b. Initial responding officers should not attempt to interview the victim in these situations, but should instead attempt to obtain basic information and facts about the situation, including the jurisdiction where the incident occurred and that a crime most likely occurred. Officers should seek to obtain this information from parents, caregivers, the reporting party, or other adult witnesses, unless those individuals are believed to be the perpetrators.
- c. Officers responding to victims with special considerations must comply with the mandated reporting requirements of Minnesota Statute Section 260E.06 and 626.557, as applicable. Officers investigating cases involving victims with special considerations should coordinate these investigations with the appropriate local human services agency where required. Any victim or witness interviews conducted with individuals having special considerations must be audio and video recorded whenever possible. All other interviews must be audio recorded whenever possible.

Not all sexual assaults of minor victims require a mandatory report to social services. This policy recognizes that in certain cases, notifying and/or the involvement of a parent/guardian can cause harm to the minor and/or impede the investigation. Officers responding to the sexual assault of a minor victim that does not trigger a mandated report under Minnesota Statute Section 260E.22 should assess for the impact on the victim and the investigation if parents/guardians were notified before making a decision to involve them.

- d. Officers should obtain necessary contact information for the victim's caregiver, guardian or parents and where the victim may be located at a later time. Officers should advise the victim and/or any accompanying adult(s), guardians or caregivers that an investigating officer will follow up with information on a forensic interview.
 - e. The officer should advise the victim's caregiver, guardian or parent that if the victim starts to talk about the incident they should listen to them but not question them as this may influence any future statements.
2. Victims of Domestic Abuse
- Officers responding to a report of sexual assault committed against a family and household member must also follow the requirements and guidelines in this agency's domestic abuse policy and protocol, in addition to the guidelines in this policy.

E. Protecting Victim Rights

- 1) Confidentiality: Officers should explain to victims the limitations of confidentiality in a criminal investigation and that the victim's identifying information is not accessible to the public, as specified in Minn. Stat. section 13.82, subd. 17(b)
- 2) Crime Victim Rights: Officers must provide the following information to the victim:
 - a. Crime victim rights and resource information required to be provided to all victims as specified by Minn. Stat. section 611A.02, subd. 2(b)
 - b. If the suspect is a family or household member to the victim, crime victim rights and resource information required to be provided to domestic abuse victims, as specified by Minn. Stat. section 629.341, subd. 3.
 - c. The victim's right to be informed of the status of a sexual assault examination kit upon request as provided for under Minn. Stat. section 611A.27, subd. 1.
 - d. Pursuant to Minn. Stat. 611A.26, subd. 1, no law enforcement agency or prosecutor shall require that a complainant of a criminal sexual conduct or sex trafficking offense submit to a polygraph examination as part of or a condition to proceeding with the investigation, charging or prosecution of such offense.
- 3) Other information: Officers should provide to the victim the agency's crime report/ICR number, and contact information for the reporting officer and/or investigator or person handling the follow up.
- 4) Language access: All officers shall follow agency policy regarding limited English proficiency.

F. Evidence Collection

- 1) Considerations for Evidence Collection

Officers shall follow this agency's policy on crime scene response. In addition, officers may do the following:

 - a. Collect evidence regarding the environment in which the assault took place, including indications of isolation and soundproofing. The agency should consider utilizing their agency or county crime lab in obtaining or processing the scene where the assault took place. This should be in accordance to any/all other policies and procedures relating to evidence collections.
 - b. Document any evidence of threats or any communications made by the suspect, or made on behalf of the suspect, to include those made to individuals other than the victim.

- c. In situations where it is suspected that drugs or alcohol may have facilitated the assault, officers should assess the scene for evidence such as drinking glasses, alcohol bottles or cans, or other related items.
- d. If the victim has declined or a medical forensic exam will not be conducted, the officer should obtain victim consent and attempt to take photographs of visible physical injuries, including any healing or old injuries. Victim should be given directions about how to document any bruising or injury that becomes evidence later after these photographs are taken.

G. Sexual Assault Medical Forensic Examinations

- 1) Prior to the sexual assault medical forensic examination the investigating officer should do the following:
 - a. Ensure the victim understands the purpose of the sexual assault medical forensic exam and its importance to both their general health and wellness and to the investigation. Offer assurance to the victim that they will not incur any out-of-pocket expenses for forensic medical exams and provide information about evidence collection, storage and preservation in sexual assault cases.
 - b. Provide the victim with general information about the procedure, and encourage them to seek further detail and guidance from the forensic examiner, health care professional, or a victim advocate. Officers and investigators cannot deny a victim the opportunity to have an exam.
 - c. Officers should be aware and if necessary, relay to victims who do not want to undergo an exam that there might be additional treatments or medications they are entitled to even if they do not want to have an exam done or have evidence collected. Victims can seek that information from a health care provider or a victim advocate. If possible, transport or arrange transportation for the victim to the designated medical facility.
 - d. Ask the victim for a signed release for access to medical records from the exam.
- 2) Officers should not be present during any part of the exam, including during the medical history.
- 3) Following the exam, evidence collected during the exam shall be handled according to the requirements of agency policy and Minnesota Statute 299C.106.

H. Contacting and Interviewing Suspects

Prior to contacting the suspect, officers should consider the following:

- 1) Conduct a background and criminal history check specifically looking for accusations, criminal charges, and convictions for interconnected crimes, especially crimes involving violence.

- 2) Consider conducting a pretext or confrontational call or messaging depending on jurisdictional statutes. Involvement of a victim should be based on strong consideration of the victim's emotional and physical state. A victim advocate should be present whenever possible to offer support.
- 3) When possible, an attempt would be made to interview the suspect in person.
- 4) In situations where suspects do not deny that a sexual act occurred, but rather assert that it was with the consent of the victim, officers should do the following:
 - a. Collect evidence of past communication, including but not limited to all relevant interaction (including social media) between the suspect and victim.
 - b. Identify events that transpired prior to, during, and after the assault in an effort to locate additional witnesses and physical locations that might lead to additional evidence.
- 5) For sexual assaults involving strangers, officers should focus investigative efforts on the collection of video, DNA, and other trace evidence used for analysis to identify the perpetrator (handle evidence collection per agency policy).

I. Forensic Examination and/or the Collection of Evidence from the Suspect

Note: A suspect's forensic examination and/or the collection of evidence from a suspect may be done by either an investigating officer/investigator, Forensic Medical Examiner, or the agency/county crime lab personnel.

- 1) Prior to or immediately after the preliminary suspect interview, photograph any injuries.
- 2) Determine whether a sexual assault medical forensic examination should be conducted.
- 3) Ask for the suspect's consent to collect evidence from their body and clothing. However, officers/investigators should consider obtaining a search warrant, with specific details about what evidence will be collected, and should be prepared in advance to eliminate the opportunity for the suspect to destroy or alter evidence if consent is denied.
- 4) During the suspect's sexual assault medical forensic examination, the investigator, evidence technician, or forensic examiner should do the following:
 - a. Strongly consider penile swabbing, pubic hair combings, and collection of other potential DNA evidence;
 - b. Collect biological and trace evidence from the suspect's body;
 - c. Document information about the suspect's clothing, appearance, scars, tattoos, piercings, and other identifiable marks;
 - d. Seize all clothing worn by the suspect during the assault, particularly any clothing touching the genital area;
 - e. Document the suspect's relevant medical condition and injuries.

J. Role of the Supervisor

Supervisors may do the following:

- 1) Assist officers investigating incidents of sexual assault when possible or if requested by an officer.
- 2) Provide guidance and direction as needed.
- 3) Review sexual assault reports to ensure that necessary steps were taken during initial response and investigations.

K. Case Review/Case Summary

A supervisor should ensure cases are reviewed on an on-going basis. The review process should include an analysis of:

- 1) Case dispositions
- 2) Decisions to collect evidence
- 3) Submissions of evidence for lab testing
- 4) Interviewing decisions

Eyewitness Identification Procedures Model Policy.pdf

EYEWITNESS IDENTIFICATION PROCEDURES MODEL POLICY

Minn. Stat. 626.8433

POLICY:

Officers shall adhere to the procedures for conducting eyewitness identifications set forth in this policy, in order to maximize the reliability of identifications, minimize erroneous identifications, and gather evidence that conforms to contemporary eyewitness identification protocols. Photo arrays and line-ups will be conducted by displaying the suspect and fillers sequentially using a blind or blinded administration.

Purpose:

It is the purpose of this policy to establish guidelines for eyewitness identification procedures involving show-ups, photo arrays, and line-ups. Erroneous eyewitness identifications have been cited as the factor most frequently associated with wrongful convictions. Therefore, in addition to eyewitness identification, all appropriate investigative steps and methods should be employed to uncover evidence that either supports or eliminates the suspect identification.

Definitions:

Show-up: The presentation of a suspect to an eyewitness within a short time frame following the commission of a crime to either confirm or eliminate him or her as a possible perpetrator. Show-ups, sometimes referred to as field identifications, are conducted in a contemporaneous time frame and proximity to the crime.

Line-up: The process of presenting live individuals to an eyewitness for the purpose of identifying or eliminating suspects.

Photo Array: A means of presenting photographs to an eyewitness for the purpose of identifying or eliminating suspects.

Administrator: The law enforcement official conducting the identification procedure.

Blinded Presentation: The administrator may know the identity of the suspect, but does not know which photo array member is being viewed by the eyewitness at any given time.

Confidence Statement: A statement in the witness's own words taken immediately after an identification is made stating his or her level of certainty in the identification.

Filler: A live person, or a photograph of a person, included in an identification procedure who is not considered a suspect.

Sequential: Presentation of a series of photographs or individuals to a witness one at a time.

Simultaneous: Presentation of a series of photographs or individuals to a witness all at once.

Procedure:

1. Show-ups

The use of show-ups should be avoided whenever possible in preference to the use of a lineup or photo array procedure. However, when circumstances require the prompt presentation of a suspect to a witness, the following guidelines shall be followed to minimize potential suggestiveness and increase reliability.

- a. Document the witness's description of the perpetrator prior to conducting the show up.
- b. Conduct a show-up only when the suspect is detained within a reasonably time frame after the commission of the offense and within a close physical proximity to the location of the crime.
- c. Do not use a show-up procedure if probable cause to arrest the suspect has already been established.
- d. If possible, avoid conducting a show-up when the suspect is in a patrol car, handcuffed, or physically restrained by officers, unless safety concerns make this impractical.
- e. Caution the witness that the person he or she is about to see may or may not be the perpetrator—and it is equally important to clear an innocent person. The witness should also be advised that the investigation will continue regardless of the outcome of the show-up.
- f. Do not conduct the show-up with more than one witness present at a time.
- g. Separate witnesses and do not allow communication between them before or after conducting a show-up.
- h. If one witness identifies the suspect, use a line-up or photo array for remaining witnesses.
- i. Do not present the same suspect to the same witness more than once.

- j. Do not require show-up suspects to put on clothing worn by, speak words uttered by, or perform other actions of the perpetrator.
- k. Officers should scrupulously avoid words or conduct of any type that may suggest to the witness that the individual is or may be the perpetrator.
- l. Ask the witness to provide a confidence statement.
- m. Remind the witness not to talk about the show-up to other witnesses until police or prosecutors deem it permissible.
- n. Videotape the identification process using an in-car camera or other recording device when feasible.
- o. Document the time and location of the show-up, the officers present, the result of the procedure, and any other relevant information.

Line-up and Photo Array Procedures

2. Basic Procedures for Conducting a Line-up or Photo Array

- a. Line-ups will not typically be utilized for investigations, unless conducting a photo array is not possible.
- b. Whenever possible, a blind presentation shall be utilized. In cases where a blind presentation is not feasible for a photo array, a blinded presentation should be used. Live line-ups must be conducted using a blind presentation.
- c. The line-up or photo array should consist of a minimum of six individuals or photographs. Use a minimum of five fillers and only one suspect.
- d. Fillers should be reasonably similar in age, height, weight, and general appearance and be of the same sex and race, in accordance with the witness's description of the offender.
- e. Avoid the use of fillers who so closely resemble the suspect that a person familiar with the suspect might find it difficult to distinguish the suspect from the fillers.
- f. Create a consistent appearance between the suspect and the fillers with respect to any unique or unusual feature (e.g., scars, tattoos, facial hair) used to describe the perpetrator by artificially adding or concealing that feature on the fillers.
- g. If there is more than one suspect, include only one in each line-up or photo array.

- h. During a blind presentation, no one who is aware of the suspect's identity should be present during the administration of the photo array. However, during a line-up, the suspect's attorney should be present.
- i. Place suspects in different positions in each line-up or photo array, both across cases and with multiple witnesses in the same case.
- j. Witnesses should not be permitted to see or be shown any photos of the suspect prior to the line-up or photo array.
- k. The witness shall be given a copy of the following instructions prior to viewing the line-up or photo array and the administrator shall read the instructions aloud before the identification procedure.

You will be asked to look at a series of individuals.

The perpetrator may or may not be present in the identification procedure.

It is just as important to clear innocent persons from suspicion as it is to identify guilty parties.

I don't know whether the person being investigated is included in this series.

Sometimes a person may look different in a photograph than in real life because of different hair styles, facial hair, glasses, a hat or other changes in appearance. Keep in mind that how a photograph was taken or developed may make a person's complexion look lighter or darker than in real life.

You should not feel that you have to make an identification. If you do identify someone, I will ask you to describe in your own words how certain you are.

The individuals are not configured in any particular order.

If you make an identification, I will continue to show you the remaining individuals or photos in the series.

Regardless of whether you make an identification, we will continue to investigate the incident.

Since this is an ongoing investigation, you should not discuss the identification procedures or results

- l. The line-up or photo array should be shown to only one witness at a time; officers should separate witnesses so they will not be aware of the responses of other witnesses.
- m. Multiple identification procedures should not be conducted in which the same witness views the same suspect more than once.
- n. Officers should scrupulously avoid the use of statements, cues, casual comments, or providing unnecessary or irrelevant information that in any manner may influence the witnesses' decision-making process or perception.
- o. Following an identification, the administrator shall ask the witness to provide a confidence statement and document the witness's response.
- p. The administrator shall ask the witness to complete and sign an Eyewitness Identification Procedure Form.
- q. Line-up and photo array procedures should be video or audio recorded whenever possible. If a procedure is not recorded, a written record shall be created and the reason for not recording shall be documented. In the case of line-ups that are not recorded, agents shall take and preserve a still photograph of each individual in the line-up.

3. Photographic Arrays

a. Creating a Photo Array

- 1. Use contemporary photos.
- 2. Do not mix color and black and white photos.
- 3. Use photos of the same size and basic composition.
- 4. Never mix mug shots with other photos and ensure consistent appearance of photograph backgrounds and sizing.
- 5. Do not include more than one photo of the same suspect.
- 6. Cover any portions of mug shots or other photos that provide identifying information on the subject – and similarly cover other photos used in the array.
- 7. Where the suspect has a unique feature, such as a scar, tattoo, or mole or distinctive clothing that would make him or her stand out in the photo array, filler photographs should include that unique feature either by selecting fillers who have the same features themselves or by altering the photographs of fillers to the extent necessary to achieve a consistent appearance.
- 8. Fillers should not be reused in arrays for different suspects shown to the same witness.

b. Conducting the Photo Array

- 1. The photo array should be preserved, together with full information about the identification process as part of the case file and documented in a report.

2. If a blind administrator is not available, the administrator shall ensure that a blinded presentation is conducted using the following procedures.
 - a. Place the suspect and at least five filler photos in separate folders for a total of six (or more depending on the number of fillers used).
 - b. The administrator will take one folder containing a known filler and place it to the side. This will be the first photo in the series. The administrator should then shuffle the remaining folders (containing one suspect and the remainder of fillers) such that he or she cannot see how the line-up members are ordered. These shuffled folders will follow the first filler photo. The stack of photos is now ready to be shown to the witness.
 - c. The administrator should position himself or herself so that he or she cannot see inside the folders as they are viewed by the witness.
3. The witness should be asked if he or she recognizes the person in the photo before moving onto the next photo. If an identification is made before all of the photos are shown, the administrator should tell the witness that he or she must show the witness all of the photos and finish showing the sequence to the witness, still asking after each photo if the witness recognizes the person in the photo.
4. If possible, the array should be shown to the witness only once. If, upon viewing the entire array the witness asks to see a particular photo or the entire array again, the witness should be instructed that he or she may view the entire array only one additional time. If a second viewing is permitted, it must be documented.

4. Line-ups

- a. Conducting the Line-up
 1. Live line-ups shall be conducted using a blind administrator.
 2. Ensure that all persons in the line-up are numbered consecutively and are referred to only by number.
- b. The primary investigating officer is responsible for the following:
 1. Scheduling the line-up on a date and at a time that is convenient for all concerned parties, to include the prosecuting attorney, defense counsel, and any witnesses.
 2. Ensuring compliance with any legal requirements for transfer of the subject to the line-up location if he or she is incarcerated at a detention center.
 3. Making arrangements to have persons act as fillers.
 4. Ensuring that the suspect's right to counsel is scrupulously honored and that he or she is provided with counsel if requested. Obtaining proper documentation of any waiver of the suspect's right to counsel.
 5. Allowing counsel representing the suspect sufficient time to confer with his or her client prior to the line-up and to observe the manner in which the line-up is conducted.

**Model Sexual Assault Investigation
Policy attachment.pdf**

I. PURPOSE

The purpose of this policy is to provide employees with guidelines for responding to reports of sexual assault. This agency will strive:

- a) To afford maximum protection and support to victims of sexual assault or abuse through a coordinated program of law enforcement and available victim services with an emphasis on a victim centered approach;
- b) To reaffirm peace officers' authority and responsibility to conducting thorough preliminary and follow up investigations and to make arrest decisions in accordance with established probable cause standards;
- c) To increase the opportunity for prosecution and victim services.

II. POLICY

It is the policy of the Clay County Sheriff's Office to recognize sexual assault as a serious problem in society and to protect victims of sexual assault by ensuring its peace officers understand the laws governing this area. Sexual assault crimes are under-reported to law enforcement and the goal of this policy is in part to improve victim experience in reporting so that more people are encouraged to report.

All employees should take a professional, victim-centered approach to sexual assaults, protectively investigate these crimes, and coordinate with prosecution in a manner that helps restore the victim's dignity and autonomy. While doing so, it shall be this agency's goal to decrease the victim's distress, increase the victim's understanding of the criminal justice system and process, and promote public safety.

Peace officers will utilize this policy in response to sexual assault reported to this agency. This agency will aggressively enforce the laws without bias and prejudice based on race, marital status, sexual orientation, economic status, age, disability, gender, religion, creed, or national origin.

 - (ii) because of the dysfunction or infirmity and the need for assistance, the individual has an impaired ability to protect the individual from maltreatment.

IV. PROCEDURES

A. Communications Personnel Response/Additional Actions by Responding Officers

Communications personnel and/or law enforcement officers should inform the victim of ways to ensure critical evidence is not lost, to include the following:

- 1) Suggest that the victim not bathe or clean him or herself if the assault took place recently.
- 2) Recommend that if a victim needs to relieve themselves, they should collect urine in a clean jar for testing and should avoid wiping after urination.
- 3) Asking the victim to collect any clothing worn during or after the assault and if possible, place in a paper bag, instructing the victim not to wash the clothing (per department policy).
- 4) Reassure the victim that other evidence may still be identified and recovered even if they have bathed or made other physical changes.

B. Initial Officer Response

When responding to a scene involving a sexual assault, officers shall follow standard incident response procedures. In addition, when interacting with victims, officers shall do the following:

- 1) Recognize that the victim experienced a traumatic incident and may not be willing or able to immediately assist with the criminal investigation.

- 2) The officer shall attempt to determine the location/jurisdiction where the assault took place.
- 3) Explain the reporting process including the roles of the first responder, investigator, and anyone else with whom the victim will likely interact during the course of the investigation.
- 4) Officers are encouraged to connect the victim with local victim advocates as soon as possible. Inform the victim that there are confidential victim advocates available to address any needs they might have and to support them through the criminal justice system process. Provide the victim with contact information for the local victim advocate. Upon victim request the officer can offer to contact local victim advocate on behalf of the victim.
- 5) Ask about and document signs and symptoms of injury, to include strangulation. Officers shall attempt to obtain a signed medical release from the victim.
- 6) Ensure that the victim knows they can go to a designated facility for a forensic medical exam. Offer to arrange for transportation for the victim.
- 7) Identify and attempt to interview potential witnesses to the sexual assault and/or anyone the victim told about the sexual assault.
- 8) Request preferred contact information for the victim for follow-up.

C. Victim Interviews

This agency recognizes that victims of sexual assault due to their age or physical, mental or emotional distress, are better served by utilizing trauma informed interviewing techniques and strategies. Such interview techniques and strategies eliminate the duplication of interviews and use a question and answer interviewing format with questioning nondirective as possible to elicit spontaneous responses.

In recognizing the need for non-traditional interviewing techniques for sexual assault victims, officers should consider the following:

- Offer to have a confidential victim advocate present (if possible) if the victim would benefit from additional support during the process
- Whenever possible, conduct victim interviews in person
- Make an effort to conduct the interview in a welcoming environment
- Let the victim share the details at their own pace
- Recognize victims of trauma may have difficulty remembering incidents in a linear fashion and may remember details in days and weeks following the assault
- After the initial interview, consider reaching out to the victim within a few days, after at least one sleep cycle to ask if they remember any additional details.

- Depending on the victim, additional interviews might be needed to gather additional information. Offer support from a victim advocate to the victim to help facilitate engagement with the investigative process and healing.
- Some victims do remember details vividly and might want to be interviewed immediately.
- During initial and subsequent victim interviews, officers should note the following information as victims share it, recognizing that a victim may not be able to recall all the details of the assault during a particular interview.
 - 1) Whether the suspect was known to the victim
 - 2) How long the victim knew the suspect
 - 3) The circumstances of their meeting and if there is any indication of the use of drugs or alcohol to facilitate the sexual assault
 - 4) The extent of their previous or current relationship
 - 5) Any behavioral changes that led the situation from one based on consent to one of submission, coercion, fear, or force
 - 6) Specific actions, statements, and/or thoughts of both victim and suspect immediately prior, during, and after assault
 - 7) Relevant communication through social media, email, text messages, or any other forms of communication

D. Special Considerations—Minors and Vulnerable Adults/Domestic Abuse Victims

1. Minors and Vulnerable Adults

This agency recognizes that certain victims, due to their age or a physical, mental, or emotional distress, are better served by utilizing interview techniques and strategies that eliminate the duplication of interviews and use a question and answer interviewing format with questioning as nondirective as possible to elicit spontaneous responses. Members of this agency will be alert for victims who would be best served by the use of these specialized interview techniques. Officers, in making this determination, should consider the victim's age, level of maturity, communication skills, intellectual capacity, emotional state, and any other observable factors that would indicate specialized interview techniques would be appropriate for a particular victim. When an officer determines that a victim requires the use of these specialized interview techniques, the officer should follow the guidance below.

- a. Officers responding to reports of sexual assaults involving these sensitive population groups shall limit their actions to the following:
 - (1) Ensuring the safety of the victim;
 - (2) Ensuring the scene is safe;
 - (3) Safeguarding evidence where appropriate;
 - (4) Collecting any information necessary to identify the suspect; and
 - (5) Addressing the immediate medical needs of individuals at the scene

- b. Initial responding officers should not attempt to interview the victim in these situations, but should instead attempt to obtain basic information and facts about the situation, including the jurisdiction where the incident occurred and that a crime most likely occurred. Officers should seek to obtain this information from parents, caregivers, the reporting party, or other adult witnesses, unless those individuals are believed to be the perpetrators.
- c. Officers responding to victims with special considerations must comply with the mandated reporting requirements of Minnesota Statute 626.556 and 626.557, as applicable. Officers investigating cases involving victims with special considerations should coordinate these investigations with the appropriate local human services agency where required. Any victim or witness interviews conducted with individuals having special considerations must be audio and video recorded whenever possible. All other interviews must be audio recorded whenever possible.

Not all sexual assaults of minor victims require a mandatory report to social services. This policy recognizes that in certain cases, notifying and/or the involvement of a parent/guardian can cause harm to the minor and/or impede the investigation. Officers responding to the sexual assault of a minor victim that does not trigger a mandated report under Minn. Stat. 626.556 should assess for the impact on the victim and the investigation if parents/guardians were notified before making a decision to involve them.

- d. Officers should obtain necessary contact information for the victim's caregiver, guardian or parents and where the victim may be located at a later time. Officers should advise the victim and/or any accompanying adult(s), guardians or caregivers that an investigating officer will follow up with information on a forensic interview.
 - e. The officer should advise the victim's caregiver, guardian or parent that if the victim starts to talk about the incident, they should listen to them but not question them as this may influence any future statements.
2. Victims of Domestic Abuse
- Officers responding to a report of sexual assault committed against a family and household member must also follow the requirements and guidelines in this agency's domestic abuse policy and protocol, in addition to the guidelines in this policy.

E. Protecting Victim Rights

- 1) Confidentiality: Officers should explain to victims the limitations of confidentiality in a criminal investigation and that the victim's identifying information is not accessible to the public, as specified in Minn. Stat. section 13.82, subd. 17(b)
- 2) Crime Victim Rights: Officers must provide the following information to the victim:
 - a. Crime victim rights and resource information required to be provided to all victims as specified by Minn. Stat. section 611A.02, subd. 2(b)
 - b. If the suspect is a family or household member to the victim, crime victim rights and resource information required to be provided to domestic abuse victims, as specified by Minn. Stat. section 629.341, subd. 3.
 - c. The victim's right to be informed of the status of a sexual assault examination kit upon request as provided for under Minn. Stat. section 611A.27, subd. 1.
 - d. Pursuant to Minn. Stat. 611A.26, subd. 1, no law enforcement agency or prosecutor shall require that a complainant of a criminal sexual conduct or sex trafficking offense submit to a polygraph examination as part of or a condition to proceeding with the investigation, charging or prosecution of such offense.
- 3) Other information: Officers should provide to the victim the agency's crime report/ICR number and contact information for the reporting officer and/or investigator or person handling the follow up.
- 4) Language access: All officers shall follow agency policy regarding limited English proficiency.

F. Evidence Collection

- 1) Considerations for Evidence Collection
Officers shall follow this agency's policy on crime scene response. In addition, officers may do the following:
 - a. Collect evidence regarding the environment in which the assault took place, including indications of isolation and soundproofing. The agency should consider utilizing their agency or county crime lab in obtaining or processing the scene where the assault took place. This should be in accordance to any/all other policies and procedures relating to evidence collections.
 - b. Document any evidence of threats or any communications made by the suspect, or made on behalf of the suspect, to include those made to individuals other than the victim.

- c. In situations where it is suspected that drugs or alcohol may have facilitated the assault, officers should assess the scene for evidence such as drinking glasses, alcohol bottles or cans, or other related items.
- d. If the victim has declined or a medical forensic exam will not be conducted, the officer should obtain victim consent and attempt to take photographs of visible physical injuries, including any healing or old injuries. Victim should be given directions about how to document any bruising or injury that becomes evidence later after these photographs are taken.

G. Sexual Assault Medical Forensic Examinations

- 1) Prior to the sexual assault medical forensic examination, the investigating officer should do the following:
 - a. Ensure the victim understands the purpose of the sexual assault medical forensic exam and its importance to both their general health and wellness and to the investigation. Offer assurance to the victim that they will not incur any out-of-pocket expenses for forensic medical exams and provide information about evidence collection, storage and preservation in sexual assault cases.
 - b. Provide the victim with general information about the procedure and encourage them to seek further detail and guidance from the forensic examiner, health care professional, or a victim advocate. Officers and investigators cannot deny a victim the opportunity to have an exam.
 - c. Officers should be aware and if necessary, relay to victims who do not want to undergo an exam that there might be additional treatments or medications they are entitled to even if they do not want to have an exam done or have evidence collected. Victims can seek that information from a health care provider or a victim advocate. If possible, transport or arrange transportation for the victim to the designated medical facility.
 - d. Ask the victim for a signed release for access to medical records from the exam.
- 2) Officers should not be present during any part of the exam, including during the medical history.
- 3) Following the exam, evidence collected during the exam shall be handled according to the requirements of agency policy and Minnesota Statute 299C.106.

H. Contacting and Interviewing Suspects

Prior to contacting the suspect, officers should consider the following:

- 1) Conduct a background and criminal history check specifically looking for accusations, criminal charges, and convictions for interconnected crimes, especially crimes involving violence.
- 2) Consider conducting a pretext or confrontational call or messaging depending on jurisdictional statutes. Involvement of a victim should be based on strong

consideration of the victim's emotional and physical state. A victim advocate should be present whenever possible to offer support.

- 3) When possible, an attempt would be made to interview the suspect in person.
- 4) In situations where suspects do not deny that a sexual act occurred, but rather assert that it was with the consent of the victim, officers should do the following:
 - a. Collect evidence of past communication, including but not limited to all relevant interaction (including social media) between the suspect and victim.
 - b. Identify events that transpired prior to, during, and after the assault in an effort to locate additional witnesses and physical locations that might lead to additional evidence.
- 5) For sexual assaults involving strangers, officers should focus investigative efforts on the collection of video, DNA, and other trace evidence used for analysis to identify the perpetrator (handle evidence collection per agency policy).

I. Forensic Examination and/or the Collection of Evidence from the Suspect

Note: A suspect's forensic examination and/or the collection of evidence from a suspect may be done by either an investigating officer/investigator, Forensic Medical Examiner, or the agency/county crime lab personnel.

- 1) Prior to or immediately after the preliminary suspect interview, photograph any injuries.
- 2) Determine whether a sexual assault medical forensic examination should be conducted.
- 3) Ask for the suspect's consent to collect evidence from their body and clothing. However, officers/investigators should consider obtaining a search warrant, with specific details about what evidence will be collected, and should be prepared in advance to eliminate the opportunity for the suspect to destroy or alter evidence if consent is denied.
- 4) During the suspect's sexual assault medical forensic examination, the investigator, evidence technician, or forensic examiner should do the following:
 - a. Strongly consider penile swabbing, pubic hair combings, and collection of other potential DNA evidence;
 - b. Collect biological and trace evidence from the suspect's body;
 - c. Document information about the suspect's clothing, appearance, scars, tattoos, piercings, and other identifiable marks;
 - d. Seize all clothing worn by the suspect during the assault, particularly any clothing touching the genital area;
 - e. Document the suspect's relevant medical condition and injuries.

J. Role of the Supervisor

Supervisors may do the following:

- 1) Assist officers investigating incidents of sexual assault when possible or if requested by an officer.
- 2) Provide guidance and direction as needed.
- 3) Review sexual assault reports to ensure that necessary steps were taken during initial response and investigations.

K. Case Review/Case Summary

A supervisor should ensure cases are reviewed on an on-going basis. The review process should include an analysis of:

- 1) Case dispositions
- 2) Decisions to collect evidence
- 3) Submissions of evidence for lab testing
- 4) Interviewing decisions

MN POST Professional Conduct of Peace Officers Model Policy.pdf

PROFESSIONAL CONDUCT OF PEACE OFFICERS MODEL POLICY
MN STAT 626.8457

I. POLICY

It is the policy of the _____ (law enforcement agency) to investigate circumstances that suggest an officer has engaged in unbecoming conduct, and impose disciplinary action when appropriate.

II. PROCEDURE

This policy applies to all officers of this agency engaged in official duties whether within or outside of the territorial jurisdiction of this agency. Unless otherwise noted this policy also applies to off duty conduct. Conduct not mentioned under a specific rule but that violates a general principle is prohibited.

A. PRINCIPLE ONE

Peace officers shall conduct themselves, whether on or off duty, in accordance with the Constitution of the United States, the Minnesota Constitution, and all applicable laws, ordinances and rules enacted or established pursuant to legal authority.

1. Rationale: Peace officers conduct their duties pursuant to a grant of limited authority from the community. Therefore, officers must understand the laws defining the scope of their enforcement powers. Peace officers may only act in accordance with the powers granted to them.

2. Rules

- a) Peace officers shall not knowingly exceed their authority in the enforcement of the law.
- b) Peace officers shall not knowingly disobey the law or rules of criminal procedure in such areas as interrogation, arrest, detention, searches, seizures, use of informants, and preservation of evidence, except where permitted in the performance of duty under proper authority.
- c) Peace officers shall not knowingly restrict the freedom of individuals, whether by arrest or detention, in violation of the Constitutions and laws of the United States and the State of Minnesota.
- d) Peace officers, whether on or off duty, shall not knowingly commit any criminal offense under any laws of the United States or any state or local jurisdiction.
- e) Peace officers will not, according to MN STAT 626.863, knowingly allow a person who is not a peace officer to make a representation of being a peace officer or perform any act, duty or responsibility reserved by law for a peace officer.

B. PRINCIPLE TWO

Peace officers shall refrain from any conduct in an official capacity that detracts from the public's faith in the integrity of the criminal justice system.

1. Rationale: Community cooperation with the police is a product of its trust that officers will act honestly and with impartiality. The peace officer, as the public's initial contact with the criminal justice system, must act in a manner that instills such trust.

2. Rules

- a) Peace officers shall carry out their duties with integrity, fairness and impartiality.

- b) Peace officers shall not knowingly make false accusations of any criminal, ordinance, traffic or other law violation. This provision shall not prohibit the use of deception during criminal investigations or interrogations as permitted under law.
- c) Peace officers shall truthfully, completely, and impartially report, testify and present evidence, including exculpatory evidence, in all matters of an official nature.
- d) Peace officers shall take no action knowing it will violate the constitutional rights of any person.
- e) Peace officers must obey lawful orders but a peace officer must refuse to obey any order the officer knows would require the officer to commit an illegal act. If in doubt as to the clarity of an order the officer shall, if feasible, request the issuing officer to clarify the order. An officer refusing to obey an order shall be required to justify his or her actions.
- f) Peace officers learning of conduct or observing conduct that is in violation of any law or policy of this agency shall take necessary action and report the incident to the officer's immediate supervisor who shall forward the information to the CLEO. If the officer's immediate supervisor commits the misconduct the officer shall report the incident to the immediate supervisor's supervisor.

C. PRINCIPLE THREE

Peace officers shall perform their duties and apply the law impartially and without prejudice or discrimination.

1. **Rationale:** Law enforcement effectiveness requires public trust and confidence. Diverse communities must have faith in the fairness and impartiality of their police. Peace officers must refrain from fostering disharmony in their communities based upon diversity and perform their duties without regard to race, color, creed, religion, national origin, gender, marital status, or status with regard to public assistance, disability, sexual orientation or age.
2. **Rules**
 - a) Peace officers shall provide every person in our society with professional, effective and efficient law enforcement services.
 - b) Peace officers shall not allow their law enforcement decisions to be influenced by race, color, creed, religion, national origin, gender, marital status, or status with regard to public assistance, disability, sexual orientation or age.

D. PRINCIPLE FOUR

Peace officers shall not, whether on or off duty, exhibit any conduct which discredits themselves or their agency or otherwise impairs their ability or that of other officers or the agency to provide law enforcement services to the community.

1. **Rationale:** A peace officer's ability to perform his or her duties is dependent upon the respect and confidence communities have for the officer and law enforcement officers in general. Peace officers must conduct themselves in a manner consistent with the integrity and trustworthiness expected of them by the public.
2. **Rules**

- a) Peace officers shall not consume alcoholic beverages or chemical substances while on duty except as permitted in the performance of official duties, and under no circumstances while in uniform, except as provided for in **c**).

- c) Peace officers shall not use narcotics, hallucinogens, or other controlled substances except when legally prescribed. When medications are prescribed, the officer shall inquire of the prescribing physician whether the medication will impair the officer in the performance of the officer's duties. The officer shall immediately notify the officer's supervisor if a prescribed medication is likely to impair the officer's performance during the officer's next scheduled shift.
- d) Peace officers, whether on or off duty, shall not engage in any conduct which the officer knows, or should reasonably know, constitutes sexual harassment as defined under Minnesota law, including but not limited to; making unwelcome sexual advances, requesting sexual favors, engaging in sexually motivated physical contact or other verbal or physical conduct or communication of a sexual nature.
- e) Peace officers shall not commit any acts which constitute sexual assault or indecent exposure as defined under Minnesota law. Sexual assault does not include a frisk or other search done in accordance with proper police procedures.
- f) Peace officers shall not commit any acts which, as defined under Minnesota law, constitute (1) domestic abuse, or (2) the violation of a court order restraining the officer from committing an act of domestic abuse or harassment, having contact with the petitioner, or excluding the peace officer from the petitioner's home or workplace.
- g) Peace officers, in the course of performing their duties, shall not engage in any sexual contact or conduct constituting lewd behavior including but not limited to, showering or receiving a massage in the nude, exposing themselves, or making physical contact with the nude or partially nude body of any person, except as pursuant to a written policy of the agency.
- h) Peace officers shall avoid regular personal associations with persons who are known to engage in criminal activity where such associations will undermine the public trust and confidence in the officer or agency. This rule does not prohibit those associations that are necessary to the performance of official duties or where such associations are unavoidable because of the officer's personal or family relationships.

E. PRINCIPLE FIVE

Peace officers shall treat all members of the public courteously and with respect.

1. **Rationale:** Peace officers are the most visible form of local government. Therefore, peace officers must make a positive impression when interacting with the public and each other.
2. **Rules**
 - a) Peace officers shall exercise reasonable courtesy in their dealings with the public, other officers, superiors and subordinates.

- b) No peace officer shall ridicule, mock, deride, taunt, belittle, willfully embarrass, humiliate, or shame any person to do anything reasonably calculated to incite a person to violence.
- c) Peace officers shall promptly advise any inquiring citizen of the agency's complaint procedure and shall follow the established agency policy for processing complaints.

F. PRINCIPLE SIX

Peace officers shall not compromise their integrity nor that of their agency or profession by accepting, giving or soliciting any gratuity which could be reasonably interpreted as capable of influencing their official acts or judgments or by using their status as a peace officer for personal, commercial or political gain.

1. Rationale: For a community to have faith in its peace officers, officers must avoid conduct that does or could cast doubt upon the impartiality of the individual officer or the agency.

2. Rules

- a) Peace officers shall not use their official position, identification cards or badges for: (1) personal or financial gain for themselves or another person; (2) obtaining privileges not otherwise available to them except in the performance of duty; and (3) avoiding consequences of unlawful or prohibited actions.
- b) Peace officers shall not lend to another person their identification cards or badges or permit these items to be photographed or reproduced without approval of the chief law enforcement officer.
- c) Peace officers shall refuse favors or gratuities which could reasonably be interpreted as capable of influencing official acts or judgments.
- d) Unless required for the performance of official duties, peace officers shall not, while on duty, be present at establishments that have the primary purpose of providing sexually oriented adult entertainment. This rule does not prohibit officers from conducting walk-throughs of such establishments as part of their regularly assigned duties.
- e) Peace officers shall:
 - not authorize the use of their names, photographs or titles in a manner that identifies the officer as an employee of this agency in connection with advertisements for any product, commodity or commercial enterprise;
 - maintain a neutral position with regard to the merits of any labor dispute, political protest, or other public demonstration while acting in an official capacity;
 - not make endorsements of political candidates while on duty or while wearing the agency's official uniform.

This section does not prohibit officers from expressing their views on existing, proposed or pending criminal justice legislation in their official capacity.

G. PRINCIPLE SEVEN

Peace officers shall not compromise their integrity, nor that of their agency or profession, by taking or attempting to influence actions when a conflict of interest exists.

1. Rationale: For the public to maintain its faith in the integrity and impartiality of peace officers and their agencies officers must avoid taking or influencing official actions

where those actions would or could conflict with the officer's appropriate responsibilities.

2. Rules

- a) Unless required by law or policy a peace officer shall refrain from becoming involved in official matters or influencing actions of other peace officers in official matters impacting the officer's immediate family, relatives, or persons with whom the officer has or has had a significant personal relationship.
- b) Unless required by law or policy a peace officer shall refrain from acting or influencing official actions of other peace officers in official matters impacting persons with whom the officer has or has had a business or employment relationship.
- c) A peace officer shall not use the authority of their position as a peace officer or information available to them due to their status as a peace officer for any purpose of personal gain including but not limited to initiating or furthering personal and/or intimate interactions of any kind with persons with whom the officer has had contact while on duty.
- d) A peace officer shall not engage in any off-duty employment if the position compromises or would reasonably tend to compromise the officer's ability to impartially perform the officer's official duties.

H. PRINCIPLE EIGHT

Peace officers shall observe the confidentiality of information available to them due to their status as peace officers.

- 1. **Rationale:** Peace officers are entrusted with vast amounts of private and personal information or access thereto. Peace officers must maintain the confidentiality of such information to protect the privacy of the subjects of that information and to maintain public faith in the officer's and agency's commitment to preserving such confidences.

2. Rules

- a) Peace officers shall not knowingly violate any legal restriction for the release or dissemination of information.
- b) Peace officers shall not, except in the course of official duties or as required by law, publicly disclose information likely to endanger or embarrass victims, witnesses or complainants.
- c) Peace officers shall not divulge the identity of persons giving confidential information except as required by law or agency policy.

I. APPLICATION

Any disciplinary actions arising from violations of this policy shall be investigated in accordance with MN STAT 626.89, Peace Officer Discipline Procedures Act and the law enforcement agency's policy on Allegations of Misconduct as required by *MN RULES* 6700.2000 to 6700.2600.

1) PURPOSE

The First Amendment to the Constitution of the United States of America states, "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof, or abridging the freedom of speech or of the press, or the right of the people peaceably to assemble and to petition the Government for a redress of grievances."

The Bill of Rights in Article 1 of the [Minnesota Constitution](#) addresses the rights of free speech and the liberty of the press. However, neither the state nor federal constitutions protect criminal activity or threats against citizens, businesses, or critical infrastructure.

The [\(law enforcement agency\)](#) supports all people's fundamental right to peaceably assemble and their right to freedom of speech and expression.

The purpose of this policy is to provide guidelines to the [\(law enforcement agency\)](#) personnel regarding the application and operation of acceptable law enforcement actions addressing public assemblies and First Amendment Activity.

2) POLICY

The [\(law enforcement agency\)](#) will uphold the constitutional rights of free speech and assembly while using the minimum use of physical force and authority required to address a crowd management or crowd control issue.

The policy of the [\(law enforcement agency\)](#) ("department") regarding crowd management and crowd control is to apply the appropriate level of direction and control to protect life, property, and vital facilities while maintaining public peace and order during a public assembly or First Amendment activity. Department personnel must not harass, intimidate, or discriminate against or unreasonably interfere with persons engaged in the lawful exercise of their rights.

This policy concerning crowd management, crowd control, crowd dispersal, and police responses to violence and disorder applies to spontaneous demonstrations, crowd event situations, and planned demonstration or crowd events regardless of the permit status of

the event.

This policy is to be reviewed annually.

3) DEFINITIONS

- A. Chemical Agent Munitions: Munitions designed to deliver chemical agents from a launcher or hand thrown.
- B. Control Holds: Control holds are soft empty hand control techniques as they do not involve striking.
- C. Crowd Management: Techniques used to manage lawful public assemblies before, during, and after an event. Crowd management can be accomplished in part through coordination with event planners and group leaders, permit monitoring, and past event critiques.
- D. Crowd Control: Techniques used to address unlawful public assemblies.
- E. Deadly Force: Force used by an officer that the officer knows, or reasonably should know, creates a substantial risk of causing death or great bodily harm.
(Reference: (law enforcement agency's) Use of Force Policy, MN Statutes [609.06](#) and [609. 066](#))
- F. Direct Fired Munitions: Less-lethal impact munitions that are designed to be direct fired at a specific target.
- G. First Amendment Activities: First Amendment activities include all forms of speech and expressive conduct used to convey ideas and/or information, express grievances, or otherwise communicate with others and include both verbal and non-verbal expression. Common First Amendment activities include, but are not limited to, speeches, demonstrations, vigils, picketing, distribution of literature, displaying banners or signs, street theater, and other artistic forms of expression. All these activities involve the freedom of speech, association, and assembly and the right to petition the government, as guaranteed by the United States Constitution and the [Minnesota State Constitution](#).

The government may impose reasonable restrictions on the time, place, or manner of protected speech, provided the restrictions are justified without reference to the content of the regulated speech, that they are narrowly tailored to serve a significant governmental interest, and that they leave open ample alternative channels for communication of the information.

- H. Great Bodily Harm: Bodily injury which creates a high probability of death, or which causes serious, permanent disfigurement, or which causes a permanent or protracted loss or impairment of the function of any bodily member or organ or other serious bodily harm. (Reference: (law enforcement agency's) Use of Force Policy, MN Statutes [609.06](#) and [609. 066](#))
- I. Legal Observers – Individuals, usually representatives of civilian human rights agencies, who attend public demonstrations, protests and other activities. The following may be indicia of a legal observer: Wearing a green National Lawyers' Guild issued or authorized Legal Observer hat and/or vest (a green NLG hat and/or black vest with green labels) or wearing a blue ACLU issued or authorized legal observer vest.
- J. Less-lethal Impact Munitions. Impact munitions which can be fired, launched, or

otherwise propelled for the purpose of encouraging compliance, overcoming resistance or preventing serious injury without posing significant potential of causing death.

- K. **Media:** Media means any person who is an employee, agent, or independent contractor of any newspaper, magazine or other periodical, book publisher, news agency, wire service, radio or television station or network, cable or satellite station or network, or audio or audiovisual production company, or any entity that is in the regular business of news gathering and disseminating news or information to the public by any means, including, but not limited to, print, broadcast, photographic, mechanical, internet, or electronic distribution. For purposes of this policy, the following are indicia of being a member of the media: visual identification as a member of the press, such as by displaying a professional or authorized press pass or wearing a professional or authorized press badge or some distinctive clothing that identifies the wearer as a member of the press.

4) Law Enforcement Procedures

- A. **Uniform:** All officers responding to public assemblies must at all times, including when wearing protective gear, display their agency name and a unique personal identifier in compliance with this department's uniform policy. The chief law enforcement officer must maintain a record of any officer(s) at the scene who is not in compliance with this requirement due to exigent circumstances.
- B. **Officer conduct:**
1. Officers shall avoid negative verbal engagement with members of the crowd. Verbal abuse against officers does not constitute a reason for an arrest or for any use of force against such individuals.
 2. Officers must maintain professional demeanor and remain neutral in word and deed despite unlawful or anti-social behavior on the part of crowd members.
 3. Officers must not take action or fail to take action based on the opinions being expressed.
 4. Officers must not interfere with the rights of members of the public to observe and document police conduct via video, photographs, or other methods unless doing so interferes with on-going police activity.
 5. Officers must not use a weapon or munition unless the officer has been trained in the use and qualified in deployment of the weapon/munition.
 6. This policy does not preclude officers from taking appropriate action to direct crowd and vehicular movement; enforce ordinances and statutes; and to maintain the safety of the crowd, the general public, law enforcement personnel, and emergency personnel.

5. Responses to Crowd Situations

- A. **Lawful assembly.** Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest, or otherwise express their views and opinions through varying forms of communication including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills, leafleting and

loitering.

B. Unlawful assembly

1. The definition of an unlawful assembly has been set forth in Minnesota Statute [§609.705](#).
2. The mere failure to obtain a permit, such as a parade permit or sound permit, is not a sufficient basis to declare an unlawful assembly
3. The fact that some of the demonstrators or organizing groups have engaged in violent or unlawful acts on prior occasions or demonstrations is not grounds for declaring an assembly unlawful.
4. Whenever possible, the unlawful behavior of a few participants must not result in the majority of peaceful protestors being deprived of their First Amendment rights, unless other participants or officers are threatened with dangerous circumstances.
5. Unless emergency or dangerous circumstances prevent negotiation, crowd dispersal techniques must not be initiated until after attempts have been made through contacts with the police liaisons and demonstration or crowd event leaders to negotiate a resolution of the situation so that the unlawful activity will cease, and the First Amendment activity can continue.

C. Declaration of Unlawful Assembly

1. If the on-scene supervisor/incident commander has declared an unlawful assembly, the reasons for the declaration and the names of the decision maker(s) must be recorded. The declaration and dispersal order must be announced to the assembly. The name(s) of the officers announcing the declaration should be recorded, with the time(s) and date(s) documented.
2. The dispersal order must include:
 - a) Name, rank of person, and agency giving the order
 - b) Declaration of Unlawful Assembly and reason(s) for declaration
 - c) Egress or escape routes that may be used
 - d) Specific consequences of failure to comply with dispersal order
 - e) How long the group has to comply
3. Whenever possible, dispersal orders should also be given in other languages that are appropriate for the audience. Officers must recognize that not all crowd members may be fluent in the language(s) used in the dispersal order.
4. Dispersal announcements must be made in a manner that will ensure that they are audible over a sufficient area. Dispersal announcements-must be made from different locations when the demonstration is large and noisy. The dispersal announcements should be repeated after commencement of the dispersal operation so that persons not present at the original broadcast will understand that they must leave the area. The announcements must also specify adequate egress or escape routes. Whenever possible, a minimum of two escape/egress routes shall be identified and announced.

D. Crowd Dispersal

1. Crowd dispersal techniques should not be initiated until officers have made repeated announcements to the crowd, or are aware that repeated announcements

- have been made, asking members of the crowd to voluntarily disperse, and informing them that, if they do not disperse, they will be subject to arrest.
2. Unless an immediate risk to public safety exists or significant property damage is occurring, sufficient time will be allowed for a crowd to comply with officer commands before action is taken.
 3. If negotiations and verbal announcements to disperse do not result in voluntary movement of the crowd, officers may employ additional crowd dispersal tactics, but only after orders from the on-scene supervisor/incident commander. The use of these crowd dispersal tactics shall be consistent with the department policy of using the minimal officer intervention needed to address a crowd management or control issue.
 4. If, after a crowd disperses pursuant to a declaration of unlawful assembly and subsequently participants assemble at a different geographic location where the participants are engaged in non-violent and lawful First Amendment activity, such an assembly cannot be dispersed unless it has been determined that it is an unlawful assembly, and a new declaration of unlawful assembly has been made.

6. Tactics and Weapons to Disperse or Control a Non-Compliant Crowd

Nothing in this policy prohibits officers' abilities to use appropriate force options to defend themselves or others as defined in the (law enforcement agency's) Use of Force policy.

A. Use of Batons

1. Batons must not be used for crowd control, crowd containment, or crowd dispersal except as specified below.
2. Batons may be visibly displayed and held in a ready position during squad or platoon formations.
3. When reasonably necessary for protection of the officers or to disperse individuals in the crowd pursuant to the procedures of this policy, batons may be used in a pushing, pulling, or jabbing motion. Baton jabs must not be used indiscriminately against a crowd or group of persons but only against individuals who are physically aggressive or actively resisting arrest. Baton jabs should not be used in a crowd control situation against an individual who is attempting to comply but is physically unable to disperse or move because of the press of the crowd or some other fixed obstacle.
4. Officers must not strike a person with any baton to the head, neck, throat, kidneys, spine, or groin, or jab with force to the armpit unless the person has created an imminent threat of great bodily harm to another.
5. Batons shall not be used against a person who is handcuffed except when permissible under this department's Use of Force policy and state law.

B. Restrictions on Crowd Control and Crowd Dispersal

1. Canines. Canines must not be used for crowd control, crowd containment, or crowd dispersal.
2. Fire Hoses. Fire hoses must not be used for crowd control, crowd containment, or crowd dispersal.
3. Electronic Control Weapons (ECWs) must not be used for crowd control, crowd

containment, or crowd dispersal.

4. Motorcycles and police vehicles must not be used for crowd dispersal, but may be used for purposes of observation, visible deterrence, traffic control, transportation, and area control during a crowd event.
5. Skip Fired Specialty Impact Less-Lethal Munitions (Wooden Dowels and Stinger Grenades) may be used as a last resort if other crowd dispersal techniques have failed or have been deemed ineffective.
6. Direct Fired munitions may never be used indiscriminately against a crowd or group of persons even if some members of the crowd or group are violent or disruptive.
 - a) Except for exigent circumstances, the on-scene supervisor/incident commander must authorize the deployment of Direct Fired munitions. Direct Fired munitions must be used only against a specific individual who is engaging in conduct that poses an immediate threat of loss of life or serious bodily injury to them self, officers, or the general public; or is creating an imminent risk to the lives or safety of other persons through the substantial destruction of property.
 - b) Officers shall not discharge a Direct Fired munitions at a person's head, neck, throat, face, left armpit, spine, kidneys, or groin unless deadly force would be justified.
 - c) When circumstances permit, the on-scene supervisor/incident commander must make an attempt to accomplish the policing goal without the use of Direct Fired munitions as described above, and, if practical, an audible warning shall be given to the subject before deployment of the weapon.
7. Aerosol Hand-held Chemical Agents must not be used in a demonstration or crowd situation or other civil disorders without the approval of the on-scene supervisor/incident commander.
 - a) Aerosol, hand-held, pressurized, containerized chemical agents that emit a stream shall not be used for crowd management, crowd control, or crowd dispersal during demonstrations or crowd events. Aerosol hand-held chemical agents may not be used indiscriminately against a crowd or group of persons, but only against specific individuals who are engaged in specific acts of serious unlawful conduct or who are actively resisting arrest.
 - b) Officers shall use the minimum amount of the chemical agent necessary to overcome the subject's resistance.
 - c) When possible, persons should be removed quickly from any area where hand held chemical agents have been used. Officers must monitor the subject and pay particular attention to the subject's ability to breathe following the application of a chemical agent.
 - d) A subject who has been sprayed with a hand-held chemical agent shall not be left lying on their stomach once handcuffed or restrained with any device.
9. Chemical munitions use in a crowd situation is subject to the following:
 - a) Chemical munitions must be used only when:
 - 1) a threat of imminent harm or serious property damage is present, or

other crowd dispersal techniques have failed or did not accomplish the policing goal as determined by the incident commander,

- 2) sufficient egress to safely allow the crowd to disperse exists, and
 - 3) The use of chemical munitions is approved by the on-scene supervisor/incident commander, and
- b) When feasible, additional announcements should be made prior to the use of chemical munitions in a crowd situation warning of the imminent use of chemical munitions.
 - c) Deployment of chemical munitions into a crowd must be avoided to prevent unnecessary injuries.
 - d) CN chemical munitions are prohibited.
 - e) The use of each chemical munition must be recorded (time, location), and the following information must be made available by the department on request :
 - 1) the name of each chemical munition used in an incident,
 - 2) the location and time of use for each munition deployment,
 - 3) access to the safety data sheet (SDS) for chemical munition
 - f) Where extensive use of chemical munitions would reasonably be anticipated to impact nearby residents or businesses, agencies should consider proactively notifying impacted individuals of safety information related to the munitions use as soon as possible, even if after the event.
 - g) When chemical munitions are used, an emergency responder will be on standby at a safe distance near the target area when feasible.
 - h) Chemical munitions are subject to the same procedural requirements as outlined in the (law enforcement department)'s UOF policy.

C. Arrests

1. If the crowd has failed to disperse after the required announcements and sufficient time to disperse, officers may encircle the crowd or a portion of the crowd for purposes of making multiple simultaneous arrests.
2. Persons who make it clear (e.g., by non-violent civil disobedience) that they seek to be arrested may be arrested and must not be subjected to other dispersal techniques, such as the use of batons or chemical agents. Persons refusing to comply with arrest procedures may be subject to the reasonable use of force.
3. Arrests of non-violent persons shall be accomplished by verbal commands and persuasion, handcuffing, lifting, carrying, the use of dollies and/or stretchers, and/or the use of soft empty hand control holds.
4. Officers must document any injuries reported by an arrestee, and as soon as practical, officers must obtain professional medical treatment for the arrestee.
5. Juveniles arrested in demonstrations shall be handled consistent with department policy on arrest, transportation, and detention of juveniles.
6. Officers arresting a person with a disability affecting mobility or communication must follow the department policy on arrest, transportation, and detention of persons with disabilities.

6. Handcuffs

- A. All persons subject to arrest during a demonstration or crowd event shall be handcuffed in accordance with department policy, orders, and training bulletins.
- B. Officers should be cognizant that flex-cuffs may tighten when arrestees hands swell or move, sometimes simply in response to pain from the cuffs themselves. When arrestees complain of pain from overly tight flex cuffs, officers must examine the cuffs and ensure proper fit.
- C. Arrestees in flex-cuffs must be monitored to prevent injury.
- D. Each unit involved in detention and/or transportation of arrestees with flex-cuffs should have a flex-cuff cutter and adequate supplies of extra flex-cuffs readily available.

7. Media.

- A. The media have a First Amendment right to cover public activity, including the right to record video or film, livestream, photograph, or use other mediums.
- B. The media must not be restricted to an identified area, and must be permitted to observe and must be permitted close enough access to view the crowd event and any arrests. An onsite supervisor/incident commander may identify an area where media may choose to assemble.
- C. Officers will not arrest members of the media unless they are physically obstructing lawful efforts to disperse the crowd, or efforts to arrest participants, or engaged in criminal activity.
- D. The media must not be targeted for dispersal or enforcement action because of their media status.
- E. Even after a dispersal order has been given, clearly identified media must be permitted to carry out their professional duties unless their presence would unduly interfere with the enforcement action.

8. Legal Observers

- A. Legal observers, including unaffiliated self-identified legal observers and crowd monitors, do not have the same legal status as the media, and are subject to laws and orders similar to any other person or citizen.
- B. Legal observers and monitors must comply with all dispersal orders unless the on-site supervisor/incident commander chooses to allow such an individual legal observers and monitors to remain in an area after a dispersal order.
- C. Legal observers and crowd monitors must not be targeted for dispersal or enforcement action because of their status.

9. Documentation of Public Assembly and First Amendment Activity

- A. The purpose of any visual documentation by (law enforcement agency) of a public assembly or first amendment activity must be related only to:
 - 1) Documentation of the event for the purposes of debriefing,
 - 2) Documentation to establish a visual record for the purposes of responding to citizen complaints or legal challenges, or
 - 3) Creating visual records for training purposes.

- B. If it is the policy of (law enforcement agency) to videotape and photograph, it must be done in a manner that minimizes interference with people lawfully participating in First Amendment activities. Videotaping and photographing of First Amendment activities must take place only when authorized by the on-site supervisor/incident commander.
 - C. Individuals should not be singled out for photographing or recording simply because they appear to be leaders, organizers, or speakers.
 - D. Unless evidence of criminal activity is provided, videos or photographs of demonstrations shall not be disseminated to other government agencies, including federal, state, and local law enforcement agencies. If videos or photographs are disseminated or shared with another law enforcement agency, a record should be created and maintained noting the date and recipient of the information.
 - E. If there are no pending criminal prosecutions arising from the demonstration or if the video recording or photographing is not relevant to an Internal Affairs or citizen complaint investigation or proceedings or to civil litigation arising from police conduct at the demonstration, the video recording and/or photographs shall be destroyed in accordance with department policies.
 - F. This directive shall not prohibit department members from using these videos or footage from such videos as part of training materials for officers in crowd control and crowd dispersal techniques and procedures.
